My name is Jordan Jadallah and I am an owner of 402 Sage Road, along with my father Sam, who resides at 3212B Warm Springs Road.

We are fully in support of this project and we urge the Commission to approve this beautiful home's application. Due to the sheer nature of the lot that this home is in, the parameters are incredible challenging and yet they have jumped those hurdles and produced a creative solution. Additionally, this home will bring up the property values of the surrounding neighborhood – thanks to the stunning design and layout. I am honored to be the next-door neighbor to the Pratts and will be excited to see the result. Sage road will benefit for years to come.

Best,

Jordan Jadallah
