Mayor Bradshaw and City Councilors:

Recommendation to approve the Sun Valley & First Condominiums Subdivision Final Plat

Recommendation and Summary

Staff recommends the City Council approve the Final Plat for the Sun Valley & First Condominiums.

Recommended motion: "I move to approve the Sun Valley & First Condominiums Final Plat application, subject to conditions of approval 1-6."

The reasons for the recommendation are as follows:

- The request to subdivide meets all applicable standards for Condominium Final Plats contained in Ketchum Municipal Code's Subdivision (Title 16) and Zoning (Title 17) regulations.
- The Planning and Zoning Commission held a public hearing and unanimously recommended approval of the condominium subdivision preliminary plat (P20-091) to the City Council on November 10th, 2020. The preliminary plat for the project was approved by the City Council on November 16th, 2020.
- All improvements required for the project are complete. Prior to issuance of a Certificate of Occupancy for the project, City Departments conducted final inspections to ensure compliance with all conditions and requirements of the associated Design Review, Exceedance Agreement, Building Permit, and Preliminary Plat approvals.

Analysis

The Sun Valley and First Condominiums project is a new mixed-use development located at the northwest corner of Sun Valley Road and N 1st Avenue within the Mixed-Use Subdistrict of the Community Core (CC-2). The Planning and Zoning Commission approved Design Review for the project in 2019 (P19-083). The development is a remodel and 6,550-square-foot addition to an existing building located at 311 N 1st Avenue, commonly referred to as the Old Post Office building. The second-floor addition is comprised of two new residential condominium units. The remodeled first floor accommodates three commercial units and two community housing units. A building permit (B19-115) for the project was issued on December 30th, 2019. The Final Plat will create two community housing units and three commercial condominiums on the first floor, two residential condominiums on the second floor, and common area.

Financial Impact

Recording the Final Plat signals to the Blaine County Assessor that the individual condominium units have been created and can be taxed as separate properties and added to the tax rolls.

The Sun Valley and First Condominiums project is a new mixed-use development located at the northwest corner of Sun Valley Road and N 1st Avenue within the Mixed-Use Subdistrict of the Community Core (CC-2). The Planning and Zoning Commission approved Design Review for the project in 2019 (P19-083). Findings Regarding City Department Comments

All City Department standards as well as required right-of-way improvements were reviewed through the Design Review and Building Permit processes. Prior to issuance of a Certificate of Occupancy City Departments conducted final inspections to ensure compliance with all conditions and requirements of the associated Design Review, Exceedance Agreement, Building Permit, and Preliminary Plat approvals.

Findings Regarding Condominium Subdivision Procedure (Ketchum Municipal Code §16.04.070)

All land subdivisions in the City of Ketchum are subject to the standards contained in Ketchum, Municipal Code, Title 16, Subdivision. Many standards are related to the design and construction of multiple new lots that will form new blocks and infrastructure, such as streets that will be dedicated to and maintained by the City. The standards for certain improvements (KMC §16.04.040), including street planting strip improvements, are not applicable to the subject project as the application proposes to subdivide a mixed-use building into condominium units. As conditioned, the request to subdivide meets all applicable standards for Condominiums Preliminary Plats contained in Ketchum Municipal Code’s Subdivision (Title 16) and Zoning (Title 17) regulations. The Condominium Subdivision does not change the combination and residential uses or alter the proposed development as reviewed and approved through Design Review P19-083 and Building Permit B19-115.

The first step in the condominium platting process is preliminary plat review. The Planning and Zoning Commission held a public hearing and unanimously recommended approval of the condominium subdivision preliminary plat (P20-091) to the City Council on November 10th, 2020. The preliminary plat for the project was approved by the City Council on November 16th, 2020.

Section 2.38 "Unit" means a physical portion of the Condominium Project which is designated for separate ownership or occupancy and the boundaries of which are described in or determined by this Declaration. Each Unit shall be designated by a separate number, letter, address or other symbol or combination thereof that identifies only one Unit in the Condominium Project as more specifically set forth on Exhibit B. If walls, floors or ceilings are designated as

ARTICLE 3. DIVISION OF PROJECT INTO CONDOMINIUM OWNERSHIP

Section 3.1 Division Into Condominium Units. The Property is hereby divided into that number of Condominium Units described in Exhibit "B", as amended from time to time, including separately designated Commercial Unit(s), each consisting of a fee simple interest in a Unit and an undivided fee simple interest in the Common Elements in accordance with the respective undivided interests in the Common Elements as set forth in Exhibit B. Such undivided interests in the Common Elements are hereby declared to be appurtenant to the respective Units. The total of the undivided interests in the Common Elements set forth in Exhibit B, rounded to the nearest 1%, shall be deemed to equal one hundred percent (100%) for purposes of this Declaration.

Section 3.2 Delineation of Unit Boundaries. The boundaries of each Unit are delineated and designated by an identifying number on the Map, and those numbers are set forth in Exhibit B.

Section 3.3 Inseparability of Condominium Unit. Except as provided in Section 3.5 below: (a) no part of a Condominium Unit or of the legal rights comprising ownership of a Condominium Unit may be partitioned or separated from any other part thereof during the period of condominium ownership prescribed in this Declaration; (b) each Condominium Unit shall always be conveyed, transferred, devised, bequeathed, encumbered, and otherwise affected only as a complete Condominium Unit; and (c) every conveyance, transfer, gift, devise, bequest, encumbrance other disposition of a Condominium Unit or any part thereof shall be presumed to be a disposition of the entire Condominium Unit, together with all appurtenant rights and interests created by law or by this Declaration, including the Unit Owner's membership in the Association.

Section 3.4 Non-Partitionability of Common Elements. The Common Elements shall be owned in common by all of the Unit Owners and shall remain physically undivided, and no Unit Owner shall bring any action for partition or division of the Common Elements. By acceptance of a deed or other instrument of conveyance or assignment to a Unit, each Unit Owner shall be deemed to have specifically waived such Unit Owner's right to institute or maintain a partition action or any other cause of action designed to cause a division of the Common Elements, and this Section may be pleaded as a bar to the maintenance of such an action. Any Unit Owner who shall institute or maintain any such action shall be liable to the Association and hereby agrees to reimburse the Association for the Costs of Enforcement in defending any such action.

Section 3.5 Alterations and Relocation of Boundaries Between Adjoining Units. Unit Owner(s) shall have the right to alter their Units and relocate boundaries between their Unit and an adjoining Unit and reallocate Limited Common Elements between or among Units, subject to the provisions and requirements of this Declaration and of the Act.

ARTICLE 4. ALLOCATED INTERESTS

Section 4.1 Allocation of Interests. The Allocated Interests assigned to each Unit are set forth on Exhibit B. These interests have been allocated in accordance with the formulas set out in Section 4.2 below. These formulas are to be used in reallocating interests if Units are added to the Condominium Project or if Units are converted to Common Elements or Limited Common Elements.

Section 4.2 Formulas for the Allocation of Interests. The interests allocated to each Unit have been calculated by the following formulas:

(a) Undivided Interest in the Common Elements. The percentage of the undivided interest in the Common Elements allocated to each Unit is based upon the relative floor area of each Unit as compared to the floor area of all Units in the Condominium Project.

(b) Common Expenses Liability. The percentage of Common Expenses Liability allocated to each Unit is based on the relative floor area of each Unit as compared to the floor area of all Units in the Condominium Project.

(c) Votes. Each Unit shall be allocated a single vote as set forth on Exhibit B.

Section 4.3 Rounding Convention. Any Allocated Interest, stated as a fraction, shall be rounded to the nearest one percent (1%). The total of all Allocated Interests shall be deemed to equal to one hundred percent (100%) for purposes of this Declaration.

ARTICLE 5. CONDOMINIUM MAP

The Map shall be filed in the Records. Any Map filed subsequent to the first Map shall be termed a supplement to such Map, and the numerical sequence of such supplements shall be shown thereon. The Map shall be filed following substantial completion of the Improvement(s) depicted on the Map and prior to the conveyance of any Unit depicted on the Map to a purchaser. The Map shall include a Plat which shows the following:

- (a) the name and a general schematic map of the entire Condominium Project;
- (b) the extent of any existing encroachments across any Condominium Project boundary; and
- (c) to the extent feasible, a legally sufficient description of all easements serving or burdening any portion of the Condominium Project.

The Map shall also show the following:

- (a) the location and dimensions of each Unit and that Unit's identifying number;
- (b) horizontal Unit boundaries, if any, with reference to all established data and that Unit's identifying number; and
- (c) the approximate location and dimensions of all Limited Common Elements.

The Map shall contain a certificate of a registered and licensed surveyor certifying that the Map was prepared subsequent to the substantial completion of the improvements and contains all information required by this Declaration and the Act. Each supplement shall set forth a like certificate when appropriate. In interpreting the Map, the existing physical boundaries of each separate Unit as constructed shall be conclusively presumed to be its boundaries.

ARTICLE 6. LEGAL DESCRIPTION AND TAXATION OF UNITS

Section 6.1 Contracts to Convey Entered into Prior to Recording of Condominium Declaration and Map. A contract or other agreement for the sale of a Unit entered into prior to the filing of this Declaration in the Records may legally describe such Unit in substantially the manner set forth in this Article 6 and may indicate that this Declaration and Map are to be recorded.

Section 6.2 Contracts to Convey and Conveyances Subsequent to Recording of Declaration and Map. Subsequent to the recording of the Declaration and Map, contracts to convey, instruments of conveyance of Units, and every other instrument affecting title to a Unit shall be in substantially the following form with such omissions, insertions, recitals of fact, or other provisions as may be required by the circumstances or appropriate to conform to the requirements of any governmental authority, practice or usage or requirement of law with respect thereto:

(Condominium) (Commercial) Unit _____, according to the Condominium Declaration for Sun Valley & First Building, recorded _____, 2020, as (Instrument No. _____) and the Condominium Map recorded _____, 2020, as (Instrument No. _____) in the office of the Recorder of Blaine County, Idaho.

Section 6.3 Conveyance Deemed to Describe an Undivided Interest in Common Elements. Every instrument of conveyance, Security Interest, or other instrument affecting the title to a Unit which legally describes the Unit substantially in the manner set forth above shall be construed to describe the Unit, together with the undivided interest in the Common Elements appurtenant to it, and together with all fixtures and improvements contained in it, and to incorporate all the rights incident to ownership of a Unit and all the limitations of ownership as described in the covenants, conditions, restrictions, easements, reservations, rights-of-way, and other provisions contained in this Declaration, including the easement of enjoyment to use the Common Elements.

Section 6.4 Separate Tax Assessments. Upon the filing for record of this Declaration and the Map in the Records, Declarant shall deliver a copy of this Declaration to the assessor of each county specified in the Records as provided by law. The lien for taxes assessed shall be confined to the Unit(s). No forfeiture or sale of any Unit for delinquent taxes, assessments, or other governmental charge shall divest or in any way affect the title to any other Unit.

ARTICLE 7. UNIT OWNERS' PROPERTY RIGHTS IN COMMON ELEMENTS

Section 7.1 Common Elements. Every Unit Owner shall have a perpetual right and easement of access over, across, and upon the Common Elements for the purpose of access to and from the Unit from public ways for both pedestrian and vehicular travel, which right and easement shall be appurtenant to and pass with the transfer of title to such Unit; provided, however, that such right and easement shall be subject to the following:

(a) the covenants, conditions, restrictions, easements, reservations, rights-of-way, and other provisions contained in this Declaration, and the Map;

(b) the right of the Association from time to time to assign on an equitable basis portions of the Common Elements such as parking spaces or storage spaces for the exclusive use of the Unit Owner of a particular Unit by an appropriate instrument in writing;

(c) the right of the Association to adopt, from time to time, any and all rules and regulations concerning vehicular traffic and travel upon, in, under, and across the Condominium Project; and

(d) the right of the Association to adopt, from time to time, any and all rules and regulations concerning the Condominium Project as the Association may determine is necessary or prudent for the management, preservation, safety, control, and orderly operation of the Condominium Project for the benefit of all Unit Owners, and for facilitating the greatest and most convenient availability and use of the Units and Common Elements by Unit Owners.

Section 7.2 Limited Common Elements. Subject to the provisions of this Declaration, every Unit Owner shall have the right to use and enjoy the Limited Common Elements appurtenant to his Unit, and such Limited Common Elements shall be conveyed along with title to the Unit.

ARTICLE 8. MEMBERSHIP AND VOTING RIGHTS IN ASSOCIATIONS

Section 8.1 Association Membership. The Association's Articles of Incorporation shall be filed no later than the date the first interest in a Unit in the Condominium Project is conveyed to a purchaser. Every Unit Owner shall be a member of the Association and shall remain a member for the period of the Unit

Owner's ownership of a Unit. No Unit Owner, whether one or more persons or entity, shall have more than one membership per Unit owned, but all of the persons or entities owning a Unit shall be entitled to rights of membership and of use and enjoyment appurtenant to ownership of a Unit. Membership in the Association shall be appurtenant to, and may not be separated from, ownership of a Unit. If title to a Unit is held by more than one individual, by a firm, corporation, partnership, association or other legal entity or any combination thereof, such individuals, entity or entities shall appoint and authorize one person or alternate persons to represent the Unit Owners of the Unit. Such representative shall be a natural person who is a Unit Owner, or a designated board member or officer of a corporate Unit Owner, or a general partner of a partnership Unit Owner, or a comparable representative of any other entity, and such representative shall have the power to cast votes on behalf of the Unit Owners as a member of the Association, and serve on the Board of Directors if elected, subject to the provisions of and in accordance with the procedures more fully described in the Bylaws of the Association. Notwithstanding the foregoing, if only one of the multiple Unit Owners of a Unit is present at a meeting of the Association, such Unit Owner is entitled to cast the vote allocated to that Unit. If more than one of the multiple Unit Owners are present and there is no written designation of an authorized representative, the vote allocated to that Unit may be cast only in accordance with the agreement of a majority in interest of the Unit Owners, which majority agreement may be assumed for all purposes if any one of the multiple Unit Owners casts the vote allocated to that Unit without protest being made promptly to the person presiding over the meeting by any of the other Unit Owners of the Unit.

Section 8.2 Voting Rights and Meetings. Each Unit in the Condominium Project shall have the votes allocated in Section 4.2; provided, however, no vote allocated to a Unit owned by the Association may be cast. Class voting by Commercial Unit Owner(s) or Residential Unit Owner(s), or combinations thereof, shall be allowed on issues specified in Section 8.10. A meeting of the Association shall be held at least once each year. Special meetings of the Association may be called by the President, by a majority of the Board of Directors, or by Unit Owners having fifty percent (50%), or any lower percentage specified in the Bylaws, of the votes in the Association. Not less than ten (10) and no more than fifty (50) days in advance of any meeting, the Secretary or other officer specified in the Bylaws shall cause notice to be hand delivered or sent prepaid by United States Mail to the mailing address of each Unit Owner. The notice of any meeting must state the time and place of the meeting and the items on the agenda including the general nature of any proposed amendment to this Declaration or Bylaws, any budget changes, and any proposal to remove an officer or member of the Board of Directors. Unless the Bylaws provide for a

lower percentage, a quorum is deemed present throughout any meeting of the Association if persons entitled to cast fifty percent (50%) of the votes which may be cast for election of the Board of Directors are present, in person or by proxy, at the beginning of the meeting.

Section 8.3 Meeting to Approve Annual Budget. At the annual meeting of the Association or at a special meeting of the Association called for such purpose, the Unit Owners shall be afforded the opportunity to ratify a budget of the projected revenues, expenditures (both ordinary and capital) and reserves for the Association's next fiscal year as proposed by the Board of Directors. A summary of the proposed budget approved by the Board of Directors shall be mailed to the Unit Owners within thirty (30) days after its adoption along with a notice of a meeting of the Association to be held not less than ten (10) nor more than fifty (50) days after mailing of the summary to the Unit Owners. Unless at the meeting a Majority of Owners, rather than a majority of those present and voting in person or by proxy, reject the proposed budget, the budget is ratified whether or not a quorum is present at the meeting. In the event the proposed budget is rejected, the budget last ratified by the Unit Owners continues until such time as the Unit Owners ratify a subsequent budget proposed by the Board of Directors as provided above.

Section 8.4 Unit Owners' and Association's Addresses for Notices. All Unit Owners of each Unit shall have one and the same registered mailing address to be used by the Association or other Unit Owners for notices, demands, and all other communications regarding Association matters. The Unit Owner or the representative of the Unit Owners of a Unit shall furnish such registered address to the secretary of the Association within ten days after transfer of title to the Unit to such Unit Owner or Unit Owners. Said address may be an electronic or email address, in which case the Unit Owner consents to notice by email at that address. Such registration shall be in written form and signed by all of the Unit Owners of the Unit or by such persons as are authorized to represent the interests of all Unit Owners of the Unit. If no address is registered or if all of the Unit Owners cannot agree, then the address of the Unit shall be deemed their registered address until another registered address is furnished as required under this Section 8.4. If the address of the Unit is the registered address of the Unit Owner(s), then any notice shall be deemed duly given if delivered to any person occupying the Unit or, if the Unit is unoccupied, if the notice is held and available for the Unit Owners at the principal office of the Association. All notices and demands intended to be served upon the Board of Directors shall be sent to the Condominium Project or such other address as the Board of Directors may designate from time to time by notice to the Unit Owner(s).

Section 8.5 Transfer Information. All Persons who acquire Unit(s) other than from Declarant shall provide to the Association written notice of the Person's name, address, Unit owned, date of transfer, and name of the former Unit Owner within ten (10) days of the date of transfer. The Person shall also provide a true and correct copy of the recorded instrument conveying or transferring the Unit or such other evidence of the conveyance or transfer as is reasonably acceptable to the Association. In addition, the Association may request such other information as the Association determines is necessary or desirable in connection with obtaining and maintaining information regarding conveyances and transfers of Units. The Association or Managing Agent shall have the right to charge the Person a reasonable administrative fee for processing the transfer in the records of the Association.

Section 8.6 Declarant Control of the Association. There shall be a Period of Declarant Control of the Association, during which a Declarant, or persons designated by the Declarant, may appoint and remove the officers and members of the Board of Directors. The Period of Declarant Control shall commence upon filing of the Articles of Incorporation of the Association and shall terminate no later than the earlier of:

- (a) sixty (60) days after conveyance of the _____ Unit to Unit Owners other than a Declarant; or
- (b) two (2) years after Declarant's last conveyance of a Unit in the ordinary course of business.

Declarant may voluntarily surrender the right to appoint and remove officers and members of the Board of Directors before termination of that period, but in that event the Declarant may require, for the duration of the Period of Declarant Control, that specified actions of the Association or Board of Directors, as described in a recorded instrument executed by the Declarant, be approved by the Declarant before they become effective.

Section 8.7 Required Election of Unit Owners. Not later than sixty (60) days after conveyance of two (2) of the Units to Unit Owners other than Declarant, at least one (1) member of the Board of Directors shall be elected by Unit Owners other than the Declarant. Not later than the termination of any Period of Declarant Control, the Unit Owners shall elect a Board of Directors of at least three (3) members, at least a majority of whom shall be Unit Owners other than the Declarant or designated representatives of Unit Owners other than Declarant. In order to assure representation of Owners of the Commercial Unit(s) and the Residential Unit(s) in the affairs of the Association and to protect

the valid interests of the Commercial Unit(s) and Residential Unit(s) in the operation of the Condominium Project, the Owner(s) of the Commercial Unit(s), voting as a class, shall be entitled to elect one of the members of the Board of Directors, and the Owner(s) of the Residential Unit(s), voting as a Class, shall be entitled to elect one member of the Board of Directors. The Board of Directors shall elect the officers. The members of the Board of Directors and officers shall take office upon election.

Section 8.8 Removal of Members of the Board of Directors. Notwithstanding any provision of this Declaration or the Bylaws to the contrary, following notice and an opportunity to be heard as required by this Declaration and the Act, the Unit Owners, by sixty-seven percent (67%) vote of all persons present and entitled to vote at a meeting of the Unit Owners at which a quorum is present, may remove a member of the Board of Directors with or without cause, other than a member appointed by the Declarant.

Section 8.9 Requirements for Turnover of Declarant Control. Within sixty (60) days after the Unit Owners other than the Declarant elect a majority of the members of the Board of Directors, the Declarant shall deliver to the Association all property of the Unit Owners and of the Association held by or controlled by the Declarant, including without limitation the following items:

(a) the original or a certified copy of the recorded Declaration as amended, the Association's articles of incorporation, Bylaws, minute books, other books and records, and any Rules and Regulations which may have been promulgated;

(b) an accounting for Association funds and financial statements, from the date the Association received funds and ending on the date the Period of Declarant Control ends. The financial statements shall be audited by an independent certified public accountant and shall be accompanied by the accountant's letter, expressing either the opinion that the financial statements present fairly the financial position of the Association in conformity with generally accepted accounting principles or a disclaimer of the accountant's ability to attest to the fairness of the presentation of the financial information in conformity with generally accepted accounting principles and the reasons therefor. The expense of the audit shall not be paid for or charged to the Association;

(c) the Association funds or control thereof;

(d) all of the Declarant's tangible personal property that has been represented by the Declarant to be the property of the Association or all of the Declarant's tangible personal property that is necessary for, and has been used exclusively in, the operation and enjoyment of the Common Elements, and inventories of these properties;

(e) a copy, for the non-exclusive use of the Association, of any plans and specifications used in the construction or renovation of the Improvements;

(f) all insurance policies then in force, in which the Unit Owners, the Association or its members of the Board of Directors and officers are named as insured persons;

(g) copies of any certificates of occupancy that may have been issued with respect to the Improvements;

(h) any other permits issued by governmental bodies applicable to the Condominium Project and which are currently in force or which were issued within one year prior to the date on which Unit Owners other than the Declarant took control of the Association;

(i) written warranties of the contractor, subcontractors, suppliers, and manufacturers that are still effective;

(j) a roster of Unit Owners and First Mortgagees and their addresses and telephone numbers, if known, as shown on the Declarant's records;

(k) employment contracts in which the Association is a contracting party; and

(l) any service contract in which the Association is a contracting party or in which the Association or the Unit Owners have any obligation to pay a fee to the persons performing the services.

Section 8.10 Issues for Class Voting. Any issue relating solely to the Commercial Units or Residential Units shall be decided by the Owner(s) of the particular Unit(s) voting as a Class on the issue. The decision on whether an issue relates solely to only one type of Unit shall be determined in the sole discretion of the Board of Directors. Any issue relating to a Limited Common Element appurtenant to more than one type of Unit, but not appurtenant to all types of Units shall be decided by the Owner(s) of the Units to which the Limited Common Elements are appurtenant, voting as a Class. The decision on whether

an issue relates solely to Limited Common Elements appurtenant to less than all types of Units shall be decided in the sole discretion of the Board of Directors.

ARTICLE 9. ASSOCIATION POWERS AND DUTIES

Section 9.1 Association Management Duties. Subject to the rights and obligations of Declarant and other Unit Owners as set forth in this Declaration, the Association shall be responsible for the administration and operation of the Condominium Project and for the exclusive management, control, maintenance, repair, replacement, and improvement of the Common Elements and the Limited Common Elements, and shall keep the same in good, clean, attractive, and sanitary condition, order, and repair. The expenses, costs, and fees of such management, operation, maintenance, and repair by the Association shall be part of the Assessments, and prior approval of the Unit Owners shall not be required in order for the Association to pay any such expenses, costs, and fees. The Association shall establish and maintain, out of the installments of the annual Assessments, an adequate reserve account for maintenance, repair, or replacement of those Common Elements that must be replaced on a periodic basis. The Association shall adopt and amend budgets for revenues, expenditures, and reserves which will be the basis for collection of Assessments for Common Expenses from Unit Owners. The notice shall be delivered personally or mailed not less than three (3) days before the proposed action is to be taken. The notice shall include a general statement of the proposed action and the date, time and place of the hearing. At the hearing, the affected person shall have the right, personally or by a representative, to give testimony orally and/or in writing, subject to reasonable rules of procedure established by the party conducting the hearing to assure a prompt and orderly resolution of the issues. Such evidence shall be considered in making the decision but shall not bind the decision makers. The affected person shall be notified of the decision in the same manner in which notice of the hearing was given. Any Unit Owner having a right to notice and hearing shall have the right to appeal to the Board of Directors from a decision of a proposing party other than the Board of Directors by filing a written notice of appeal with the Board of Directors within ten (10) days after being notified of the decision. Section 9.6 Payments to Working Capital Account. In order to provide the Association with adequate working capital funds, the Association may collect from purchasers at the time of the initial sale of each Unit by Declarant an amount equal to three months' worth of annual Assessments based on the Association's budget in effect at the time of the sale. Such payments to this fund shall not be considered advance payments of annual Assessments.

ARTICLE 10. ASSESSMENTS

Section 10.1 Commencement of Annual Assessments. Until the Association makes an Assessment for Common Expenses, the Declarant shall pay all Common Expenses. After any Assessment has been made by the Association, Assessments shall be made no less frequently than annually and shall be based on a budget adopted no less frequently than annually by the Association.

Section 10.2 Annual Assessments. The Association shall levy annual Assessments to pay for the Common Expense Liability allocated to each Unit pursuant to this Declaration. The total annual Assessments shall be based upon

a budget of the Association's cash requirements for upkeep of the Condominium Project including maintenance, repair and replacement of the Common Elements as required by the Act and the Condominium Documents. Any surplus funds of the Association remaining after payment of or provision for Common Expenses and any prepayment of or provision for reserves shall be credited to the Unit Owners in proportion to their Common Expense Liability or credited to them to reduce their future Assessments for Common Expenses.

Section 10.3 Apportionment of Annual Assessments. The total annual Assessment for any fiscal year of the Association shall be assessed to the Units in proportion to their Percentage of Common Expenses Liability set forth on Exhibit B, subject to: (a) Common Expenses which are separately metered or assessed to the Units by third parties; (b) Common Expenses associated with the maintenance, repair or replacement of Limited Common Elements which shall be assigned equally or on such other equitable basis as the Board of Directors shall determine to the Units to which the specific Limited Common Elements are appurtenant; (c) Common Expenses or portions thereof benefiting fewer than all of the Units which shall be assessed exclusively against the Units benefited; (d) any increased cost of insurance based upon risk which shall be assessed to Units in proportion to the risk; (e) any Common Expense caused by the misconduct of any Unit Owner(s), which may be assessed exclusively or on such other equitable basis as the Board of Directors shall determine against such Unit Owner(s); and (f) any expenses which are charged equally to the Units. All such allocations of Common Expenses Liability to the Commercial Units and Residential Units on a basis other than the Units' Percentage of Common Expenses Liability shall be made by the Board of Directors. In making the allocations, the Board of Directors shall use as a guide the assignment of various Common Expenses to the following categories: utilities (unless separately metered or disproportionately benefiting fewer than all Units), insurance, exterior building maintenance and repairs, and reserves.

Section 10.4 Special Assessments. In addition to the annual Assessments authorized above, the Board of Directors may at any time and from time to time determine, levy, and assess in any fiscal year a special Assessment applicable to that particular fiscal year (and for any such longer period as the Board of Directors may determine) for the purpose of defraying, in whole or in part, the unbudgeted costs, fees, and expenses of any construction, reconstruction, repair, demolishing, replacement, renovation or maintenance of the Condominium Project, specifically including any fixtures and personal property related to it. Any amounts determined, levied, and assessed pursuant to this Declaration shall be assessed to the Units pursuant to the provisions in Section 10.3 entitled "Apportionment of Annual Assessments" set forth above.

Section 10.5 Due Dates for Assessment Payments. Unless otherwise determined by the Board of Directors, the Assessments which are to be paid in installments shall be paid quarterly in advance and shall be due and payable to the Association at its office or as the Board of Directors may otherwise direct in any Management Agreement, without notice (except for the initial notice of any special Assessment), on the first day of each quarter. If any such installment shall not be paid within thirty (30) days after it shall have become due and payable, then the Board of Directors may assess a late charge, default interest charge (not to exceed the rate from time to time allowed by law), fee, or such other charge as the Board of Directors may fix by rule from time to time to cover the extra expenses involved in handling such delinquent Assessment installment. A Unit Owner's Assessment shall be prorated if the ownership of a Unit commences or terminates on a day other than the first day or last day, respectively, of a month or other applicable payment period. However, if the Common Expenses Liability is re-allocated, any installment(s) of an assessment not yet due shall be recalculated in accordance with the re-allocated Common Expenses Liability.

Section 10.6 Default Assessments. All Costs of Enforcement assessed against a Unit Owner pursuant to the Condominium Documents, or any expense of the Association which is the obligation of a Unit Owner pursuant to the Condominium Documents shall become a default Assessment assessed against the Unit Owner's Unit. Notice of the amount and demand for payment of such default Assessment shall be sent to the Unit Owner prior to enforcing any remedies for non-payment hereunder.

Section 10.7 Covenant of Personal Obligation for Assessments. Declarant, by creating the Units pursuant to this Declaration, and all other Unit Owners, by acceptance of the deed or other instrument of transfer of his Unit (whether or not it shall be so expressed in such deed or other instrument of transfer), are deemed to personally covenant and agree, jointly and severally, with all other Unit Owners and with the Association, and hereby do so covenant and agree to pay to the Association the (a) annual Assessments, (b) special Assessments, and (c) default Assessments applicable to the Unit Owner's Unit. No Unit Owner may waive or otherwise escape personal liability for the payment of the Assessments provided for in this Declaration by not using the Common Elements or the facilities contained in the Common Elements or by abandoning or leasing his Unit.

Section 10.8 Lien for Assessments; Assignment of Rents. The annual, special, and default Assessments (including installments of the Assessments) arising under the provisions of the Condominium Documents shall be burdens

running with, and a perpetual lien in favor of the Association upon the specific Unit to which such Assessments apply. To further evidence such lien upon a specific Unit, the Association shall prepare a written lien notice setting forth the description of the Unit, the amount of Assessments on the Unit unpaid as of the date of such lien notice, the rate of default interest as set by the Rules and Regulations, the name of the Unit Owner or Unit Owners of the Unit, and any and all other information that the Association may deem proper. The lien notice shall be signed by a member of the Board of Directors, an officer of the Association, or the Managing Agent and shall be recorded in the Records. Any such lien notice shall not constitute a condition precedent or delay the attachment of the lien, but such lien is a perpetual lien upon the Unit and attaches without notice at the beginning of the first day of any period for which any Assessment is levied. Upon any default in the payment of annual, special, or default Assessments, the Association shall also have the right to appoint a receiver to collect all rents, profits, or other income from the Unit payable to the Unit Owner and to apply all such rents, profits, and income to the payment of delinquent Assessments. Each Unit Owner, by ownership of a Unit, agrees to the assignment of such rents, profits and income to the Association effective immediately upon any default in the payment of annual, special, or default Assessments.

Section 10.9 Remedies for Nonpayment of Assessments. If any annual, special, or default Assessment (or any installment of the Assessment) is not fully paid within thirty (30) days after the same becomes due and payable, then as often as the same may happen, (a) interest shall accrue at the default rate set by the Rules and Regulations on any amount of the Assessment in default, accruing from the due date until date of payment, (b) the Association may declare due and payable all unpaid installments of the annual Assessment or any special Assessment otherwise due during the fiscal year during which such default occurred, (c) the Association may thereafter bring an action at law or in equity, or both, against any Unit Owner personally obligated to pay the same, (d) the Association may proceed to foreclose its lien against the particular Unit pursuant to the power of sale granted to the Association by this Declaration or in the manner and form provided by Idaho law for foreclosure of real estate mortgages and (e) the Association may suspend the Owner's right to vote in Association matters until the Assessment is paid. An action at law or in equity by the Association (or counterclaims or cross-claims for such relief in any action) against a Unit Owner to recover a money judgment for unpaid Assessments (or any installment thereof) may be commenced and pursued by the Association without foreclosing or in any way waiving the Association's lien for the Assessments. Foreclosure or attempted foreclosure by the Association of its lien shall not be deemed to stop or otherwise preclude the Association from again foreclosing or attempting to foreclose its lien for any subsequent Assessments

(or installments thereof) which are not fully paid when due or for any subsequent default Assessments. The Association shall have the power and right to bid in or purchase any Unit at foreclosure or other legal sale and to acquire and hold, lease, mortgage, and to convey, or otherwise deal with the Unit acquired in such proceedings.

Section 10.10 Purchaser's Liability for Assessments. Notwithstanding the personal obligation of each Unit Owner to pay all Assessments on the Unit, and notwithstanding the Association's perpetual lien upon a Unit for such Assessments, all purchasers shall be jointly and severally liable with the prior Unit Owner(s) for any and all unpaid Assessments against such Unit, without prejudice to any such purchaser's right to recover from any prior Unit Owner any amounts paid thereon by such purchaser. A purchaser's obligation to pay Assessments shall commence upon the date the purchaser becomes the Unit Owner of a Unit. For Assessment purposes, the date a purchaser becomes the Unit Owner shall be determined as follows: (a) in the event of a conveyance or transfer by foreclosure, the date a purchaser becomes the Unit Owner shall be deemed to be upon the expiration of all applicable redemption periods; (b) in the event of a conveyance or transfer by deed in lieu of foreclosure a purchaser shall be deemed to become the Unit Owner of a Unit upon the execution and delivery of the deed or other instruments conveying or transferring title to the Unit, irrespective of the date the deed is recorded; and (c) in the event of conveyance or transfer by deed, a purchaser shall be deemed to become the Unit Owner upon the execution and delivery of the deed or other instruments conveying or transferring title of the Unit, irrespective of the date the deed is recorded. However, such purchaser shall be entitled to rely upon the existence and status of unpaid Assessments as shown upon any certificate issued by or on behalf of the Association to such named purchaser pursuant to the provisions of this Declaration.

Section 10.11 Waiver of Homestead Exemption; Subordination of Association's Lien for Assessments. By acceptance of the deed or other instrument of transfer of a Unit, each Unit Owner irrevocably waives the homestead exemption provided by Idaho Code § 55-1001, as amended. The Association's perpetual lien on a Unit for Assessments shall be superior to all other liens and encumbrances except the following:

- (a) real property ad valorem taxes and special assessment liens duly imposed by an Idaho governmental or political subdivision or special taxing district, or any other liens made superior by statute;

(b) liens recorded prior to this Declaration unless otherwise agreed by the parties thereto; and

(c) the lien of any First Mortgagee except to the extent Idaho law grants priority for Assessments to the Association.

Any First Mortgagee who acquires title to a Unit by virtue of foreclosing a First Mortgage or by virtue of a deed or assignment in lieu of such a foreclosure, or any purchaser at a foreclosure sale of the First Mortgage, will take the Unit free of any claims for unpaid Assessments and Costs of Enforcement against the Unit which accrue prior to the time such First Mortgagee acquires title to the Unit except to the extent the amount of the extinguished lien may be reallocated and assessed to all Units as a Common Expense and except to the extent the Act grants lien priority for Assessments to the Association. All other persons not holding liens described in this Section and obtaining a lien or encumbrance on any Unit after the recording of this Declaration shall be deemed to consent that any such lien or encumbrance shall be subordinate and inferior to the Association's lien for Assessments and Costs of Enforcement as provided in this Article, whether or not such consent is specifically set forth in the instrument creating any such lien or encumbrance.

Sale or other transfer of any Unit, (a) except as provided above with respect to First Mortgagees, (b) except in the case of foreclosure of any lien enumerated in this Section, and (c) except as provided in the next Section, shall not affect the Association's lien on such Unit for Assessments due and owing prior to the time such purchaser acquired title and shall not affect the personal liability of each Unit Owner who shall have been responsible for the payment thereof. Further, no such sale or transfer shall relieve the purchaser of a Unit from liability for, or the Unit from the lien of, any Assessments made after the sale or transfer.

Section 10.12 Statement of Status of Assessments. On or before fourteen (14) calendar days after receipt of written notice to the Managing Agent or, in the absence of a Managing Agent, to the Board of Directors and payment of a reasonable fee set from time to time by the Board of Directors, any Unit Owner, holder of a Security Interest, prospective purchaser of a Unit or their designees shall be furnished a statement of the Unit Owner's account setting forth:

(a) the amount of any unpaid Assessments then existing against a particular Unit;

(b) the amount of the current installments of the annual Assessment and the date that the next installment is due and payable;

(c) the date(s) for payment of any installments of any special Assessments outstanding against the Unit; and

(d) any other information, deemed proper by the Association, including the amount of any delinquent Assessments created or imposed under the terms of this Declaration.

Upon the issuance of such a certificate signed by a member of the Board of Directors, by an officer of the Association, or by a Managing Agent, the information contained therein shall be conclusive upon the Association as to the person or persons to whom such certificate is addressed and who rely on the certificate in good faith.

Section 10.13 Liens. Except for Assessment liens as provided in this Declaration, mechanics' liens (except as prohibited by this Declaration), tax liens, judgment liens and other liens validly arising by operation of law and liens arising under Security Interests, there shall be no other liens obtainable against the Common Elements or against the interest of any Unit Owner in the Common Elements except a Security Interest in the Common Elements granted by the Association pursuant to the requirements of the Act.

ARTICLE 11. MAINTENANCE RESPONSIBILITY

Section 11.1 Unit Owner's Rights and Duties with Respect to Interiors. Except as may be provided in the purchase and sale agreement or other conveyancing documents executed by Declarant in connection with sales to initial purchasers of the Units, each Unit Owner of a Unit shall have the exclusive right and duty to paint, tile, paper, or otherwise decorate or redecorate and to maintain and repair the interior surfaces of the walls, floors, ceilings, windows and doors forming the boundaries of such Unit Owner's Unit and all walls, floors, ceilings, and doors within such boundaries. Notwithstanding the foregoing, no Unit Owner shall be permitted to install any hardwood floor or other hard surface improvements in his Unit that might affect adjoining Units by increasing noise or vibrations, without the prior written approval of the Association, which approval may be denied, or conditioned, in the Association's sole discretion.

Section 11.2 Responsibility of the Unit Owner. The Unit Owner of any Unit shall, at the Unit Owner's expense, maintain and keep in repair all fixtures, equipment, and utilities installed and included in a Unit commencing at a point where the fixtures, equipment, and utilities enter the Unit. A Unit Owner shall not

allow any action or work that will impair the structural soundness of the improvements, impair the proper functioning of the utilities, heating, ventilation, or plumbing systems or integrity of the Improvement(s), or impair any easement or hereditament. Subject to the Association's overall responsibility for maintenance of the Limited Common Elements, each Unit Owner shall be responsible for routine maintenance and care of the walls, floors, ceilings, windows and doors of any balcony or of any other Limited Common Elements appurtenant to the Unit Owner's Unit, and for keeping the same in a good, clean, sanitary, and attractive condition. Notwithstanding the foregoing, Unit Owners shall not be responsible for damage to exterior doors and windows, except if as a result of a negligent or willful act of said Owner. The Association shall not be responsible for repairs occasioned by casualty due to the act or negligence of the Unit Owner or Occupant of the Unit except as provided in Article 16.

Section 11.3 Unit Owner's Negligence. In the event that the need for maintenance, repair, or replacement of all or any portion of the Common Elements is caused through or by the negligent or willful act or omission of a Unit Owner or Occupant, then the expenses incurred by the Association for such maintenance, repair, or replacement shall be a personal obligation of such Unit Owner; and, if the Unit Owner fails to repay the expenses incurred by the Association within seven days after notice to the Unit Owner of the amount owed, then the failure to so repay shall be a default by the Unit Owner, and such expenses shall automatically become a default Assessment determined and levied against such Unit, enforceable by the Association in accordance with this Declaration.

Section 11.4 Responsibility of the Association. The Association, without the requirement of approval of the Unit Owners, shall maintain and keep in good repair, replace, and improve, as a Common Expense, all of the Condominium Project not required in this Declaration to be maintained and kept in good repair by a Unit Owner or by Declarant.

ARTICLE 12. MECHANICS' LIENS

Section 12.1 Mechanics' Liens. Subsequent to recording of this Declaration and the filing of the Map in the Records, no labor performed or materials furnished for use and incorporated in any Unit with the consent of or at the request of the Unit Owner or the Unit Owner's agent, contractor or subcontractor, shall be the basis for the filing of a lien against a Unit of any other Unit Owner not expressly consenting to or requesting the same, or against any interest in the Common Elements except as to the undivided interest therein appurtenant to the Unit of the Unit Owner for whom such labor shall have been

performed or such materials shall have been furnished. Each Unit Owner shall indemnify and hold harmless each of the other Unit Owners and the Association from and against any liability or loss arising from the claim of any mechanics' lien or for labor performed or for materials furnished in work on such Unit Owner's Unit, against the Unit of another Unit Owner or against the Common Elements, or any part thereof.

Section 12.2 Enforcement by the Association. At its own initiative or upon the written request of any Unit Owner (if the Association determines that further action by the Association is proper), the Association shall enforce the indemnity provided by the provisions of this Article 12 by collecting from the Unit Owner of the Unit on which the labor was performed or materials furnished the amount necessary to discharge by bond or otherwise any such mechanics' lien, to pay all costs and reasonable attorneys' fees incidental to the lien, and to obtain a release of such lien. If the Unit Owner of the Unit on which the labor was performed or materials furnished refuses or fails to indemnify within five (5) days after the Association shall have given notice to such Unit Owner of the total amount of the claim, then the failure to so indemnify shall be a default by such Unit Owner under the provisions of this Section 12.2, and such amount to be indemnified shall automatically become a default Assessment determined and levied against such Unit, and enforceable by the Association pursuant to this Declaration.

ARTICLE 13. USE RESTRICTIONS

Section 13.1 Use of Units. Except for uses reserved to Declarant in Article 15 entitled "Special Declarant Rights and Additional Reserved Rights", and except for Commercial Units, all Units shall be used for residential purposes and other commercial activities permitted by applicable zoning codes which do not cause unreasonable disturbance to other Unit Owners. Unit Owners may rent or lease such Units to others for such purposes.

Section 13.2 Use of Common Elements. There shall be no obstruction of the Common Elements, nor shall anything be kept or stored on any part of the Common Elements by any Unit Owner without the prior written approval of the Association. Nothing shall be altered on, constructed in, or removed from the Common Elements by any Unit Owner without the prior written approval of the Association.

Section 13.3 Prohibition of Increases in Insurable Risks and Certain Activities. Nothing shall be done or kept in any Unit or in or on the Common Elements, or any part thereof, which would result in the cancellation of the

insurance on all or any part of the Condominium Project or in an increase in the rate of the insurance on all or any part of the Condominium Project over what the Association, but for such activity, would pay, without the prior written approval of the Association. Nothing shall be done or kept in any Unit or in or on the Common Elements which would be in violation of any statute, rule, ordinance, regulation, permit, or other imposed requirement of any governmental body having jurisdiction over the Condominium Project. No damage to or waste of the Common Elements shall be committed by any Unit Owner or Occupant, and each Unit Owner shall indemnify and hold the Association and the other Unit Owners harmless against all loss resulting from any such damage or waste caused by him or an Occupant of his Unit. Failure to so indemnify shall be a default by such Unit Owner under this Section. At its own initiative or upon the written request of any Unit Owner (and if the Association determines that further action by the Association is proper), the Association shall enforce the foregoing indemnity as a default Assessment levied against such Unit.

Section 13.4 Structural Alterations and Exterior Appearance. No structural alterations to any Unit, including the construction of any additional skylight, window, door or other alteration visible from the exterior of the Unit or to any Common Element shall be made or caused to be made by any Unit Owner without the prior written approval of the Declarant during the Period of Declarant Control and, thereafter, the Association. No window coverings or other improvements, alterations or decorations visible from outside a Unit shall be added by a Unit Owner without the prior written approval of the Declarant during the Period of Declarant Control and, thereafter, the Association, which may adopt written guidelines to address the same. No alteration or relocation of boundaries between adjoining Units shall be made by the Unit Owners without the prior written approval of the Declarant during the Period of Declarant Control and, thereafter, by the Association. The Association shall promulgate Rules and Regulations establishing procedures for the approvals required by this Section 13.4. Such Rules and Regulations shall include, but shall not be limited to, requirements that the applicant submit (a) plans and specifications showing the nature, kind, shape, height, color, materials, and location of the proposed alterations in sufficient detail for the Association and Declarant to review them; and (b) processing and/or review fees, which may include any professional fees the Association or Declarant might incur in retaining architects or engineers to review the plans and specifications. The Rules and Regulations shall specifically consider the impact of the alteration on the harmony of external design and location in relation to surrounding structures and topography.

Section 13.5 Use Restrictions. No animal pens, sheds, fences or other outbuildings or structures of any kind shall be erected by any Unit Owner. No

activity shall be allowed which interferes unduly with the peaceful possession and proper use of the Condominium Project by the Unit Owners, nor shall any fire hazard or unsightly accumulation of refuse be allowed. No animals, birds, insects, or livestock of any kind shall be raised, bred, or kept on or in the Condominium Project. Notwithstanding the foregoing, residents of Units may have up to two (2) domestic dogs and/or cats so long as they do not interfere with the quiet enjoyment of occupants of other Units, or other properly licensed and certified service animals for disabled persons. No lights shall be emitted which are unreasonably bright or cause unreasonable glare; no sound shall be emitted which is unreasonably loud or annoying; and no odor shall be emitted which is noxious or offensive to others. Notwithstanding the foregoing, reasonable noises and smells typically associated with restaurant use in a Commercial Unit shall not be deemed to be noxious or offensive.

Section 13.6 Limit on Timesharing. No Unit Owner, excluding Declarant, shall offer or sell any interest in such Unit under a "timesharing" or "interval ownership" plan, or any similar plan without the specific prior written approval of the Declarant during the Period of Declarant Control, and thereafter the Association.

Section 13.7 Restriction on Signs. No signs, billboards, posterboards, or advertising structure of any kind shall be displayed, erected, or maintained for any purpose whatsoever except such signs as have been approved by the Declarant during the Period of Declarant Control and, thereafter, the Association. Any signs which are permitted under the foregoing restrictions shall be erected or maintained on the Condominium Project only with the prior written approval of the Declarant during the Period of Declarant Control, and thereafter the Association, which approval shall be given only if such signs are of attractive design and as small a size as reasonably possible and shall be placed or located as directed or approved by the Association. External signage must also comply with applicable restrictions of the City of Hailey.

Section 13.8 Commercial Operations. Each Owner of a Commercial Unit must comply with the Rules and Regulations for commercial establishments as adopted from time to time by the Association; provided, however, that the Association shall not adopt Rules and Regulations that substantially impede or effectively prohibit commercial and retail operations.

Section 13.9 Restrictions on Use of Parking and Storage Areas. No parking shall be permitted at any location on the Property unless specifically designated for parking by the Association. No storage is permitted outside of Units except in specifically designated storage areas. No Owner may use any

parking or storage space assigned to another. No Owner may use any parking space for storage or use any parking or storage space in any manner that obstructs or interferes with any other Owner's parking or storage rights or that constitutes a safety hazard. Without limiting the generality of the powers of the Association with respect to parking or storage, the Association is specifically authorized, but not obligated, to remove any vehicle parked in any area not designated for parking, or any vehicle parked in any space that is assigned to another person or reserved for a specific use, or any vehicle parked in an obstructing or hazardous manner, or any improperly stored or hazardous materials, in all cases at the expense of the Owner or Occupant that owns such vehicle or materials. Expenses incurred by the Association in connection with such removal (and storage, if necessary) shall be a personal obligation of such Owner and, if the Owner fails to pay such amount within seven (7) days after notice to the Owner of the amount owed, then the failure to pay shall be a default by the Owner and such expenses shall automatically become a default Assessment determined and levied against such Unit enforceable by the Association as provided in this Declaration.

ARTICLE 14. EASEMENTS

Section 14.1 Easement of Enjoyment. Every Unit Owner shall have a non-exclusive easement for the use and enjoyment of the Common Elements, which shall be appurtenant to and shall pass with the title to every Unit, subject to the easements set forth in this Article 14 and the easements and restrictions set forth in Article 7 entitled "Unit Owners' Property Rights in Common Elements".

Section 14.2 Delegation of Use. Any Unit Owner may delegate, in accordance with the Condominium Documents, the Unit Owner's right of enjoyment in the Common Elements to an Occupant of the Unit Owner's Unit.

Section 14.3 Recorded Easements. The Property shall be subject to any easements shown on any recorded plat affecting the Property, shown on the recorded Map or reserved or granted under this Declaration.

Section 14.4 Easements for Encroachments. The Condominium Project, and all portions of it, are subject to easements hereby created for encroachments between Units and the Common Elements as follows:

- (a) in favor of all Unit Owners, so that they shall have no legal liability when any part of the Common Elements encroaches upon a Unit;

(b) in favor of each Unit Owner, so that the Unit Owner shall have no legal liability when any part of his Unit encroaches upon the Common Elements or upon another Unit; and

(c) in favor of all Unit Owners, the Association, and the Unit Owner of any encroaching Unit for the maintenance and repair of such encroachments.

Encroachments referred to in this Section 14.4 include, but are not limited to, encroachments caused by error or variance from the original plans in the construction of the Improvements or any Unit constructed on the Property, by error in the Map, by settling, rising, or shifting of the earth, or by changes in position caused by repair or reconstruction of any part of the Condominium Project. Such encroachments shall not be considered to be encumbrances upon any part of the Condominium Project, provided, however, that encroachments created by the intentional act of a Unit Owner shall not be deemed to create an easement on the Property and shall be considered an encroachment upon the Condominium Project. Such encroachment shall be removed at Unit Owner's expense immediately upon notice from the Association. In the event such encroachment is not timely removed, the Association may effect removal of the encroachment and the expense thereof shall be a default Assessment to the Unit Owner.

Section 14.5 Utility Easements. There is hereby created a general easement upon, across, over, in, and under all of the Property for ingress and egress and for installation, replacement, repair, and maintenance of all utilities, including but not limited to water, sewer, gas, telephone, electricity, and a cable communication system. By virtue of this easement, it shall be expressly permissible and proper for the companies providing such utilities to erect and maintain the necessary equipment on the Property and to affix and maintain electrical, communications, and telephone wires, circuits, and conduits under the Property. Any utility company using this general easement shall use its best efforts to install and maintain the utilities provided without disturbing the uses of other utilities, the Unit Owners, the Association, and Declarant; shall complete its installation and maintenance activities as promptly as reasonably possible; and shall restore the surface to its original condition as soon as possible after completion of its work. Should any utility company furnishing a service covered by this general easement request a specific easement by separate recordable document, Declarant during the Period of Declarant Control and, thereafter, the Association, shall have the right and authority to grant such easement upon, across, over, or under any part or all of the Property without conflicting with the

terms hereof. The easements provided for in this Section 14.5 shall in no way affect, avoid, extinguish, or modify any other recorded easement on the Property.

Section 14.6 Emergency Access Easement. A general easement is hereby granted to all police, sheriff, fire protection, ambulance, and all other similar emergency agencies or persons to enter upon all streets and upon the Property in the proper performance of their duties.

Section 14.7 Maintenance Easement. An easement is hereby granted to the Association and any Managing Agent and their respective officers, agents, employees and assigns upon, across, over, in, and under the Common Elements and a right to make such use of the Common Elements as may be necessary or appropriate to perform the duties and functions which they are obligated or permitted to perform pursuant to this Declaration.

Section 14.8 Easements of Access for Repair, Maintenance, and Emergencies. Some of the Common Elements are or may be located within the Units or may be conveniently accessible only through the Units. The Unit Owners and the Association shall have the irrevocable right, to be exercised by the Association as the Unit Owners' agent, to have access to each Unit and to all Common Elements from time to time during such reasonable hours as may be necessary for the maintenance, repair, removal, or replacement of any of the Common Elements therein or accessible therefrom or for making emergency repairs therein necessary to prevent damage to the Common Elements or to any Unit. Unless caused by the negligent or willful act or omission of a Unit Owner or Occupant, damage to the interior of any part of a Unit resulting from the maintenance, repair, emergency repair, removal, or replacement of any of the Common Elements or as a result of emergency repair within another Unit at the instance of the Association or of the Unit Owners shall be a Common Expense.

Section 14.9 Easements Deemed Created. All conveyances of Units hereafter made, whether by Declarant or otherwise, shall be construed to grant and reserve the easements contained in this Article 14, even though no specific reference to such easements or to this Article 14 appears in the instrument for such conveyance.

ARTICLE 15. SPECIAL DECLARANT RIGHTS AND ADDITIONAL RESERVED RIGHTS

Section 15.1 Special Declarant Rights. Declarant hereby reserves the right, from time to time, to perform the acts and exercise the rights hereinafter

specified (the "Special Declarant Rights"). Declarant's Special Declarant Rights include the following:

(a) Completion of Improvements. The right to complete improvements indicated on Plats and Maps filed with this Declaration.

(b) Sales Management and Marketing. The right to locate, relocate and maintain sales offices, management offices, signs advertising the Condominium Project, and models within any Unit or Units and in the Common Elements. Declarant shall have the right to show Units and the Common Elements to prospective purchasers and to arrange for the use of any recreational facilities within the Common Elements by prospective purchasers.

(c) Construction Easements. The right to use easements through the Common Elements for the purpose of making improvements within the Condominium Project.

(d) Signs. The right to maintain signs on the Common Elements advertising the Condominium Project.

(e) Post-Sales. The right to use the Common Elements to maintain customer relations and provide post-sale services to Unit Owners.

(f) Parking/Storage. The right to use and to allow others to use all parking and storage areas in connection with its marketing efforts.

Section 15.2 Additional Reserved Rights. In addition to the Special Declarant Rights set forth in Section 15.1 above, Declarant also reserves the following additional rights (the "Additional Reserved Rights"):

(a) Dedications. The right to establish, from time to time, by dedication or otherwise, utility and other easements for purposes including but not limited to streets, paths, walkways, ski-ways, drainage, recreation areas, parking areas, driveways, ducts, shafts, flues, conduit installation areas, and to create other reservations, exceptions and exclusions for the benefit of and to serve the Unit Owners within the Condominium Project.

(b) Use Agreements. The right to enter into, establish, execute, amend, and otherwise deal with contracts and agreements for the use, lease, repair, maintenance or regulation of parking and/or common facilities for the benefit of the Unit Owners and/or the Association.

(c) Easement Rights. The rights to an easement through the Common Elements as may be reasonably necessary for the purpose of discharging Declarant's obligations arising under this Declaration or the Act.

(d) Other Rights. The right to exercise any Additional Reserved Right created by any other provision of this Declaration.

Section 15.3 Limitations on Special Declarant Rights and Additional Reserved Rights. Unless sooner terminated by an amendment to this Declaration executed by the Declarant, any Special Declarant Right or Additional Reserved Rights may be exercised by the Declarant so long as the Declarant (a) is obligated under any warranty or obligation; (b) owns any Unit; or (c) holds a Security Interest in any Unit(s); provided, however, all Special Declarant Rights and Additional Reserved Rights shall terminate ten (10) years after the date of recording this Declaration. Earlier termination of certain rights may occur pursuant to requirements of the Act.

Section 15.4 Interference with Special Declarant Rights. Neither the Association nor any Unit Owners may take any action or adopt any rule and/or regulation that will interfere with or diminish any Special Declarant Rights or Additional Reserved Rights without the prior written consent of the Declarant.

Section 15.5 Rights Transferable. Any Special Declarant Rights or Additional Reserved Right created or reserved under this Article 15 for the benefit of Declarant may be transferred to any person by an instrument describing the rights transferred and recorded in the Records. Such instrument shall be executed by the transferor Declarant and the transferee.

ARTICLE 16. INSURANCE

Section 16.1 Coverage. Commencing not later than the first conveyance of a Unit to a purchaser and to the extent reasonably available, the Association shall obtain and maintain insurance coverage as set forth in this Article. If such insurance is not reasonably available, and the Board of Directors determines that any insurance described herein will not be maintained, the Board of Directors shall promptly cause notice of that fact to be hand delivered or sent prepaid by United States mail to all Unit Owners and Eligible First Mortgagees at their respective last known addresses.

(a) Property Insurance. The Association shall maintain property insurance on the Condominium Project for broad form covered causes of loss in amount of insurance not less than the full insurable replacement

cost of the insured property less applicable deductibles at the time insurance is purchased and at each renewal date, exclusive of land, excavations, foundations, and other items normally excluded from property insurance policies.

(b) Liability Insurance. The Association shall maintain commercial general liability insurance against claims and liabilities arising in connection with the ownership, existence, use, or management of the Condominium Project, insuring the Board of Directors, the Association, the Managing Agent, and their respective employees, agents and all persons acting as agents. The Declarant shall be included as an additional insured in such Declarant's capacity as a Unit Owner and member of the Board of Directors. Unit Owners and Eligible First Mortgagees shall be included as additional insureds but only for claims and liabilities arising in connection with the ownership, existence, use, or management of the Common Elements or membership in the Association. The insurance shall cover claims of one or more insured parties against the other insured parties.

(c) Fidelity Insurance. The Association shall maintain fidelity insurance on all persons who control or disburse funds of the Association. Coverage shall not be less in the aggregate than two months' current Assessments plus reserves, as calculated from the current budget of the Association. Any person employed as an independent contractor by the Association, including the Managing Agent must obtain and maintain fidelity insurance in like amount for the benefit of the Association unless the Association names such person as an insured employee in the policy of fidelity insurance specified above.

(d) Other Insurance. The Board of Directors may also procure insurance against such additional risks of a type normally carried with respect to properties of comparable character and use that the Board of Directors deems reasonable and necessary in order to protect the Condominium Project, the Association and the Unit Owners.

(e) Unit Owners' Policies. Each Unit Owner may obtain additional insurance at his own cost for his own benefit so long as all such policies shall contain waivers of subrogation and provide further that the liability of the carriers issuing insurance to the Association hereunder shall not be effected or diminished by reason of any such insurance carried by any Unit Owner.

Section 16.2 Required Provisions. All insurance policies carried pursuant to the requirements of this Article 16 must provide that:

(a) each Unit Owner and each Eligible First Mortgagee is an insured person under the policy with respect to liability arising out of such Unit Owner's interest in the Common Elements or membership in the Association;

(b) the insurer waives its rights to subrogation under the policy against any Unit Owner or member of his household;

(c) no act or omission by any Unit Owner or Eligible First Mortgagee, unless acting within the scope of such Unit Owner's authority on behalf of the Association, will void the policy or be a condition to recovery under the policy;

(d) if, at the time of a loss under the policy, there is other insurance in the name of a Unit Owner covering the risks covered by the policy, the Association's policy provides primary insurance;

(e) any loss covered by the policies must be adjusted with the Association;

(f) the insurance proceeds for any loss shall be payable to an insurance trustee designated for that purpose, or otherwise to the Association and not to any holder of a Security Interest;

(g) the insurer shall issue certificates or memoranda of insurance to the Association and, upon request, to any Unit Owner or holder of a Security Interest, and

(h) the insurer issuing the policy may not cancel or refuse to renew it until thirty (30) days after notice of the proposed cancellation or non-renewal has been mailed to the Association and any Unit Owner(s) and holder(s) of Security Interests to whom a certificate or memorandum of insurance has been issued at their respective last known addresses.

Section 16.3 Adjustment of Claims. The Association may adopt and establish written nondiscriminatory policies and procedures relating to the submission of claims, responsibility for deductibles, and any other matters of claims adjustment. To the extent the Association settles a property insurance claim, it shall have the authority to assess negligent Unit Owners causing such loss or benefitting from such repair or restoration all deductibles paid by the

Association. In the event more than one Unit is damaged by a loss, the Association in its reasonable discretion may assess each Unit Owner a pro rata share of any deductible paid by the Association.

Section 16.4 Copies of Policies. A copy of each insurance policy obtained by the Association shall be made available for inspection by any Unit Owner or Eligible First Mortgagee at reasonable times.

ARTICLE 17. RESTORATION UPON DAMAGE OR DESTRUCTION

Section 17.1 Duty to Restore. Any portion of the Condominium Project, for which insurance is required under the Act or for which insurance carried by the Association is in effect, that is damaged or destroyed must be repaired or replaced promptly by the Association unless:

- (a) the Condominium Project is terminated;
- (b) repair or replacement would be illegal under a state statute or municipal ordinance governing health or safety;
- (c) seventy-five percent (75%) of the Unit Owners, including every Owner of a Unit or assigned Limited Common Element that will not be rebuilt, vote not to rebuild; or
- (d) prior to the conveyance of any Unit to a purchaser, the holder of a Security Interest on the damaged portion of the Condominium Project rightfully demands all or a substantial part of the insurance proceeds.

In the event the Condominium Project is not repaired or replaced as allowed by Subparagraphs (a), (b) and (c) above, then the Real Estate in the Condominium Project shall be sold and the proceeds distributed pursuant to the procedures provided for in the Act for termination of condominium projects.

Section 17.2 Cost. The cost of repair or replacement in excess of insurance proceeds and reserves is a Common Expense.

Section 17.3 Plans. The Property must be repaired and restored in accordance with either the original plans and specifications or other plans and specifications which have been approved by the Board of Directors and a Majority of Owners.

Section 17.4 Replacement of Less Than Entire Property. If the entire Condominium Project is not repaired or replaced, the insurance proceeds

attributable to the damaged Common Elements shall be used to restore the damaged area to a condition compatible with the remainder of the Condominium Project and, except to the extent that other persons will be distributees:

(a) the insurance proceeds attributable to a Unit and Limited Common Elements that are not rebuilt must be distributed to the Unit Owner of the Unit and the Unit Owner of the Unit to which the Limited Common Elements were allocated, or to holders of Security Interests, as their interests may appear;

(b) the remainder of the proceeds must be distributed to each Unit Owner or holders of Security Interests, as their interests may appear, in proportion to the Allocated Interests in the Common Elements of all the Units; and

(c) if the Unit Owners vote not to rebuild a Unit, the Allocated Interests of the Unit are reallocated upon the vote as if the Unit had been condemned, and the Association promptly shall prepare, execute and record an amendment to this Declaration reflecting the reallocations.

Section 17.5 Insurance Proceeds. The insurance trustee, or if there is no insurance trustee, then the Board of Directors, acting by the President, shall hold any insurance proceeds in trust for the Association, Unit Owners and holders of Security Interests as their interest may appear. Subject to the provisions of the Sections above, the proceeds shall be disbursed first for the repair or restoration of the damaged Property, and the Association, Unit Owners and holders of Security Interests are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the Property has been completely repaired or restored, or the Condominium Project is terminated, in which event the surplus proceeds will be distributed as provided in this Declaration.

Section 17.6 Certificates by the Board of Directors. The insurance trustee, if any, may rely on the following certifications in writing made by the Board of Directors:

(a) whether or not damaged or destroyed Property is to be repaired or restored; and

(b) the amount or amounts to be paid for repairs or restoration and the names and addresses of the parties to whom such amounts are to be paid.

Section 17.7 Certificates by Attorneys or Title Insurance Companies. If payments are to be made to Unit Owners or holders of Security Interests, the Board of Directors, and the insurance trustee, if any, shall obtain and may rely on a title insurance company or attorney's certificate of title or a title insurance policy based on a search of the Records from the date of recording of this Declaration stating the names of the Unit Owners and the holders of Security Interest.

ARTICLE 18. CONDEMNATION

If all or part of the Condominium Project is taken by any power having the authority of eminent domain, all compensation and damages for and on account of the taking shall be payable in accordance with the provisions on eminent domain in the Act.

ARTICLE 19. MORTGAGEE PROTECTIONS

Section 19.1 Introduction. This Article 19 establishes certain standards and covenants which are for the benefit of First Mortgagees. This Article 19 is supplemental to, and not in substitution for, any other provisions of this Declaration, but in the case of any conflict, this Article shall control.

Section 19.2 Percentage of First Mortgagees. Unless specifically provided otherwise, wherever in this Declaration the approval or consent of a specified percentage of Eligible First Mortgagees is required, it shall mean the approval or consent of sixty-seven percent (67%) of Eligible First Mortgagees. Each Eligible First Mortgagee shall be entitled to one vote for each Security Interest held by such Eligible First Mortgagee.

Section 19.3 Notice of Actions. If requested in writing to do so, the Association shall give prompt written notice of the following to each Eligible First Mortgagee making such request:

- (a) any condemnation loss or any casualty loss which affects a material portion of the Common Elements or any Unit in which an interest is held by the Eligible First Mortgagee;
- (b) any delinquency in the payment of Assessments which remains uncured for sixty (60) days by a Unit Owner whose Unit is encumbered by a Security Interest held by such Eligible First Mortgagee;
- (c) any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Association;

(d) any proposed action which would require the consent of Eligible First Mortgagees as set forth in this Article;

(e) any judgment rendered against the Association; and

(f) a copy of any financial statement of the Association.

Section 19.4 Consent Required. The Association may not take any of the following actions, except as such rights have been specifically reserved by Declarant under the provisions of this Declaration, without the consent of sixty-seven percent (67%) of the Eligible First Mortgagees:

(a) sale, conveyance or encumbrance of the Common Elements (provided, however, that the granting of easements for public utilities, for construction and maintenance of roads within the Condominium Project, or for other purposes provided for in this Declaration will not be deemed a transfer within the meaning of this clause);

(b) restoration or repair of the Condominium Project (after hazard damage or partial condemnation) in a manner other than that specified in this Declaration;

(c) termination of this Declaration for reasons other than substantial destruction or condemnation, subject to the approval percentages required for such termination;

(d) merger of the Condominium Project with any other common interest community; or

(e) any action not to repair or to replace the Common Elements except as permitted in this Declaration.

Section 19.5 Notice of Objection. Unless an Eligible First Mortgagee provides the Secretary of the Association with written notice of its objection, if any, to any proposed amendment or action requiring the approval of Eligible First Mortgagees within thirty (30) days following the receipt of notice of such proposed amendment or action, the Eligible First Mortgagee will be deemed conclusively to have consented to or approved the proposed amendment or action.

Section 19.6 First Mortgagees' Rights.

(a) Advances. First Mortgagees, jointly or singly, may pay taxes or other charges which are in default and which may or have become a charge against any of the Common Elements or improvements thereon, and may pay overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy, for the Common Elements. First Mortgagees making such payments shall be owed immediate reimbursement from the Association.

(b) Cure Rights. First Mortgagees shall be entitled to cure any delinquency of the Unit Owner encumbered by a First Mortgage in the payment of Assessments. In that event, the First Mortgagee shall be entitled to obtain a release from the lien imposed or perfected by reason of such delinquency.

Section 19.7 Limitations on First Mortgagee's Rights. No requirement for approval or consent by a First Mortgagee provided in this Article 19 shall operate to:

(a) deny or delegate control over the general administrative affairs of the Association by the Unit Owners or the Board of Directors;

(b) prevent the Association or Board of Directors from commencing, intervening and/or settling any legal proceeding; or

(c) prevent any insurance trustee or the Association from receiving and distributing any insurance proceeds in accordance with the requirements of Article 18 entitled "Restoration Upon Damage or Destruction".

Section 19.8 Special Declarant Rights. No provision or requirement of this Article 19 entitled "Mortgagee Protections" shall apply to any Special Declarant Rights reserved to Declarant in this Declaration.

ARTICLE 20. DURATION OF COVENANTS; AMENDMENT AND TERMINATION

Section 20.1 Term. This Declaration and any amendments or supplements to it shall remain in effect from the date of recordation for a period of fifty (50) years. Thereafter, this Declaration shall be automatically extended for successive periods of ten (10) years each, unless otherwise terminated or modified as provided in this Article.

Section 20.2 Amendment of Declaration. Except to the extent that this Declaration and the Act expressly permit or require amendments that may be executed by the Declarant or by the Association, this Declaration (including the Map) may be amended only by a vote or agreement of Unit Owners to which more than sixty-seven percent (67%) of the votes in the Association are allocated.

Section 20.3 Execution of Amendments; Expenses. Any amendment shall be prepared, executed and recorded either by the Declarant or by an officer of the Association designated for that purpose or, in the absence of a designation, by the President of the Association. All expenses associated with preparing and recording an amendment to this Declaration shall be the sole responsibility of: (a) any Unit Owners desiring an amendment as provided for in this Declaration or the Act; (b) the Declarant, to the extent the right to amend this Declaration is reserved to the Declarant and exercised by the Declarant; or (c) in all other cases by the Association as a Common Expense.

Section 20.4 When Modifications Permitted. Notwithstanding the provisions of Section 20.2 above, no amendment or termination of this Declaration shall be effective in any event during the Period of Declarant Control, unless the written approval of Declarant is first obtained.

Section 20.5 Recording of Amendments. Any amendment to this Declaration made in accordance with this Article 20 shall be immediately effective upon the recording of the executed amendment in the Records together with a duly authenticated certificate of the Declarant or the Secretary of the Association stating that the required vote of Unit Owners, if any, and required consents of First Mortgagees (and/or Eligible First Mortgagee, as applicable) were obtained and are on file in the office of the Association. The amendment must be indexed in the grantee's index in the name of the Condominium Project and the Association and in the grantor's index in the name of each person or entity executing the Amendment.

Section 20.6 Rights of Eligible First Mortgagees. To the extent allowed by the Act, Eligible First Mortgagees shall have the rights to approve specified action of the Unit Owners or the Association as a condition to the effectiveness of those actions as provided in Article 19 entitled "Mortgagee Protections".

Section 20.7 Termination of the Condominium Project. The Condominium Project may only be terminated as provided in the Act.

Section 21.6 Captions. The captions to the Articles and Sections and the Table of Contents at the beginning of this Declaration are inserted only as a matter of convenience and for reference, and are in no way to be construed to define, limit, or otherwise describe the scope of this Declaration or the intent of any provision of this Declaration.

Section 21.7 Conflicts in Legal Documents. In case of conflicts between the provisions in this Declaration and the Articles of Incorporation or the Bylaws, this Declaration shall control. In case of conflicts in the provisions in the Articles of Incorporation and the Bylaws, the Articles of Incorporation shall control.

Section 21.8 Exhibits. All the Exhibits attached to and described in this Declaration are incorporated in this Declaration by this reference.

Section 21.9 Choice of Law. This Declaration shall be construed and interpreted in accordance with the laws of the State of Idaho.
