Mayor Bradshaw and City Councilors
City of Ketchum
Ketchum, ID 83340

Mayor Bradshaw and City Councilors:

**Recommendation to approve Purchase Order 20519
For a Paint Striper**

Recommendation and Summary

Staff is recommending the council approve Purchase Order 20519 with Sherwin Williams for a paint striper by adopting the following motion:

"I move to approve Purchase Order 20519 for an amount not to exceed \$23,999.98 with Sherwin Williams and authorize the Mayor to sign the PO."

The reasons for the recommendation are as follows:

- The City of Ketchum Streets and Facilities Maintenance Department is responsible for maintaining City streets in a state of good repair, including the painting of street lines and curbs.
- The City of Ketchum has historically contracted this work but has the capacity to undertake some of the work in-house.

Introduction and History

The City of Ketchum Streets and Facilities Maintenance Department maintains City streets in a state of good repair. Each spring, the City refreshes the street markings including: crosswalks, handicap stalls, fog lines, center lines, parking lines, stop bars, turn arrows, and Bike Path indicators. The work typically starts at end of April and additional markings are added over new chip seal later in the season. Additionally, the City paints curbs to indicate restricted parking areas. In recent years, the City has contracted this work for approximately \$50,000 per year.

Analysis

The Streets Division has determined that they have the capacity to apply markings to City streets during certain times of the year which would require less outside contracting work while also providing a higher level of service. The division has received a quote of \$23,999.98 to acquire a paint striping machine to enable them to perform certain paint striping work in-house.

Sustainability Impact

There is no sustainability impact from this action.

Financial Impact

The equipment will be funded from the Streets division budget from savings achieved during a low snow year.
