Re: Certified Survey Map Review-Parcel 323231000 & 323231100

Background information:

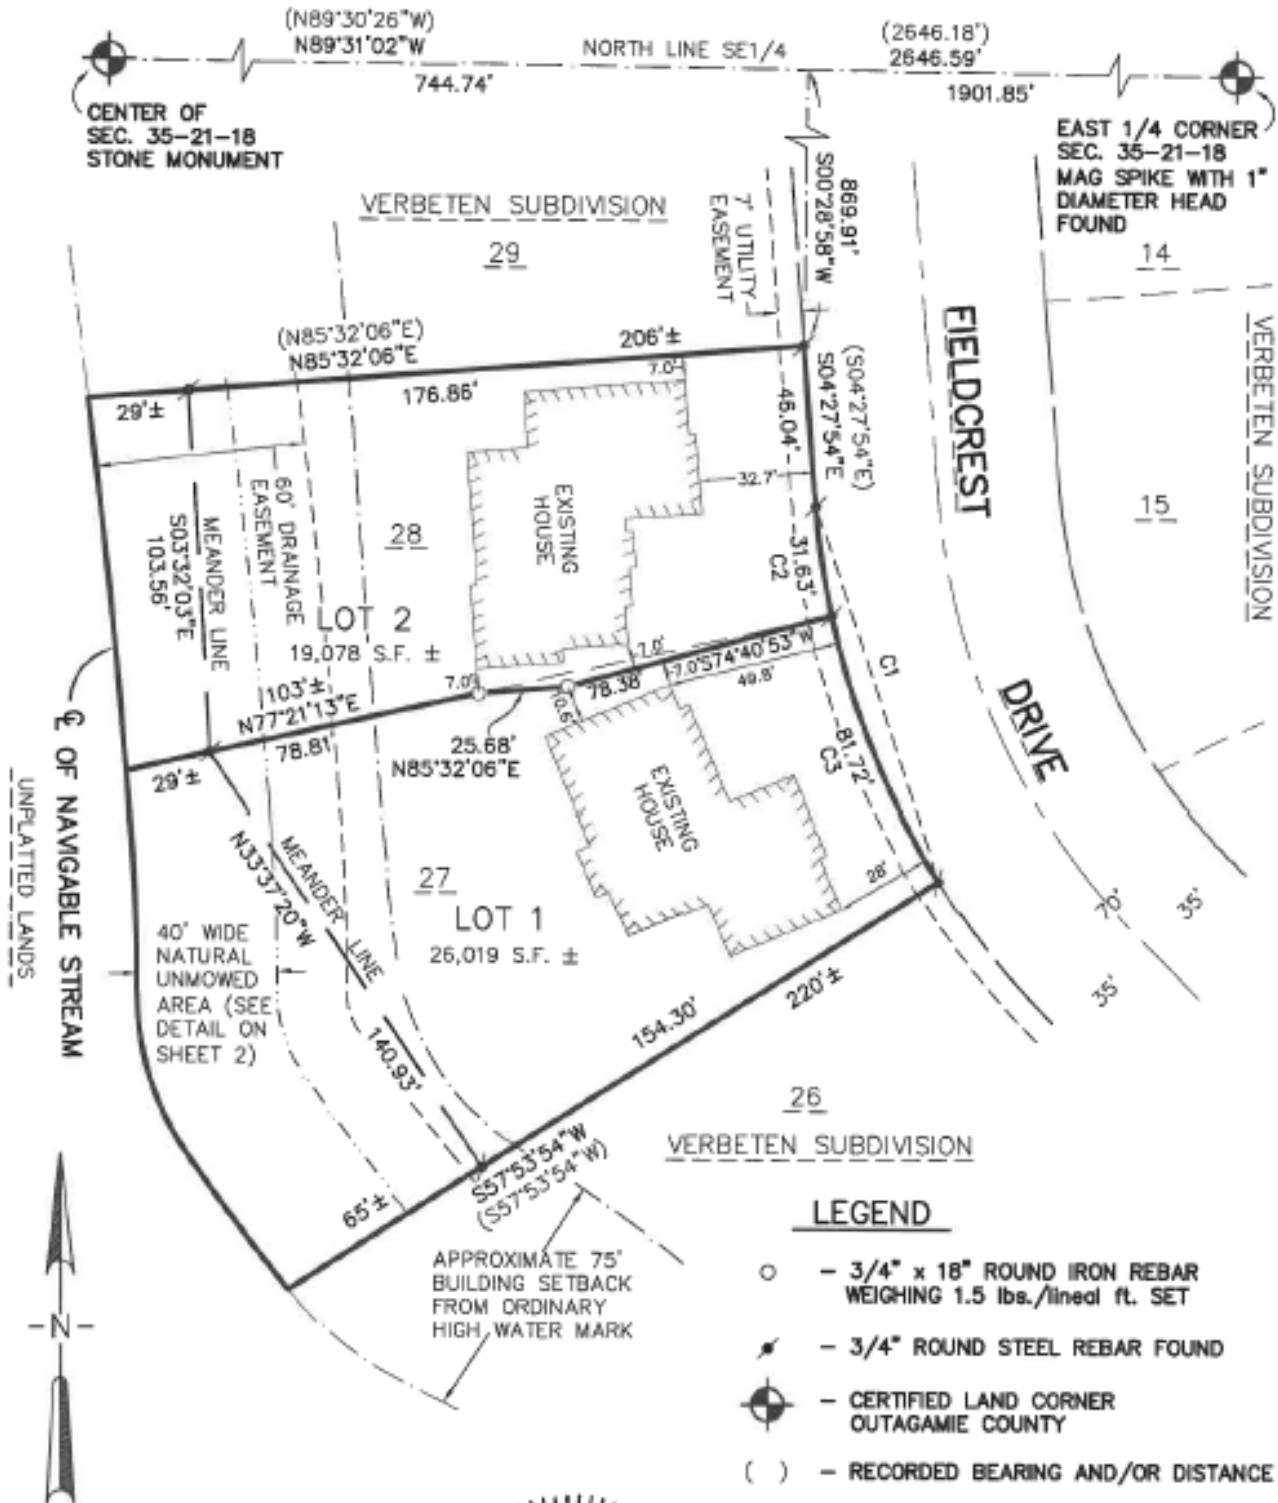

A certified survey map has been submitted for parcels 323231000 and 323231100 also known as 4001 and 4051 Fieldcrest Dr. This CSM is not creating an additional lot but rather correcting Lot line issue which would bring 4001 Fieldcrest in compliance with side yard setbacks of 7 feet. Attached is the CSM for review, it meets all requirements for the city. The Plan Commission reviewed this CSM and is recommending approval of the CSM.

Recommendation:

To approve a resolution for the CSM updating property lines for Parcel 32323100 & 323231100
