OUTSTANDING VOLUNTEER AWARD

City of Kerman

Bertha Pacheco

We are honored to nominate Bertha Pacheco for the Outstanding Volunteer Award. Bertha excels at promoting participation in recreational experience by taking an active role as leader and advocate of many Parks and Recreation Activities, sharing social media posts, and always speaking highly about the Kerman Parks and Recreations Department, programs, volunteer opportunities, and upcoming events with those she meets. Bertha shows her dedication to increasing cultural unity by assisting with Spanish to English translations, fostering understanding and inclusion in our programs. Bertha also enjoys multigenerational activities and engages in programs such as "Art in the Park" - a free program open to all ages, and leading the Walk With Ease group in a "Walk the Market" - a Farmer's Market cooperative event open to all community participation. Finally, Bertha shows off her heart for promoting health and wellness through her involvement in the Health Advisory Committee (aka Healthy Communities Meetings), Park RX, Senior Fun & Fit Exercise Program, Bingocize, Tai-Chi, and Walk With Ease programs.
