Mayor Bradshaw and City Councilors
City of Ketchum
Ketchum, Idaho

Mayor Bradshaw and City Councilors:

Recommendation to approve Right-of-Way Encroachment Agreement 20619 for placement of pavers and snowmelt in the City Right-of-Way at 235 Bigwood Drive.

Recommendation and Summary

Staff is recommending Council approve the attached Encroachment Agreement and adopt the following motion:

"I move to authorize the Mayor to sign Encroachment Agreement 20619 with Lowell Bengoechea."

The reasons for the recommendation are as follows:

- The improvements will not impact the use or operation of the residential street
- The improvements will not impact drainage within the City ROW

Introduction and History

Craig Maxwell submitted a Right-of-Way Encroachment Permit application on behalf Lowell Bengoechea for a paver driveway and subsurface snowmelt within the City's Right-of-Way at 235 Bigwood Drive.

Right-of-Way standards were developed to achieve goals of drainage, parking, snow storage, access for emergency vehicles, and provide materials that can be reasonably maintained by the city. Pavers and snowmelt systems are not maintained by the City but may be approved through an encroachment agreement.

City code requires a right-of-way encroachment permit for any permanent encroachment in the public right-of-way. These agreements are intended to help protect the City in the event the proposed encroachments were to ever pose an issue requiring repair, relocation, or removal of the encroachment.

Analysis

The proposed encroachments were determined not to impact public access or city operations.

Financial Impact

There is no financial impact resulting from approval of this encroachment agreement.
