CITY COUNCIL MEETING AGENDA MEMO

Meeting Date: July 7, 2025 Staff Member/Dept: Robyn Mattison/City Engineer

Agenda Item: Recommendation to Approve Right-of-Way Encroachment Agreement Amendment 24919A for the placement of a non-heated paver driveway and other improvements in the public right-of-way on N. East Avenue and E. 6th Street.

Recommended Motion:

I move to authorize the Mayor to sign Right-of-Way Encroachment Agreement 24919A between the City and the owners of 600 N East Ave, Robert W Reniers Jr. Trustee and Elizabeth Evans Reniers Trustee.

Reasons for Recommendation:

- Right-of-Way Encroachment Agreement 24919 was approved by council on July 24, 2024.
- The initial agreement included a non-heated paver driveway and approach apron, drystack walls to protect existing trees, footings of retaining walls, subsurface irrigation system, fescue grasses, and a drainage overflow line to a drywell. It also included owner maintenance of existing trees in the ROW. The city arborist expressed concern of the health of the existing trees and recommended new trees be planted in its place. Amendment 24919A include owner maintenance of the new trees to be planted in the ROW to replace the existing trees. All other items included in Agreement 24919 have remained unchanged.
- The improvements will not impact the use or operation of N. East Avenue or E. 6th Street.
- The improvements will not impact drainage or snow removal within the public right-of-way.
- The project complies with all standards for Right-of-Way Encroachment Permit issuance specified in Ketchum Municipal Code §12.12.060.

Policy Analysis and Background (non-consent items only):

Pursuant to Ketchum Municipal Code §12.12.040.C, a Right-of-Way Encroachment Permit is required for any permanent encroachment of the public right-of-way where a permanent fixture to the ground or a building will occur. The associated Right-of-Way Encroachment Agreement is intended to help protect the City in the event the proposed encroachments were to ever pose an issue requiring repair, relocation, or removal of the encroachment. The standards for issuance of a Right-of-Way Encroachment Permit are specified in Ketchum Municipal Code §12.12.060. The encroachments proposed for the N. East Ave/E. 6th Street project complies with all standards.
