CITY COUNCIL MEETING AGENDA MEMO

Meeting Date: Staff Member/Dept:

Agenda Item:

Recommended Motion:

"I move to approve the street closure for the Community Library's Hemingway Distinguished Lecture on July 31, 2024.

Reasons for Recommendation:

- The city supports community events and opportunities to highlight our culture and history.
- The proposed 4-hour closure of half a block on 4th Street between Walnut Avenue and the alleyway to the east, will cause minimal traffic disruptions and does not conflict with the Main Street construction detours.
- The requested street closure is classified as a "non-designated" event street closure, meaning it must be approved by the City Council.

Policy Analysis and Background (non-consent items only):

The Community Library has produced its Hemmingway Distinguished Lecture event each summer for many years. The talk takes place outside, mostly on the Library's private property. To accommodate extra seating for the popular event, they place chairs on the closed sidewalk area and street on the southwestern side of their building. They are proposing the same street closure and site plans as years before. No known issues have been reported from their prior events.

Sustainability Impact:

None OR state impact here: None

Financial Impact:

None OR Adequate funds exist in account:
