Re: Authorization to seek bids for Project 3-25 Alley Paving

### Background information:

The Engineering Department has completed survey and is finalizing design for the asphalt paving for the below listed alleys (also as shown on the attached map).

- West Ninth/Tenth Street Alley – Eden Avenue to Main Avenue
- West Ninth/Tenth Street Alley – Main Avenue to Crooks Avenue

The Alley is in need of reconstruction. The project will include excavation, storm sewer replacement, stone replacement and asphalt paving of the Alley outlined on the map.

### Strategic Plan:

This project will continue the improvement of the City's Street and Alley infrastructure.

### Budget:

There is \$450,000 budgeted for the Alley Paving – Ninth Street Project, in the 2025 Capital Improvement Plan.

### Staff Recommended Action:

Motion to authorize the Engineering Department to see bids for Project 3-25 Alley Paving.
