Mayor Bradshaw and City Councilors:

Recommendation To Authorize Long-term Solid Waste Franchise Agreement with Clear Creek Disposal (Obras, LLC)

Recommendation and Summary

Staff is recommending the Council conduct a public hearing regarding the approval a ten-year Solid Waste Franchise Agreement with Clear Creek Disposal. Staff will review the following during the meeting: (1) AM collection hours which is unresolved in the proposed new agreement (2.4-d page 7) and (2) feedback regarding recycling station location.

"I move approval of third reading by number and title of Ordinance 21-1228, a ten-year franchise agreement with Clear Creek Disposal (Obras, LLC)."

The reasons for the recommendations are as follows:

- City staff has coordinated with Clear Creek, City of Hailey and Blaine County regarding short-term and long-term service enhancements to recycling program.
- The new franchise agreement provides for short-term service enhancements such as a cardboard compacter and provides for future annual service changes (2.4 – page 7)
- A public hearing was conducted for first and second readings. The city published the required public notice in the Mountain Express following first reading and the 30 day period has been met prior to third reading/adoption.

Introduction, History & Analysis

The Council approved a series of short-term extensions to allow for due diligence to be completed associated with the long-term franchise agreement. Specifically, staff was waiting to finalized costs associated with the new cardboard compacter located near the YMCA. Following the public hearing, there is a required 30 day notice requirement before final adoption of the franchise agreement.

Staff did complete community outreach with approximately 273 participants. There was strong support (71.1%) to move to a cardboard compacter.

Staff has been working with Clear Creek Disposal to evaluate service enhancements associated with a new Franchise Agreement. This evaluation has been in partnership with the City of Hailey, Blaine County, Southern Idaho Solid Waste District as well as interested non-profit partners such as the Environmental Resource Center, Sun Valley Institute for Resilience and Ketchum Sustainability Advisory Committee.

A waste audit for Blaine County conducted by Warm Springs Consulting which concluded there were two major opportunity areas to explore:

- 23.5% of waste stream consisted organic materials.
- 18.1% included recyclable materials such as cardboard, paper and plastic.

In addition to those opportunities, two other related topics were explored:

- How to reduce the contamination and other negative impacts associated with the community drop off recycling sites.
- How to reduce the occurrence of bears and other animals being attracted to trash containers which in many instances results in euthanizing those animals.

The group evaluated multiple service scenarios and **initially** recommended the following new services:

- Curbside co-mingled recycling versus the current approach where residents must sort their recyclables. National evidence and experience in other western communities have demonstrated with this change it can result in 65%-100% increase of recyclable material. The new service would also allow for the collection of cardboard at the curbside. Customers would receive a new container on wheels. It would be collected every other week.
- Curbside collection of organic materials (food/yard waste). Customers would receive a cart and pickup with occur every other week (off-set with comingled recycling).
- Collection of glass would still occur at drop-off sites.

These recommendations carry logistical/role changes between Blaine County and the Southern Idaho Waste District at the Ohio Gulch Facility. The details were discussed at the recent joint meeting. For Clear Creek Disposal, there would be operational changes as well; ranging from the need to purchase and distribute additional carts as well as new trucks. All of this would result in an increase in monthly costs for customers.

Based on feedback from the Blaine County Commissioners and the City of Hailey, staff is recommending the following **REVISED** course of action:

Short-term

- Transition current cardboard drop off location from numerous open dumpsters to one compacter system.
- Offer the ability for customers to purchase wildlife proof containers but do not mandate.
- Continue to evaluate potential composting program and recycling enhancements.
- Return to the Council with an updated 10 year franchise agreement that enables annual evaluation/implementation to any future recycling service changes and associated customer charges.

Mid-term (next 1-2 years)

- Evaluate the concept on a five year phase-in of wildlife carts in all non-downtown locations.
- Based on community feedback, implement future service changes such as composting, curbside cardboard or co-mingled recycling.

Sustainability Impact

The Ketchum Sustainability Action Plan list these potential service improvements as items to explore to reduce the amount of solid waste going to the regional landfill.

Financial Impact

Clear Creek has proposed an initial (14%) rate adjustment to address inflation in costs associated with existing service as there has not been a rate adjustment in several years. Clear Creek has developed an initial cost estimate for each associated service enhancement outlined below:

- **Existing monthly rate = \$23.40**
 - 14% cost of service rate increase = \$ 3.28
 - Cardboard drop-off compacter = \$ 1.40
 - Increased cleanup at recycling drop-off = \$.65
- **New monthly rate = \$28.73**

any of its other legal rights and remedies, to obtain an order from the district court having jurisdiction compelling Franchisee to comply with the provisions of the Franchise and recover damages and costs incurred by the City by reason of Franchisee's failure to comply.

16 Liquidated Damages. In view of the difficulty of ascertaining a loss which the City will suffer by reason of breach in the performance of the requirements stated in this Agreement, the City may assess liquidated damages in the amount of One Thousand Dollars (\$1,000) per day for discontinuance of collection and transportation service on any route for more than seventy-two (72) hours beyond the scheduled day, after written notice, for any reason, except for causes beyond the control of Franchisee and except for situations covered herein this Agreement.
