## Estimate

Based on information provided by

August 5, 2022

Customer: City of Kaukauna      Billing address: 144 W 2nd St, Kaukauna, WI 54130  
Attn: John Neumeier      Phone: 920-766-6305      E-mail: neumeier@kaukauna-wi.org

**Job: 1000 Islands Environmental Center, 1000 Beaulieu Ct, Kaukauna, WI 54130**

**Equipment:** Wall Saw, Chain Saw with small Vacuum, Robot, Ring Saw, carts and Sherpa with forks

**Crew:** 2 men, one day

**Work consists of the following:** Saw cut and remove 17' long by 6' wide heaving *up to 8" deep* concrete floor, covered by tile. The tile has been certified as non-asbestos. Flush cut along the office wall area and the glass display side. Work area will be within 200' of our truck and entry is via qty. 2 34" doorways.

Customer will provide onsite dumpster. Customer will also pre-hang plastic over the glass display and also to block off adjoining areas of the center. Please see attached rough drawing and pictures of proposed work area.

**Price: \$5500**

**\*Concrete scanning is recommended prior to inside sawing. Pricing: weekdays: \$175.00/hour portal to portal  
Minimum Charge \$525.00**

- Work is priced for regular hours, if off hours or Saturday hours are required there will be an additional \$300.00 per man charge; for Sunday work additional \$500.00 per man.
- Standard insurance included. Any special insurance or bonding requirements or safety prequalification will be charged accordingly.
- Interstate Sawing will be able to park our truck within 200' of work areas to power our equipment.
- Layout of openings, on cutting side, by others.
- No removal included in price.
- Any temporary enclosures or partitions needed, provided by others.
- No power washing included in price. Vacuum water only.
- **Interstate Sawing will be provided with a place to dump slurry. If no place is available and slurry must be transported to our shop, it will be treated with chemicals to conform to EPA standards for proper disposal. Additional charges of \$150.00/barrel will be added to the invoice.**
- **Quote is valid for 90 days.**

Prices limited to work listed above. If there are changes to quantities, sizes or thicknesses quoted, price may be adjusted accordingly. Interstate Sawing is **Not Responsible** for traffic control, layout, or pipes, conduits, ducts, or other utilities cut in walls, floors, roofs, and in or below concrete. Any downtime beyond the control of Interstate Sawing will be charged accordingly. If you have any questions, please call me at 262-808-7715.

Thank you for the opportunity to quote!
