### CITY COUNCIL MEETING AGENDA MEMO

Meeting Date:  Staff Member/Dept:

Agenda Item:

**Recommended Motion:**

**Reasons for Recommendation:**

- ITD has approach staff with a desire for the City of Ketchum to manage the execution of the Hwy 75 rehabilitation project.
- ITD is currently drafting up an agreement that will reuse the language previously agreed upon for the City's management of the Main St section of Hwy75
- Staff has illustrated in previous years, Main St Reconstruction, that leading the project provides a direct conduit for the Ketchum community and council to the project team. This provides them a effective way to provide input on the City's infrastructure as well as staying informed on the timing and progress of the construction.
- Staff looks to continue a healthy partnership with ITD and, on their behalf, execute a project that our City can be proud of.
