Mayor Bradshaw and City Councilors
City of Ketchum
Ketchum, Idaho

Mayor Bradshaw and City Councilors:

Recommendation To Approve the Third and Final Reading of Ordinance 1224 Amending KMC Section 17.140.090 B and C Exempt Communication Facilities, to Exempt Public Safety Antennas and Any Wireless Communication Facility Located on a Public Use Building and Amend the City of Ketchum Official Zoning District Map to Change the Zoning of Block 1 of the Warm Springs Ranch Large Block Plat from T, Tourist Designation to GR-L, General Residential Low Density.

Recommendation and Summary

Staff is recommending the Council conduct a public hearing and approve the third and final reading of Ordinance 1224 and adopt the following motion:

"I move to approve the third and final reading of Ordinance 1224 and read by title only by the City Clerk"

The reasons for the recommendation are as follows:

- On August 10, 2021, the Planning and Zoning Commission recommended approval of the proposed text amendment with modifications and approval of the District Zoning Map amendment.
- The proposed text amendment facilitates the installation of emergency communication equipment on the new fire station.
- The proposed amendment to the District Zoning Map implements the rezoning previously approved by the City Council for Warm Springs Ranch Block 1.

PROPOSED AMENDMENTS

Two amendments are proposed by staff for City Council approval. One amendment is to the Zoning Ordinance and one amendment is to the District Zoning Map that identifies zoning for properties in Ketchum. The following outlines the proposed amendments.

Amendment to KMC 17.140.090 to exempt wireless communication facilities for public safety purposes

Currently, under KMC 17.140, Wireless Communication Facilities, the installation of emergency communication equipment for public safety facilities (Police and Fire) is subject to an extensive permitting process. Unlike commercial communication devices where the location of the device is discretionary, the placement and location of public safety communication equipment is fixed and installed at a fire station or other public facility.

With the construction of the new Ketchum fire station, emergency communications equipment will be installed. Without this text amendment, installation of the emergency communications equipment would

necessitate a detailed study, analysis, and conditional use permit. This level of review is typically required to determine if the proposed location of a commercial communication device is appropriate and necessary. There is no question that emergency communication equipment is necessary and must be installed at a public safety facility. There is no need for an extensive review process to determine if emergency communication equipment at a public safety facility is necessary.

Planning and Zoning Commission Action

On August 10, 2021, the Planning and Zoning Commission conducted a public hearing on the proposed amendment. The Commission recommended City Council approve the amendment provided new language is added that requires Planning and Zoning Commission review for any equipment that exceeds 10 feet in height above the roof of a building. This provision has been added to the proposed amendment. This will not impact installation of equipment for the fire station since that equipment is under 3 feet in height.

Amendment to the District Zoning Map

This proposed amendment is a procedural action to reflect the rezoning approved by the City Council and Planning and Zoning Commission for the Warm Springs Ranch Block 1. Block 1 of Warm Springs Ranch was rezoned from (T) Tourist Zone to (GR-L) General Low Density Residential as part of the approved Development and Rezoning Agreement. This proposed action officially changes the Zoning District Map to reflect the rezoning. The Official Zoning District Map would be changed as follows:

Existing (T) Tourist Zoning Designation

Proposed (GR-L) General Residential Low Density Zoning Designation

PROCESS

Consistent with KMC 17.152, the Commission conducted a public hearing on the proposed amendment to the Zoning Ordinance and District Zoning Map and recommended approval to the City Council. Notice of the City Council public hearing was published in the Mountain Express on August 18, 2021, and notice was sent in accordance with KMC Chapter 17.152. The Council can approve, amend or reject the proposed amendments.

PUBLIC INPUT

No written public comment was received prior to publication of this staff report for the September 7, 2021, hearing. Any written public comment received prior to the public hearing will be distributed to the Council and included in the public record.

FINANCIAL IMPACT

There is no financial impact because of the proposed recommendation.
