Hello Kerman City Council members,

Youth Leadership Institute is excited to announce the launch of our 2023 Hispana Youth Leadership Program (HYLP) cohort. The goal of HYLP is to educate high school students to become leaders and encourage them to go to college. Our hope is to empower young Latinas to receive a higher education, advocate for their communities, and grow their civic engagement.

HYLP is a 6 month program that will meet in person and virtually monthly across the state of California between Los Angeles and Sacramento. The program is scheduled to begin February 2023 and conclude in June 2023. Participants will conduct original research on Latina adolescents and Mental Health, meet with statewide decision makers, and be exposed to college going experiences. Junior, female identifying High School students within Fresno County are welcomed and encouraged to register for the program. Our organization is asking for your support to help make this leadership youth program a success. We are hoping to receive support through local contributions to cover the cost of program supplies, meals and transportation for the youth participants. A tax-deductible donation can be made to Youth Leadership Institute, with the memo line indicating: Donation for HYLP. Donations received will also be thanked in all media and promotional materials.

We thank you for your time and consideration. We look forward to any support you can provide. If you require additional information, please contact Emily Rivas at 209-613-0718 and I will be happy to answer any questions you may have.

Sincerely,

Emily Rivas
