Dear Traffic Authority, I am writing to state that I am against taking away parking as requested by a homeowner at the location of 600 2nd Street East, if it would eliminate parking for the Lucy Locket Park.

In the past I would meet a friend at the park who had a small child and needed to be able to park close by. Also for elderly or physically impaired so their walk would not be to far.

If this owner request does not effect the park or cause any other hardship I resend my comment.

Thank you for your time,  
Susan Neaman
