In re: Request for amplified music
in community room on Sat., Aug. 13, 2022

Dear Health and Recreation Committee:

I am, hereby, requesting the use of amplified music in the Community Room on Sat., Aug. 13, 2022, where I will be holding a birthday party for my daughter from 4pm-9pm. We will have a gathering of approximately 70 people and we would like to hire a local DJ for music and lights at the birthday party.

Thank you, in advance, for your consideration regarding this request.

Sincerely,

A handwritten signature in cursive script that reads "Felicia Torres".
