**(PC takes a 5 min break)**

- B. **SUBJECT:** A continued public hearing regarding Annexation 2023-02, Mitigated Negative Declaration 2023-03, Rezone 2023-02, Tentative Subdivision Map 2023-02, and Development Plan Permit 2023-03, pertaining to the Crown-Schaad residential development, located on the north side of West Kearney Boulevard between South Modoc and South Siskiyou Avenues (APNs 020-140-22S and 020-140-23S) (JRO & JC)

Mr. Chaffin states a tentative map divides pieces of property vs. a vesting tentative map divides pieces of property with along with freezing certain regulations in place. Once approved (vesting tentative map) it locks in the regulations and fees that were in effect at that time.

Post-presentation Commissioner Molloy raises concerns over open park space. Unclear where space is, concludes it is not Soroptimist Park.

Mr. Orozco clarifies that there is a soon-to-be developed park North of the Crown-Schaad residential development.

Commissioner Felker raises concerns over Crown-Schaad resident's access to the proposed North park, as well as on-street parking.

Ms. Chillerian states interior streets have to be a minimum of 32 ft curb to curb. South Kenneth Ave is a little bit wider connecting the subdivision to the proposed park. As for on street parking, street parking is included in the code for a smart development zone district.

Commissioner Molloy asks Mr. Orozco if the streets in the Crown-Schaad homes will have the same width as the Crown Tract 6236 (North Whitesbridge, East Siskiyou.) States when two vehicles are parked on either side of the street, there is not enough space for two cars to pass.

Mr. Orozco responds street width could possibly be the same; however, subdivision has rolled curbs and the lack of space could be attributed to human behavior in regards to parking.

Jose Lemus, Civil Engineer for Crown Homes agrees with Mr. Orozco in regards to human behavior and parking at curbs. In regards to park access, Mr. Lemus states there will be accessibility to the future park. As for street parking near the future park, this development will be at a walking distance.

Commissioner Felker expresses dislike of street parking in residential areas. Feels like we're heading in the wrong direction.

Mr. Lemus responds that the development includes 2 car garages with an option for a third, as well as 2 additional parking in the driveway.

Commissioner Felker reiterates concern about residential parking.

Mr. Orozco states development accommodates 2 standard family cars as well as on-street parking that is embedded in the Zoning Code.

-inaudible-

Mr. Lemus states anywhere longer than 600 ft traffic circles will be implemented in the intersections that emergency vehicles can easily maneuver for the purpose of deterring people from speeding.

Mr. Chaffin added a new condition of approval number 25: *Applicant/owner shall provide a right to farm disclosure to purchaser's consistent with the General Plan policy LU-4.5.*

**RECOMMENDATION:** The Kerman Planning Commission conduct a public hearing, deliberate, and by motion, adopt:

1. A resolution of the Planning Commission recommending the City Council to initiate annexation for the Crown Schaad residential project consisting of one (1) parcel identified as APN 020-140-22S containing approximately 9.69 acres located on the north side of West Kearney Boulevard between South Modoc and South Siskiyou Avenues (Annexation 2023-02), and adopt Mitigated Negative Declaration (ENV 2023-01) and Mitigated Monitoring and Reporting Program; and
2. A resolution of the Planning Commission recommending that the City Council adopt an ordinance approving Rezone 2023-02 to amend the official zoning map of the City of Kerman to pre-zone a property containing approximately 9.69 acres (APN 020-140-22S) to the SD-R-4.5 (Smart Development Combining District – Residential – minimum 4,500 square feet) Zone District and rezone a property containing approximately 19.65 acres (APN 020-140-23S) from the R-1-7 (Single-Family Residential) Zone District to the SD-R-4.5 Zone District located on the north side of West Kearney Boulevard between South Modoc and South Siskiyou Avenues; and
3. A resolution of the Planning Commission recommending to the City Council approval of Tentative Subdivision Map 2023-02 located on the north side of West Kearney Boulevard between South Modoc and South Siskiyou Avenues (APNs 020-140-22S and 020-140-23S); and

4. A resolution of the Planning Commission contingently approving Development Plan Permit 2023-03 that would facilitate the development of a 163-unit residential development in addition to related on/off-site improvements (e.g., roadways, sidewalks, landscaping), located on the north side of West Kearney Boulevard between South Modoc and South Siskiyou Avenues (APNs 020-140-22S and 020-140-23S), subject to final approval of TSM 2023-02.

**Vice Chairperson Nehring closes the public meeting at 8:23 P.M.**

**Commissioner Felker motioned, seconded by Commissioner Molloy with modified conditions of approval to the Development Plan and Subdivision Map.**

**Vote: Yes (*Felker, Bandy, Molloy, Nehring, Bishop*) Noes: (*None*) final vote 5:0**

**Noes: *NONE***
