

## City of Ketchum

April 6, 2020

Mayor Bradshaw and City Councilors  
City of Ketchum  
Ketchum, Idaho

Mayor Bradshaw and City Councilors:

### **Recommendation to Approve Purchase Order with Ferguson Water Works of Meridian Idaho for Water Meters and Meter Vaults for KSW Phase III Project.**

#### Recommendation and Summary

Staff is recommending the council approve purchase order with Ferguson Water for water meters and water meter vaults needed for Phase III of the KSW conversion and adopt the following motion:

Provide specific language for the council motion.

I recommend Council approve the purchase order #20461 With Ferguson Water Works of Meridian Idaho in the amount of \$ 37,000.00 for the purchase of water meters and water meter vaults for the Phase III Ketchum Spring Water System conversion work.

The reasons for the recommendation are as follows:

- **These meters and vaults were specified to be supplied by Ketchum in contract # 20457. Phase III of the KSW conversion.**

#### Introduction and History

This is the third of an estimated four phase project to abandon the old Ketchum Springs Water system. When the project is completed Ketchum will be a fully metered system.

#### Analysis

These meters and vaults are City supplied per contract #20457 This is standard in all our KSW contracts.

#### Sustainability

The recommended action will further the goals of the 2020 Ketchum Sustainability Action Plan in the following ways:

- This continues to move Ketchum to a fully metered system
- In 2019 Ketchum produced 61 million gallons less than 2018. A level of production not seen since 1997.

#### Financial Impact

This is a planned expense and will be drawn from the Water Division FY19-20 budget.
