RECOMMENDATION TO ESTABLISH KURA SUBCOMMITTEE TO REVIEW FIRST AND WASHINGTON PLANS

Introduction/History

After adoption of the Development and Disposition Agreement, staff and the development team established weekly meetings to maintain the project schedule and address any outstanding issues.

The project team requested KURA establish a subcommittee to review and provide direction on design plans to ensure the project design is on the right track before plans are submitted formally for KURA approval. The subcommittee would consist of no more than three KURA members.

Recommendation and Motion

Staff recommends the Board approve the following motion:

“I move to appoint (provide names) to serve as the KURA subcommittee to review and provide comments on the design and plan preparation for First and Washington.”
