Mayor Bradshaw and City Councilors:

Recommendation to Approve Purchase Order #22077 for Audio Equipment

Recommendation and Summary

Staff is recommending City Council approve Purchase Order #22077 with Performance Audio LLC to purchase audio equipment for Ketch'em Alive.

"I move to approve Purchase Order #22077 for \$28,558.18 with Performance Audio LLC.

Introduction and History

The city requested bids for the purchase of audio equipment to be used at the city's event, Ketch'em Alive. The attached bid includes all equipment necessary for the event. Staff received a second bid that did not include all items and at least one vendor declined to bid.

Last year, the city paid \$8,800 to rent sound equipment for Ketch'em Alive. In 2019, the city paid \$7,200. With costs increasing year over year, staff recommends the city purchase its own sound system for this event.

Financial Impact

Due to Local Option Tax funds performing better than budgeted, payment for this purchase will come from the LOT fund balance.
