STAFF REPORT
KETCHUM PLANNING AND ZONING COMMISSION
MEETING OF MARCH 8, 2022

PROJECT: 460 North Main Street Mixed-Use Building /5th & Main Condominiums

FILE NUMBERS: P22-007, P22-005, P22-006, P22-013

APPLICATION TYPES: Design Review, Lot Consolidation Preliminary Plat, Condominium Subdivision Preliminary Plat, and Variance

REPRESENTATIVE: Michael Bulls, Ruscitto Latham Blanton Architecture

OWNER: David Wilson, Main Street Realty Partners LLC

LOCATION: 460 N Main Street (Ketchum Townsite: Block 5: Lots 3 & 4)

ZONING: Retail Core of the Community Core (CC-1)

OVERLAY: None

NOTICE: A public hearing notice for the project was mailed to all owners of property within 300 feet of the project site and all political subdivision on February 16th, 2022. The public hearing notice was published in the Idaho Mountain Express the on February 16th, 2022. A notice was posted on the City’s website on February 16th, 2022. The public hearing notice was posted on the project site on March 1st, 2022.

460 N MAIN STREET MIXED-USE BUILDING/5TH & MAIN CONDOMINIUMS

The Ketchum Planning and Zoning Commission will hold a public hearing to review and consider concurrent Design Review, Lot Consolidation Preliminary Plat, Condominium Subdivision Preliminary Plat, and Variance applications for the proposed 460 N Main Street Mixed-Use Building/5th & Main Condominiums project. The applicant, property owner David Wilson represented by architect Michael Bulls of Ruscitto Latham Blanton Architecture, is proposing to develop a new 26,386-square-foot mixed-use building at the southeast corner of Main and 5th Streets within the Retail Core (CC-1)

Figure 1: Exterior Rendering, Sheet A4.2

Zoning District. The mixed-use building will accommodate two retail units on the ground floor, a parking garage with 8 off-street parking spaces, 4 community housing units with private entrances accessed from the alley, and 4 market-rate residential units.

ASSOCIATED APPLICATIONS & REVIEW PROCESS

The project is subject to Design Review pursuant to Ketchum Municipal Code (KMC) §17.96.010.A4 for the development of the new mixed-use building. Additionally, the applicant has submitted a Variance request for relief from the 3-foot setback required from the alley to accommodate a retaining wall and guardrail that support the pathway accessing the community housing units. The Planning and Zoning Commission has the authority to review and approve the applicant's Design Review and Variance applications pursuant to Ketchum Municipal Code §17.96.030.B and §17.148.010. The Lot Consolidation Subdivision Preliminary Plat Application will combine lots 3 and 4 within block 5 of Ketchum Townsite to consolidate the development parcel.

The Condominium Subdivision Preliminary Plat Application will subdivide the mixed-use building into 2 retail condominium units, 4 market-rate residential units, and 1 condominium unit for the 4 community housing rental units. Additionally, the developer plans to offer units for sale individually as construction is completed and will pursue a Phased Development Plan for the project consistent with Ketchum Municipal Code §16.04.110. The first step in the subdivision process is preliminary plat review by the Planning and Zoning Commission (Ketchum Municipal Code §16.04.030.C.5a). The subdivision applications will then be forwarded to the City Council for their final review and approval (Ketchum Municipal Code §16.04.030.C.5b).

FORMULA SPORTS/FORMER POST OFFICE HISTORIC A-FRAME DEMOLITION

The Formula Sports/Former Post Office A-Frame on the project site is one of the 27 structures on Ketchum's Historic Building List. The Historic Preservation Commission (HPC) approved the applicant's request to demolish the historic structure on November 2nd, 2021. The HPC concluded that the A-Frame merits demolition because the structure cannot reasonably be repaired, restored, or converted to an adaptive reuse without diminishing the historic integrity of the building. The applicant proposes to memorialize the significance of the building in a commemorative exhibit incorporated into the development's archway entrances along Main Street.

PRE-APPLICATION DESIGN REVIEW: COMMISSION'S FEEDBACK

The Planning and Zoning Commission considered the Pre-Application Design Review for this project during their meeting on January 11th, 2022. The Commission appreciated how the applicant thoughtfully utilized the site's topography to reduce the visual appearance of building mass. They commented that the proposed development would contribute to the community by adding vibrancy to the street corner. The Commission appreciated that the developer went above and beyond by

providing more community housing on site than what is required based on the gross floor area increase.

While they appreciated the horizontal floor setbacks provided by the second- and third-level terraces, the Commission commented that the building still appeared large and bulky due to its horizontal mass. The Commission suggested incorporating design treatments to mitigate the appearance of this horizontal building mass, such as providing a more transparent railing for the second- and third-level terraces. The Commission commented that more variety should be incorporated into the project's exterior material palette to differentiate the new mixed-use building from the Idaho Mountain Bank building across the street. The Planning & Zoning Commission supported Staff's suggestion that a connection be provided from the paver pathway along the alley that provides access to the community housing to the sidewalk along 5th Street.

APPLICANT'S PROJECT PLAN UPDATES

The updated project plans submitted with the final Design Review application are attached as Exhibit A to the Staff Report. The applicant has revised the project's massing elements based on the Commission's feedback. As indicated on Sheet A2.3 of the project plans, the middle portion of the third level terrace has been extended towards Main Street to match the roof line of the second floor below. This modification creates a vertical element connecting the upper levels of the building. As shown on Sheet A4.2 of the project plans, the applicant has modified the railing at the third level terrace by substituting the weathered wood vertical siding with glass panels. This transparent railing reduces the appearance of horizontal building mass. The applicant has modified the exterior materials by lightening the color palette. The applicant has provided a connection from the paver pathway along the alley to the sidewalk along 5th Street.

ANALYSIS

The following analysis provides an overview of how the project complies with zoning and dimensional requirements as well as Design Review standards. Before granting Design Review approval, the Planning & Zoning Commission must determine that applications meet two criteria: (1) the project doesn't jeopardize the health, safety, or welfare of the public, and (2) the project conforms to all Design Review standards and zoning regulations (KMC 17.96.050.A). This section also includes an evaluation of the applicant's Variance request. Additionally, the analysis highlights key issues for the Planning & Zoning Commission's consideration and further discussion.

Compliance with Zoning & Dimensional Standards

The project is in conformance with all dimensional and development standards required for projects in the Community Core except for the 3-foot required setback from the alley property line.

Uses

Only pedestrian activated commercial uses like retail shops and restaurants are permitted on the ground-floor along the street frontage within developments in the Retail Core (CC-1) Zone (KMC §17.12.020). The proposed development includes ground-level retail units fronting Main and 5th Streets. The upper levels of the mixed-use building contain four market-rate residential units. Four community housing units are provided on site and accessed from a paver pathway bordering the block 5 alleyway. These multi-family dwelling units are permitted in the CC-1 Zone pursuant to Ketchum Municipal Code §17.12.020.

Floor Area Ratio (FAR) & Building Height

The permitted FAR in the Community Core Zone is 1.0. The Planning & Zoning Commission may allow an increased FAR above 1.0 up to a maximum of 2.25 subject to Design Review (KMC §17.124.040.B). To receive more floor area, new buildings must complement the scale and character of the surrounding neighborhood.

The 24,391-square-foot building has a total Floor Area Ratio (FAR) of 2.22. While big, the applicant has sensitively designed the project to complement the existing neighborhood character. The building tucks into the slope created by the site's 8-foot grade change. This reduces the visual appearance of building mass at the alley. This rear elevation is two stories and 29.5 feet in height from the second-level floor to the top of the gable end. The front façade along Main Street is three stories and 42 feet in height from the ground-level floor to the top of the gables ends.

The applicant has proposed to provide four affordable rentals within the mixed-use building to satisfy the community housing contribution in exchange for the FAR increase. The community housing units range in size from 658 square feet to 700 square feet. The total floor area of the four community housing units is 2,715 square feet, which is 439 square feet more than required in exchange for the FAR exceedance.

Resolved Code Compliance Issues

The applicant has resolved all code compliance issues flagged during Pre-Application Design Review.

The Pre-Application project plans proposed a 289-square-foot enclosed corridor connecting the elevator and stairwell accessing the rooftop. As proposed with the Pre-Application, the enclosed corridor qualified this feature as a fourth floor. The applicant revised the fourth-level roof plan and reduced the size of the enclosed corridor. The proposed corridor creates a thermal envelope for the elevator and stairwell. This feature now qualifies as a non-habitable access structure and is permitted to extend a maximum of 10 feet above the roof surface pursuant to Ketchum Municipal Code §17.12.040.

The Pre-Application proposed separated, enclosed garbage areas with individual rubbish bins to serve the four community housing units. Individual rubbish bins are not permitted within the Community Core. The revised project plans submitted with the final Design Review application eliminated these individual rubbish bins. The dumpster within the enclosed garage now serves as the garbage disposal

area for all uses within the development, including the community housing units. The enclosed garbage areas have been converted into individual storage areas for each community housing unit.

Compliance with Design Review Standards

The purpose of Design Review is to: (a) maintain and enhance the appearance, character, beauty, and function of the City, (b) to ensure that new development is complementary to the design of existing neighborhoods, and (c) to protect and enhance the Ketchum's economic base (KMC §17.96.020). In the Community Core, Ketchum Municipal Code §17.96.070 adds the purpose of Design Review is to ensure the addition of high-quality architecture for new development while maintaining the unique character of existing building stock found downtown. This project supports the community's vision to maintain downtown as Ketchum's vibrant commercial area where local businesses thrive and the community gathers together. The project will create a unique urban spatial experience that will visually engage pedestrians and activate the streetscape. Staff believes the project complies with all Design Review standards as outlined in Ketchum Municipal Code §17.96.060 and the requirements for Community Core projects specified in Ketchum Municipal Code §17.96.070.

Compatibility of Design

The project's materials, colors and signing shall be complementary with the townscape, surrounding neighborhoods and adjoining structures (Ketchum Municipal Code §17.96.060.E1).

The project is in the heart of downtown Ketchum at the southeast corner of Main and 5th Streets. The development site is adjacent to: (a) the Idaho Independent Bank building across Main Street, (b) Silver Creek Outfitters across 5th Street, (c) Nails by Sherine (River Ranch/Tomason House/Kate Knight's Antiques) and the McCotter (Crazy Horse) Building across the alley. The design incorporates exterior materials and ornamentation characteristic of alpine architecture. The project's exterior materials are specified on Sheet A4.2 of the project plans and include natural stone veneer, matte dark bronze metal, and wood. The natural materials and earth tones complement the surrounding buildings downtown. This redevelopment project will contribute to the character of the community and enhance downtown's built environment through its authentic design and engaging streetscape.

Architectural

Building walls shall provide undulation/relief, thus reducing the appearance of bulk and flatness (Ketchum Municipal Code §17.96.060.F5).

The building tucks into the slope created by the site's falling grade to reduce the visual appearance of building mass. The private terraces provided for the upper-level residential units step the building back at the second and third floors. The second-level terraces are 21'-3" and 35'-6" wide stepping the building back 16'-4" from the ground-floor façade. The third-level terraces are each 49 feet wide stepping back the floor 22'-4" from the ground-level and 6 feet from the second-level façade. This design breaks up the building into defined components that visually break up the mass of the building. The mixed-use development orient towards the Main and 5th Streets. The building angles at the street corner softening its edge while exposed wood beams distinguish the building corner entrance.

The building character shall be clearly defined by use of architectural features (Ketchum Municipal Code §17.96.060.F2).

The retail units provide an active use at the ground-level that will add vibrancy to both street frontages. The 12-foot first-floor ceiling height enhances the retail use's prominence within the development. The commercial and residential uses with the building's interior program are visually distinguished through different exterior materials and architectural features. The ground level is

defined by natural stone veneer and arches. The arches are equally separated forming a repeating pattern that creates rhythm along the streetscape. The arches project 3 feet from the front and street side facades creating covered spaces for benches and landscaped planters along both street frontages. These public amenities create an activated, pedestrian friendly streetscape. Both the stone arches and wood beams echo the exposed structural elements that characterize alpine architecture and vernacular buildings, like the A-Frame, capable of shedding and withstanding snow loads in the mountains. The roof includes both flat and pitched, gable elements that vary the height of the roofline and provide visual interest. The gable roof elements are a defining architectural feature that distinguish this project from the flat-roofed, rectangular-shaped buildings dominating recent downtown infill and redevelopment projects.

Subdivision: Lot Consolidation Preliminary Plat

The Lot Consolidation Subdivision Preliminary Plat will combine lots 3 and 4 within block 5 of Ketchum Townsite to consolidate the development parcel. The request to combine two Ketchum Townsite lots downtown meets all applicable standards outlined in the City's subdivision regulations.

Lot Requirements

Lot size, width, depth, shape and orientation and minimum building setback lines shall be in compliance with the zoning district in which the property is located and compatible with the location of the subdivision and the type of development, and preserve solar access to adjacent properties and buildings (Ketchum Municipal Code §16.04.040.F1).

This project fits in with downtown's local context and small-town character. The development of different buildings on smaller lots over time generates variety in design and detail to form a dynamic, authentic, and interesting streetscape. Lot consolidations impact the pattern of downtown development. This application combines two Ketchum Townsite lots. Combined lot 3A will have 110 feet of frontage along Main Street and 100 feet of frontage along 5th Street. The total area of the combined lots is 11,000 square feet. Many Ketchum Townsite lots have been consolidated downtown to support new development. Proposed Lot 3A is the same size and shape as the Idaho Independent Bank and Wells Fargo Bank properties across Main Street.

Subdivision: Condominium Subdivision Preliminary Plat

The Condominium Subdivision Preliminary Plat Application will subdivide the mixed-use building into 2 retail condominium units, 4 market-rate residential units, and 1 condominium unit for the 4 community housing rental units. Additionally, the developer plans to offer units for sale individually as construction is completed and will pursue a Phased Development Plan for the project consistent with Ketchum Municipal Code §16.04.110. As conditioned, the request to subdivide meets all applicable standards for Condominium Preliminary Plats outlined in Ketchum Municipal Code's Subdivision (Title 16) and Zoning (Title 17) Zoning regulations.

Garage: All garages shall be designated on the preliminary and final plats and on all deeds as part of the particular condominium units. No garage may be condominiumized or sold separate from a condominium unit.

The garages are designated as limited common area and assigned to each of the four market-rate dwelling units within the mixed-use building.

Storage Areas: Adequate interior storage space for personal property of the resident of each condominium unit (Ketchum Municipal Code §16.04.070.G).

The community housing units each have a separate storage area on the paver porches adjacent to the front entrance to each unit. Each of the market-rate residential units have areas designated as flex space that are sufficient for the storage of personal property.

Open Space: The subdivider shall dedicate to the common use of the homeowners adequate open space of such shape and area usable and convenient to the residents of the condominium subdivision.

Location of building sites and common area shall maximize privacy and solar access (Ketchum Municipal Code §16.04.070.G).

The community housing units each have a small front porch area by the front door. All market-rate residential units have private terraces fronting Main Street. The two residential units on the third level have an additional terrace on the rooftop.

Memorializing Uses

Retail & Community Housing

Sheets A1.0 and A2.1 of the project plans designate the ground-level commercial units as retail. Pursuant to Ketchum Municipal Code §17.125.040.C1c, the first 5,500 square feet of retail trade is exempt from providing parking. The applicant has taken advantage of this exemption and has not provided parking spaces for the commercial units on site. As such, the retail units may not be converted to another commercial use that generate parking demand. Ketchum Municipal Code §17.124.040 encourages new development to include a reasonable supply of affordable and resident-occupied housing for sale or rent to help meet the demand and needs for housing of the community's workforce. The applicant has provided four community housing units within the mixed-use building in exchange for an FAR increase. Staff recommends the following conditions be placed on the Condominium Subdivision Preliminary Plat to memorialize the retail and community housing uses within the mixed-use building:

Condition No. 3: Units 101 and 102 within the 5th & Main Condominiums shall be designated as retail units on the subdivision plat. In addition, the applicant shall add the following plat note: *Units 101 and 102 are designated as retail and shall not be converted to another commercial use.*

Condition No. 4: The applicant shall add the following plat note: *Unit CH1, Unit CH2, Unit CH3, and Unit CH4 on the second floor of the 5th & Main Condominiums are deed-restricted community housing units targeted for Blaine County Housing Authority Income Category 4 or lower. The configuration, number, and floor area of these units shall not be modified.*

Alley Improvements

The north end of the Block 5 alleyway is unpaved but contains significant improvements, including retaining walls, a streetlight, telephone and cable tv risers, a concrete pad, and power boxes. The City allowed the existing electrical infrastructure to be placed within the alley right-of-way in 2007 as part of a project to underground overhead powerlines. The existing improvements within the right-of-way block the alley creating a dead end. Pursuant to Ketchum Municipal Code §16.04.040.I, dead-end alleys shall only be permitted after due consideration of the interests of adjacent property owners, including, but not limited to, the provision of fire protection, snow removal, and trash collection services to such properties.

Figure 4: Alley Encroachments

The City currently maintains and removes snow from the improved portion of the Block 5 alleyway. The Streets Department must drive their equipment in reverse backing the loader up to the dead end and then pushing as much of the snow out of the alley as possible. The dead end makes it impossible for the City to remove all of the snow from the alleyway.

As shown on Sheet C0.2, only a portion of the existing alley right-of-way adjacent to the subject property is improved. This paved area serves as required access to five off-street parking spaces that serve the adjacent development on Lot 7 located at 471 N Leadville Avenue. This improved portion of the alley also provides vehicular access to adjacent Lot 8 located at 491 N Leadville. Future emergency vehicle access for the community housing units within the proposed development will be provided from the block 5 alleyway.

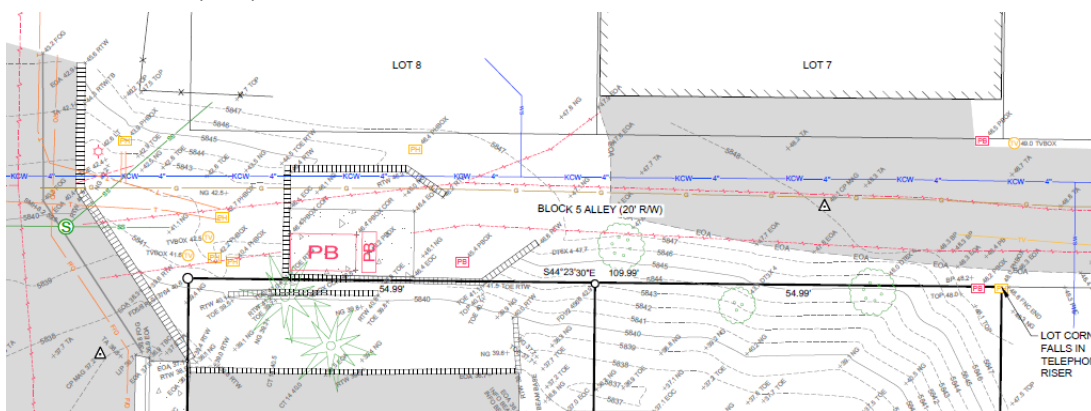

Figure 5: Existing Site Conditions (Sheet C0.2)

The Fire Department requires a minimum 20-foot-wide travel lane for emergency vehicle access to be maintained clear and unobstructed at all times. The full 20-foot-width of the alley must be improved with asphalt pavement to provide compliant emergency vehicle access to the community housing units. The alley improvements must extend 75 linear feet from the southeast corner of the development site north towards 5th Street to maintain existing vehicular access to adjacent Lots 7 and 8. As the dead end makes it impossible for the City remove all the snow, the paved portion of the alley must include a snowmelt system in order to keep the required access clear and unobstructed during winter.

Staff recommends the following condition be placed on the Design Review Permit to address these alley improvement requirements:

Condition No. 2: The full 20-foot-width of the alley must be improved with asphalt pavement and a snowmelt system. These alley improvements shall extend 75 linear feet from the southeast corner of the development site north towards 5th Street.

Power Boxes

Three existing power boxes are located within the alley right-of-way. Two of the power boxes are sited on a concrete pad. Retaining walls border three sides of this infrastructure. The retaining wall to the west of the power boxes encroaches over the property line and onto the development site. Sheet A2.2 of the project plans notes this portion of the retaining wall enclosure will be rebuilt. A new wall perpendicular to the rear property line will be installed to further screen the electrical equipment. The applicant has proposed installing the new transformer required to serve the proposed development within this retaining wall enclosure. A section of the new retaining wall enclosure encroaches within the area of the alley required to be maintained free and unobstructed for Fire Department access. Staff recommends adding condition no 3. to address the existing, relocated, and proposed power boxes and the associated retaining wall enclosure:

The applicant will coordinate with the City and Idaho Power to determine the appropriate location for the relocated and proposed power boxes and sufficient screening that complies with both Design Review standards and Idaho Power's clearance requirements. The power boxes, concrete pad, and retaining wall enclosure shall not encroach within the area of the alley required to be improved for emergency vehicle access. If the unimproved alley does not have sufficient space to accommodate all existing and proposed electrical infrastructure, then the new transformer to serve the new mixed-use building will be required to be installed on the development site.

Variance

During their review of the Pre-Application, the Commission supported Staff's suggestion that a connection be provided from the paver pathway along the alley to the sidewalk along 5th Street. The applicant has provided this connection on the project plans submitted with the final Design Review application. The paver pathway is supported by a retaining wall and guardrail that borders the rear property line and encroaches within the 3-foot required setback from the alley.

Pursuant to Ketchum Municipal Code §17.148.010, a variance shall not be considered a right or special privilege but may be granted to an applicant only upon a showing of undue hardship because of unique characteristics of the site and that the variance is not in conflict with the public interest. A variance may be granted by the Planning & Zoning Commission only if the applicant demonstrates

compliance with all of the variance criteria as outlined in Ketchum Municipal Code §17.148.010 and listed with associated Staff analysis below.

- A. *The strict enforcement of the provisions of this title creates an undue hardship to the property owner; however, economic feasibility shall not be considered an undue hardship.*

The hardship associated with this variance request is the existing utility and infrastructure encroaching within the block 5 alley and creating a dead end. This dead end impedes pedestrian and vehicular circulation. These obstructions within the alley also create challenges for emergency access and service delivery. These site constraints as well topographical challenges create an undue hardship to the property owner.

- B. *The variance is necessary because of the unique size, shape, topography or location of the subject property.*

The north end of the Block 5 alleyway is unpaved but contains significant improvements, including retaining walls, a streetlight, telephone and cable tv risers, a concrete pad, and power boxes. The existing improvements within the right-of-way block the alley creating a dead end. Additionally, the development site is characterized by topographical challenges as the grade falls approximately 8 feet from the alley towards 5th Street.

- C. *The subject property is deprived, by provision of this title, of rights and privileges enjoyed legally by other properties in the vicinity and under an identical zone.*

The subject property is denied the same rights and privileges enjoyed by other properties in the vicinity within the Community Core as the alleyway is blocked by existing utilities and infrastructure. The dead end impedes pedestrian and vehicular circulation as well as emergency access.

- D. *The need for the variance is not the result of actions of the applicant or property owner.*

The need for the variance is not the result of actions by the applicant or property owner. The City allowed the existing electrical infrastructure to be placed within the alley right-of-way in 2007 as part of a project to underground overhead powerlines. The power boxes, concrete pad, and retaining walls block the alley and create a dead end.

- E. *The variance does not create health and safety hazards.*

The variance does not create any health or safety hazards. The paver pathway enhances safety by providing access for emergency services around the entirety of the building. The paver pathway includes a snowmelt system so the area will be free of snow and ice in the winter. The guardrail provides fall protection as the alley grade descends to approximately 8 feet towards 5th Street.

- F. *The variance does not relieve an applicant from any of the procedural provisions of this title.*

The variance request does not relieve the applicant from any of the procedural provisions of the zoning code (Title 17 of Ketchum Municipal Code). Excepting relief from the 3-foot setback required from the alley as requested through the variance, the project complies with all applicable zoning code standards.

- G. *The variance does not relieve an applicant from any standard or provision that specifically states that no variance from such standard or provision is permitted.*

Ketchum Municipal Code §17.08.020 defines a variance as a modification of the requirements of the zoning code as to lot size, lot coverage, width, depth, front yard, side yard, rear yard, setbacks, parking space, parking areas, height of buildings, or other title provisions affecting the size of shape of a structure or the placement of the structure upon lots, or the size of lots. The applicant's variance request for relief from the 3-foot alley setback is in accordance with the definition of variance. No request has been made from any standard that prohibits the option to request a variance.

H. The variance does not relieve an applicant from conditions established during prior permit review.

The variance does not relieve the applicant from any conditions established during prior permit review or the development applications currently under review. The Commission recommended the applicant provide a connection from the community housing units to the 5th Street sidewalk during their review of the Pre-Application for the 460 N Main Mixed-Use Building Project. The retaining wall and guardrail enhance the safety of the pathway by providing fall protection. The pathway enhances emergency access by providing access around the perimeter of the mixed-use building.

I. The variance does not allow establishment of a use that is not otherwise permitted in the zone in which the property is located.

The variance does not allow the establishment of a prohibited use within the Community Core. The three-story mixed-use building includes two commercial units on the first floor, four community housing units, and four market-rate residential units on the upper levels. *Retail Trade and Dwelling, Multi-Family* are both permitted uses in the CC-1 Zone pursuant to Ketchum Municipal Code §17.12.020.

J. The variance is the minimum necessary to grant relief to applicant.

The applicant is seeking relief from the 3-foot alley setback required in the CC-1 Zone for the retaining wall and guardrail supporting the paver pathway. Due to the site constraints and topographical challenges, the variance is the minimum necessary to grant relief to the applicant and to provide fall protection, connectivity to the 5th Street sidewalk, and enhanced emergency access around the perimeter of the mixed-use building.

STAFF RECOMMENDATION

After considering the project plans, Staff's analysis, the applicant's presentation, and public comment, Staff recommends the Planning & Zoning Commission move to approve the 460 N Main Mixed-Use Building Design Review and Variance applications and recommend approval of the Lot Consolidation Preliminary Plat and Condominium Subdivision Preliminary Plat with the Phased Development Plan to the City Council. Should the Planning and Zoning Commission support the approval, Staff would return with findings and conditions reflecting the Commission's decision.

RECOMMENDED MOTIONS

1. "I move to approve to approve the 460 N Main Mixed-Use Building Design Review subject to conditions 1-16 and direct Staff to return with findings of fact."
2. "I move to approve the applicant's Variance Request granting relief from the 3-foot setback required from the alley subject to conditions 1-3 and direct Staff to return with findings of fact."

3. "I move to recommend approval to the City Council of the Lot Consolidation Preliminary Plat to combine Lots 3 and 4 within Block 5 of Ketchum Townsite subject to conditions 1 and 2 and direct Staff to return with findings of fact."
4. "I move to recommend approval to the City Council of the 5th & Main Condominium Subdivision Preliminary Plat with a Phased Development Plan subject to conditions 1-4 and direct Staff to return with findings of fact."

RECOMMENDED DESIGN REVIEW CONDITIONS OF APPROVAL

Project Specific Standards of approval

1. The 460 N Main Mixed-Use Building Design Review Application File No. P22-007 is subject to Variance Application File No. P22-013, Lot Consolidation Preliminary Plat Application File No. P22-005, and Condominium Subdivision Preliminary Plat Application File No. P22-006. All associated conditions of approval shall apply to the project.
2. The full 20-foot-width of the alley must be improved with asphalt pavement and a snowmelt system. These alley improvements shall extend 75 linear feet from the southeast corner of the development site north towards 5th Street.
3. The applicant will coordinate with the City and Idaho Power to determine the appropriate location for the relocated and proposed power boxes and sufficient screening that complies with both Design Review standards and Idaho Power's clearance requirements. The power boxes, concrete pad, and retaining wall enclosure shall not encroach within the area of the alley required to be improved for emergency vehicle access. If the unimproved alley does not have sufficient space to accommodate all existing and proposed electrical infrastructure, then the new transformer to serve the new mixed-use building will be required to be installed on the development site.
4. As a voluntary contribution, in exchange for an increase in Floor Area Ratio, a total community housing contribution of 2,276 is required. A FAR Exceedance Agreement between the applicant and the City to memorialize the community housing contribution shall be signed and recorded prior to issuance of a building permit for the project.
5. Prior to issuance of a building permit for the project, the applicant shall receive approval of Lot Line Application File No. P22-005 to consolidate lots 3 and 4 within Block 5 of Ketchum Townsite.
6. The project requires a Right-of-Way (ROW) Encroachment Permit for the pavers and snowmelt system proposed to be installed for the sidewalks along Main and 5th Streets as well as the snowmelt system required to be installed within the Block 5 alleyway. The City Council has the authority to review and approval all permanent encroachments within the public right-of-way associated with a development project pursuant to Ketchum Municipal Code §17.96.030.C. The applicant shall submit the ROW Encroachment Application prior to issuance of a building permit for the project for review and approval by the City Council.

Standard Conditions of Approval

7. This Design Review approval is based on the plans and information presented and approved at the meeting on the date noted herein. Building Permit plans for all on-site improvements must conform to the approved Design Review plans unless otherwise approved in writing by the Planning and Zoning Commission or Administrator. Any building or site discrepancies which do not conform to the approved plans will be subject to removal.
8. All governing ordinances, requirements, and regulations of the Fire Department (2018 International Fire Code and local Fire Protection Ordinance No.1217), Building Department

(2018 International Building Code, the 2018 International Residential Code, and Title 15 of Ketchum Municipal Code), Utilities Department, Street Department (Title 12 of Ketchum Municipal Code), and the City Engineer shall be met prior to Certificate of Occupancy.

9. Following approval of the project's master signage plan, separate sign permits shall be required for all new signs prior to installation (KMC §17.127.030.B).
10. The applicant shall submit final civil drawings prepared by an engineer registered in the State of Idaho to include specifications for the right-of-way, circulation design, utilities, and drainage improvements to be reviewed and approved by the City Engineer, Streets, and Utilities departments prior to issuance of a building permit for the project.
11. The term of Design Review approval shall be twelve (12) months from the date that the Findings of Fact, Conclusions of Law, and Decision are adopted by the Commission or upon appeal, the date the approval is granted by the Council subject to changes in zoning regulations (KMC §17.96.090). Any extension shall comply with KMC 17.96.090.
12. All Design Review elements shall be completed prior to issuance of a Certificate of Occupancy for the mixed-use building.
13. All exterior lighting on the property shall comply with Ketchum Municipal Code, Chapter 17.132, Dark Skies, and shall be inspected by Planning Staff and approved prior the issuance of a Certificate of Occupancy for the building.
14. The project shall comply with the requirements of §17.124.040 Development Standards as adopted on the date a Building Permit is submitted for the project.
15. Prior to issuance of a Building Permit for the project, the applicant shall submit a construction management plan, which addresses each of the standards as set forth in Ketchum Municipal Code, Chapter 15.06 Construction Activity Standards for review and approval by the Building, Planning, Streets, Utilities, and Fire departments.
16. In addition to the requirements set forth in this Design Review approval, this project shall comply with all applicable local, state, and federal laws.

RECOMMENDED VARIANCE CONDITIONS OF APPROVAL

1. The Variance is subject to the 460 N Main Mixed-Use Building Design Review Application File No. P22-007. All associated conditions of approval shall apply to the project.
2. Pursuant to Ketchum Municipal Code §17.148.050, the variance shall be issued and construction shall commence within 6 months from the date that such variance is granted, otherwise, the variance shall no longer be considered valid.
3. The applicant shall submit specifications for the retaining wall and guardrail on the civil drawings submitted with the building permit application for the project. The final design of the retaining wall, guardrail, and pathway shall be subject to review and approval by the Planning, Fire, and Streets departments and the City Engineer.

RECOMMENDED LOT CONSOLIDATION PRELIMINARY PLAT CONDITIONS OF APPROVAL

1. The Lot Consolidation Preliminary Plat is subject to all conditions of approval associated with Design Review Application File No P22-007.
2. Failure to record a Final Plat within two (2) years of Council's approval of a Preliminary Plat shall cause the Preliminary Plat to be null and void.

RECOMMENDED CONDOMINIUM SUBDIVISION PRELIMINARY PLAT CONDITIONS OF APPROVAL

1. The 5th & Main Condominium Subdivision Preliminary Plat is subject to all conditions of approval associated with Design Review Application File No P22-007.

2. Failure to record a Final Plat within two (2) years of Council's approval of a Preliminary Plat shall cause the Preliminary Plat to be null and void.
3. Units 101 and 102 within the 5th & Main Condominiums shall be designated as retail units on the subdivision plat. In addition, the applicant shall add the following plat note: *Units 101 and 102 are designated as retail and shall not be converted to another commercial use.*
4. The applicant shall add the following plat note: *Unit CH1, Unit CH2, Unit CH3, and Unit CH4 on the second floor of the 5th & Main Condominiums are deed-restricted community housing units targeted for Blaine County Housing Authority Income Category 4 or lower. The configuration, number, and floor area of these units shall not be modified.*

ZUR 18 WALL SCONCE

Exhibiting Tech Lighting's refined and undorned minimalist aesthetic, the Zur Collection of wall sconces features an innovative pivot design that aims light precisely as needed for way finding, architectural accents or landscape illumination. The elegant Zur Outdoor Collection blends seamlessly and inconspicuously into contemporary architecture and landscapes while providing efficient LED illumination.

Outstanding protection against the elements:

- Powder coat finishes
- Stainless Steel mounting hardware
- IP65 rated

Head pivots 240° for wall grazing or directional illumination

TYPE 'A' FIXTURE

HALO H4 LED Downlight

LED Light Engines

The Halo H4 LED is a family of 4" aperture recessed downlights with H4E7 series housings designed for use with Halo EL406 Series LED Light Engines and compatible TL4 and TL24 Series LED trim. Halo H4 LED housings have integral LED drivers that offer dimming as a standard feature.

Halo H4 LED is a three part system: EL406 Light Engines, with TL4, TL24 trim and H4E7 housings. H4 LED 2nd Generation features 90 CRI color rendering index and offers a superior optical design that yields productive beam lumens, good cutoff and low glare.

DESIGN FEATURES

MECHANICAL (A) Upper Heat Sink

- Durable extruded aluminum construction.
- Conducts heat away from the LED housing the junction temperatures below specified maximums, even when installed in insulated ceiling environments.

(B) Lower Heat Sink

- Durable die-cast aluminum construction.
- Precision keyed flange designed to lock with matching keyed slots in the ceiling.
- Works in conjunction with the upper heat sink for heat conduction away from the LED.

MOUNTING (C) Precision Blades

- Precision formed stainless steel spring blades provide retention of the EL406 series of light engines in the H4E7 series housings.
- Precision blade design allows the light engine to be installed in any position within the housing aperture (300 degrees).

ELECTRICAL (D) LED Connection

- LED connector is non-screw base offering easy installation with the H4E7 series housings.
- LED connector is compliant with high-efficiency luminaire code requirements as a non-screw base socket.
- Separate grounding cable included on the module for attachment to the housing during installation.

COLOR SPECIFICATION & QUALITY STANDARDS

- Halo employs a tight chromaticity specification and LED color binning process to ensure LED color uniformity, sustainable Color Rendering Index (CRI) and Correlated Color Temperature (CCT) consistency over the useful life of the LED.
- Halo H4 LED chromaticity specification is 3SDCM initial and 3SDCM at rated life, which exceeds ENERGY STAR® SSL standards (see per ANSI 78.27-2008).
- Every Halo LED Module is quality tested and performance measured on the production line, and certified to register lumens, wattage, CRI and CCT.
- Halo LED's operational testing and measurement process further ensures color and lumen consistency to meet stringent Cooper Lighting standards and exceed ENERGY STAR® SSL standards.
- Halo LED Modules and light engines include color designation in the model number.
- Example: EL406E27-927-2700K nominal CCT > 90 CRI

QUALIFICATION

- Halo LED offers the choice of four correlated color temperatures: 2700K, 3000K, 3500K, 4000K
- 90 CRI
- LED package consisting of an engineered array of multiple LEDs to create one virtual source, for a productive "zone of light"
- Designed for interchangeable trim choices, with selection from multiple reflector, baffle, and lens trim options
- H4 LED Light Engines are ENERGY STAR® Qualified as used with designated LED trims
- Can be used to meet State of California Title 24, and International Energy Conservation Code - IECC, High Efficacy requirement for recessed and designated LED trims
- LED emits no ultraviolet and only minimal infrared wavelengths
- RoHS compliant

H4 LED Downlight 2nd Generation 2700K, 3000K, 3500K, 4000K

4-inch LED Light Engine FOR USE WITH H4E7 Series 4" LED Housings 90 CRI High Efficacy LED

TYPE 'D' FIXTURE

LUMEC RoadFocus RFS Cobra head (small)

Exhibiting Tech Lighting's refined and undorned minimalist aesthetic, the Zur Collection of wall sconces features an innovative pivot design that aims light precisely as needed for way finding, architectural accents or landscape illumination. The elegant Zur Outdoor Collection blends seamlessly and inconspicuously into contemporary architecture and landscapes while providing efficient LED illumination.

Outstanding protection against the elements:

- Powder coat finishes
- Stainless Steel mounting hardware
- IP65 rated

Head pivots 240° for wall grazing or directional illumination

CONSTRUCTION NOTES

- ALL CONSTRUCTION SHALL BE IN CONFORMANCE WITH THE MOST CURRENT EDITION OF THE "IDAHO REGULATIONS FOR PUBLIC DRINKING WATER SYSTEMS," THE CURRENT EDITION OF THE "IDAHO STANDARDS FOR PUBLIC WORKS CONSTRUCTION" (ISPC), AND CITY OF KETCHUM STANDARDS. THE CONTRACTOR SHALL BE RESPONSIBLE FOR OBTAINING AND KEEPING A COPY OF THE ISPC ON SITE DURING CONSTRUCTION.
- THE LOCATION OF EXISTING UNDERGROUND UTILITIES ARE SHOWN ON THE PLANS IN AN APPROXIMATE WAY. THE CONTRACTOR SHALL BE RESPONSIBLE FOR LOCATING EXISTING UTILITIES PRIOR TO COMMENCING AND DURING THE CONSTRUCTION. THE CONTRACTOR AGREES TO BE FULLY RESPONSIBLE FOR ANY AND ALL DAMAGES WHICH RESULT FROM HIS FAILURE TO ACCURATELY LOCATE AND PRESERVE ANY AND ALL UNDERGROUND UTILITIES. CONTRACTOR SHALL CALL DIGLINE (1-800-342-1585) TO LOCATE ALL EXISTING UNDERGROUND UTILITIES.
- THE CONTRACTOR SHALL CLEAN UP THE SITE AFTER CONSTRUCTION SO THAT IT IS IN A CONDITION EQUAL TO OR BETTER THAN THAT WHICH EXISTED PRIOR TO CONSTRUCTION, INCLUDING BUT NOT LIMITED TO, EPA'S NPDES CONSTRUCTION GENERAL PERMIT.
- THE CONTRACTOR SHALL OBTAIN ALL NECESSARY PERMITS PRIOR TO CONSTRUCTION.
- CONSTRUCTION OF WATER MAINS AND ALL OTHER RELATED APPURTENANCES SHALL BE IN ACCORDANCE WITH THE IDAHO STANDARDS FOR PUBLIC WORKS CONSTRUCTION (ISPC), IDAPA 58.01.08, IDAHO RULES FOR PUBLIC DRINKING WATER SYSTEMS AND THE CITY OF KETCHUM UTILITIES DEPARTMENT STANDARDS.
- CONTRACTOR SHALL PRESSURE TEST, DISINFECT, AND CONDUCT BIOLOGICAL TESTING IN ACCORDANCE WITH THE IDAHO STANDARDS FOR PUBLIC WORKS CONSTRUCTION (ISPC), AMERICAN WATER WORKS ASSOCIATION (AWWA) STANDARDS, AND THE PRESSURE TESTING, DISINFECTION, AND MICROBIOLOGICAL TESTING PROCEDURES.
- ALL WATER SUPPLY FIXTURES, FITTINGS, PIPING, AND ALL RELATED APPURTENANCES SHALL BE ANS/NSF STD. 61 COMPLIANT.
- ALL WATER SUPPLY FIXTURES, FITTINGS, PIPING, AND ALL RELATED APPURTENANCES SHALL COMPLY WITH THE LOW LEAD ACT REQUIRING ALL MATERIALS TO HAVE A LEAD CONTENT EQUAL TO OR LESS THAN 0.25%.
- THE CONTRACTOR SHALL USE ANS/NSF STANDARD 60 CHEMICALS AND COMPOUNDS DURING INSTALLATION & DISINFECTION OF POTABLE WATER MAIN.
- CONTRACTOR SHALL COORDINATE LOCATIONS OF DRY UTILITY FACILITIES (POWER, CABLE, PHONE, TV) NOT SHOWN ON THE DRAWING WITH IDAHO POWER.
- ALL CLEARING & GRUBBING SHALL CONFORM TO ISPC SECTION 201.
- ALL EXCAVATION & EMBANKMENT SHALL CONFORM TO ISPC SECTION 202. EXCAVATED SUBGRADE SHALL BE COMPACTED AND ALL UNSUITABLE SECTIONS REMOVED AND REPLACED WITH STRUCTURAL FILL AS DETERMINED BY THE ENGINEER. MINIMUM COMPACTION OF PLACED MATERIAL SHALL BE 95% OF MAXIMUM LABORATORY DENSITY AS DETERMINED BY AASHTO T-99 OR ITD T-91.
- ALL 2" MINUS GRAVEL SHALL CONFORM TO ISPC 802, TYPE II (ITD STANDARD 703.04, 2"), SHALL BE PLACED IN CONFORMANCE WITH ISPC SECTION 801 AND COMPACTED PER SECTION 202. MINIMUM COMPACTION OF PLACED MATERIAL SHALL BE 90% OF MAXIMUM LABORATORY DENSITY AS DETERMINED BY AASHTO T-99.
- ALL 3/4" MINUS CRUSHED GRAVEL SHALL CONFORM TO ISPC 802, TYPE I (ITD STANDARD 703.04, 3/4" B), SHALL BE PLACED IN CONFORMANCE WITH ISPC SECTION 802 AND COMPACTED PER SECTION 202. MINIMUM COMPACTION OF PLACED MATERIAL SHALL BE 95% OF MAXIMUM LABORATORY DENSITY AS DETERMINED BY AASHTO T-99 OR ITD T-91.
- ALL ASPHALTIC CONCRETE PAVEMENT WORK SHALL CONFORM TO ISPC SECTION(S) 805, 810, AND 811 FOR CLASS II PAVEMENT. ASPHALT AGGREGATE SHALL BE 1/2" (13MM) NOMINAL SIZE CONFORMING TO TABLE 803B IN ISPC SECTION 803. ASPHALT BINDER SHALL BE PG 58-28 CONFORMING TO TABLE A-1 IN ISPC SECTION 805.
- ALL EDGES OF EXISTING ASPHALT PAVING SHALL BE SAW CUT 24" TO PROVIDE A CLEAN PAVEMENT EDGE FOR MATCHING. NO WHEEL CUTTING SHALL BE ALLOWED.
- THE CONTRACTOR SHALL BE RESPONSIBLE FOR PROVIDING TRAFFIC CONTROL PER THE CURRENT EDITION OF THE US DEPARTMENT OF TRANSPORTATION MANUAL OF UNIFORM TRAFFIC CONTROL DEVICES (MUTCD).
- ALL CONCRETE FORM WORK SHALL CONFORM TO ISPC SECTION 701 AND 703. ALL CONCRETE SHALL BE 3,000 PSI MINIMUM, 28 DAY, AS DEFINED IN ISPC SECTION 703, TABLE 1.C.
- ALL TRENCHING SHALL CONFORM TO ISPC STANDARD DRAWING SD-301. TRENCHES SHALL BE BACKFILLED AND COMPACTED TO A MINIMUM OF 95% OF MAXIMUM DENSITY AS DETERMINED BY AASHTO T-99.
- TOPOGRAPHIC, SITE, AND BOUNDARY SURVEYS SHOWN HEREON WERE CONDUCTED BY BENCHMARK ASSOCIATES, P.A., 11/6/2019. REFER TO TOPOGRAPHIC MAP FOR NOTES.
- PER IDAHO CODE § 55-1613, THE CONTRACTOR SHALL RETAIN AND PROTECT ALL MONUMENTS, ACCESSORIES TO CORNERS, BENCHMARKS AND POINTS SET IN CONTROL SURVEYS; ALL MONUMENTS, ACCESSORIES TO CORNERS, BENCHMARKS AND POINTS SET IN CONTROL SURVEYS THAT ARE LOST OR DISTURBED BY CONSTRUCTION SHALL BE REESTABLISHED AND RE-MONUMENTED, AT THE EXPENSE OF THE AGENCY OR PERSON CAUSING THEIR LOSS OR DISTURBANCE AT THEIR ORIGINAL LOCATION OR BY SETTING OF A WITNESS CORNER OR REFERENCE POINT OR A REPLACEMENT BENCHMARK OR CONTROL POINT, BY OR UNDER THE DIRECTION OF A PROFESSIONAL LAND SURVEYOR.

- NOTES**
- The purpose of this map is to show topographical information as it existed on the date the field survey was performed. Changes may have occurred to site conditions since survey date (05/05/2021).
 - Boundary information is based on Found Monumentation. Please refer to the Official Map of the Village of Ketchum, Instr# 302967, and a Record of Survey for Ketchum Block 5, Lots 3 & 4, Instr# 642700, records of Blaine County, Idaho. Refer to the Plat Notes, Conditions, Covenants, and Restrictions on Original Plat.
 - Underground utility locations are based on above ground appearances / utilities visible at the time of the survey and City Maps. Utilities should be located prior to any excavation.
 - Galena Engineering Inc. has not received a Title Policy from the client and has not been requested to obtain one. Relevant information that may be contained within a Title Policy may therefore not appear on this map and may affect items shown hereon. It is the responsibility of the client to determine the significance of the Title Policy information and determine whether it should be included. If the client desires for the information to be included they must furnish said information to Galena Engineering, Inc. and request it be added to this map.
 - Benchmark is top of Aluminum Cap at the common property corner of Lots 3 & 4 along Main Street, elevation = 5836.23. Point elevations shown are truncated (i.e. 36.2 is 5836.2). Vertical Datum is NAVD 1988.

- NOTES**
- PATTERNS USED IN DRAWING:
 INLET SECTIONS:
 CATCH BASIN BOTTOMS:
 PAVEMENT:
 - INLETS AND CATCH BASINS MAY BE EITHER PRECAST OR CAST-IN-PLACE. PRECAST UNITS SHALL MEET THE REQUIREMENTS OF ASTM C 913. (PRIOR APPROVAL OF SHOP DRAWINGS WILL BE REQUIRED ON MODIFIED UNITS.)
 - A 1" SIDE DRAFT IS ALLOWED FOR FORM REMOVAL.
 - CAST-IN-PLACE INLETS AND CATCH BASINS SHALL CONFORM TO SECTION 609 - MINOR STRUCTURES OF THE CURRENT ITO STANDARD SPECIFICATIONS FOR HIGHWAY CONSTRUCTION.
 - THE GRADE LINE OF THE TOP INSIDE OF ANY PIPE SHALL ENTER AT A POINT NO LOWER THAN THE TOP INSIDE OF THE OUTLET PIPE.
 - PIPES CAN ENTER OR LEAVE THE BOX IN ANY DIRECTION. ALL CONNECTIONS AND BROKEN AREAS SHALL BE GROUTED SMOOTH.
 - STEEL ANGLES SHALL BE SET SO THAT EACH BEARING BAR OR PREFABRICATED GRATE SHALL HAVE FULL BEARING ON BOTH ENDS. THE FINISHED TOP OF CONCRETE SHALL BE EVEN WITH THE ANGLE/GRATE SURFACE. THE STRUCTURAL STEEL NEED NOT BE PAINTED BUT SHALL MEET THE REQUIREMENTS OF ASTM A 36.
 - ALL METAL REINFORCEMENT USED SHALL BE NO. 4 BARS. THE METAL REINFORCEMENT SHALL BE SMOOTH CUT TO ACCOMMODATE PIPES.
 - GRAY IRON CAST TO THE DIMENSIONS GIVEN FOR THE STEEL GRATES MAY BE USED. THE CASTINGS SHALL CONFORM TO AASHTO M306 CLASS 35B GRAY IRON CASTINGS.
 - INLET/CATCH BASIN GRATES MAY EITHER BE RESISTANCE WELDED OR ARC WELDED. IN EITHER CASE THE GRATE SHALL BE TRUE AND FLUSH.
 - GRATE B WILL BE USED ONLY WHEN SPECIFIED.
 - NOT TO SCALE.

- CATCH BASIN INSTALLATION NOTES:**
- A PRIMARY CATCH BASIN IS DEFINED AS THE FIRST STORM STRUCTURE UPSTREAM OF A DRYWELL. A SATELLITE CATCH BASIN IS DEFINED AS THE STORM STRUCTURE UPSTREAM OF THE PRIMARY CATCH BASIN.
 - THE OIL & DEBRIS TRAP SHALL BE INSTALLED ON THE OUTLET OF THE PRIMARY CATCH BASIN ONLY, NOT ON SATELLITE CATCH BASINS.
 - PLACE A MINIMUM OF 4" OF COMPACTED BEDDING ON PREPARED SUBGRADE AS SPECIFIED IN ISPCW SECTION 305 - PIPE BEDDING. EXTEND BEDDING EITHER TO THE LIMITS OF THE EXCAVATION OR AT LEAST 12" OUTSIDE THE LIMITS OF THE BASE SECTION.
 - FILL THE BALANCE OF THE EXCAVATED AREA WITH SELECT MATERIAL COMPACTED LEVEL TO THE TOP OF THE BEDDING.
 - PROVIDE A SMOOTH AND LEVEL BEARING SURFACE ON THE BEDDING SURFACE.

KETCHUM PUBLIC CONSTRUCTION SLURRY REQUIREMENT
 IN AREAS WHERE IT IS NECESSARY TO CUT THE ASPHALT PAVEMENT AND DIG A TRENCH FOR BURIAL OF CONDUIT CABLE OR OTHER CITY UTILITY, THE TRENCH SHALL BE BACKFILLED WITH A LEAN CONCRETE MIX TO THE BOTTOM OF FINISH SURFACE MATERIAL WITH THE FOLLOWING PROPORTIONS OF MATERIALS:

COARSE AGGREGATE (3/4" MINUS) 2,600 LBS.
 SAND 800 LBS.
 PORTLAND CEMENT 94 LBS.
 WATER 11 GAL. (MAX.)

WATER CONTENT IS MAXIMUM AND MAY BE REDUCING DOWNWARD. CARES SHALL BE TAKEN TO ASSURE THAT EXCESS WATER IS NOT PRESENT IN THE MIXING DRUM PRIOR TO CHARGING THE MIXER WITH MATERIALS. THOROUGH MIXING WILL BE REQUIRED PRIOR TO DISCHARGE.

NO COMPACTION, VIBRATION OR FINISHING IS REQUIRED. THE LEAN CONCRETE MIX SHALL BE STRUCK OFF AT OR BELOW THE ELEVATION OF THE PLANT MIX SURFACING WITH A SQUARE-NOSE SHOVEL OR SIMILAR HAND TOOL. THE BACKFILL MIX SHALL BE ALLOWED TO SET FOR A MINIMUM OF 2 HOURS BEFORE THE PERMANENT PLANT MIX SURFACING IS PLACED TO COMPLETE THE TRENCH REPAIR. TEMPORARY PLACEMENT OF ASPHALT COLD MIX SURFACING MAY BE NECESSARY TO ACCOMMODATE TRAFFIC WITHIN THE FIRST 2 HOURS OF BACKFILL PLACEMENT PRIOR TO COMPLETING THE PERMANENT REPAIR.

C2.3 TYPICAL TRENCH SECTION
N.T.S.

THE TERM "LINE" APPLIES TO BOTH MAIN LINES AND SERVICE LINES

VERTICAL SEPARATION REQUIREMENTS

- ZONE 1: A) WATER AND NPWL MUST BE SEPARATED BY AT LEAST 18" AND B) ONE FULL, UNCUT LENGTH OF BOTH PWL AND NPWL PIPE MUST BE CENTERED ON THE CROSSING SO THAT THE JOINTS ARE AS FAR AS POSSIBLE FROM THE CROSSING.
- ZONE 2: A) ONE FULL, UNCUT LENGTH OF BOTH PWL AND NPWL PIPE MUST BE CENTERED ON THE CROSSING SO THAT THE JOINTS ARE AS FAR AS POSSIBLE FROM THE CROSSING. AND EITHER B) NPWL MUST BE CONSTRUCTED TO WATER MAIN STANDARDS AND PRESSURE TESTED FOR WATER TIGHTNESS FOR A HORIZONTAL DISTANCE OF 10 FEET ON BOTH SIDES OF CROSSING.
- OR C) EITHER THE NPWL OR WATER LINE OR BOTH MUST BE ENCASED WITH A SLEEVEING MATERIAL ACCEPTABLE TO DEQ FOR A HORIZONTAL DISTANCE OF 10 FEET ON BOTH SIDES OF THE CROSSING.
- ZONE 3: SAME REQUIREMENTS AS ZONE 2 EXCEPT THE NPWL MUST ALSO BE SUPPORTED ABOVE THE CROSSING TO PREVENT SETTLING.
- ZONE 4: SAME REQUIREMENTS AS ZONE 1 EXCEPT THE THE NPWL MUST ALSO BE SUPPORTED ABOVE THE CROSSING TO PREVENT SETTLING.

HORIZONTAL SEPARATION REQUIREMENTS

- ZONE 1: A) NO SPECIAL REQUIREMENTS.
- ZONE 2: A) NO SPECIAL REQUIREMENTS FOR POTABLE OR NON-POTABLE SERVICES. B) WATER AND NPWL SEPARATED BY AT LEAST 6 FEET AT OUTSIDE WALLS. AND C) WATER AT LEAST 18 INCHES HIGHER IN ELEVATION THAN THE NPWL. AND EITHER D) NPWL CONSTRUCTED TO POTABLE WATER MAIN STANDARDS AND PRESSURE TESTED FOR WATER TIGHTNESS. OR E) SITE SPECIFIC REQUIREMENTS APPROVED BY DEQ.
- ZONE 3: NOT ALLOWED WITHOUT DEQ WAIVER.

NOTE: SANITARY SEWER FORCE MAINS MUST HAVE MIN. 10' HORIZONTAL SEPARATION AND 18" VERTICAL SEPARATION. ZONE 2 AND ZONE 3 PLACEMENTS ARE NOT ALLOWED WITHOUT A WAIVER GRANTED BY DEQ.

DESIGN REVIEW EVALUATION STANDARDS
(May not apply to Administrative Design Review):

17.96.060: IMPROVEMENTS AND STANDARDS FOR ALL PROJECTS

A. Streets:

1. The applicant shall be responsible for all costs associated with providing a connection from an existing city streets to their development.
2. All streets designs shall be in conformance with the right-of-way standards and approved by the Public Works Director.

B. Sidewalks:

1. All projects under 17.96.010(A) that qualify as a "Substantial Improvement" shall install sidewalks in conformance with the right-of-way standards. Sidewalk improvements may be waived for projects that qualify as a "Substantial Improvement" which comprise additions of less than 250 square feet of conditioned space.
2. The length of sidewalk improvements constructed shall be equal to the length of the subject property line(s) adjacent to any public street or private street.
3. New sidewalks shall be planned to provide pedestrian connections to any existing or future sidewalks adjacent to the site. In addition, sidewalks shall be constructed to provide safe pedestrian access to and around a building.
4. The city may approve and accept voluntary cash contributions in-lieu of the above described improvements, which contributions must be segregated by the city and not used for any purpose other than the provision of these improvements. The contribution amount shall be one hundred ten percent (110%) of the estimated costs of concrete sidewalk and drainage improvements provided by a qualified contractor, plus associated engineering costs, as approved by the Public Works Director. Any approved in-lieu contribution shall be paid before the city issues a certificate of occupancy.

C. Drainage:

1. All storm water shall be retained on site.
2. Drainage improvements constructed shall be equal to the length of the subject property lines adjacent to any public street or private street.
3. The Public Works Director may require additional drainage improvements as necessary, depending on the unique characteristics of a site.

Re: 460 Main St. N.

To Whom It May Concern,

I have met with the development team regarding future garbage services at this site. Please see the following:

Clear Creek Disposal has reviewed the plans for 460 N Main Street and can adequately service the proposed development.

The four proposed Community Housing units will be serviced from the alley. Each housing unit will be provided with an exterior waste container enclosure. The individual waste carts will be pulled to the alley by residents on pickup service days.

The four proposed market rate residential units (Second and Third Level) and two retail units (Ground Level) will be serviced from the enclosed Garbage Room on Ground Level located at the north corner of the development on 5th Street. A dumpster container mounted on a Garbage Glider system will be installed. Clear Creek Disposal will approach the facility heading east on 5th Street and have an angled approach to the Garbage Room. Clear Creek will have access to the Garbage Room will be provided automatic controls to the dumpster glide platform system.

If you would like to discuss and/or need further information, please contact me.

Respectfully,

Mike Goitiandia
Clear Creek Disposal

SURVEY NARRATIVE & NOTES

1. The purpose of this survey is to show the monuments found and set during the boundary retracement of Lots 3-4, Block 5, Ketchum Townsite and vacate the lot line between said lots as shown hereon. The boundary shown is based on A Record of Survey for Ketchum Block 5, Lots 3 & 4, Instrument Number 642700, records of Blaine County, Idaho. All found monuments have been accepted. Lot corner monuments were set by block breakdown and proportioning record distances.
2. The distances shown are measured. Refer to the above referenced survey for previous record data.
3. This survey does not purport to reflect any of the following which may be applicable to subject real property: natural hazards, encroachments, wetlands, easements, building setbacks, restrictive covenants, subdivision restrictions, zoning or any other land-use regulations.
4. Galena Engineering Inc. has not received a Title Policy from the client and has not been requested to obtain one. Relevant information that may be contained within a Title Policy may therefore not appear on this map and may affect items shown hereon. It is the responsibility of the client to determine the significance of the Title Policy information and determine whether it should be included. If the client desires for the information to be included they must furnish said information to Galena Engineering, Inc. and request it be added to this map.
5. The current zoning is CC. Refer to the City of Ketchum Zoning Ordinance for specific information about this zone.
6. The owner of Lots 3 & 4 is Fifth & Main LLC, PO Box 6770, Ketchum, ID 83340. The surveyor/representation is Mark E. Phillips, Galena Engineering, Inc., 317 N. River St., Hailey, Idaho 83333.

HEALTH CERTIFICATE: Sanitary restrictions as required by Idaho Code Title 50, Ch. 13, have been satisfied. Sanitary restrictions may be reimposed in accordance with Idaho Code Title 50, Ch. 13, Sec. 50-1326, by issuance of a Certificate of Disapproval.

SURVEY NARRATIVE & NOTES

1. The purpose of this survey is to show the monuments found and set during the boundary retracement of Lot 3A, Block 5, Ketchum Townsite, Instrument Number 302967, records of Blaine County, Idaho, and to condominiumize said property as shown hereon. All found monuments have been accepted. Lot corner monuments were set by block breakdown and proportioning record distances. Vertical Datum is NAVD 1988.
2. In interpreting the Declaration, Plat or Plats, and Deeds, the existing physical boundaries of the unit as originally constructed, or reconstructed in lieu thereof, shall be conclusively presumed to be its boundaries rather than the metes and bounds expressed or depicted in the declaration, plat or plats, and/or deeds, regardless of settling or lateral movement of the building and regardless of minor variances between boundaries shown in the declaration, plat or plats, and/or deeds, and the actual boundaries of the units in the buildings.
3. Dimensions shown hereon will be subject to slight variations, owing to normal construction tolerances.
4. Horizontal or sloping planes shown hereon are top of finished subfloor and bottom of finished ceiling; vertical planes are finished surfaces of interior walls. Some structural members extend into units, limited common areas and parking spaces.
5. Property shown hereon is subject to terms, provisions, covenants, conditions, restrictions, easements, charges, assessments and liens provided by applicable Condominium Law or the Condominium Declaration recorded under Instrument Number _____, records of Blaine County, Idaho. Consult the Condominium Declarations for the definition of common and limited common area.
6. All area outside of units that is not designated as limited common is common area. Areas of "common" or "limited common" are shown by diagram.
7. Building ties are to the interior corners of unit walls.
8. Utility easements necessary to allow for access and maintenance of utilities serving units other than the unit they are located in are hereby granted by this plat.
9. The current zoning is CC. Refer to the City of Ketchum Zoning Ordinance for specific information about this zone.
10. The owner of Lot 3A is Fifth & Main LLC, PO Box 6770, Ketchum, ID 83340. The surveyor/representation is Mark E. Phillips, Galena Engineering, Inc., 317 N. River St., Hailey, Idaho 83333.

Job No. 8146

**CONDOMINIUM DECLARATION
FOR
FIFTH & MAIN BUILDING**

THIS DECLARATION (the “**Declaration**”) dated _____, 2023, shall be effective upon recordation and is made by FIFTH & MAIN, LLC , an Idaho limited liability company (the “**Declarant**”). Declarant is the owner of certain real property in Blaine County, Idaho, more particularly described on Exhibit A (the “**Property**”). Declarant hereby makes the following grants, submissions, and declarations:

ARTICLE 1. IMPOSITION OF COVENANTS

Section 1.1 Purpose. The purpose of this Declaration is to create a condominium project known as the Fifth & Main Building (the “**Condominium Project**”) by submitting the Property to the condominium form of ownership and use pursuant to the Idaho Condominium Act, Idaho Code §§ 55-1501 *et seq.*, as amended and supplemented from time to time (the “**Act**”).

Section 1.2 Intention of Declarant. Declarant desires to protect the value and desirability of the Condominium Project, to further a plan for the improvement, lease, sale and ownership of the Units in the Condominium Project, to create a harmonious and attractive development and to promote and safeguard the health, comfort, safety, convenience, and welfare of the Owners of Units in the Condominium Project.

Section 1.3 Condominium Declaration. To accomplish the purposes and intentions recited above, Declarant hereby submits the Property, together with all improvements, appurtenances, and facilities relating to or located on the Property now and in the future, to condominium ownership under the Act, and hereby imposes upon all of the Property the covenants, conditions, restrictions, easements, reservations, rights-of-way, and other provisions of this Declaration, and Declarant hereby declares that all of the Property shall be held, sold, conveyed, encumbered, leased, rented, occupied, and improved subject to the provisions of this Declaration.

Section 1.4 Covenants Running With the Land. All provisions of this Declaration shall be deemed to be covenants running with the land, or as equitable servitudes, as the case may be. The benefits, burdens, and other provisions contained in this Declaration shall be binding upon and shall inure to

the benefit of Declarant, all Unit Owners, and their respective heirs, executors, administrators, personal representatives, successors, and assigns.

ARTICLE 2. DEFINITIONS

The following words, when used in this Declaration, shall have the meanings designated below unless the context expressly requires otherwise:

Section 2.1 “Act” means the Idaho Condominium Act as defined in Section 1.1 hereof. In the event the Act is repealed, the Act, on the effective date of this Declaration, shall remain applicable to this Declaration.

Section 2.2 “Allocated Interests” means the undivided interest in the Common Elements and the Common Expense Liability and the votes in the Association allocated to each of the Units in the Condominium Project. The formulas used to establish the Allocated Interests are described in Article 4. The Allocated Interests for each Unit are set forth on Exhibit B.

Section 2.3 “Articles of Incorporation” means the Articles of Incorporation of Sun Valley & First Owners’ Association as filed with the Idaho Secretary of State, a copy of which is attached hereto as Exhibit C.

Section 2.4 “Assessments” means the annual, special and default Assessments levied pursuant to this Declaration.

Section 2.5 “Association” means the Sun Valley & First Building Owners’ Association, Inc., an Idaho nonprofit corporation, and its successors and assigns.

Section 2.6 “Board of Directors” means the governing body of the Association, as provided in this Declaration and in the Articles of Incorporation and Bylaws of the Association and in the Act.

Section 2.7 “Bylaws” means any instruments, however denominated, which are adopted by the Association for the regulation and management of the Association, including the amendments thereto, a copy of which is attached hereto as Exhibit D.

Section 2.8 “Commercial Unit” means Units 1 and 2 as shown on the Map which are designated in this Declaration for business or commercial uses.

Section 2.9 “Community Housing Unit” means Unit CH1, CH2, CH3 and CH4 as shown on the Map which are encumbered with community housing deed restrictions.

Section 2.10 "Common Elements" means all of the Condominium Project, other than the Units, but including, without limiting the generality of the foregoing, the following components:

- (a) the Property; and
- (b) the Improvements (including, but not by way of limitation, the foundations, columns, girders, beams, supports, perimeter and supporting walls, chimneys, chimney chases, roofs, patios, balconies, entrances and exits, and the mechanical installations of the Improvements consisting of the equipment and materials making up any central services such as power, light, gas, hot and cold water, sewer, cable television, and heating and central air conditioning which exist for use by one or more of the Unit Owners, including the pipes, vents, ducts, flues, cable conduits, wires, telephone wire, cable and other similar utility installations used in connection therewith), except for the Units; and
- (c) the yards, sidewalks, walkways, paths, grass, shrubbery, trees, driveways, roadways, landscaping, gardens, parking areas, and related facilities upon the Property; and
- (d) the pumps, tanks, motors, fans, storm drainage structures, compressors, ducts, and, in general, all apparatus, installations, and equipment of the Improvements existing for use of one or more of the Unit Owners; and
- (e) in general, all other parts of the Condominium Project designated by Declarant as Common Elements and existing for the use of one or more of the Unit Owners.

The Common Elements shall be owned by the Unit Owners of the separate Units, each Unit Owner of a Unit having an undivided interest in the Common Elements as allocated in Exhibit B.

Section 2.11 "Common Expenses Liability" means the liability for Common Expenses allocated to each Unit pursuant to this Declaration.

Section 2.12 "Common Expenses" means expenditures made or liabilities incurred by or on behalf of the Association, together with any allocations to reserves, including, without limiting the generality of the foregoing, the following items:

- (a) expenses of administration, insurance, operation, and management, repair or replacement of the Common Elements except to the extent such repairs and replacements are responsibilities of a Unit Owner as provided in this Declaration;
- (b) expenses declared Common Expenses by the provisions of this Declaration or the Bylaws;
- (c) all sums lawfully assessed against the Units by the Board of Directors;
- (d) expenses agreed upon as Common Expenses by the members of the Association; and
- (e) expenses provided to be paid pursuant to any Management Agreement.

Section 2.13 "Condominium Documents" means the basic documents creating and governing the Condominium Project, including, but not limited to, this Declaration, the Articles of Incorporation and Bylaws, the Map, and any procedures, Rules and Regulations, or policies relating to the Condominium Project adopted under such documents by the Association or the Board of Directors.

Section 2.14 "Condominium Map" or "Map" means that part of this Declaration that depicts all or any portion of the Condominium Project in three dimensions, is executed by the Declarant and is recorded in the Records. A Map and a Plat may be combined in one instrument. In a Map, a "Horizontal Boundary" means a plane of elevation relative to a described benchmark that defines either a lower or upper dimension of a Unit such that the real estate respectively below or above the defined plane is not part of the Unit. In a Map, a "Vertical Boundary" means the defined limit of a Unit that is not a Horizontal Boundary of that Unit.

Section 2.15 "Condominium Project" or "Project" means the term as defined in Section 1.1 hereof.

Section 2.16 "Condominium Unit" means the fee simple interest in and to a Unit, together with the undivided interest in the Common Elements appurtenant to the Unit, as allocated in Exhibit B.

Section 2.17 "Costs of Enforcement" means all monetary fees, fines, late charges, interest, expenses, costs, including receiver's and appraiser's fees, and

reasonable attorneys' fees and disbursements, including legal assistants' fees, incurred by the Association in connection with the collection of Assessments or in connection with the enforcement of the terms, conditions and obligations of the Condominium Documents.

Section 2.18 "Declarant" means Fifth & Main, LLC, an Idaho limited liability company, and its successors and assigns.

Section 2.19 "Declaration" means this Declaration, together with any amendment to this Declaration, recorded in the Records. The term Declaration includes all Maps and Plats recorded with this Declaration and all amendments to the Declaration and supplements to the Maps and Plats without specific reference thereto.

Section 2.20 "Deed" means each initial Warranty Deed recorded after the date hereof by which Declarant conveys a Unit.

Section 2.21 "Eligible First Mortgagee" means a First Mortgagee that has notified the Association in writing of its name and address and status as a First Mortgagee and has requested that it receive notices provided for in Article 19 entitled "Mortgagee Protections".

Section 2.22 "First Mortgagee" means a holder of a Security Interest in a Unit that has priority over all other Security Interests in the Unit.

Section 2.23 "Improvement(s)" means the building(s) (including all fixtures and improvements contained within it) located on the Property in which Units or Common Elements are located.

Section 2.24 "Limited Common Elements" means those parts of the Common Elements that are limited to and reserved for the use in connection with one or more, but fewer than all, of the Units. Without limiting the foregoing, the Limited Common Elements shall include any balcony, deck, patio, courtyard or porch appurtenant to and accessible only from a Unit, any shutters, awnings, window boxes, doorsteps, stoops, porch, balcony or patio designated or designed to serve a single Unit but located outside the Unit's boundaries, storage spaces and parking spaces outside Units designated as Limited Common Elements in this Declaration or on the Map, if any. If any chute, flue, duct, wire, conduit, bearing wall, bearing column or other fixture lies partially within and partially outside the designated boundaries of a Unit, any portion thereof serving that Unit is a Limited Common Element allocated solely to that Unit, and any portion thereof serving more than one Unit or any portion of the Common Elements is a part of the Common Elements. Limited Common Elements also

include any portion of the Common Elements allocated by this Declaration or on the Map as Limited Common Elements. All Limited Common Elements shall be used in connection with the appurtenant Unit(s) to the exclusion of the use thereof by the other Unit Owners, except by invitation. Subject to the Association's overall responsibility for maintenance of the Limited Common Elements, each Unit Owner shall be responsible for routine maintenance and care of the walls, ceilings and floors of any balcony or of any other Limited Common Elements appurtenant to and accessible only from the Unit Owner's Unit, and for keeping the same in a good, clean, sanitary, and attractive condition. No reference to Limited Common Elements need be made in any instrument of conveyance or encumbrance in order to convey or encumber the Limited Common Elements appurtenant to a Unit.

Section 2.25 "Majority of Owners" means a majority (or any greater percentage that may be specifically required for a particular action or authorization by the terms of this Declaration) of the total voting power of the members of the Association.

Section 2.26 "Management Agreement" means any contract or arrangement entered into for purposes of discharging the responsibilities of the Board of Directors relative to the operation, maintenance, and management of the Condominium Project.

Section 2.27 "Managing Agent" means a person, firm, corporation or other entity employed or engaged as an independent contractor pursuant to a Management Agreement to perform management services for the Association.

Section 2.28 "Occupant" means any member of a Unit Owner's family or a Unit Owner's guests, invitees, servants, tenants, employees, or licensees who occupy a Unit or are on the Common Elements for any period of time.

Section 2.29 "Period of Declarant Control" means the maximum period of time defined and limited by Section 8.6 of this Declaration during which the Declarant may, at its option, control the Association.

Section 2.30 "Person" means an individual, association, partnership, limited liability company, corporation, trust, governmental agency, political subdivision or any combination thereof.

Section 2.31 "Plat" means that part of a Declaration that is a land survey plat as set forth in Idaho Code § 50-1301, as amended, depicts all or any portion of the Condominium Project in two dimensions, is executed by the Declarant, and is recorded in the Records.

Section 2.32 "Property" means the real property in Blaine County, Idaho, more particularly described on the attached Exhibit A.

Section 2.33 "Real Estate" means any leasehold or other estate or interest in, over, or under land, including structures, fixtures, and other improvements and interests that, by custom, usage or law, pass with the conveyance of land though not described in the contract of sale or instrument of conveyance. Real Estate includes parcels with or without Horizontal Boundaries and spaces that may be filled with air or water.

Section 2.34 "Records" means the Office of the Clerk and Recorder in Blaine County, Idaho, and each other county in which any portion of the Condominium Project is located.

Section 2.35 "Residential Unit" means any Unit which is not a Commercial Unit, and includes Community Housing Units.

Section 2.36 "Rules and Regulations" means the rules and regulations promulgated by the Board of Directors for the management, preservation, safety, control, and orderly operation of the Condominium Project in order to effectuate the intent and to enforce the obligations set forth in the Condominium Documents, as amended and supplemented from time to time. Separate Rules and Regulations may be promulgated to apply only to Commercial Units, Residential Units, Community Housing Units and/or any combination thereof.

Section 2.37 "Security Interest" means an interest in Real Estate or personal property created by contract or conveyance which secures payment or performance of an obligation. The terms includes a lien created by a mortgage, deed of trust, trust deed, security deed, contract for deed, land sales contract, lease intended as security, assignment of lease or rents intended as security, pledge of an ownership interest in an Association, and any other consensual lien or title retention contract intended as security for an obligation. The holder of a Security Interest includes any insurer or guarantor of a Security Interest.

Section 2.38 "Special Declarant Rights" means those rights reserved by Declarant in Article 15 of this Declaration.

Section 2.39 "Unit" means a physical portion of the Condominium Project which is designated for separate ownership or occupancy and the boundaries of which are described in or determined by this Declaration. Each Unit shall be designated by a separate number, letter, address or other symbol or combination thereof that identifies only one Unit in the Condominium Project as more specifically set forth on Exhibit B. If walls, floors or ceilings are designated as

boundaries of a Unit in this Declaration, all lath, furring, wallboard, plasterboard, plaster, paneling, tiles, wallpaper, paint, finished flooring and any other materials constituting any part of the finished surfaces thereof are a part of the Unit and all other portions of the walls, floors or ceilings are a part of the Common Elements. Subject to Section 2.24, all spaces, interior partitions and other fixtures and improvements within the boundaries of a Unit are a part of the Unit.

Section 2.40 "Unit Owner" or "Owner" means the Declarant or any other person who owns record title to a Unit (including a contract seller, but excluding a contract purchaser) but excluding any person having a Security Interest in a Unit unless such person has acquired record title to the Unit pursuant to foreclosure or any proceedings in lieu of foreclosure.

ARTICLE 3. DIVISION OF PROJECT INTO CONDOMINIUM OWNERSHIP

Section 3.1 Division Into Condominium Units. The Property is hereby divided into that number of Condominium Units described in Exhibit "B", as amended from time to time, including separately designated Commercial Unit(s), each consisting of a fee simple interest in a Unit and an undivided fee simple interest in the Common Elements in accordance with the respective undivided interests in the Common Elements as set forth in Exhibit B. Such undivided interests in the Common Elements are hereby declared to be appurtenant to the respective Units. The total of the undivided interests in the Common Elements set forth in Exhibit B, rounded to the nearest 1%, shall be deemed to equal one hundred percent (100%) for purposes of this Declaration.

Section 3.2 Delineation of Unit Boundaries. The boundaries of each Unit are delineated and designated by an identifying number on the Map, and those numbers are set forth in Exhibit B.

Section 3.3 Inseparability of Condominium Unit. Except as provided in Section 3.5 below: (a) no part of a Condominium Unit or of the legal rights comprising ownership of a Condominium Unit may be partitioned or separated from any other part thereof during the period of condominium ownership prescribed in this Declaration; (b) each Condominium Unit shall always be conveyed, transferred, devised, bequeathed, encumbered, and otherwise affected only as a complete Condominium Unit; and (c) every conveyance, transfer, gift, devise, bequest, encumbrance other disposition of a Condominium Unit or any part thereof shall be presumed to be a disposition of the entire Condominium Unit, together with all appurtenant rights and interests created by law or by this Declaration, including the Unit Owner's membership in the Association.

Section 3.4 Non-Partitionability of Common Elements. The Common Elements shall be owned in common by all of the Unit Owners and shall remain physically undivided, and no Unit Owner shall bring any action for partition or division of the Common Elements. By acceptance of a deed or other instrument of conveyance or assignment to a Unit, each Unit Owner shall be deemed to have specifically waived such Unit Owner's right to institute or maintain a partition action or any other cause of action designed to cause a division of the Common Elements, and this Section may be pleaded as a bar to the maintenance of such an action. Any Unit Owner who shall institute or maintain any such action shall be liable to the Association and hereby agrees to reimburse the Association for the Costs of Enforcement in defending any such action.

Section 3.5 Alterations and Relocation of Boundaries Between Adjoining Units. Unit Owner(s) shall have the right to alter their Units and relocate boundaries between their Unit and an adjoining Unit and reallocate Limited Common Elements between or among Units, subject to the provisions and requirements of this Declaration and of the Act.

ARTICLE 4. ALLOCATED INTERESTS

Section 4.1 Allocation of Interests. The Allocated Interests assigned to each Unit are set forth on Exhibit B. These interests have been allocated in accordance with the formulas set out in Section 4.2 below. These formulas are to be used in reallocating interests if Units are added to the Condominium Project or if Units are converted to Common Elements or Limited Common Elements.

Section 4.2 Formulas for the Allocation of Interests. The interests allocated to each Unit have been calculated by the following formulas:

- (a) Undivided Interest in the Common Elements. The percentage of the undivided interest in the Common Elements allocated to each Unit is based upon the relative floor area of each Unit as compared to the floor area of all Units in the Condominium Project.
- (b) Common Expenses Liability. The percentage of Common Expenses Liability allocated to each Unit is based on the relative floor area of each Unit as compared to the floor area of all Units in the Condominium Project.
- (c) Votes. Each Unit shall be allocated a single vote as set forth on Exhibit B.

Section 4.3 Rounding Convention. Any Allocated Interest, stated as a fraction, shall be rounded to the nearest one percent (1%). The total of all Allocated Interests shall be deemed to equal to one hundred percent (100%) for purposes of this Declaration.

ARTICLE 5. CONDOMINIUM MAP

The Map shall be filed in the Records. Any Map filed subsequent to the first Map shall be termed a supplement to such Map, and the numerical sequence of such supplements shall be shown thereon. The Map shall be filed following substantial completion of the Improvement(s) depicted on the Map and prior to the conveyance of any Unit depicted on the Map to a purchaser. The Map shall include a Plat which shows the following:

- (a) the name and a general schematic map of the entire Condominium Project;
- (b) the extent of any existing encroachments across any Condominium Project boundary; and
- (c) to the extent feasible, a legally sufficient description of all easements serving or burdening any portion of the Condominium Project.

The Map shall also show the following:

- (a) the location and dimensions of each Unit and that Unit's identifying number;
- (b) horizontal Unit boundaries, if any, with reference to all established data and that Unit's identifying number; and
- (c) the approximate location and dimensions of all Limited Common Elements.

The Map shall contain a certificate of a registered and licensed surveyor certifying that the Map was prepared subsequent to the substantial completion of the improvements and contains all information required by this Declaration and the Act. Each supplement shall set forth a like certificate when appropriate. In interpreting the Map, the existing physical boundaries of each separate Unit as constructed shall be conclusively presumed to be its boundaries.

ARTICLE 6. LEGAL DESCRIPTION AND TAXATION OF UNITS

Section 6.1 Contracts to Convey Entered into Prior to Recording of Condominium Declaration and Map. A contract or other agreement for the sale of a Unit entered into prior to the filing of this Declaration in the Records may legally describe such Unit in substantially the manner set forth in this Article 6 and may indicate that this Declaration and Map are to be recorded.

Section 6.2 Contracts to Convey and Conveyances Subsequent to Recording of Declaration and Map. Subsequent to the recording of the Declaration and Map, contracts to convey, instruments of conveyance of Units, and every other instrument affecting title to a Unit shall be in substantially the following form with such omissions, insertions, recitals of fact, or other provisions as may be required by the circumstances or appropriate to conform to the requirements of any governmental authority, practice or usage or requirement of law with respect thereto:

Condominium Unit _____, according to the Condominium Declaration for Fifth & Main Building, recorded May ____, 2023, as (Instrument No. _____) and the Condominium Map recorded May _____, 2023, as (Instrument No. _____) in the office of the Recorder of Blaine County, Idaho.

Section 6.3 Conveyance Deemed to Describe an Undivided Interest in Common Elements. Every instrument of conveyance, Security Interest, or other instrument affecting the title to a Unit which legally describes the Unit substantially in the manner set forth above shall be construed to describe the Unit, together with the undivided interest in the Common Elements appurtenant to it, and together with all fixtures and improvements contained in it, and to incorporate all the rights incident to ownership of a Unit and all the limitations of ownership as described in the covenants, conditions, restrictions, easements, reservations, rights-of-way, and other provisions contained in this Declaration, including the easement of enjoyment to use the Common Elements.

Section 6.4 Separate Tax Assessments. Upon the filing for record of this Declaration and the Map in the Records, Declarant shall deliver a copy of this Declaration to the assessor of each county specified in the Records as provided by law. The lien for taxes assessed shall be confined to the Unit(s). No forfeiture or sale of any Unit for delinquent taxes, assessments, or other governmental charge shall divest or in any way affect the title to any other Unit.

ARTICLE 7. UNIT OWNERS' PROPERTY RIGHTS IN COMMON ELEMENTS

Section 7.1 Common Elements. Every Unit Owner shall have a perpetual right and easement of access over, across, and upon the Common Elements for the purpose of access to and from the Unit from public ways for both pedestrian and vehicular travel, which right and easement shall be appurtenant to and pass with the transfer of title to such Unit; provided, however, that such right and easement shall be subject to the following:

- (a) the covenants, conditions, restrictions, easements, reservations, rights-of-way, and other provisions contained in this Declaration, and the Map;
- (b) the right of the Association from time to time to assign on an equitable basis portions of the Common Elements such as parking spaces or storage spaces for the exclusive use of the Unit Owner of a particular Unit by an appropriate instrument in writing;
- (c) the right of the Association to adopt, from time to time, any and all rules and regulations concerning vehicular traffic and travel upon, in, under, and across the Condominium Project; and
- (d) the right of the Association to adopt, from time to time, any and all rules and regulations concerning the Condominium Project as the Association may determine is necessary or prudent for the management, preservation, safety, control, and orderly operation of the Condominium Project for the benefit of all Unit Owners, and for facilitating the greatest and most convenient availability and use of the Units and Common Elements by Unit Owners.

Section 7.2 Limited Common Elements. Subject to the provisions of this Declaration, every Unit Owner shall have the right to use and enjoy the Limited Common Elements appurtenant to his Unit, and such Limited Common Elements shall be conveyed along with title to the Unit.

ARTICLE 8. MEMBERSHIP AND VOTING RIGHTS IN ASSOCIATIONS

Section 8.1 Association Membership. The Association's Articles of Incorporation shall be filed no later than the date the first interest in a Unit in the Condominium Project is conveyed to a purchaser. Every Unit Owner shall be a member of the Association and shall remain a member for the period of the Unit Owner's ownership of a Unit. No Unit Owner, whether one or more persons or entity, shall have more than one membership per Unit owned, but all of the persons or entities owning a Unit shall be entitled to rights of membership and of use and enjoyment appurtenant to ownership of a Unit. Membership in the Association shall be appurtenant to, and may not be separated from, ownership of a Unit. If title to a Unit is held by more than one individual, by a firm, corporation, partnership, association or other legal entity or any combination thereof, such individuals, entity or entities shall appoint and authorize one person or alternate persons to represent the Unit Owners of the Unit. Such representative shall be a natural person who is a Unit Owner, or a designated board member or officer of a corporate Unit Owner, or a general partner of a partnership Unit Owner, or a comparable representative of any other entity, and such representative shall have the power to cast votes on behalf of the Unit Owners as a member of the Association, and serve on the Board of Directors if elected, subject to the provisions of and in accordance with the procedures more fully described in the Bylaws of the Association. Notwithstanding the foregoing, if only one of the multiple Unit Owners of a Unit is present at a meeting of the Association, such Unit Owner is entitled to cast the vote allocated to that Unit. If more than one of the multiple Unit Owners are present and there is no written designation of an authorized representative, the vote allocated to that Unit may be cast only in accordance with the agreement of a majority in interest of the Unit Owners, which majority agreement may be assumed for all purposes if any one of the multiple Unit Owners casts the vote allocated to that Unit without protest being made promptly to the person presiding over the meeting by any of the other Unit Owners of the Unit.

Section 8.2 Voting Rights and Meetings. Each Unit in the Condominium Project shall have the votes allocated in Section 4.2; provided, however, no vote allocated to a Unit owned by the Association may be cast. Class voting by Commercial Unit Owner(s) or Residential Unit Owner(s), or combinations thereof, shall be allowed on issues specified in Section 8.10. A meeting of the Association shall be held at least once each year. Special meetings of the Association may be called by the President, by a majority of the Board of Directors, or by Unit Owners having fifty percent (50%), or any lower percentage specified in the Bylaws, of the votes in the Association. Not less than ten (10)

and no more than fifty (50) days in advance of any meeting, the Secretary or other officer specified in the Bylaws shall cause notice to be hand delivered or sent prepaid by United States Mail to the mailing address of each Unit Owner. The notice of any meeting must state the time and place of the meeting and the items on the agenda including the general nature of any proposed amendment to this Declaration or Bylaws, any budget changes, and any proposal to remove an officer or member of the Board of Directors. Unless the Bylaws provide for a lower percentage, a quorum is deemed present throughout any meeting of the Association if persons entitled to cast fifty percent (50%) of the votes which may be cast for election of the Board of Directors are present, in person or by proxy, at the beginning of the meeting.

Section 8.3 Meeting to Approve Annual Budget. At the annual meeting of the Association or at a special meeting of the Association called for such purpose, the Unit Owners shall be afforded the opportunity to ratify a budget of the projected revenues, expenditures (both ordinary and capital) and reserves for the Association's next fiscal year as proposed by the Board of Directors. A summary of the proposed budget approved by the Board of Directors shall be mailed to the Unit Owners within thirty (30) days after its adoption along with a notice of a meeting of the Association to be held not less than ten (10) nor more than fifty (50) days after mailing of the summary to the Unit Owners. Unless at the meeting a Majority of Owners, rather than a majority of those present and voting in person or by proxy, reject the proposed budget, the budget is ratified whether or not a quorum is present at the meeting. In the event the proposed budget is rejected, the budget last ratified by the Unit Owners continues until such time as the Unit Owners ratify a subsequent budget proposed by the Board of Directors as provided above.

Section 8.4 Unit Owners' and Association's Addresses for Notices. All Unit Owners of each Unit shall have one and the same registered mailing address to be used by the Association or other Unit Owners for notices, demands, and all other communications regarding Association matters. The Unit Owner or the representative of the Unit Owners of a Unit shall furnish such registered address to the secretary of the Association within ten days after transfer of title to the Unit to such Unit Owner or Unit Owners. Said address may be an electronic or email address, in which case the Unit Owner consents to notice by email at that address. Such registration shall be in written form and signed by all of the Unit Owners of the Unit or by such persons as are authorized to represent the interests of all Unit Owners of the Unit. If no address is registered or if all of the Unit Owners cannot agree, then the address of the Unit shall be deemed their registered address until another registered address is furnished as required under this Section 8.4. If the address of the Unit is the

registered address of the Unit Owner(s), then any notice shall be deemed duly given if delivered to any person occupying the Unit or, if the Unit is unoccupied, if the notice is held and available for the Unit Owners at the principal office of the Association. All notices and demands intended to be served upon the Board of Directors shall be sent to the Condominium Project or such other address as the Board of Directors may designate from time to time by notice to the Unit Owner(s).

Section 8.5 Transfer Information. All Persons who acquire Unit(s) other than from Declarant shall provide to the Association written notice of the Person's name, address, Unit owned, date of transfer, and name of the former Unit Owner within ten (10) days of the date of transfer. The Person shall also provide a true and correct copy of the recorded instrument conveying or transferring the Unit or such other evidence of the conveyance or transfer as is reasonably acceptable to the Association. In addition, the Association may request such other information as the Association determines is necessary or desirable in connection with obtaining and maintaining information regarding conveyances and transfers of Units. The Association or Managing Agent shall have the right to charge the Person a reasonable administrative fee for processing the transfer in the records of the Association.

Section 8.6 Declarant Control of the Association. There shall be a Period of Declarant Control of the Association, during which a Declarant, or persons designated by the Declarant, may appoint and remove the officers and members of the Board of Directors. The Period of Declarant Control shall commence upon filing of the Articles of Incorporation of the Association and shall terminate no later than the earlier of:

- (a) sixty (60) days after conveyance of the fourth (4th) Unit to Unit Owners other than a Declarant; or
- (b) two (2) years after Declarant's last conveyance of a Unit in the ordinary course of business.

Declarant may voluntarily surrender the right to appoint and remove officers and members of the Board of Directors before termination of that period, but in that event the Declarant may require, for the duration of the Period of Declarant Control, that specified actions of the Association or Board of Directors, as described in a recorded instrument executed by the Declarant, be approved by the Declarant before they become effective.

Section 8.7 Required Election of Unit Owners. Not later than sixty (60) days after conveyance of three (3) of the Units to Unit Owners other than Declarant, at least one (1) member of the Board of Directors shall be elected by Unit Owners other than the Declarant. Not later than the termination of any Period of Declarant Control, the Unit Owners shall elect a Board of Directors of at least three (3) members, at least a majority of whom shall be Unit Owners other than the Declarant or designated representatives of Unit Owners other than Declarant. In order to assure representation of Owners of the Commercial Unit(s) and the Residential Unit(s) in the affairs of the Association and to protect the valid interests of the Commercial Unit(s) and Residential Unit(s) in the operation of the Condominium Project, the Owner(s) of the Commercial Unit(s), voting as a class, shall be entitled to elect one of the members of the Board of Directors, and the Owner(s) of the Residential Unit(s), voting as a Class, shall be entitled to elect one member of the Board of Directors. The Board of Directors shall elect the officers. The members of the Board of Directors and officers shall take office upon election.

Section 8.8 Removal of Members of the Board of Directors. Notwithstanding any provision of this Declaration or the Bylaws to the contrary, following notice and an opportunity to be heard as required by this Declaration and the Act, the Unit Owners, by sixty-seven percent (67%) vote of all persons present and entitled to vote at a meeting of the Unit Owners at which a quorum is present, may remove a member of the Board of Directors with or without cause, other than a member appointed by the Declarant.

Section 8.9 Requirements for Turnover of Declarant Control. Within sixty (60) days after the Unit Owners other than the Declarant elect a majority of the members of the Board of Directors, the Declarant shall deliver to the Association all property of the Unit Owners and of the Association held by or controlled by the Declarant, including without limitation the following items:

- (a) the original or a certified copy of the recorded Declaration as amended, the Association's articles of incorporation, Bylaws, minute books, other books and records, and any Rules and Regulations which may have been promulgated;
- (b) an accounting for Association funds and financial statements, from the date the Association received funds and ending on the date the Period of Declarant Control ends. The financial statements shall be audited by an independent certified public accountant and shall be accompanied by the accountant's letter, expressing either the opinion that the financial statements present fairly the financial position of the Association in

conformity with generally accepted accounting principles or a disclaimer of the accountant's ability to attest to the fairness of the presentation of the financial information in conformity with generally accepted accounting principles and the reasons therefor. The expense of the audit shall not be paid for or charged to the Association;

- (c) the Association funds or control thereof;
- (d) all of the Declarant's tangible personal property that has been represented by the Declarant to be the property of the Association or all of the Declarant's tangible personal property that is necessary for, and has been used exclusively in, the operation and enjoyment of the Common Elements, and inventories of these properties;
- (e) a copy, for the non-exclusive use of the Association, of any plans and specifications used in the construction or renovation of the Improvements;
- (f) all insurance policies then in force, in which the Unit Owners, the Association or its members of the Board of Directors and officers are named as insured persons;
- (g) copies of any certificates of occupancy that may have been issued with respect to the Improvements;
- (h) any other permits issued by governmental bodies applicable to the Condominium Project and which are currently in force or which were issued within one year prior to the date on which Unit Owners other than the Declarant took control of the Association;
- (i) written warranties of the contractor, subcontractors, suppliers, and manufacturers that are still effective;
- (j) a roster of Unit Owners and First Mortgagees and their addresses and telephone numbers, if known, as shown on the Declarant's records;
- (k) employment contracts in which the Association is a contracting party; and
- (l) any service contract in which the Association is a contracting party or in which the Association or the Unit Owners have any obligation to pay a fee to the persons performing the services.

Section 8.10 Issues for Class Voting. Any issue relating solely to the Commercial Units or Residential Units shall be decided by the Owner(s) of the particular Unit(s) voting as a Class on the issue. The decision on whether an issue relates solely to only one type of Unit shall be determined in the sole discretion of the Board of Directors. Any issue relating to a Limited Common Element appurtenant to more than one type of Unit, but not appurtenant to all types of Units shall be decided by the Owner(s) of the Units to which the Limited Common Elements are appurtenant, voting as a Class. The decision on whether an issue relates solely to Limited Common Elements appurtenant to less than all types of Units shall be decided in the sole discretion of the Board of Directors.

ARTICLE 9. ASSOCIATION POWERS AND DUTIES

Section 9.1 Association Management Duties. Subject to the rights and obligations of Declarant and other Unit Owners as set forth in this Declaration, the Association shall be responsible for the administration and operation of the Condominium Project and for the exclusive management, control, maintenance, repair, replacement, and improvement of the Common Elements and the Limited Common Elements, and shall keep the same in good, clean, attractive, and sanitary condition, order, and repair. The expenses, costs, and fees of such management, operation, maintenance, and repair by the Association shall be part of the Assessments, and prior approval of the Unit Owners shall not be required in order for the Association to pay any such expenses, costs, and fees. The Association shall establish and maintain, out of the installments of the annual Assessments, an adequate reserve account for maintenance, repair, or replacement of those Common Elements that must be replaced on a periodic basis. The Association shall adopt and amend budgets for revenues, expenditures, and reserves which will be the basis for collection of Assessments for Common Expenses from Unit Owners. The Association shall keep financial records sufficiently detailed to enable the Association to comply with the requirement that it provide statements of status of Assessments. All financial and other records of the Association shall be made reasonably available for examination by any Unit Owner and such Unit Owner's authorized agents.

Section 9.2 Association Powers. The Association shall have, subject to the limitations contained in this Declaration and the Act, the powers necessary for the administration of the affairs of the Association and the upkeep of the Condominium Project which shall include, but not be limited to, the power to:

- (a) adopt and amend Bylaws and Rules and Regulations;

- (b) adopt and amend budgets for revenues, expenditures and reserves;
- (c) collect assessments for Common Expenses from Owners;
- (d) hire and discharge managing agents;
- (e) hire and discharge employees and agents, other than managing agents, and independent contractors;
- (f) institute, defend or intervene in litigation or administrative proceedings or seek injunctive relief for violation of the Declaration, Bylaws or Rules and Regulations in the Association's name on behalf of the Association or two or more Unit Owners on matters affecting the Condominium Project;
- (g) make contracts and incur liabilities;
- (h) regulate the use, maintenance, repair, replacement and modification of the Common Elements;
- (i) cause additional improvements to be made as part of the Common Elements;
- (j) acquire, hold, encumber, and convey in the Association's name any right, title or interest to real property or personal property, but Common Elements may be conveyed or subjected to a Security Interest only pursuant to the requirements of the Act;
- (k) grant easements, including permanent easements, leases, licenses and concessions, through or over the Common Elements;
- (l) impose and receive a payment, fee, or charge for the use, rental or operation of the Common Elements, other than Limited Common Elements, and for services provided to Unit Owners;
- (m) impose a reasonable charge for late payment of Assessments, recover Costs of Enforcement for collection of Assessment and other actions to enforce the powers of the Association, regardless of whether or not suit was initiated and, after notice and hearing, levy reasonable fines for violations of this Declaration, Bylaws and Rules and Regulations of the Association;

(n) impose a reasonable charge for the preparation and recordation of amendments to this Declaration or for preparation of statements of unpaid Assessments;

(o) provide for the indemnification of the Association's officers and Board of Directors and maintain Board of Directors' and officers' liability insurance;

(p) assign the Association's right to future income, including the right to receive Assessments;

(q) by resolution, establish committees of the Board of Directors and/or Unit Owners, permanent and standing, to perform any of the above functions under specifically delegated administrative standards, as designated in the resolution establishing the committee;

(r) exercise any other powers conferred by this Declaration or the Bylaws;

(s) exercise any other power that may be exercised in Idaho by legal entities of the same type as the Association; and

(t) exercise any other power necessary and proper for the governance and operation of the Association.

Section 9.3 Actions by Board of Directors. Except as specifically otherwise provided in this Declaration, the Bylaws or the Act, the Board of Directors may act in all instances on behalf of the Association.

Section 9.4 Board of Directors Meetings. All meetings of the Board of Directors, at which action is to be taken by vote, will be open to the Unit Owners and agendas for meetings of the Board of Directors shall be made reasonably available for examination by all members of the Association or their representatives, except that meetings of the Board of Directors may be held in executive session(s), without giving notice and without the requirement that they be open to Unit Owners, in the following situations:

(a) matters pertaining to employees of the Association or involving the employment, promotion, discipline or dismissal of an officer, agent, or employee of the Association;

(b) consultation with legal counsel concerning disputes that are the subject of pending or imminent court proceedings or matters that are privileged or confidential between attorney and client;

(c) investigative proceedings concerning possible or actual criminal misconduct;

(d) matters subject to specific constitutional, statutory, or judicially imposed requirements protecting particular proceedings or matters from public disclosure;

(e) any matter the disclosure of which would constitute an unwarranted invasion of individual privacy.

Section 9.5 Right to Notice and Hearing. Whenever the Condominium Documents require that an action be taken after “notice and hearing,” the following procedure shall be observed: The party proposing to take the action (e.g., the Board of Directors, a committee, an officer, the Managing Agent, etc.) shall give notice of the proposed action to all Unit Owners whose interests the proposing party reasonably determines would be significantly affected by the proposed action. The notice shall be delivered personally or mailed not less than three (3) days before the proposed action is to be taken. The notice shall include a general statement of the proposed action and the date, time and place of the hearing. At the hearing, the affected person shall have the right, personally or by a representative, to give testimony orally and/or in writing, subject to reasonable rules of procedure established by the party conducting the hearing to assure a prompt and orderly resolution of the issues. Such evidence shall be considered in making the decision but shall not bind the decision makers. The affected person shall be notified of the decision in the same manner in which notice of the hearing was given. Any Unit Owner having a right to notice and hearing shall have the right to appeal to the Board of Directors from a decision of a proposing party other than the Board of Directors by filing a written notice of appeal with the Board of Directors within ten (10) days after being notified of the decision. The Board of Directors shall conduct a hearing within forty-five (45) days, giving the same notice and observing the same procedures as were required for the original hearing.

Section 9.6 Payments to Working Capital Account. In order to provide the Association with adequate working capital funds, the Association may collect from purchasers at the time of the initial sale of each Unit by Declarant an amount equal to three months’ worth of annual Assessments based on the

Association's budget in effect at the time of the sale. Such payments to this fund shall not be considered advance payments of annual Assessments.

ARTICLE 10. ASSESSMENTS

Section 10.1 Commencement of Annual Assessments. Until the Association makes an Assessment for Common Expenses, the Declarant shall pay all Common Expenses. After any Assessment has been made by the Association, Assessments shall be made no less frequently than annually and shall be based on a budget adopted no less frequently than annually by the Association.

Section 10.2 Annual Assessments. The Association shall levy annual Assessments to pay for the Common Expense Liability allocated to each Unit pursuant to this Declaration. The total annual Assessments shall be based upon a budget of the Association's cash requirements for upkeep of the Condominium Project including maintenance, repair and replacement of the Common Elements as required by the Act and the Condominium Documents. Any surplus funds of the Association remaining after payment of or provision for Common Expenses and any prepayment of or provision for reserves shall be credited to the Unit Owners in proportion to their Common Expense Liability or credited to them to reduce their future Assessments for Common Expenses.

Section 10.3 Apportionment of Annual Assessments. The total annual Assessment for any fiscal year of the Association shall be assessed to the Units in proportion to their Percentage of Common Expenses Liability set forth on Exhibit B, subject to: (a) Common Expenses which are separately metered or assessed to the Units by third parties; (b) Common Expenses associated with the maintenance, repair or replacement of Limited Common Elements which shall be assigned equally or on such other equitable basis as the Board of Directors shall determine to the Units to which the specific Limited Common Elements are appurtenant; (c) Common Expenses or portions thereof benefiting fewer than all of the Units which shall be assessed exclusively against the Units benefited; (d) any increased cost of insurance based upon risk which shall be assessed to Units in proportion to the risk; (e) any Common Expense caused by the misconduct of any Unit Owner(s), which may be assessed exclusively or on such other equitable basis as the Board of Directors shall determine against such Unit Owner(s); and (f) any expenses which are charged equally to the Units. All such allocations of Common Expenses Liability to the Commercial Units and Residential Units on a basis other than the Units' Percentage of Common Expenses Liability shall be made by the Board of Directors. In making the allocations, the Board of Directors shall use as a guide the assignment of various

Common Expenses to the following categories: utilities (unless separately metered or disproportionately benefiting fewer than all Units), insurance, exterior building maintenance and repairs, and reserves.

Section 10.4 Special Assessments. In addition to the annual Assessments authorized above, the Board of Directors may at any time and from time to time determine, levy, and assess in any fiscal year a special Assessment applicable to that particular fiscal year (and for any such longer period as the Board of Directors may determine) for the purpose of defraying, in whole or in part, the unbudgeted costs, fees, and expenses of any construction, reconstruction, repair, demolishing, replacement, renovation or maintenance of the Condominium Project, specifically including any fixtures and personal property related to it. Any amounts determined, levied, and assessed pursuant to this Declaration shall be assessed to the Units pursuant to the provisions in Section 10.3 entitled "Apportionment of Annual Assessments" set forth above.

Section 10.5 Due Dates for Assessment Payments. Unless otherwise determined by the Board of Directors, the Assessments which are to be paid in installments shall be paid quarterly in advance and shall be due and payable to the Association at its office or as the Board of Directors may otherwise direct in any Management Agreement, without notice (except for the initial notice of any special Assessment), on the first day of each quarter. If any such installment shall not be paid within thirty (30) days after it shall have become due and payable, then the Board of Directors may assess a late charge, default interest charge (not to exceed the rate from time to time allowed by law), fee, or such other charge as the Board of Directors may fix by rule from time to time to cover the extra expenses involved in handling such delinquent Assessment installment. A Unit Owner's Assessment shall be prorated if the ownership of a Unit commences or terminates on a day other than the first day or last day, respectively, of a month or other applicable payment period. However, if the Common Expenses Liability is re-allocated, any installment(s) of an assessment not yet due shall be recalculated in accordance with the re-allocated Common Expenses Liability.

Section 10.6 Default Assessments. All Costs of Enforcement assessed against a Unit Owner pursuant to the Condominium Documents, or any expense of the Association which is the obligation of a Unit Owner pursuant to the Condominium Documents shall become a default Assessment assessed against the Unit Owner's Unit. Notice of the amount and demand for payment of such default Assessment shall be sent to the Unit Owner prior to enforcing any remedies for non-payment hereunder.

Section 10.7 Covenant of Personal Obligation for Assessments. Declarant, by creating the Units pursuant to this Declaration, and all other Unit Owners, by acceptance of the deed or other instrument of transfer of his Unit (whether or not it shall be so expressed in such deed or other instrument of transfer), are deemed to personally covenant and agree, jointly and severally, with all other Unit Owners and with the Association, and hereby do so covenant and agree to pay to the Association the (a) annual Assessments, (b) special Assessments, and (c) default Assessments applicable to the Unit Owner's Unit. No Unit Owner may waive or otherwise escape personal liability for the payment of the Assessments provided for in this Declaration by not using the Common Elements or the facilities contained in the Common Elements or by abandoning or leasing his Unit.

Section 10.8 Lien for Assessments; Assignment of Rents. The annual, special, and default Assessments (including installments of the Assessments) arising under the provisions of the Condominium Documents shall be burdens running with, and a perpetual lien in favor of the Association upon the specific Unit to which such Assessments apply. To further evidence such lien upon a specific Unit, the Association shall prepare a written lien notice setting forth the description of the Unit, the amount of Assessments on the Unit unpaid as of the date of such lien notice, the rate of default interest as set by the Rules and Regulations, the name of the Unit Owner or Unit Owners of the Unit, and any and all other information that the Association may deem proper. The lien notice shall be signed by a member of the Board of Directors, an officer of the Association, or the Managing Agent and shall be recorded in the Records. Any such lien notice shall not constitute a condition precedent or delay the attachment of the lien, but such lien is a perpetual lien upon the Unit and attaches without notice at the beginning of the first day of any period for which any Assessment is levied. Upon any default in the payment of annual, special, or default Assessments, the Association shall also have the right to appoint a receiver to collect all rents, profits, or other income from the Unit payable to the Unit Owner and to apply all such rents, profits, and income to the payment of delinquent Assessments. Each Unit Owner, by ownership of a Unit, agrees to the assignment of such rents, profits and income to the Association effective immediately upon any default in the payment of annual, special, or default Assessments.

Section 10.9 Remedies for Nonpayment of Assessments. If any annual, special, or default Assessment (or any installment of the Assessment) is not fully paid within thirty (30) days after the same becomes due and payable, then as often as the same may happen, (a) interest shall accrue at the default rate set by the Rules and Regulations on any amount of the Assessment in default, accruing from the due date until date of payment, (b) the Association may declare due and

payable all unpaid installments of the annual Assessment or any special Assessment otherwise due during the fiscal year during which such default occurred, (c) the Association may thereafter bring an action at law or in equity, or both, against any Unit Owner personally obligated to pay the same, (d) the Association may proceed to foreclose its lien against the particular Unit pursuant to the power of sale granted to the Association by this Declaration or in the manner and form provided by Idaho law for foreclosure of real estate mortgages and (e) the Association may suspend the Owner's right to vote in Association matters until the Assessment is paid. An action at law or in equity by the Association (or counterclaims or cross-claims for such relief in any action) against a Unit Owner to recover a money judgment for unpaid Assessments (or any installment thereof) may be commenced and pursued by the Association without foreclosing or in any way waiving the Association's lien for the Assessments. Foreclosure or attempted foreclosure by the Association of its lien shall not be deemed to stop or otherwise preclude the Association from again foreclosing or attempting to foreclose its lien for any subsequent Assessments (or installments thereof) which are not fully paid when due or for any subsequent default Assessments. The Association shall have the power and right to bid in or purchase any Unit at foreclosure or other legal sale and to acquire and hold, lease, mortgage, and to convey, or otherwise deal with the Unit acquired in such proceedings.

Section 10.10 Purchaser's Liability for Assessments.

Notwithstanding the personal obligation of each Unit Owner to pay all Assessments on the Unit, and notwithstanding the Association's perpetual lien upon a Unit for such Assessments, all purchasers shall be jointly and severally liable with the prior Unit Owner(s) for any and all unpaid Assessments against such Unit, without prejudice to any such purchaser's right to recover from any prior Unit Owner any amounts paid thereon by such purchaser. A purchaser's obligation to pay Assessments shall commence upon the date the purchaser becomes the Unit Owner of a Unit. For Assessment purposes, the date a purchaser becomes the Unit Owner shall be determined as follows: (a) in the event of a conveyance or transfer by foreclosure, the date a purchaser becomes the Unit Owner shall be deemed to be upon the expiration of all applicable redemption periods; (b) in the event of a conveyance or transfer by deed in lieu of foreclosure a purchaser shall be deemed to become the Unit Owner of a Unit upon the execution and delivery of the deed or other instruments conveying or transferring title to the Unit, irrespective of the date the deed is recorded; and (c) in the event of conveyance or transfer by deed, a purchaser shall be deemed to become the Unit Owner upon the execution and delivery of the deed or other instruments conveying or transferring title of the Unit, irrespective of the date the deed is recorded. However, such purchaser shall be entitled to rely upon the

existence and status of unpaid Assessments as shown upon any certificate issued by or on behalf of the Association to such named purchaser pursuant to the provisions of this Declaration.

Section 10.11 Waiver of Homestead Exemption; Subordination of Association's Lien for Assessments. By acceptance of the deed or other instrument of transfer of a Unit, each Unit Owner irrevocably waives the homestead exemption provided by Idaho Code § 55-1001, as amended. The Association's perpetual lien on a Unit for Assessments shall be superior to all other liens and encumbrances except the following:

(a) real property ad valorem taxes and special assessment liens duly imposed by an Idaho governmental or political subdivision or special taxing district, or any other liens made superior by statute;

(b) liens recorded prior to this Declaration unless otherwise agreed by the parties thereto; and

(c) the lien of any First Mortgagee except to the extent Idaho law grants priority for Assessments to the Association.

Any First Mortgagee who acquires title to a Unit by virtue of foreclosing a First Mortgage or by virtue of a deed or assignment in lieu of such a foreclosure, or any purchaser at a foreclosure sale of the First Mortgage, will take the Unit free of any claims for unpaid Assessments and Costs of Enforcement against the Unit which accrue prior to the time such First Mortgagee acquires title to the Unit except to the extent the amount of the extinguished lien may be reallocated and assessed to all Units as a Common Expense and except to the extent the Act grants lien priority for Assessments to the Association. All other persons not holding liens described in this Section and obtaining a lien or encumbrance on any Unit after the recording of this Declaration shall be deemed to consent that any such lien or encumbrance shall be subordinate and inferior to the Association's lien for Assessments and Costs of Enforcement as provided in this Article, whether or not such consent is specifically set forth in the instrument creating any such lien or encumbrance.

Sale or other transfer of any Unit, (a) except as provided above with respect to First Mortgagees, (b) except in the case of foreclosure of any lien enumerated in this Section, and (c) except as provided in the next Section, shall not affect the Association's lien on such Unit for Assessments due and owing prior to the time such purchaser acquired title and shall not affect the personal liability of each Unit Owner who shall have been responsible for the payment

thereof. Further, no such sale or transfer shall relieve the purchaser of a Unit from liability for, or the Unit from the lien of, any Assessments made after the sale or transfer.

Section 10.12 Statement of Status of Assessments. On or before fourteen (14) calendar days after receipt of written notice to the Managing Agent or, in the absence of a Managing Agent, to the Board of Directors and payment of a reasonable fee set from time to time by the Board of Directors, any Unit Owner, holder of a Security Interest, prospective purchaser of a Unit or their designees shall be furnished a statement of the Unit Owner's account setting forth:

- (a) the amount of any unpaid Assessments then existing against a particular Unit;
- (b) the amount of the current installments of the annual Assessment and the date that the next installment is due and payable;
- (c) the date(s) for payment of any installments of any special Assessments outstanding against the Unit; and
- (d) any other information, deemed proper by the Association, including the amount of any delinquent Assessments created or imposed under the terms of this Declaration.

Upon the issuance of such a certificate signed by a member of the Board of Directors, by an officer of the Association, or by a Managing Agent, the information contained therein shall be conclusive upon the Association as to the person or persons to whom such certificate is addressed and who rely on the certificate in good faith.

Section 10.13 Liens. Except for Assessment liens as provided in this Declaration, mechanics' liens (except as prohibited by this Declaration), tax liens, judgment liens and other liens validly arising by operation of law and liens arising under Security Interests, there shall be no other liens obtainable against the Common Elements or against the interest of any Unit Owner in the Common Elements except a Security Interest in the Common Elements granted by the Association pursuant to the requirements of the Act.

ARTICLE 11. MAINTENANCE RESPONSIBILITY

Section 11.1 Unit Owner's Rights and Duties with Respect to Interiors. Except as may be provided in the purchase and sale agreement or other

conveyancing documents executed by Declarant in connection with sales to initial purchasers of the Units, each Unit Owner of a Unit shall have the exclusive right and duty to paint, tile, paper, or otherwise decorate or redecorate and to maintain and repair the interior surfaces of the walls, floors, ceilings, windows and doors forming the boundaries of such Unit Owner's Unit and all walls, floors, ceilings, and doors within such boundaries. Notwithstanding the foregoing, no Unit Owner shall be permitted to install any hardwood floor or other hard surface improvements in his Unit that might affect adjoining Units by increasing noise or vibrations, without the prior written approval of the Association, which approval may be denied, or conditioned, in the Association's sole discretion.

Section 11.2 Responsibility of the Unit Owner. The Unit Owner of any Unit shall, at the Unit Owner's expense, maintain and keep in repair all fixtures, equipment, and utilities installed and included in a Unit commencing at a point where the fixtures, equipment, and utilities enter the Unit. A Unit Owner shall not allow any action or work that will impair the structural soundness of the improvements, impair the proper functioning of the utilities, heating, ventilation, or plumbing systems or integrity of the Improvement(s), or impair any easement or hereditament. Subject to the Association's overall responsibility for maintenance of the Limited Common Elements, each Unit Owner shall be responsible for routine maintenance and care of the walls, floors, ceilings, windows and doors of any balcony or of any other Limited Common Elements appurtenant to the Unit Owner's Unit, and for keeping the same in a good, clean, sanitary, and attractive condition. Notwithstanding the foregoing, Unit Owners shall not be responsible for damage to exterior doors and windows, except if as a result of a negligent or willful act of said Owner. The Association shall not be responsible for repairs occasioned by casualty due to the act or negligence of the Unit Owner or Occupant of the Unit except as provided in Article 16.

Section 11.3 Unit Owner's Negligence. In the event that the need for maintenance, repair, or replacement of all or any portion of the Common Elements is caused through or by the negligent or willful act or omission of a Unit Owner or Occupant, then the expenses incurred by the Association for such maintenance, repair, or replacement shall be a personal obligation of such Unit Owner; and, if the Unit Owner fails to repay the expenses incurred by the Association within seven days after notice to the Unit Owner of the amount owed, then the failure to so repay shall be a default by the Unit Owner, and such expenses shall automatically become a default Assessment determined and levied against such Unit, enforceable by the Association in accordance with this Declaration.

Section 11.4 Responsibility of the Association. The Association, without the requirement of approval of the Unit Owners, shall maintain and keep in good repair, replace, and improve, as a Common Expense, all of the Condominium Project not required in this Declaration to be maintained and kept in good repair by a Unit Owner or by Declarant.

ARTICLE 12. MECHANICS' LIENS

Section 12.1 Mechanics' Liens. Subsequent to recording of this Declaration and the filing of the Map in the Records, no labor performed or materials furnished for use and incorporated in any Unit with the consent of or at the request of the Unit Owner or the Unit Owner's agent, contractor or subcontractor, shall be the basis for the filing of a lien against a Unit of any other Unit Owner not expressly consenting to or requesting the same, or against any interest in the Common Elements except as to the undivided interest therein appurtenant to the Unit of the Unit Owner for whom such labor shall have been performed or such materials shall have been furnished. Each Unit Owner shall indemnify and hold harmless each of the other Unit Owners and the Association from and against any liability or loss arising from the claim of any mechanics' lien or for labor performed or for materials furnished in work on such Unit Owner's Unit, against the Unit of another Unit Owner or against the Common Elements, or any part thereof.

Section 12.2 Enforcement by the Association. At its own initiative or upon the written request of any Unit Owner (if the Association determines that further action by the Association is proper), the Association shall enforce the indemnity provided by the provisions of this Article 12 by collecting from the Unit Owner of the Unit on which the labor was performed or materials furnished the amount necessary to discharge by bond or otherwise any such mechanics' lien, to pay all costs and reasonable attorneys' fees incidental to the lien, and to obtain a release of such lien. If the Unit Owner of the Unit on which the labor was performed or materials furnished refuses or fails to indemnify within five (5) days after the Association shall have given notice to such Unit Owner of the total amount of the claim, then the failure to so indemnify shall be a default by such Unit Owner under the provisions of this Section 12.2, and such amount to be indemnified shall automatically become a default Assessment determined and levied against such Unit, and enforceable by the Association pursuant to this Declaration.

ARTICLE 13. USE RESTRICTIONS

Section 13.1 Use of Units. Except for uses reserved to Declarant in Article 15 entitled "Special Declarant Rights and Additional Reserved Rights", and except for Commercial Units, all Units shall be used for residential purposes and other commercial activities permitted by applicable zoning codes which do not cause unreasonable disturbance to other Unit Owners. Subject to Section 13.6, below, Unit Owners may rent or lease such Units to others for such purposes.

Section 13.2 Use of Common Elements. There shall be no obstruction of the Common Elements, nor shall anything be kept or stored on any part of the Common Elements by any Unit Owner without the prior written approval of the Association. Nothing shall be altered on, constructed in, or removed from the Common Elements by any Unit Owner without the prior written approval of the Association.

Section 13.3 Prohibition of Increases in Insurable Risks and Certain Activities. Nothing shall be done or kept in any Unit or in or on the Common Elements, or any part thereof, which would result in the cancellation of the insurance on all or any part of the Condominium Project or in an increase in the rate of the insurance on all or any part of the Condominium Project over what the Association, but for such activity, would pay, without the prior written approval of the Association. Nothing shall be done or kept in any Unit or in or on the Common Elements which would be in violation of any statute, rule, ordinance, regulation, permit, or other imposed requirement of any governmental body having jurisdiction over the Condominium Project. No damage to or waste of the Common Elements shall be committed by any Unit Owner or Occupant, and each Unit Owner shall indemnify and hold the Association and the other Unit Owners harmless against all loss resulting from any such damage or waste caused by him or an Occupant of his Unit. Failure to so indemnify shall be a default by such Unit Owner under this Section. At its own initiative or upon the written request of any Unit Owner (and if the Association determines that further action by the Association is proper), the Association shall enforce the foregoing indemnity as a default Assessment levied against such Unit.

Section 13.4 Structural Alterations and Exterior Appearance. No structural alterations to any Unit, including the construction of any additional skylight, window, door or other alteration visible from the exterior of the Unit or to any Common Element shall be made or caused to be made by any Unit Owner without the prior written approval of the Declarant during the Period of Declarant

Control and, thereafter, the Association. No window coverings or other improvements, alterations or decorations visible from outside a Unit shall be added by a Unit Owner without the prior written approval of the Declarant during the Period of Declarant Control and, thereafter, the Association, which may adopt written guidelines to address the same. No alteration or relocation of boundaries between adjoining Units shall be made by the Unit Owners without the prior written approval of the Declarant during the Period of Declarant Control and, thereafter, by the Association. The Association shall promulgate Rules and Regulations establishing procedures for the approvals required by this Section 13.4. Such Rules and Regulations shall include, but shall not be limited to, requirements that the applicant submit (a) plans and specifications showing the nature, kind, shape, height, color, materials, and location of the proposed alterations in sufficient detail for the Association and Declarant to review them; and (b) processing and/or review fees, which may include any professional fees the Association or Declarant might incur in retaining architects or engineers to review the plans and specifications. The Rules and Regulations shall specifically consider the impact of the alteration on the harmony of external design and location in relation to surrounding structures and topography.

Section 13.5 Use Restrictions. No animal pens, sheds, fences or other outbuildings or structures of any kind shall be erected by any Unit Owner. No activity shall be allowed which interferes unduly with the peaceful possession and proper use of the Condominium Project by the Unit Owners, nor shall any fire hazard or unsightly accumulation of refuse be allowed. No animals, birds, insects, or livestock of any kind shall be raised, bred, or kept on or in the Condominium Project. Notwithstanding the foregoing, residents of Units may have up to two (2) domestic dogs and/or cats so long as they do not interfere with the quiet enjoyment of occupants of other Units, or other properly licensed and certified service animals for disabled persons. No lights shall be emitted which are unreasonably bright or cause unreasonable glare; no sound shall be emitted which is unreasonably loud or annoying; and no odor shall be emitted which is noxious or offensive to others.

Section 13.6 Limits on Timesharing / Short-Term Rentals.

- (a) No Unit Owner shall offer or sell any interest in such Unit under a “timesharing” or “interval ownership” plan, or any similar plan without the specific prior written approval of the Declarant during the Period of Declarant Control, and thereafter the Association.
- (b) No Unit Owner shall rent his Unit for any period less than fourteen (14) consecutive days (“Short Term Rental”) nor shall any Unit be rented more

than four (4) separate times in any twelve (12) month period. Any lease of ninety (90) days or more shall not be considered a Short Term Rental. By purchasing a Unit, each Unit Owner expressly agrees to the limitations contained herein.

Section 13.7 Restriction on Signs. No signs, billboards, posterboards, or advertising structure of any kind shall be displayed, erected, or maintained for any purpose whatsoever except such signs as have been approved by the Declarant during the Period of Declarant Control and, thereafter, the Association. Any signs which are permitted under the foregoing restrictions shall be erected or maintained on the Condominium Project only with the prior written approval of the Declarant during the Period of Declarant Control, and thereafter the Association, which approval shall be given only if such signs are of attractive design and as small a size as reasonably possible and shall be placed or located as directed or approved by the Association. External signage must also comply with applicable restrictions of the City of Hailey.

Section 13.8 Commercial Operations. Each Owner of a Commercial Unit must comply with the Rules and Regulations for commercial establishments as adopted from time to time by the Association; provided, however, that the Association shall not adopt Rules and Regulations that substantially impede or effectively prohibit commercial and retail operations. No cooking of food shall be allowed in any Commercial Unit and the time for open commercial activity must conform to Ketchum City code, and in no event shall any Commercial Unit remain open for operations later than 10:00pm.

Section 13.9 Restrictions on Use of Parking and Storage Areas. No parking shall be permitted at any location on the Property unless specifically designated for parking by the Association. No storage is permitted outside of Units except in specifically designated storage areas. No Owner may use any parking or storage space assigned to another. No Owner may use any parking space for storage or use any parking or storage space in any manner that obstructs or interferes with any other Owner's parking or storage rights or that constitutes a safety hazard. Without limiting the generality of the powers of the Association with respect to parking or storage, the Association is specifically authorized, but not obligated, to remove any vehicle parked in any area not designated for parking, or any vehicle parked in any space that is assigned to another person or reserved for a specific use, or any vehicle parked in an obstructing or hazardous manner, or any improperly stored or hazardous materials, in all cases at the expense of the Owner or Occupant that owns such vehicle or materials. Expenses incurred by the Association in connection with such removal (and storage, if necessary) shall be a personal obligation of such

Owner and, if the Owner fails to pay such amount within seven (7) days after notice to the Owner of the amount owed, then the failure to pay shall be a default by the Owner and such expenses shall automatically become a default Assessment determined and levied against such Unit enforceable by the Association as provided in this Declaration.

ARTICLE 14. EASEMENTS

Section 14.1 Easement of Enjoyment. Every Unit Owner shall have a non-exclusive easement for the use and enjoyment of the Common Elements, which shall be appurtenant to and shall pass with the title to every Unit, subject to the easements set forth in this Article 14 and the easements and restrictions set forth in Article 7 entitled "Unit Owners' Property Rights in Common Elements".

Section 14.2 Delegation of Use. Any Unit Owner may delegate, in accordance with the Condominium Documents, the Unit Owner's right of enjoyment in the Common Elements to an Occupant of the Unit Owner's Unit.

Section 14.3 Recorded Easements. The Property shall be subject to any easements shown on any recorded plat affecting the Property, shown on the recorded Map or reserved or granted under this Declaration.

Section 14.4 Easements for Encroachments. The Condominium Project, and all portions of it, are subject to easements hereby created for encroachments between Units and the Common Elements as follows:

(a) in favor of all Unit Owners, so that they shall have no legal liability when any part of the Common Elements encroaches upon a Unit;

(b) in favor of each Unit Owner, so that the Unit Owner shall have no legal liability when any part of his Unit encroaches upon the Common Elements or upon another Unit; and

(c) in favor of all Unit Owners, the Association, and the Unit Owner of any encroaching Unit for the maintenance and repair of such encroachments.

Encroachments referred to in this Section 14.4 include, but are not limited to, encroachments caused by error or variance from the original plans in the construction of the Improvements or any Unit constructed on the Property, by error in the Map, by settling, rising, or shifting of the earth, or by changes in position caused by repair or reconstruction of any part of the Condominium Project. Such encroachments shall not be considered to be encumbrances upon

any part of the Condominium Project; provided, however, that encroachments created by the intentional act of a Unit Owner shall not be deemed to create an easement on the Property and shall be considered an encroachment upon the Condominium Project. Such encroachment shall be removed at Unit Owner's expense immediately upon notice from the Association. In the event such encroachment is not timely removed, the Association may effect removal of the encroachment and the expense thereof shall be a default Assessment to the Unit Owner.

Section 14.5 Utility Easements. There is hereby created a general easement upon, across, over, in, and under all of the Property for ingress and egress and for installation, replacement, repair, and maintenance of all utilities, including but not limited to water, sewer, gas, telephone, electricity, and a cable communication system. By virtue of this easement, it shall be expressly permissible and proper for the companies providing such utilities to erect and maintain the necessary equipment on the Property and to affix and maintain electrical, communications, and telephone wires, circuits, and conduits under the Property. Any utility company using this general easement shall use its best efforts to install and maintain the utilities provided without disturbing the uses of other utilities, the Unit Owners, the Association, and Declarant; shall complete its installation and maintenance activities as promptly as reasonably possible; and shall restore the surface to its original condition as soon as possible after completion of its work. Should any utility company furnishing a service covered by this general easement request a specific easement by separate recordable document, Declarant during the Period of Declarant Control and, thereafter, the Association, shall have the right and authority to grant such easement upon, across, over, or under any part or all of the Property without conflicting with the terms hereof. The easements provided for in this Section 14.5 shall in no way affect, avoid, extinguish, or modify any other recorded easement on the Property.

Section 14.6 Emergency Access Easement. A general easement is hereby granted to all police, sheriff, fire protection, ambulance, and all other similar emergency agencies or persons to enter upon all streets and upon the Property in the proper performance of their duties.

Section 14.7 Maintenance Easement. An easement is hereby granted to the Association and any Managing Agent and their respective officers, agents, employees and assigns upon, across, over, in, and under the Common Elements and a right to make such use of the Common Elements as may be necessary or appropriate to perform the duties and functions which they are obligated or permitted to perform pursuant to this Declaration.

Section 14.8 Easements of Access for Repair, Maintenance, and Emergencies. Some of the Common Elements are or may be located within the Units or may be conveniently accessible only through the Units. The Unit Owners and the Association shall have the irrevocable right, to be exercised by the Association as the Unit Owners' agent, to have access to each Unit and to all Common Elements from time to time during such reasonable hours as may be necessary for the maintenance, repair, removal, or replacement of any of the Common Elements therein or accessible therefrom or for making emergency repairs therein necessary to prevent damage to the Common Elements or to any Unit. Unless caused by the negligent or willful act or omission of a Unit Owner or Occupant, damage to the interior of any part of a Unit resulting from the maintenance, repair, emergency repair, removal, or replacement of any of the Common Elements or as a result of emergency repair within another Unit at the instance of the Association or of the Unit Owners shall be a Common Expense.

Section 14.9 Easements Deemed Created. All conveyances of Units hereafter made, whether by Declarant or otherwise, shall be construed to grant and reserve the easements contained in this Article 14, even though no specific reference to such easements or to this Article 14 appears in the instrument for such conveyance.

ARTICLE 15. SPECIAL DECLARANT RIGHTS AND ADDITIONAL RESERVED RIGHTS

Section 15.1 Special Declarant Rights. Declarant hereby reserves the right, from time to time, to perform the acts and exercise the rights hereinafter specified (the "Special Declarant Rights"). Declarant's Special Declarant Rights include the following:

(a) Completion of Improvements. The right to complete improvements indicated on Plats and Maps filed with this Declaration.

(b) Construction Easements. The right to use easements through the Common Elements for the purpose of making improvements within the Condominium Project.

(c) Amendment of Declaration and/or Plat. The right to Amend this Declaration and or to amend the Plat in connection with the exercise of its development rights.

(d) Signs. The right to maintain signs on the Common Elements advertising the Condominium Project.

(e) Post-Sales. The right to use the Common Elements to maintain customer relations and provide post-sale services to Unit Owners.

(f) Parking/Storage. The right to use and to allow others to use all parking and storage areas in connection with its marketing efforts.

Section 15.2 Additional Reserved Rights. In addition to the Special Declarant Rights set forth in Section 15.1 above, Declarant also reserves the following additional rights (the “Additional Reserved Rights”):

(a) Dedications. The right to establish, from time to time, by dedication or otherwise, utility and other easements for purposes including but not limited to streets, paths, walkways, ski-ways, drainage, recreation areas, parking areas, driveways, ducts, shafts, flues, conduit installation areas, and to create other reservations, exceptions and exclusions for the benefit of and to serve the Unit Owners within the Condominium Project.

(b) Use Agreements. The right to enter into, establish, execute, amend, and otherwise deal with contracts and agreements for the use, lease, repair, maintenance or regulation of parking and/or common facilities for the benefit of the Unit Owners and/or the Association.

(c) Easement Rights. The rights to an easement through the Common Elements as may be reasonably necessary for the purpose of discharging Declarant’s obligations arising under this Declaration or the Act.

(d) Other Rights. The right to exercise any Additional Reserved Right created by any other provision of this Declaration.

Section 15.3 Limitations on Special Declarant Rights and Additional Reserved Rights. Unless sooner terminated by an amendment to this Declaration executed by the Declarant, any Special Declarant Right or Additional Reserved Rights may be exercised by the Declarant so long as the Declarant (a) is obligated under any warranty or obligation; (b) owns any Unit; or (c) holds a Security Interest in any Unit(s); provided, however, all Special Declarant Rights and Additional Reserved Rights shall terminate ten (10) years after the date of recording this Declaration. Earlier termination of certain rights may occur pursuant to requirements of the Act.

Section 15.4 Interference with Special Declarant Rights. Neither the Association nor any Unit Owners may take any action or adopt any rule and/or

regulation that will interfere with or diminish any Special Declarant Rights or Additional Reserved Rights without the prior written consent of the Declarant.

Section 15.5 Rights Transferable. Any Special Declarant Rights or Additional Reserved Right created or reserved under this Article 15 for the benefit of Declarant may be transferred to any person by an instrument describing the rights transferred and recorded in the Records. Such instrument shall be executed by the transferor Declarant and the transferee.

ARTICLE 16. INSURANCE

Section 16.1 Coverage. Commencing not later than the first conveyance of a Unit to a purchaser and to the extent reasonably available, the Association shall obtain and maintain insurance coverage as set forth in this Article. If such insurance is not reasonably available, and the Board of Directors determines that any insurance described herein will not be maintained, the Board of Directors shall promptly cause notice of that fact to be hand delivered or sent prepaid by United States mail to all Unit Owners and Eligible First Mortgagees at their respective last known addresses.

(a) Property Insurance. The Association shall maintain property insurance on the Condominium Project for broad form covered causes of loss in amount of insurance not less than the full insurable replacement cost of the insured property less applicable deductibles at the time insurance is purchased and at each renewal date, exclusive of land, excavations, foundations, and other items normally excluded from property insurance policies.

(b) Liability Insurance. The Association shall maintain commercial general liability insurance against claims and liabilities arising in connection with the ownership, existence, use, or management of the Condominium Project, insuring the Board of Directors, the Association, the Managing Agent, and their respective employees, agents and all persons acting as agents. The Declarant shall be included as an additional insured in such Declarant's capacity as a Unit Owner and member of the Board of Directors. Unit Owners and Eligible First Mortgagees shall be included as additional insureds but only for claims and liabilities arising in connection with the ownership, existence, use, or management of the Common Elements or membership in the Association. The insurance shall cover claims of one or more insured parties against the other insured parties.

(c) Fidelity Insurance. The Association shall maintain fidelity insurance on all persons who control or disburse funds of the Association. Coverage shall not be less in the aggregate than two months' current Assessments plus reserves, as calculated from the current budget of the Association. Any person employed as an independent contractor by the Association, including the Managing Agent must obtain and maintain fidelity insurance in like amount for the benefit of the Association unless the Association names such person as an insured employee in the policy of fidelity insurance specified above.

(d) Other Insurance. The Board of Directors may also procure insurance against such additional risks of a type normally carried with respect to properties of comparable character and use that the Board of Directors deems reasonable and necessary in order to protect the Condominium Project, the Association and the Unit Owners.

(e) Unit Owners' Policies. Each Unit Owner may obtain additional insurance at his own cost for his own benefit so long as all such policies shall contain waivers of subrogation and provide further that the liability of the carriers issuing insurance to the Association hereunder shall not be effected or diminished by reason of any such insurance carried by any Unit Owner.

Section 16.2 Required Provisions. All insurance policies carried pursuant to the requirements of this Article 16 must provide that:

(a) each Unit Owner and each Eligible First Mortgagee is an insured person under the policy with respect to liability arising out of such Unit Owner's interest in the Common Elements or membership in the Association;

(b) the insurer waives its rights to subrogation under the policy against any Unit Owner or member of his household;

(c) no act or omission by any Unit Owner or Eligible First Mortgagee, unless acting within the scope of such Unit Owner's authority on behalf of the Association, will void the policy or be a condition to recovery under the policy;

(d) if, at the time of a loss under the policy, there is other insurance in the name of a Unit Owner covering the risks covered by the policy, the Association's policy provides primary insurance;

(e) any loss covered by the policies must be adjusted with the Association;

(f) the insurance proceeds for any loss shall be payable to an insurance trustee designated for that purpose, or otherwise to the Association and not to any holder of a Security Interest;

(g) the insurer shall issue certificates or memoranda of insurance to the Association and, upon request, to any Unit Owner or holder of a Security Interest; and

(h) the insurer issuing the policy may not cancel or refuse to renew it until thirty (30) days after notice of the proposed cancellation or non-renewal has been mailed to the Association and any Unit Owner(s) and holder(s) of Security Interests to whom a certificate or memorandum of insurance has been issued at their respective last known addresses.

Section 16.3 Adjustment of Claims. The Association may adopt and establish written nondiscriminatory policies and procedures relating to the submission of claims, responsibility for deductibles, and any other matters of claims adjustment. To the extent the Association settles a property insurance claim, it shall have the authority to assess negligent Unit Owners causing such loss or benefitting from such repair or restoration all deductibles paid by the Association. In the event more than one Unit is damaged by a loss, the Association in its reasonable discretion may assess each Unit Owner a pro rata share of any deductible paid by the Association.

Section 16.4 Copies of Policies. A copy of each insurance policy obtained by the Association shall be made available for inspection by any Unit Owner or Eligible First Mortgagee at reasonable times.

ARTICLE 17. RESTORATION UPON DAMAGE OR DESTRUCTION

Section 17.1 Duty to Restore. Any portion of the Condominium Project, for which insurance is required under the Act or for which insurance carried by the Association is in effect, that is damaged or destroyed must be repaired or replaced promptly by the Association unless:

(a) the Condominium Project is terminated;

(b) repair or replacement would be illegal under a state statute or municipal ordinance governing health or safety;

(c) seventy-five percent (75%) of the Unit Owners, including every Owner of a Unit or assigned Limited Common Element that will not be rebuilt, vote not to rebuild; or

(d) prior to the conveyance of any Unit to a purchaser, the holder of a Security Interest on the damaged portion of the Condominium Project rightfully demands all or a substantial part of the insurance proceeds.

In the event the Condominium Project is not repaired or replaced as allowed by Subparagraphs (a), (b) and (c) above, then the Real Estate in the Condominium Project shall be sold and the proceeds distributed pursuant to the procedures provided for in the Act for termination of condominium projects.

Section 17.2 Cost. The cost of repair or replacement in excess of insurance proceeds and reserves is a Common Expense.

Section 17.3 Plans. The Property must be repaired and restored in accordance with either the original plans and specifications or other plans and specifications which have been approved by the Board of Directors and a Majority of Owners.

Section 17.4 Replacement of Less Than Entire Property. If the entire Condominium Project is not repaired or replaced, the insurance proceeds attributable to the damaged Common Elements shall be used to restore the damaged area to a condition compatible with the remainder of the Condominium Project and, except to the extent that other persons will be distributees:

(a) the insurance proceeds attributable to a Unit and Limited Common Elements that are not rebuilt must be distributed to the Unit Owner of the Unit and the Unit Owner of the Unit to which the Limited Common Elements were allocated, or to holders of Security Interests, as their interests may appear;

(b) the remainder of the proceeds must be distributed to each Unit Owner or holders of Security Interests, as their interests may appear, in proportion to the Allocated Interests in the Common Elements of all the Units; and

(c) if the Unit Owners vote not to rebuild a Unit, the Allocated Interests of the Unit are reallocated upon the vote as if the Unit had been condemned, and the Association promptly shall prepare, execute and record an amendment to this Declaration reflecting the reallocations.

Section 17.5 Insurance Proceeds. The insurance trustee, or if there is no insurance trustee, then the Board of Directors, acting by the President, shall hold any insurance proceeds in trust for the Association, Unit Owners and holders of Security Interests as their interest may appear. Subject to the provisions of the Sections above, the proceeds shall be disbursed first for the repair or restoration of the damaged Property, and the Association, Unit Owners and holders of Security Interests are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the Property has been completely repaired or restored, or the Condominium Project is terminated, in which event the surplus proceeds will be distributed as provided in this Declaration.

Section 17.6 Certificates by the Board of Directors. The insurance trustee, if any, may rely on the following certifications in writing made by the Board of Directors:

(a) whether or not damaged or destroyed Property is to be repaired or restored; and

(b) the amount or amounts to be paid for repairs or restoration and the names and addresses of the parties to whom such amounts are to be paid.

Section 17.7 Certificates by Attorneys or Title insurance Companies. If payments are to be made to Unit Owners or holders of Security Interests, the Board of Directors, and the insurance trustee, if any, shall obtain and may rely on a title insurance company or attorney's certificate of title or a title insurance policy based on a search of the Records from the date of recording of this Declaration stating the names of the Unit Owners and the holders of Security Interest.

ARTICLE 18. CONDEMNATION

If all or part of the Condominium Project is taken by any power having the authority of eminent domain, all compensation and damages for and on account of the taking shall be payable in accordance with the provisions on eminent domain in the Act.

ARTICLE 19. MORTGAGEE PROTECTIONS

Section 19.1 Introduction. This Article 19 establishes certain standards and covenants which are for the benefit of First Mortgagees. This Article 19 is supplemental to, and not in substitution for, any other provisions of this Declaration, but in the case of any conflict, this Article shall control.

Section 19.2 Percentage of First Mortgagees. Unless specifically provided otherwise, wherever in this Declaration the approval or consent of a specified percentage of Eligible First Mortgagees is required, it shall mean the approval or consent of sixty-seven percent (67%) of Eligible First Mortgagees. Each Eligible First Mortgagee shall be entitled to one vote for each Security Interest held by such Eligible First Mortgagee.

Section 19.3 Notice of Actions. If requested in writing to do so, the Association shall give prompt written notice of the following to each Eligible First Mortgagee making such request:

(a) any condemnation loss or any casualty loss which affects a material portion of the Common Elements or any Unit in which an interest is held by the Eligible First Mortgagee;

(b) any delinquency in the payment of Assessments which remains uncured for sixty (60) days by a Unit Owner whose Unit is encumbered by a Security Interest held by such Eligible First Mortgagee;

(c) any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Association;

(d) any proposed action which would require the consent of Eligible First Mortgagees as set forth in this Article;

(e) any judgment rendered against the Association; and

(f) a copy of any financial statement of the Association.

Section 19.4 Consent Required. The Association may not take any of the following actions, except as such rights have been specifically reserved by Declarant under the provisions of this Declaration, without the consent of sixty-seven percent (67%) of the Eligible First Mortgagees:

(a) sale, conveyance or encumbrance of the Common Elements (provided, however, that the granting of easements for public utilities, for construction and maintenance of roads within the Condominium Project, or for other purposes provided for in this Declaration will not be deemed a transfer within the meaning of this clause);

(b) restoration or repair of the Condominium Project (after hazard damage or partial condemnation) in a manner other than that specified in this Declaration;

(c) termination of this Declaration for reasons other than substantial destruction or condemnation, subject to the approval percentages required for such termination;

(d) merger of the Condominium Project with any other common interest community; or

(e) any action not to repair or to replace the Common Elements except as permitted in this Declaration.

Section 19.5 Notice of Objection. Unless an Eligible First Mortgagee provides the Secretary of the Association with written notice of its objection, if any, to any proposed amendment or action requiring the approval of Eligible First Mortgagees within thirty (30) days following the receipt of notice of such proposed amendment or action, the Eligible First Mortgagee will be deemed conclusively to have consented to or approved the proposed amendment or action.

Section 19.6 First Mortgagees' Rights.

(a) Advances. First Mortgagees, jointly or singly, may pay taxes or other charges which are in default and which may or have become a charge against any of the Common Elements or improvements thereon, and may pay overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy, for the Common Elements. First Mortgagees making such payments shall be owed immediate reimbursement from the Association.

(b) Cure Rights. First Mortgagees shall be entitled to cure any delinquency of the Unit Owner encumbered by a First Mortgage in the payment of Assessments. In that event, the First Mortgagee shall be entitled to obtain a release from the lien imposed or perfected by reason of such delinquency.

(c) Priority. No provision of the Condominium Project documents gives a Condominium Unit Owner or any other party priority over any rights of the First Mortgagee of the Condominium Unit pursuant to its mortgage in the case of payment to the Unit Owner of insurance proceeds or condemnation awards for losses to or a taking of Condominium Units and/or Common Elements.

Section 19.7 Limitations on First Mortgagee's Rights. No requirement for approval or consent by a First Mortgagee provided in this Article 19 shall operate to:

(a) deny or delegate control over the general administrative affairs of the Association by the Unit Owners or the Board of Directors;

(b) prevent the Association or Board of Directors from commencing, intervening and/or settling any legal proceeding; or

(c) prevent any insurance trustee or the Association from receiving and distributing any insurance proceeds in accordance with the requirements of Article 18 entitled "Restoration Upon Damage or Destruction".

Section 19.8 Special Declarant Rights. No provision or requirement of this Article 19 entitled "Mortgagee Protections" shall apply to any Special Declarant Rights reserved to Declarant in this Declaration.

ARTICLE 20. DURATION OF COVENANTS; AMENDMENT AND TERMINATION

Section 20.1 Term. This Declaration and any amendments or supplements to it shall remain in effect from the date of recordation for a period of fifty (50) years. Thereafter, this Declaration shall be automatically extended for successive periods of ten (10) years each, unless otherwise terminated or modified as provided in this Article.

Section 20.2 Amendment of Declaration. Except to the extent that this Declaration and the Act expressly permit or require amendments that may be executed by the Declarant or by the Association, this Declaration (including the Map) may be amended only by a vote or agreement of Unit Owners to which more than sixty-seven percent (67%) of the votes in the Association are allocated.

Section 20.3 Execution of Amendments; Expenses. Any amendment shall be prepared, executed and recorded either by the Declarant or by an officer of the Association designated for that purpose or, in the absence of a designation, by the President of the Association. All expenses associated with preparing and recording an amendment to this Declaration shall be the sole responsibility of: (a) any Unit Owners desiring an amendment as provided for in this Declaration or the Act; (b) the Declarant, to the extent the right to amend this

Declaration is reserved to the Declarant and exercised by the Declarant; or (c) in all other cases by the Association as a Common Expense.

Section 20.4 When Modifications Permitted. Notwithstanding the provisions of Section 20.2 above, no amendment or termination of this Declaration shall be effective in any event during the Period of Declarant Control, unless the written approval of Declarant is first obtained.

Section 20.5 Recording of Amendments. Any amendment to this Declaration made in accordance with this Article 20 shall be immediately effective upon the recording of the executed amendment in the Records together with a duly authenticated certificate of the Declarant or the Secretary of the Association stating that the required vote of Unit Owners, if any, and required consents of First Mortgagees (and/or Eligible First Mortgagee, as applicable) were obtained and are on file in the office of the Association. The amendment must be indexed in the grantee's index in the name of the Condominium Project and the Association and in the grantor's index in the name of each person or entity executing the Amendment.

Section 20.6 Rights of Eligible First Mortgagees. To the extent allowed by the Act, Eligible First Mortgagees shall have the rights to approve specified action of the Unit Owners or the Association as a condition to the effectiveness of those actions as provided in Article 19 entitled "Mortgagee Protections".

Section 20.7 Termination of the Condominium Project. The Condominium Project may only be terminated as provided in the Act.

ARTICLE 21. MISCELLANEOUS

Section 21.1 Enforcement. Enforcement of the covenants, conditions, restrictions, easements, reservations, rights-of-way, and other provisions contained in this Declaration and the other Condominium Documents shall be through any proceedings at law or in equity brought by any aggrieved Unit Owner, the Association, or Declarant against the Association or any Unit Owner. Such actions may seek remedy by injunction or restraint of a violation or attempted violation, or an action for damages, or any of them, without the necessity of making an election.

Section 21.2 Notices. All notices, demands, or other communications required or permitted to be given hereunder shall be in writing, and any and all such items shall be deemed to have been duly delivered upon personal delivery; upon actual receipt, in the case of notices forwarded by certified mail, return receipt requested, postage prepaid; as of 12:00 Noon on the immediately

following business day after deposit with Federal Express or a similar overnight courier service; or as of the third business hour (a business hour being one of the hours from 8:00 a.m. to 5:00 p.m. on business days) after transmitting by telecopier. Notices by email shall be valid only if all parties to the communication have consented to notice by email.

Section 21.3 Nonwaiver. Failure by Declarant, the Association, or any Unit Owner or Eligible First Mortgagee to enforce any covenant, condition, restriction, easement, reservation, right-of-way, or other provision contained in the Condominium Documents shall in no way or event be deemed to be a waiver of the right to do so thereafter.

Section 21.4 Severability. The provisions of this Declaration shall be deemed to be independent and severable, and the invalidity of any one or more of the provisions of it by judgment or court order or decree shall in no way affect the validity or enforceability of any of the other provisions, which provisions shall remain in full force and effect. Any provision which would violate the rule against perpetuities and the rule prohibiting unlawful restraints on alienation shall be construed in a manner as to make this Declaration valid and enforceable.

Section 21.5 Number and Gender. Unless the context provides or requires to the contrary, the use of the singular herein shall include the plural, the use of the plural shall include the singular, and the use of any gender shall include all genders.

Section 21.6 Captions. OWNER/APPLICANT INFORMATION	
Name:	Main Street Realty Partners, LLC
Phone:	208 726 9776
Email:	dwilson@wilsonconstructions.com
Mailing Address:	P.O. Box 6770 Ketchum, ID 83340
Legal Description:	Ketchum Lot 3 & 4, Block 5 / 460 N. Main Street
Zoning District:	Community Core (CC)
Overlay District:	Retail Core Subdistrict (CC-1)
ADDITIONAL INFORMATION	
Requirement(s) of the Zoning Code Title 17 to be Varied: 17.12.040 - Dimensional standards, CC district matrix. - 3' set-back adjacent to alley way.	
Please state the undue hardship you believe would result from the strict enforcement of this requirement: Strict enforcement of this requirement would create an undue hardship of limiting accessible pedestrian access to the property and proposed development from the alley public right-of-way as is provided for other properties within the City. Due to the existing conditions of the public alleyway, a variance is required to encroach into the 3-foot setback with an accessible walkway route that complies with the requirements of the Fair Housing Accessible Guidelines.	
Please state the unique characteristics of the site, i.e. unique size, shape, topography or location of the property: Much of the public alleyway is unimproved to provide vehicle, service and pedestrian access. Nearly half of the alley adjacent to the subject property is consumed with existing Idaho Power transformers and other public utilities, both underground and aboveground. There are several existing site retaining walls and there is a grade difference of approximately 9 vertical feet within the alley between 5th Street and the east corner of the subject property adjacent to the alleyway.	
Note: The criteria for granting a variance are listed on the reverse side of this application form.	

Applicant agrees in the event of a dispute concerning the interpretation or enforcement of the Subdivision Application in which the City of Ketchum is the prevailing party to pay reasonable attorney's fees and costs, including fees and costs of appeal for the City of Ketchum. Applicant agrees to observe all City ordinances, laws and conditions imposed. Applicant agrees to defend, hold harmless and indemnify the City of Ketchum, city officials, agents and employees from and for any and all losses, claims, actions, judgments for damages, or injury to persons or property, and losses and expenses caused or incurred by Applicant, its servants, agents, employees, guests and business invitees and not caused by or arising out of the tortious conduct of city or its officials, agents or employees. Applicant certifies that s/he has read and examined this application and that all information contained herein is true and correct.
