CITY COUNCIL MEETING AGENDA MEMO

Meeting Date: February 3, 2025 Staff Member/Dept: Robyn Mattison/City Engineer

Agenda Item: Recommendation to Approve Right-of-Way Encroachment Agreement 25950 for placement of pavers and snowmelt system in the public right-of-way on Hillside Drive.

Recommended Motion:

I move to authorize the Mayor to sign Right-of-Way Encroachment Agreement 25950 between the City and Paramount Property Development, LLC, owner of 219 Hillside Drive.

Reasons for Recommendation:

- Staff recommends the snowmelt system installed in the right-of-way for life safety considerations, particularly due to the steep slope of the driveway.
- The improvements will not impact the use or operation of Hillside Drive.
- The improvements will not impact drainage or snow removal within the public right-of-way.
- The project complies with all standards for Right-of-Way Encroachment Permit issuance specified in Ketchum Municipal Code §12.12.060.

Policy Analysis and Background (non-consent items only):

The project proposes installation of a heated concrete paver driveway within the Hillside Dr. right-of-way.

Pursuant to Ketchum Municipal Code §12.12.040.C, a Right-of-Way Encroachment Permit is required for any permanent encroachment of the public right-of-way where a permanent fixture to the ground or a building will occur. The associated Right-of-Way Encroachment Agreement is intended to help protect the City in the event the proposed encroachments were to ever pose an issue requiring repair, relocation, or removal of the encroachment. The standards for issuance of a Right-of-Way Encroachment Permit are specified in Ketchum Municipal Code §12.12.060. The encroachments proposed for the Exhibition Blvd project complies with all standards.
