

## City of Ketchum

March 15, 2021

Mayor Bradshaw and City Councilors  
City of Ketchum  
Ketchum, Idaho

Mayor Bradshaw and City Councilors:

### **Recommendation to Approve Purchase Order with Ferguson Water Works of Meridian Idaho for Water Meters and Meter Vaults for KSW Phase 4 Project.**

#### Recommendation and Summary

Staff is recommending the council approve purchase order #25590 with Ferguson Water Works for water meters, meter vaults, and valves needed for Phase 4 of the KSW conversion and adopt the following motion:

Provide specific language for the council motion.

I recommend Council approve the purchase order #25590 with Ferguson Water Works of Meridian Idaho in the not to exceed amount of \$ 64,187.00 for the purchase of water meters, vaults, and valves for the Phase 4 Ketchum Spring Water System conversion work.

The reasons for the recommendation are as follows:

- These meters and vaults were specified to be supplied by Ketchum in contract # 20585 Phase 4 of the KSW conversion.
- This P.O. has a 10% contingency on a base bid of \$58,351.77

#### Introduction and History

This is the fourth and final phase of our project to abandon the old Ketchum Springs Water system project. Upon completion of this project Ketchum will be a fully metered system.

#### Analysis

These meters and vaults are City supplied per contract # 20585. This is standard in all our KSW contracts.

#### Sustainability

The recommended action will further the goals of the 2020 Ketchum Sustainability Action Plan in the following ways:

- This continues to move Ketchum to a fully metered system
- Since phase III was completed in October, we are not producing an average 11 million gallons per month.
- Water not produced represents over \$15,000 annually in power savings.

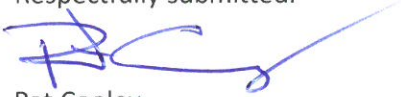

#### Financial Impact

This is a planned expense and will be drawn from the Water Division FY 20-21 budget.
