Mayor Bradshaw and City Councilors
City of Ketchum
Ketchum, Idaho

Mayor Bradshaw and City Councilors:

Recommendation To Approve Purchase Order #23006 for \$12,215 for a Respirator Fit Tester

Recommendation and Summary

Staff is recommending the council Adopt the following Resolution:

"I move to approve purchase order #23006 in the amount of \$12,215 and authorize the Mayor to sign said purchase order."

The reasons for the recommendation are as follows:

- The city does not own a fit tester. In the past, a vendor was available to provide respirator fit testing, but that ended several years ago.
- The fire department has received a FEMA grant for \$11,428.57. The fire department share will be \$786.43.

Introduction and History

The Fire Department routinely uses Self Contained Breathing Apparatus (SCBA) in IDLH (Immediately Dangerous to Life and Health) environments. OSHA mandates that any respirator used in these environments be tested for adequate fit. In the past, the fire department used a third-party tester. That service is no longer available.

The fire department applied for and received a FEMA grant for a fit tester. The grant covers 95% of the first \$12,000 of the cost.

Analysis

Three bids were received, from MES Fire, Seawestern and TSI Analytics. The lowest bid was from MES fire. The bid includes the tester, adapters and a 3 year calibration service and warranty.

Pricing is

Sustainability Impact

No impact.

Financial Impact

The City share of \$786.43 can be paid from the fire department PPE budget.
