Mayor Bradshaw and City Councilors
City of Ketchum
Ketchum, Idaho

Mayor Bradshaw and City Councilors:

Recommendation to Approve Contract #20561 with Advanced Towing for Vehicle Relocation, Towing, and Storage Services

Recommendation and Summary

Staff is recommending Council approve contract 20561 with Advanced Towing and adopt the following motion:

"I move to approve Contract #20561 with Advanced Towing for Vehicle Relocation, Towing, and Storage Services."

The reasons for the recommendation are as follows:

- The City of Ketchum periodically needs to move vehicles to enable snow removal operations.
- Advanced Towing is capable of doing all the required work and complying with city rules.

Introduction and History

The City of Ketchum does not allow overnight on-street parking from November 1 to May 1 of each winter season to enable the removal of snow from City streets. Occasionally, the City needs to remove certain vehicles from the right-of-way to enable efficient clearing of the streets.

Analysis

For the current winter, the City Council has approved a plan to relocate vehicles illegally located on City streets rather than towing and impounding, as has been recent practice.

Sustainability Impact

There is no sustainability impact arising from this action.

Financial Impact

The agreement obligates the City to pay \$350.00 per hour of relocation time. Cost recovery is intended to occur through the ticketing of relocated vehicles. City staff will monitor the program throughout the winter to determine if full cost recovery has occurred.
