APWA - Wisconsin Chapter Project of the Year Award – Nelson Heritage Crossing

Background

The Wisconsin Chapter of the American Public Works Association (APWA) provides a forum for public works professionals to share their expertise and experiences for the continuing development of public works that add value throughout Wisconsin. City of Kaukauna, Village of Little Chute, Graef, and Michels have won an APWA-Wisconsin Chapter Project of the Year Award for the Nelson Family Heritage Crossing project. The Public Works Project of the Year Award recognizes the strong alliance between the managing agency, the consultant/architect/engineer, and the contractor to effectively complete public works projects.

Award plaques were presented to the City, Village, and Graef at the 2022 APWA-Wisconsin Chapter spring conference in Appleton earlier this month.
