PRESENTER: Theresa Johnson, Community Services Director

SUBJECT: Contract No. 25-0121ARP Title III C1 Congregate Nutrition Site Management with the Fresno- Madera Area Agency on Aging (TJ)

RECOMMENDATION: None

EXECUTIVE SUMMARY:

On Wednesday, August 14, 2024, the City Council approved the annual grant contract that the City of Kerman received from the Fresno- Madera Area Agency on Aging (FEMA) for senior service programs since 1981. The funding is available annually, and the City must complete a new contract each year to accept the funds. This grant is from the U.S. Department of Health and Human Services and passed through grantor FMAAA, Older Americans Act Title III C1 Congregate Nutrition, Federal CDFA No. 93.045. This resolution is an update to reaffirm the annual execution of FMAAA Nutrition program contract.

The \$24,000 FMAAA grant funds are used solely for in-center meals for seniors who need them most. The amount offsets the labor expenditures of the full-time Senior Services Coordinator who manages the program daily. The funds also help cover nutrition site supplies and other related expenses. While this amount has fluctuated over the years, the funds still supplement the operational costs to ensure that Kerman's senior residents have a nutritionally balanced meal.

FISCAL IMPACT:

Annual FMAAA funds are essential for continuing the nutrition program at the Kerman Senior Center. The grant funding helps to provide supplies and offset staffing expenses.
