Interest shall be payable semi-annually on June 1 and December 1 of each year commencing on June 1, 2025 or on such other date approved by the Authorized Officer in the Approving Certificate. The true interest cost on the Bonds (computed taking the Purchaser's compensation into account) will not exceed 5.00%. Interest shall be computed upon the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to the rules of the Municipal Securities Rulemaking Board.

Provided that the parameters set forth in this Resolution are met, the schedule of maturities or mandatory redemptions is found to be such that the amount of annual debt service payments is reasonable in accordance with prudent municipal utility practices, and the Authorized Officer will confirm this finding in the Approving Certificate.

The Bonds, together with interest thereon, shall not constitute an indebtedness of the Municipality nor a charge against its general credit or taxing power.

The Bonds, together with interest thereon, shall be payable only out of the Special Redemption Funds hereinafter provided, and shall be a valid claim of the owner thereof only against such Special Redemption Funds and the revenues of the System pledged to such Funds. Sufficient revenues are pledged to the Special Redemption Fund, and shall be used for no other purpose than to pay the principal of and interest on the Bonds, the Prior Bonds, and any Parity Bonds as the same fall due. To the extent funds on deposit in the Special Redemption Fund are insufficient to pay principal and interest on the Bonds and the Prior Bonds, funds on deposit in the Waterworks System Junior Lien Special Redemption Fund created by the Safe Drinking Water Resolutions shall be used to pay principal and interest on the Bonds and the Prior Bonds on a basis senior to the Safe Drinking Water Bonds.

Section 2B. Redemption Provisions. The Bonds shall be subject to optional redemption as set forth in the Approving Certificate. If the Proposal specifies that certain of the Bonds are subject to mandatory redemption, the terms of such mandatory redemption shall be set forth on an attachment to the Approving Certificate labeled Schedule MRP. Upon the optional redemption of any of the Bonds subject to mandatory redemption, the principal amount of such Bonds so redeemed shall be credited against the mandatory redemption payments established in the Approving Certificate for such Bonds in such manner as the Municipality shall direct.

Section 3. Parity with Prior Bonds; Senior to the Safe Drinking Water Bonds. The Bonds shall be additional bonds within the meaning of Section 9 of the Bond Resolution, as amended by the Supplementing Resolutions and this Resolution; are issued on a parity with the Prior Bonds and senior to the Safe Drinking Water Bonds; and are payable from the revenues and properties of the System and the monies on deposit in the Special Redemption Fund created and established by the Bond Resolution on a basis equal to the Prior Bonds and payable from the monies on deposit in the Junior Lien Special Redemption Fund on a basis senior to the Safe Drinking Water Bonds all as set forth in the Bond Resolution, as amended and supplemented by the Supplementing Resolutions, this Resolution and the Safe Drinking Water Resolutions.

Section 4. Form, Execution, Registration and Payment of the Bonds. The Bonds shall be issued in registered form and shall be executed and delivered in substantially the form attached hereto as Exhibit D and incorporated herein by this reference.

Section 4A. Payment of the Bonds; Fiscal Agent. The principal of and interest on the Bonds shall be paid by U.S. Bank Trust Company, National Association, which is hereby appointed as the Municipality's registrar and fiscal agent pursuant to the provisions of Section 67.10(2), Wisconsin Statutes (the "Fiscal Agent"). The Municipality hereby authorizes the Mayor and City Clerk or other appropriate officers of the Municipality to enter a Fiscal Agency Agreement between the Municipality and the Fiscal Agent. Such contract may provide, among other things, for the performance by the Fiscal Agent of the functions listed in Wis. Stats. Sec. 67.10(2)(a) to (j), where applicable, with respect to the Bonds.

Section 4B. Utilization of The Depository Trust Company Book-Entry-Only System. In order to make the Bonds eligible for the services provided by The Depository Trust Company, New York, New York ("DTC"), the Municipality agrees to the applicable provisions set forth in the Blanket Issuer Letter of Representations which the City Clerk or other authorized representative of the Municipality is authorized and directed to execute and deliver to DTC on behalf of the Municipality to the extent an effective Blanket Issuer Letter of Representations is not presently on file in the City Clerk's office.

Section 4C. Persons Treated as Owners; Transfer of Bonds. The Municipality shall cause books for the registration and for the transfer of the Bonds to be kept by the Fiscal Agent. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on any Bond shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Any Bond may be transferred by the registered owner thereof by surrender of the Bond at the office of the Fiscal Agent, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing. Upon such transfer, the Mayor and City Clerk shall execute and deliver in the name of the transferee or transferees a new Bond or Bonds of a like aggregate principal amount, series and maturity and the Fiscal Agent shall record the name of each transferee in the registration book. No registration shall be made to bearer. The Fiscal Agent shall cancel any Bond surrendered for transfer.

The Municipality shall cooperate in any such transfer, and the Mayor and City Clerk are authorized to execute any new Bond or Bonds necessary to effect any such transfer.

Section 5. Security for the Bonds. The Bonds, together with interest thereon, shall not constitute an indebtedness of the Municipality nor a charge against its general credit or taxing power. The Bonds, together with interest thereon, shall be payable only out of the Special Redemption Funds created and established pursuant to the Bond Resolution, as amended and supplemented by the Supplementing Resolutions, this Resolution and the Safe Drinking Water Resolutions, and shall be a valid claim of any holder thereof only against said Special Redemption Funds and the revenues of the System pledged to the Special Redemption Funds on a parity with the Prior Bonds and senior to the Safe Drinking Water Bonds. Sufficient revenues have been heretofore pledged to the Special Redemption Funds, and shall be used for no other purpose than to pay the principal of, premium, if any, and interest on the Prior Bonds, the Bonds, any Parity Bonds, and the Safe Drinking Water Bonds, as the same becomes due. It is the express intent and determination of the Governing Body that the amount of revenues to be set aside in the Special Redemption Funds (including the Reserve Account) shall be sufficient in any event to pay the principal of and interest on the Prior Bonds, the Bonds, any Parity Bonds and the Safe Drinking Water Bonds, as the same becomes due and to provide any amounts required to be paid into the Reserve Account to maintain the Reserve Requirement.

Section 6. Funds and Accounts. In accordance with the Act, for the purpose of ensuring the application and proper allocation of the revenues of the System, and to secure the payment of the principal of and interest on the Prior Bonds, the Bonds, any Parity Bonds, and the Safe Drinking Water Bonds, certain funds of the System which were created and established pursuant to Section 6

of the Bond Resolution, as amended by the Supplementing Resolutions, this Resolution and the Safe Drinking Water Resolutions which shall be used solely for the purposes set forth in the Bond Resolution, as amended by the Supplementing Resolutions, this Resolution and the Safe Drinking Water Resolutions, as follows:

Subparagraph (c) of Section 6 of the Bond Resolution, which was amended and supplemented by the Supplementing Resolutions, is hereby further amended and supplemented to read as follows:

"(c) Waterworks System Special Redemption Fund, which shall be divided into two separate accounts to be known as the "Interest and Principal Account" and the "Reserve Account".

(i) There shall be deposited in the Interest and Principal Account from Bond and any Parity Bond proceeds all accrued interest. In addition, there shall be deposited in said account in the manner specified in Section 7 of the Bond Resolution, as amended, an amount sufficient (after giving effect to available amounts in said account from accrued interest, any premium, investment earnings and any other source) to pay the principal of and interest on the Prior Bonds, the Bonds and any Parity Bonds, as the same becomes due. The Interest and Principal Account shall be used solely for the purposes of paying principal of and interest on the Prior Bonds, the Bonds and any Parity Bonds in accordance with the provisions of the Bond Resolution, as amended and supplemented by the Supplementing Resolutions and this Resolution.

The minimum amounts to be so deposited in the Interest and Principal Account for debt service on the Bonds will be set forth on a schedule attached to the Approving Certificate.

(ii) In accordance with Section 9 hereof, upon the issuance of the Bonds, an amount necessary so the amount on deposit in the Reserve Account equals the Reserve Requirement shall be deposited therein as more fully set forth in the Approving Certificate. The Reserve Account shall be used solely for the purpose of paying principal of or interest on the Prior Bonds, the Bonds or any Parity Bonds at any time when there shall be insufficient money in the Interest and Principal Account. The Reserve Account shall be funded and replenished in the manner specified in Section 7 of the Bond Resolution, as amended and supplemented by the Supplementing Resolutions and this Resolution. The Reserve Account is not pledged to the payment of the principal of or interest on the Safe Drinking Water Bonds and moneys on deposit therein shall under no circumstances be used to pay principal of or interest on the Safe Drinking Water Bonds."

Section 7. Application of Revenues. The entire gross earnings of the System have been and will continue to be deposited as collected in the Revenue Fund and shall be transferred monthly to the funds listed in the Bond Resolution, as amended and supplemented by the Supplementing Resolutions, this Resolution and the Safe Drinking Water Resolutions, in the amounts, the order of priority and in the manner set forth in the Bond Resolution, as amended and supplemented by the Supplementing Resolutions, this Resolution, as supplemented by the Approving Certificate and the Safe Drinking Water Resolutions.

Section 8. Service to the Municipality. As stated in the Bond Resolution, as amended and supplemented by the Supplementing Resolutions, the reasonable cost and value of services rendered to the Municipality by the System by furnishing waterworks services for public purposes, shall be charged against the Municipality and shall be paid by it in quarterly installments as the service accrues. The Bond Resolution, as amended by the Supplementing Resolutions, provides, and this Resolution hereby continues to provide that the reasonable cost and value of such service to the Municipality in any year shall be in an amount which, together with the other revenues of the System, will produce in each year earnings equivalent of not less than 1.25 times the annual principal and interest requirements on the Prior Bonds, the Bonds and any Parity Bonds then outstanding after deduction of all operation and maintenance expenses of the System but before deduction of depreciation charges or local tax equivalents. All other provisions of Section 8 of the Bond Resolution still apply and are incorporated into this Section 8.

Section 9. Application of Bond Proceeds. The proceeds of the sale of the Bonds (including any premium and accrued interest from their date to the date of delivery) shall be deposited and applied as follows:

(a) to the Interest and Principal Account of the Special Redemption Fund, the amount of any accrued interest received from the sale of the Bonds;

(b) to the Reserve Account of the Special Redemption Fund, the amount, if any, needed to make the amount on deposit therein equal to the Reserve Requirement; and

(c) to the Waterworks System Improvement Fund (the "Improvement Fund"), a special fund hereby created and established, the balance of the proceeds of the Bonds. Said Improvement Fund shall be adequately secured and shall be used solely for the purpose of paying the cost of extending, adding to and improving the System, as described in the preamble hereof, and paying costs of issuance of the Bonds. Any balance remaining in said Improvement Fund after paying said costs shall be transferred to the Interest and Principal Account of the Special Redemption Fund for use in payment of principal of and interest on the Prior Bonds and the Bonds.

Any amounts on deposit in the Reserve Account in excess of the Reserve Requirement shall be transferred into the Interest and Principal Account and applied for the purposes thereof.

Section 10. Investments and Arbitrage. Monies accumulated in any of the funds and accounts referred to in Sections 6 and 9 hereof which are not immediately needed for the respective purposes thereof, may be invested in legal investments subject to the provisions of Sec. 66.0603(1m), Wisconsin Statutes, until needed. All income derived from such investments shall be credited to the fund or account from which the investment was made; provided, however,

that at any time that the Reserve Requirement is on deposit in the Reserve Account, any income derived from investment of the Reserve Account shall be deposited into the Special Redemption Fund and used to pay principal and interest on the Prior Bonds and the Bonds. A separate banking account is not required for each of the funds and accounts established under this Resolution; however, the monies in each fund or account shall be accounted for separately by the Municipality and used only for the respective purposes thereof. The proceeds of the Bonds shall be used solely for the purposes for which they are issued but may be temporarily invested until needed in legal investments. No such investment shall be made in such a manner as would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code or the Regulations of the Commissioner of Internal Revenue thereunder (the "Regulations").

An officer of the Municipality, charged with the responsibility for issuing the Bonds, shall, on the basis of the facts, estimates and circumstances in existence on the date of closing, make such certifications as are necessary to permit the conclusion that the Bonds are not "arbitrage bonds" under Section 148 of the Code or the Regulations.

Section 11. Compliance with Federal Tax Laws. (a) The Municipality represents and covenants that the projects financed by the Bonds and the ownership, management and use of the projects will not cause the Bonds to be "private activity bonds" within the meaning of Section 141 of the Code. The Municipality further covenants that it shall comply with the provisions of the Code to the extent necessary to maintain the tax-exempt status of the interest on the Bonds including, if applicable, the rebate requirements of Section 148(f) of the Code. The Municipality further covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Bonds) if taking, permitting or omitting to take such action would cause any of the Bonds to be an arbitrage bond or a private activity bond within the meaning of the Code or would otherwise cause interest on the Bonds to be included in the gross income of the recipients thereof for federal income tax purposes. The City Clerk or other officer of the Municipality charged with the responsibility of issuing the Bonds shall provide an appropriate certificate of the Municipality certifying that the Municipality can and covenanting that it will comply with the provisions of the Code and Regulations.

(b) The Municipality also covenants to use its best efforts to meet the requirements and restrictions of any different or additional federal legislation which may be made applicable to the Bonds provided that in meeting such requirements the Municipality will do so only to the extent consistent with the proceedings authorizing the Bonds and the laws of the State of Wisconsin and to the extent that there is a reasonable period of time in which to comply.

The foregoing covenants shall remain in full force and effect, notwithstanding the defeasance of the Bonds, until the date on which all of the Bonds have been paid in full.

Section 12. Execution of the Bonds; Closing; Professional Services. The Bonds shall be issued in printed form, executed on behalf of the Municipality by the manual or facsimile signatures of the Mayor and City Clerk, authenticated, if required, by the Fiscal Agent, sealed with its official or corporate seal, if any, or a facsimile thereof, and delivered to the Purchaser upon payment to the Municipality of the purchase price thereof, plus accrued interest to the date of delivery (the "Closing"). The facsimile signature of either of the officers executing the Bonds may

be imprinted on the Bonds in lieu of the manual signature of the officer but, unless the Municipality has contracted with a fiscal agent to authenticate the Bonds, at least one of the signatures appearing on each Bond shall be a manual signature. In the event that either of the officers whose signatures appear on the Bonds shall cease to be such officers before the Closing, such signatures shall, nevertheless, be valid and sufficient for all purposes to the same extent as if they had remained in office until the Closing. The aforesaid officers are hereby authorized and directed to do all acts and execute and deliver the Bonds and all such documents, certificates and acknowledgements as may be necessary and convenient to effectuate the Closing. The Municipality hereby authorizes the officers and agents of the Municipality to enter into, on its behalf, agreements and contracts in conjunction with the Bonds, including but not limited to agreements and contracts for legal, trust, fiscal agent, mandatory redemption agent, placement agent, disclosure and continuing disclosure, and rebate calculation services. Any such contract heretofore entered into in conjunction with the issuance of the Bonds is hereby ratified and approved in all respects.

Section 13. Conditions on Issuance and Sale of the Bonds. The issuance of the Bonds and the sale of the Bonds to the Purchaser are subject to (a) approval by an Authorized Officer of the principal amount, definitive maturities, redemption provisions, interest rates and purchase price for the Bonds, which approval shall be evidenced by execution by the Authorized Officer of the Approving Certificate, and (b) satisfaction of the requirements set forth in the Bond Resolution and the Supplementing Resolutions relating to the issuance of bonds on a parity with the Prior Bonds and satisfaction of the requirements set forth in the Safe Drinking Water Resolutions relating to the issuance of bonds on a basis senior to the Safe Drinking Water Bonds.

The Bonds shall not be issued, sold or delivered until these conditions are satisfied. Upon satisfaction of these conditions, the Authorized Officer is authorized to execute a Proposal with the Purchaser providing for the sale of the Bonds to the Purchaser.

Section 14. Official Statement. The Governing Body hereby directs the Authorized Officer to approve the Preliminary Official Statement with respect to the Bonds and deems the Preliminary Official Statement as "final" as of its date for purposes of SEC Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities and Exchange Act of 1934 (the "Rule"). All actions taken by the Authorized Officer or other officers of the Municipality in connection with the preparation of such Preliminary Official Statement and any addenda to it or Final Official Statement are hereby ratified and approved. In connection with the closing of the Bonds, the appropriate Municipality official shall certify the Preliminary Official Statement and any addenda or Final Official Statement. The City Clerk shall cause copies of the Preliminary Official Statement and any addenda or Final Official Statement to be distributed to the Purchaser.

Section 15. Resolution a Contract. ADDITIONAL BONDS CERTIFICATE

The undersigned, Clara L. Pickett, Finance & Administration Director of the Kaukauna Utilities hereby certifies the following in connection with the issuance by the City of Kaukauna, Outagamie and Calumet Counties, Wisconsin (the "City") of its Waterworks System Revenue Bonds (the "Bonds"):

1. I have reviewed and am familiar with the provisions of the resolution adopted by the Common Council of the Municipality on December 3, 2024, as supplemented by the Approving Certificate, dated _____, 2025 (collectively, the "Resolution"), which authorized the issuance of the Bonds.

2. I have also reviewed and am familiar with the provisions of the Bond Resolution and the Supplementing Resolutions (as those terms are defined in the Resolution).

3. To the best of my knowledge, information and belief, the City meets the conditions set forth in Section 9 of the Bond Resolution, as amended and supplemented by the Supplementing Resolutions, necessary to issue the Bonds on a parity and equality of rank with the Prior Bonds (as defined in the Resolution), to wit:

(i) Net Revenues. The Net Revenues (as defined in the Bond Resolution, as amended) for the last completed fiscal year preceding the issuance of the additional bonds (being fiscal year 2024) were \$_____, which is at least equal to one and one-quarter (1.25) times the highest combined annual interest and principal requirements on the Prior Bonds and any Parity Bonds then outstanding, payable from the revenues of the System, and the additional bonds proposed to be issued (being the Bonds) of \$_____.

(ii) No Default. The payments required to be made into the various funds and accounts provided in the Bond Resolution, as amended by the Supplementing Resolutions, are current and the City is not in default under any of the terms of the Bond Resolution, as amended by the Supplementing Resolutions.

(iii) Payment Dates. The Bonds will be payable as to principal as of December 1 of each year in which principal falls due and payable as to interest semi-annually on June 1 and December 1 of each year.

(iv) Reserve Account. The Reserve Account created by the Bond Resolution and continued by the Supplementing Resolutions has heretofore been funded in the amount of \$_____. Upon the issuance of the Bonds, proceeds of the Bonds will be deposited into the Reserve Account so the amount on deposit in the Reserve Account equals the lesser of (a) the maximum annual principal and interest requirement of the Prior Bonds and the Bonds or (b) 125% of the average annual debt service of the Prior Bonds and the Bonds.

4. I have also reviewed and are familiar with the provisions of the Safe Drinking Water Resolutions (as that term is defined in the Resolution) authorizing the issuance of the Safe Drinking Water Bonds (as that term is defined in the Resolution).

5. To the best of my knowledge, information and belief, the City meets the conditions set forth in Section 11 of the Safe Drinking Water Resolutions necessary to issue the Bonds on a basis senior to the Safe Drinking Water Bonds, to wit:

(i) as described in 3. above, the conditions required to issue the Bonds on a parity with the Prior Bonds have been met.

(ii) Net Revenues. The Net Revenues (as defined in the Safe Drinking Water Resolutions) for Fiscal Year 2024 were \$_____, which is at least equal to the maximum annual interest and principal requirements on all obligations outstanding payable from the revenues of the System and on the Bonds (\$_____), times 1.25. 1.25 is the highest debt service coverage ratio to be required with respect to the Prior Bonds, the Bonds and the Safe Drinking Water Bonds which are the only obligations payable from the revenues of the System now outstanding.

(iii) Parity Bonds. The payments required to be made into the funds enumerated in Section 6 of the Safe Drinking Water Resolutions have been made.

(iv) Bond Rating. The Bonds are rated [_____] by [_____] who is a nationally recognized bond rating agency and said rating is in the "A" category or higher.

IN WITNESS WHEREOF, I have executed this Certificate in my official capacity effective this _____ day of _____, 2025.
