Subject: Sawtooth Serenade

Dear Ketchum Planning and Zoning,

I am writing to express my support for the proposed Sawtooth Serenade project located at 260 N 1st Ave, Ketchum. I am a property owner at 360 N 1st Ave and am obviously concerned with any development in the area. The Sawtooth Serenade project is an aesthetically pleasing project and will certainly enhance the neighborhood.

Please approve the Sawtooth Serenade project as proposed.

Thank you

Sincerely

John Shetron

Dear City Council, KURA, P and Z,

I am happy to see that you are looking at other options for workforce housing other than the Washington St. lot. I have always believed that the Lift Tower Lodge was the appropriate place to do this. It's a win win in my opinion.

Pat Higgins
