

## STAFF REPORT

---

**MEETING DATE:** May 20, 2025

**PRESENTER:** Theresa Johnson, CPRP, Community Services Director

**SUBJECT:** Park and Facility Updates

**RECOMMENDATION:** None

**EXECUTIVE SUMMARY:**

Groundbreaking ceremony for Hart Ranch Community Park was held on Wednesday, April 2. It was a great turnout, and it was great to see construction happening in the background.

As of May 13, 2025, the following are recent/ongoing activities:

Offsite improvements have been completed.

- Curb and Gutter improvements have been installed
- California Ave has been reconstructed and is open for traffic

Onsite

- Chain link fence installed around the North, East, and West sides of the property
- All underground utilities (water, sewer, storm drain) improvements have been installed
- Landscaping irrigation is currently being installed around the perimeter of the project
- Electrical conduit is currently being installed for the sports lights and pathway lights
- Approved submittals for play and spray equipment, bollards, park benches, receptacles, shade structure in community garden, and park sign
