Mayor Bradshaw and City Councilors
City of Ketchum
Ketchum, Idaho

Mayor Bradshaw and City Councilors:

Recommendation to approve Right-of-Way Encroachment Agreement 22748 for placement of pavers in the City Right-of-Way.

Recommendation and Summary

Staff is recommending Council approve the attached Encroachment Agreement and adopt the following motion:

"I move to authorize the Mayor to sign Encroachment Agreement 22748 with Joel and Amy Brazil."

The reasons for the recommendation are as follows:

- The improvements will not impact the use or operation of the residential street
- The improvements will not impact drainage within the City ROW

Introduction and History

A Right-of-Way Encroachment Permit request was received for a paver driveway within the City's Right-of-Way at 221 Sage Road.

Right-of-Way standards were developed to achieve goals of drainage, parking, snow storage, access for emergency vehicles, and provide materials that can be reasonably maintained by the city. Pavers, snowmelt systems, and subsurface drip irrigation systems are not maintained by the City but may be approved through an encroachment agreement.

City code requires a right-of-way encroachment permit for any permanent encroachment in the public right-of-way. These agreements are intended to help protect the City in the event the proposed encroachments were to ever pose an issue requiring repair, relocation, or removal of the encroachment.

Analysis

The proposed encroachments were determined not to impact public access or city operations.

Financial Impact

There is no financial impact resulting from approval of this encroachment agreement.
