1	MEMORANDUM OF UNDERSTANDING BETWEEN			
2	THE COUNTY OF FRESNO AND THE CITY OF KERMAN			
3	This Memorandum of Understanding ("MOU") is dated and is			
4	between City of Kerman, a municipal corporation of the State of California ("City"), and the			
5	County of Fresno, a political subdivision of the State of California ("County"). County and City

7	Recitals			
	A. The Parties wish to establish a monitoring and inspection system to oversee privately			
8	funded laboratories that handle infectious agents without oversight from an existing permitting			
9	public agency.			
10	B. The joint response between the County of Fresno and the City of Reedley in 2023,			
11	dealing with an unlicensed laboratory resulted in a successful management of a potential public			
12	health issue and provided both entities the ability to retain their local control while being able to			
13	consistently advocate for additional state and federal resources. This incident has led the			
14	County to pursue a negotiated agreement with municipalities based on the successful 2023			
15	model.			
	C. The County adopted Section 1. Chapter 8.52 of the Ordinance Code of Fresno County,			
16	entitled "FRESNO COUNTY INFECTIOUS MATERIALS ORDINANCE," that applies to all non-			
17	Clinical Laboratory Improvement Amendments (CLIA) regulated laboratories and research and			
18	development businesses (as that term is defined in 42 USC §263a) located or operating within			
19	the geographic area in which the health department enforces state and local statutes, orders,			
20	quarantines, rules, regulations and ordinances relating to public health in the unincorporated			
21	area of Fresno County or within the incorporated area of any city within the county, to which			
22	cities have signed a memorandum of understanding that authorizes the County to conduct			
23	oversight of the laboratories.			
24	The Parties therefore agree as follows:			
25

13	disclosure of this MOU or any record or data that the City may provide to the County. The		
14	County's public disclosure of this MOU or any record or data that the City may provide to the

	(A) The County may voluntarily, or upon request by any member of the public or

17	(B) The County may voluntarily, or upon request by any member of the public or		
18	governmental agency, disclose to the public or such governmental agency any record or		
19	data that the City may provide to the County, unless such disclosure is prohibited by		
20	court order.		
21	(C) This MOU, and any record or data that the City may provide to the County, is		
22	subject to public disclosure under the Ralph M. Brown Act (California Government Code,		
23	section 54950).		
	(D) This MOU, and any record or data that the City may provide to the County, is

(E) This MOU, and any record or data that the City may provide to the County, is subject to public disclosure as information concerning the conduct of the people's business of the State of California under California Constitution, Article 1, section 3, subdivision (b).

(F) Any marking of confidentiality or restricted access upon or otherwise made with respect to any record or data that the City may provide to the County shall be disregarded and have no effect on the County's right or duty to disclose to the public or governmental agency any such record or data.

If the County receives a written or oral request 9 under the CPRA to publicly disclose any record that is in the City's possession or control, and which the County has a right, under any provision of this MOU or applicable law, to possess or 10 control, then the County may demand, in writing, that the City deliver to the County, for 11 purposes of public disclosure, the requested records that may be in the possession or control of 12 the City. Within five business days after the County's demand, the City shall (a) deliver to the 13 County all of the requested records that are in the City's possession or control, together with a 14 written statement that the City, after conducting a diligent search, has produced all requested 15 records that are in the City's possession or control, or (b) provide to the County a written 16 statement that the City, after conducting a diligent search, does not possess or control any of 17 the requested records. The City shall cooperate with the County with respect to any County 18 demand for such records. If the City wishes to assert that any specific record or data is exempt from disclosure under the CPRA or other applicable law, it must deliver the record or data to the 19 County and assert the exemption by citation to specific legal authority within the written 20 statement that it provides to the County under this section. The City's assertion of any 21 exemption from disclosure is not binding on the County, but the County will give at least 10 22 days' advance written notice to the City before disclosing any record subject to the City's 23 assertion of exemption from disclosure. ## **General Terms**

9.1 **Modification.** Except as provided in Article 6, "Termination and Suspension," this MOU may not be modified, and no waiver is effective, except by written agreement signed by both Parties. The City acknowledges that County employees have no authority to modify this MOU except as expressly provided in this MOU.

<sup>8</sup> 9.2 Non-Assignment. Neither Party may assign its rights or delegate its obligations
 <sup>9</sup> under this MOU without the prior written consent of the other Party.

9.3 Governing Law. The laws of the State of California govern all matters arising from
 or related to this MOU.

9.4 Jurisdiction and Venue. This MOU is signed and performed in Fresno County,
 California. City consents to California jurisdiction for actions arising from or related to this MOU,
 and, subject to the Government Claims Act, all such actions must be brought and maintained in
 Fresno County.

9.5 Construction. The final form of this MOU is the result of the Parties' combined
 efforts. If anything in this MOU is found by a court of competent jurisdiction to be ambiguous,
 that ambiguity shall not be resolved by construing the terms of this MOU against either Party.

9.6 **Days.** Unless otherwise specified, "days" means calendar days.

9.7 Headings. The headings and section titles in this MOU are for convenience only and
 are not part of this MOU.

9.8 Severability. If anything in this MOU is found by a court of competent jurisdiction to
be unlawful or otherwise unenforceable, the balance of this MOU remains in effect, and the
Parties shall make best efforts to replace the unlawful or unenforceable part of this MOU with
lawful and enforceable terms intended to accomplish the Parties' original intent.

9.9 No Waiver. Payment, waiver, or discharge by the County of any liability or obligation
 of the City under this MOU on any one or more occasions is not a waiver of performance of any

1	continuing or other obligation of the City and does not prohibit enforcement by the County of any		
2	obligation on any other occasion.		
3	9.10 Entire MOU. This MOU is the entire agreement between the Parties with respect to		
4	the subject matter of this MOU, and it supersedes all previous negotiations, proposals,		
5	commitments, writings, advertisements, publications, and understandings of any nature unless		
	those things are expressly included in this MOU.		
6	9.11	No Third-Party Beneficiaries. This MOU does not and is not intended to create any	
7	rights or obligations for any person or entity except for the Parties.		
8	9.12	Authorized Signature. The City represents and warrants to the County that:	
9		(A) The City is duly authorized and empowered to sign and perform its obligations	
10	under this MOU.		
11		(B) The individual signing this MOU on behalf of the City is duly authorized to do so	
12	and his or her signature on this MOU legally binds the City to the terms of this MOU.		
13	9.13	Electronic Signatures. The Parties agree that this MOU may be executed by	
14	electronic signature as provided in this section.		
15		(A) An "electronic signature" means any symbol or process intended by an individual	
	sig	ning this MOU to represent their signature, including but not limited to (1) a digital	
16	signature; (2) a faxed version of an original handwritten signature; or (3) an electronically		
17	scanned and transmitted (for example by PDF document) version of an original		
18	handwritten signature.		
19	(B) Each electronic signature affixed or attached to this MOU (1) is deemed		
20	equivalent to a valid original handwritten signature of the person signing this MOU for all		
21	purposes, including but not limited to evidentiary proof in any administrative or judicial		
22	proceeding, and (2) has the same force and effect as the valid original handwritten		
23	signature of that person.		
24	(C) The provisions of this section satisfy the requirements of Civil Code section		
	1633.5, subdivision (b), in the Uniform Electronic Transaction Act (Civil Code, section

-8-

1	(D) Each Party using a digital signature represents that it has undertaken and	
2	satisfied the requirements of Government Code section 16.5, subdivision (a),	
3	paragraphs (1) through (5), and agrees that each other Party may rely upon that	
4	representation.	
5	(E) This MOU is not conditioned upon the Parties conducting the transactions under	
6	it by electronic means and either Party may sign this MOU with an original handwritten
