Mayor Bradshaw and City Councilors
City of Ketchum
Ketchum, Idaho

Mayor Bradshaw and City Councilors:

Recommendation to approve Right-of-Way Encroachment Agreement 22774 to memorialize a portion of an existing garage with in the City Right-of-Way.

Recommendation and Summary

Staff is recommending Council approve the attached Encroachment Agreement and adopt the following motion:

"I move to authorize the Mayor to sign Encroachment Agreement 22774 with Karen Brown."

The reasons for the recommendation are as follows:

- Documentation of the existing encroachment is required.

Introduction and History

Karen Brown submitted a Right-of-Way Encroachment Permit application to memorialize an existing garage that encroaches into the Right-of-Way by 11.5' or 24 sq ft. at 2215 Warm Springs Road.

Right-of-Way standards were developed to achieve goals of pedestrian mobility, drainage, parking and provide materials that can be reasonably maintained by the city. Because the sidewalk paver materials and snowmelt system cannot be reasonably maintained by the city, the property owner will be responsible for repair and maintenance.

City code requires a right-of-way encroachment permit for any permanent encroachment in the public right-of-way. These agreements are intended to help protect the City in the event the proposed encroachments were to ever pose an issue requiring repair, relocation, or removal of the encroachment.

Analysis

The proposed encroachments were determined not to impact public access or city operations.

Financial Impact

There is no financial impact resulting from approval of this encroachment agreement.
