

City of Ketchum

CITY COUNCIL MEETING AGENDA MEMO

Meeting Date: Staff Member/Dept:

Agenda Item:

Recommended Motion:

"I move approval of second reading by title only of Ordinance 1251 and schedule the third reading."

Reasons for Recommendation:

Idaho Title 50, Chapter 10.1002, Annual Budget

On June 26 the annual budget workshop was held where staff presented the draft budget for Council feedback. Overall, the Council supported the draft budget with the following homework items:

- Mountain Rides grant capital match request (\$600,000)
- General Fund contribution to Housing

The formal public budget hearing was held on July 17. Staff welcomes further policy guidance from the Council regarding any other amendments to the proposed budget. The next step is the third reading on the budget ordinance on September 5th.

Policy Analysis and Background (non-consent items only):

Sustainability Impact:

The Budget currently allocates fund of \$88,000 for sustainability activities in the General Fund

Financial Impact:

FY2024 Proposed Budget	\$39,687,376 total planned revenue and total planned expenses
------------------------	---

Attachments:

2. FY2024 Proposed Budget

AN ORDINANCE OF THE CITY OF KETCHUM, IDAHO, ENTITLED THE ANNUAL APPROPRIATION ORDINANCE FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2023, APPROPRIATING TO THE VARIOUS BUDGETARY FUNDS, SUMS OF MONEY DEEMED NECESSARY TO DEFRAY ALL NECESSARY EXPENSES AND LIABILITIES WITHIN EACH FUND FOR THE ENSUING FISCAL YEAR, AUTHORIZING A LEVY OF A SUFFICIENT TAX UPON THE TAXABLE PROPERTY AND SPECIFYING THE OBJECTS AND PURPOSES FOR WHICH SAID APPROPRIATION IS MADE, AND PROVIDING AN EFFECTIVE DATE.

BE IT ORDAINED by the Mayor and City Council of the City Ketchum, Blaine County, Idaho:

SECTION 1: That the sum of \$39,687,376 be raised and appropriated to defray the necessary expenses and liabilities of the City of Ketchum, Blaine County, Idaho for the fiscal year beginning October 1, 2023.

SECTION 2: That the City Council hereby appropriates each Fund as an independent fiscal and accounting group with a self-balancing set of accounts recording cash and/or other resources together with all related liabilities, obligations, reserves, and equities which are segregated for the purpose of carrying on specific activities or attaining certain objectives.

SECTION 3: That the appropriation for the General Fund is made in the following amount to each specific division or function:

Legislative and Executive, Administrative, Legal, Community Planning and Development, Law Enforcement, Fire and Rescue, Street and Facility Maintenance, and Non-Departmental.

Total General Fund	14,487,699
--------------------	------------

SECTION 4: That the appropriation for the Water and Wastewater Funds is made in the following amounts to each specific Fund, department, or function:

Water Fund	3,168,928
Water Capital Improvement Fund	785,000
Wastewater Fund	3,576,024
Wastewater Capital Improvement Fund	3,923,653
Total Water and Wastewater Funds	11,453,605

SECTION 5: That the appropriation for all Other Funds is made in the following amounts to each specific Fund, department, or function:

General Capital Improvement Fund	2,102,563
Wagon Days Fund	171,250
Original LOT Fund	3,299,890
Additional 1%-LOT Fund	2,682,842
GO Bond Debt Fire Fund	610,769
Community Housing In-Lieu Fund	1,320,000
City/County Housing (Strategic Initiative) Fund	1,833,708
Police Trust Fund	7,500
Parks & Recreation Trust Fund	1,067,550
Development Trust Fund	650,000
Total Other Funds	13,746,072

SECTION 6: That a general tax levy on all taxable property within the City of Ketchum be levied in an amount allowed by law for the general purposes for said City, for the fiscal year beginning October 1, 2023.

SECTION 7: All ordinances and parts of ordinances in conflict with this ordinance are hereby repealed.

SECTION 8: This ordinance shall take effect and be in force upon its passage, approval, and publication in one issue of the Idaho Mountain Express, a newspaper of general circulation in the City of Ketchum, and the official newspaper of said City.

PASSED by the City Council and APPROVED by the Mayor of Ketchum this 5th day of September 2023.

ATTEST:

NEIL BRADSHAW, MAYOR

TRENT DONAT, CITY CLERK

City of Ketchum | Fiscal Year 2024 Proposed Budget

Michael David – Council Member

Courtney Hamilton – Council Member

Jade Riley – City Administrator

Shellie Gallagher – City Treasurer

Aly Swindley – Management Analyst

City of Ketchum | 2024 Draft Budget
Mayor Neil Bradshaw's Message

Following three years of unprecedented growth and change in our small mountain town, we are seeing the first signs of a return to the normal ebb and flow of mountain life. The “shoulder” or “slack” periods are returning but the seasonal slowdown is not as long or as pronounced as in pre-pandemic years.

After steep rises in both property prices and rental rates, increases have slowed and prices have plateaued, although at significantly higher levels. The higher property values continue to put a strain on the inventory of workforce housing and the affordability of living here. In turn, it has made it harder for local workers and businesses to provide goods and services to our residents and visitors.

While property values may have increased significantly, by state law the City's property tax revenue can only increase by 3%. This is far below the cost increases that we are experiencing. The disparity between the rate of revenue growth and rate of inflation creates a squeeze on our budget. Furthermore, the anticipated return to “normal” tourist visitation will likely lead to a slight decline in 2024 Local Option Tax (LOT) revenues despite inflationary effects.

To best address this challenge, our budget must adjust to the growing demands on our town and our efforts must be focused on three main areas:

1. Housing for year-round residents

- With the recent passing of the LOT ballot measure, we have more than \$1.5m of dedicated funds towards supporting our Housing Action Plan.

2. Preserving the character and soul of Ketchum

- We have funded an ambitious project to update our city comprehensive plan and zoning code that better reflects our community values and expectations whilst providing greater direction to prospective developers.

3. Investing in our city's infrastructure

- Our 5-year Capital Improve Plan (CIP) continues to prioritize the growing demand on city infrastructure although financial constraints continue to persist.

Our budget is aligned with our vision for Ketchum; namely a city that is **vibrant, connected, sustainable and safe**.

City of Ketchum | 2024 Draft Budget
Executive Summary

The Fiscal Year 2024 proposed budget assumes \$39,687,376 in total planned expenses and revenues. The total budget consists of the General Fund, Local Option Tax Fund, Capital Improvement Fund, two Enterprise Funds (Water and Wastewater), and four trusts or restricted purpose funds. The city adheres to the Government Finance Officers Association best practices when developing the budget. Specifically, this proposed budget ensures that ongoing costs are aligned with ongoing revenue sources. In addition, the proposed budget recommends that only a portion of the increased revenues be allocated to ongoing expenses in the event of an economic downturn.

The revenue forecast for the General Fund is less than Fiscal Year 2023 due to a lower forecast of planning and building revenues. The budget assumes a three percent increase of \$196,788 in property tax revenues as allowed by state law to fund inflationary expenses. State shared revenues have been adjusted by \$358,325 due to recent legislative formula adjustments. Revenue forecast for the Local Option Tax Fund was decreased to reflect a return to pre-COVID visitation numbers. The draft budget recommends that any additional revenues be allocated to support the Capital Improvement Plan.

The draft budget allocates funding for a new full-time administrative support position in the Administration Department to support the City Clerk/Business Manager. The budget makes allowances for a compensation increase for both contract (Fire Dept.) and non-contract employees to keep pace with inflation. Expenses related to health care and utilities (Idaho Power) were increased due to external rate changes. The General Fund as proposed is balanced as required by state law but the five-year forecast outlines future deficits based on historical cost increases and revenue performance. Staff will request policy guidance from the City Council during the budget workshop on this matter.

The city has two enterprise funds (Water & Wastewater), which are self-supporting via monthly customer charges. In November of 2022, voters overwhelmingly supported the issuance of up to \$14 million in bonds to support the implementation of the newly adopted twenty-year Master Wastewater Facility Plan. During the spring of 2023, the city issued the first \$7 million in bonds to fund the next three to five years of capital improvement projects. The ten-year financial model assumes a five-percent rate increase in FY24.

The capital improvement plan and associated 10-year financial forecast for the Water Division has been updated and is reflected in the draft budget expenses. The City Council previously approved the transition towards a broader tiered rate structure similar to the City of Hailey's in order to promote water conservation. The financial forecast assumes a five-percent rate increase to recover increased costs for utilities (power) and personnel.

The following pages provide an overview of all funds by revenue and expense; department details are covered on pages 11-28. Details regarding outside contract entities are included as an appendix.

City of Ketchum | 2024 Draft Budget
General Fund Summary

The General Fund is the City's primary source of funding for daily operations ranging from police and fire/EMS services to street maintenance to children's recreation programs. The primary revenue sources for the fund include property taxes, state revenue sharing, transfer from the Local Option Tax Fund, planning and building permits, and franchise fees.

Revenues are forecasted to slightly decrease of approximately \$207,000 compared to the city amended budget from FY2023. However, the following revenues will see an increase: Local Option Tax transfer by \$100,000; property tax and franchise fees by \$289,031; and state and county shared fees by \$81,263.

Planned expenses are proposed to decrease by \$7,133 with \$150,000 in one-time spending. The revised budget allocates on-going funding for increases in health care, vehicle fuel, and power due to external rate changes. The revised budget allocates a blend of a 3% base compensation increase and a one-time 3% bonus.

The draft budget also allocates funding to add one full-time position in the Administration Department for overall assistance to city departments. Partial funding (\$50,000) was identified through altering the current communications contract. The budget makes allowances for the third year in the collective bargaining agreement with the Fire Department.

It is important to note that the recommended budget adheres to the restricted fund balances set by City Council of 17%.

Department Summaries

City of Ketchum | 2024 Draft Budget
Administration Department

This budget contains the operating accounts for City Administration, Treasury and City Clerk. The City Administrator supports the Mayor and City Council, manages the budget, and provides oversight of all departments on day-to-day administration of city operations.

The Treasury and City Clerk teams are responsible for a range of services such as maintaining ordinances/resolutions, public record requests, and retention of city official records and information technology. In addition, the team prepares and maintains all financial accounting, payment of bills, procurement, and payroll.

Fiscal Year 2023 Highlights

- Salaries decreased due to moving General Fund use for a Public Works Director position to the Non-Departmental section.
- Professional Services increased due to a 10% contract increase with Ketchum Computers.
- Telephone & Communications increased due to a one-time payment to afford implementation of new fiber.

Personnel:

- No changes.

Fiscal Year 2024 Highlights

- Request for one FTE (Admin Support Position) that would support City Clerk/Business Manager. Partial funding (\$50,000) was identified through altering the current communications contract.
- Professional Services increased due to contract increase with Ketchum Computers.

Personnel:

- One FTE added – Admin Support Position.

City of Ketchum | 2024 Draft Budget
Fire and Rescue Department

The Fire and Rescue Department provides a range of emergency services, from municipal fire protection services to backcountry rescue. They provide paramedic level emergency medical care to the City of Ketchum and the entire northern Blaine County through a contract for services with the Blaine County Ambulance District. The department is composed of highly trained career, full-time staff as well as trained paid-on-call firefighters.

Fiscal Year 2023 Highlights

- Budget included the 2nd year of the labor contract.
- Assumed a 3% revenue increase for ambulance contract. A higher budget request (\$371,062) was submitted to the Ambulance District.

Personnel:

- New Short Term Rental Fire Inspector position.

Fiscal Year 2024 Highlights

- Funding for the 3rd and final year of the collective labor agreement.

Personnel:

- FY23 interim budget change included two positions to keep up with 49% increase in calls for service over last four years.

City of Ketchum | 2024 Draft Budget
Legal Services

The Legal Services Department includes funding for the City Attorney and City Prosecutor. A contracted City Attorney provides legal counsel for the City, including the Mayor, City Council, Planning Commission and Staff. The City Attorney performs legal research; negotiates, reviews and drafts contracts, franchises, resolutions, and ordinances; monitors federal, state, and local laws and regulations, and defends City litigation.

Fiscal Year 2023 Highlights

- Assumed a 3% increase in contract with the city attorney.

Personnel:

The Planning and Building Department is responsible for long-range (comprehensive) planning, current planning functions, and management of all developments, both past and present. The Planning and Building Department administers the Zoning Code, Subdivision Code, various Building Codes, and coordinates reviews from other City Departments. The Planning and Building Department provides staff support to the Planning Commission, City Council, and the Historic Preservation Commission.

Fiscal Year 2023 Highlights

- Increased contract with IDBS to align with projected workload. Contract set up to only pay for actual hours completed.
- Request for one-time funds to update the zoning code – a one-time -expense – reflected on the General Fund Expenditures chart.

Personnel:

- Added an Associate Planner position.

Fiscal Year 2024 Highlights

- Increased professional services budget by one-time \$129,500 to fund consulting fees for update to comprehensive plan and land use regulations update.
- Planning and Building Department revenue projections assume a 3% decrease in revenues from FY23.
- Planning fee revenues do not include fee increase assumptions.

Personnel:

- Senior Planner position vacant but funded.

City of Ketchum | 2024 Draft Budget
Police Department

The Ketchum Police Department, contracted through the Blaine County Sheriff’s Office, is responsible for enforcing all local and state laws to protect the residents and visitors of Ketchum. The department consists of patrol/traffic enforcement functions, investigations, and administration.

Funding for the Community Service Officers (CSO) is also contained in the department budget. The officers focus on parking enforcement and compliance with city code violations.

Fiscal Year 2023 Highlights

- Implemented similar compensation as the County – 5% increase plus a one-time 4% bonus.

Personnel:

- No changes.

Fiscal Year 2024 Highlights

- Contract request to increase by \$154,373.
- Contract assumes a 6% base adjustment; city financial model assumes 3%.

Personnel:

- No changes.

The Recreation Department is responsible for providing safe and healthy recreation opportunities for the citizens of Ketchum and visitors to the community. The department operates structured recreation programs throughout the year at the Terry Tracy Recreation Center at Atkinson Park.

Fiscal Year 2023 Highlights

- Staff changes during 2022 lead to savings via benefits coverage.

Personnel:

- No changes.

Fiscal Year 2024 Highlights

- Procurement of a passenger van for our youth programming.
- Continue to offer the most affordable year-round youth recreation programs in the valley.
- Working with the BCSD on their Hemingway masterplan.
- FY24 budget includes a small increase in professional service to accommodate environmental education through our partner, the ERC.

Personnel:

- No changes.

City of Ketchum | 2024 Draft Budget
Streets and Facilities Department

The Streets & Facilities Department consists of the Street Division and Facility Maintenance Division. The department is responsible for maintaining the infrastructure of the City of Ketchum. This budget includes funding for snow removal, resurfacing streets, improving drainage, street sweeping, repairing potholes, installing, and maintaining street signs and traffic markings, maintaining street trees and public restrooms, street lighting, city beautification, and maintenance of public facilities and parks.

Fiscal Year 2023 Highlights

- Increased fuel- and petroleum-related costs to reflect market conditions.
- First year full year of operating and expenses related to management of Warm Springs Preserve.
- Request to increase professional services budget (snow hauling) by \$25,000 was funded.

Personnel:

- One new maintenance position associated with the Preserve.

Fiscal Year 2024 Highlights

- If the new chip seal oil works out, we would like to use it on 4th street next year.
- Roof replacement at Rotary Park.
- Phase 1 for Warm Springs Preserve (pending fundraising progress).
- Request to increase professional services budget (snow hauling) by \$25,000 was not funded. Staff feels that one-time funds could augment in a large snow year.

Personnel:

- Vacant funded position in Facilities currently; likely need to add additional FTE position in the future.
- Vacant position in Streets.

Streets Expenditures

The Non-Departmental section of the budget contains initiatives not otherwise associated with a specific department. In FY22, the funds support contracts dedicated to citywide efforts that benefit all departments and transfers out of the General Fund to support other funds (including Capital Improvement and Trust Funds).

Fiscal Year 2023 Highlights

- Implemented a 4% base/on-going increase to compensation and an additional 5% one-time increase.
- Included one-third of the proposed Public Works Director salary.
- Blaine County proposed an increase of \$69,215 over previous year to the Sustainability position.

Personnel:

- No changes.

Fiscal Year 2024 Highlights

- Implementation of a 3% base/on-going increases to compensation market of \$50,000, and an additional 3% one-time bonus.
- Includes one-third (General Fund portion) of the proposed Public Works Director salary. Due to the unsuccessful recruitment effort, staff is pivoting to recruiting a CIP Project Manager who could be a local contractual resource.
- Includes a \$500,000 transfer from the General Fund as the local match for a grant fulfillment to fund a new/expanded Mountain Rides facility.
- Draft budget assumes new .5% and County contribution fully funds the Community Housing (City/County) department.

Personnel:

- KURA Executive Director reimbursed to the city.

Local Option Tax Fund – Original LOT and Additional 1% LOT

The original Local Option Tax (LOT) became effective on December 15, 1978. Since the original adoption of the LOT, voters have approved or modified the tax in 1979, 1983, 1984, 1988, 1997, and 2011. In 2011, voters approved a new fifteen-year term. The LOT is to be used for:

- a) municipal transportation
- b) open space acquisition and recreation
- c) capital improvements
- d) emergency services; police, fire, and ambulance
- e) city promotion, visitor information and special events
- f) property tax relief
- g) direct costs to collect and enforce the tax

The tax imposes 1% on retail, 1% on building material, 2% on liquor by the drink, and 2% on short-term lodging and rentals.

In November 2013, an additional 1% was added to the LOT with authority to collect for five years and was subsequently renewed by voters through December 31, 2023, for the following public purposes:

- a) maintain and increase commercial air service to Friedman Memorial Airport through the use of minimum revenue guarantees or other inducements to air providers
- b) promote and market the existing service and any future service to increase passengers
- c) all ancillary costs associated with the ongoing effort to maintain and increase commercial air service, including management costs and bussing due to flight diversions
- d) direct costs to collect and enforce the tax, including administrative and legal fees

On May 16, 2023, voters overwhelmingly (75%) approved the renewal of the 1% LOT for Air but with a new allocation of 0.5% for Air Service preservation and 0.5% for implementation of the Housing Action Plan.

Fiscal Year 2023 Highlights

- Any excess revenues are recommended for one-time purposes. (Mountain Rides capital local match).
- Mountain Rides' request includes a) an increase in operations/service and b) a one-time request for capital improvements.
- Visit Sun Valley is not requesting funds this fiscal year.
- There are no funds available to transfer to the Capital Improvement Plan.
- Mountain Humane has previously been a line item in the Police Department budget.
- The budget for Wagon Days has returned to its pre-pandemic funding level.

Fiscal Year 2024 Highlights

- Any excess revenues are recommended to be allocated for one-time capital needs.
- All contract agencies, except for Mountain Rides, had similar requests to FY23.
- Mountain Rides has been awarded a federal facility grant requiring a one-time local match. Their request is based on historical capital match amount by each local jurisdiction. Current draft budget does not allocate local match funds, cuts to existing City CIP projects would be required.

City of Ketchum | 2024 Draft Budget
General Fund Capital Improvement Plan

Fiscal Year 2024 is the third year of the updated five-year Capital Improvement Plan. Planned expenses for FY24 total \$2,201,563. This amount is higher than presented previously in May due to updated costs associated with powerline undergrounding in conjunction with the Highway 75 project. It is also important to note that one of the street equipment purchases (\$250,000) is under review to determine if a lease-purchase is more financially advantageous.

The following pages contain expense detail for each fiscal year and is organized by function area. Project requests for the remaining fiscal years exceed the amount of funding from planned resources. Therefore, the CIP plan will be reviewed annually to make necessary changes to ensure expenses align with resources. The CIP also serves as a basis to calculate development impact fees for fire, police, and parks.

FY24 Total Proposed Expense: \$ 2,201,563

Capital Improvement | FY24 Detail

	Description	Department	Projected Cost
	FY 2024		
4	Firefighting EQ (tools)	Fire	\$14,860
5	PPE (turnout gear)	Fire	\$31,375

Enterprise Funds

The Water Division of the Utilities Department is responsible for providing potable water to the residents and businesses of Ketchum. The division operates several well sites and reservoirs throughout the city. The division also reads meters, repairs meters, supervises the installation of water taps, and processes utility billing.

Fiscal Year 2023 Highlights

- Adopted new tiered rate structure to promote water conservation.
- Increased funding to implement multi-year Capital Improvement Plan.

Personnel:

- No changes.

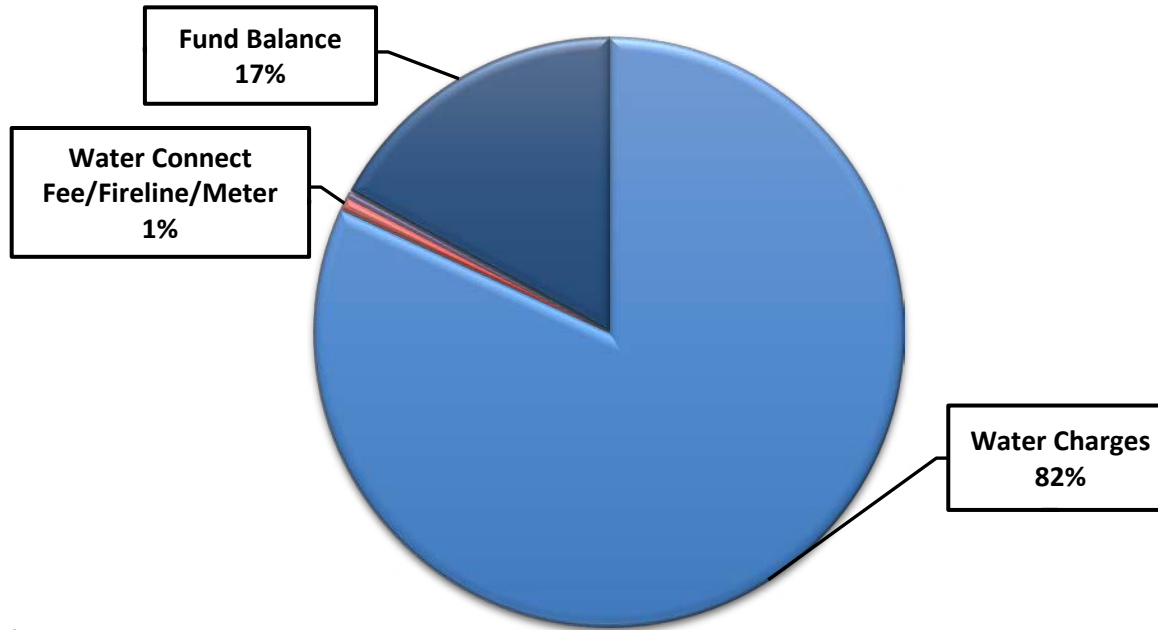

Fiscal Year 2024 Highlights

- Finish up construction of back-up generation to our main water producing well Northwood.
- Continue planning, development and implementation of CIP projects.
- Purchasing a small hydro-vac system to aid in our valve maintenance program.
- Financial model assumes 5% rate increase to off-set personnel and implement CIP.

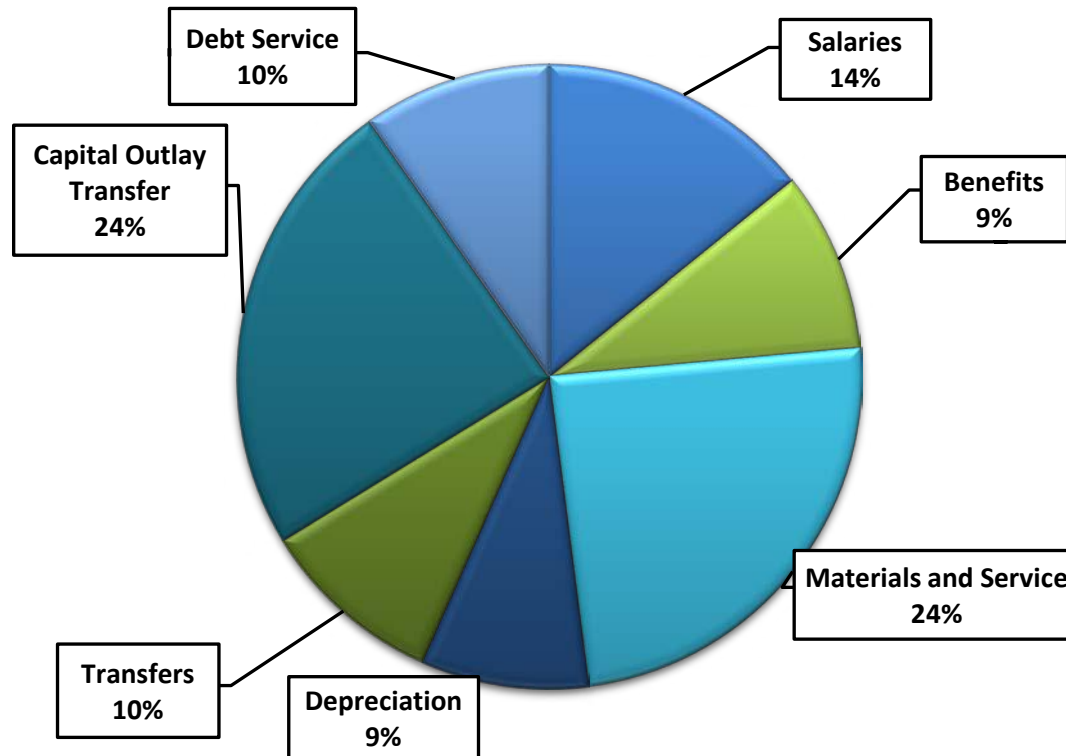

Personnel:

- No changes.

The Wastewater Division of the Utilities Department is responsible for collecting and treating domestic wastewater. The Sun Valley Water and Sewer District and the City of Ketchum own the wastewater treatment facility. The division operates the wastewater treatment plant and maintains the collection system in the City of Ketchum.

Fiscal Year 2023 Highlights

- HDR completed a draft Facility Plan to guide investment at the treatment plant for next 20 years.
- Voters approved debt issuance up to \$14M. Initial \$7M in debt has been issued.
- Draft budget assumed a 7% rate increase.
- Unplanned CIP purchase: Collections Sewer Camera - \$114,439.

Personnel:

- No changes.

Fiscal Year 2024 Highlights

- Complete the Collection System Facility Plan to identify maintenance and growth needs of the sewer infrastructure.
- Proposed rate increase of 5%.
- Capital Improvement Projects for treatment plant expansion and upgrades:
 - Modify Aeration Blower Building to accommodate two new blowers and upgrade outdated electrical distribution and motor control systems.
 - Aeration Basin modification to implement new treatment process to improve nitrogen removal and reduce electricity consumption.
 - Develop preliminary plans for solids handling upgrades.

Personnel:

- No changes.

City of Ketchum | 2024 Draft Budget
Community Housing (City/County) Fund

The FY24 budget seeks to implement the second year of the Housing Action Plan, as well as serve as the staffing entity for the Blaine County Housing Authority. FY24 revenue consists of the first full fiscal year of the new, voter-approved 0.5% LOT funds as well as FY23 projected expense savings and three months of the 0.5% LOT funds. The BCHA staffing/programming is expected to be co-funded with Blaine County, similar to the countywide sustainability approach.

Fiscal Year 2023 Highlights

- Launched Lease to Locals program with COVID-ARPA funds.
- Launched Housing Mediation Project, emergency rental assistance, community education, and analysis of publicly owned land.
- Began staffing Blaine County Housing Authority.

Personnel:

- Brought Director on full-time.
- Hired part-time Administrative Assistant.

Fiscal Year 2024 Highlights

- Request to pilot an Ownership & Preservation Program.
- Request to pilot an occupied ADU incentive program.
- Continue Lease to Locals program as-is.
- Not budgeted – Forest Service Park for Housing, transitional housing, and adequate funding for Lease to Locals.

Personnel:

- Request to hire Housing Coordinator.
- Request to bring Administrative Assistant on full-time.

Development Services

The Development Services Trust Fund is an account established for bonds or other monies deposited as required by city ordinances for development projects. If projects do not fulfill their obligations, the funds may be withdrawn and used for mitigating any issues in connection to the development. In the vast majority of cases, the funds are returned to the applicant in full.

Parks and Recreation

The Parks and Recreation Trust Fund provides budget authority to receive and expend money obtained through grants, donations, and General Fund contributions. A sub account houses donations made toward the Warm Springs Preserve. A new sub account was created to house Pump Park donation and expenditures. Federal law typically requires that money received through grants be segregated into separate funds and that the receipt and expenditure of such money be accounted separately from other city functions. The fund also provides an avenue to segregate donations to assure that such funds are spent in accordance with the instructions of donors.

Police

The Police Trust Fund provides budget authority to receive and expend money obtained through forfeitures and seized assets. Federal law requires that money received through such forfeitures be segregated into separate funds and that the receipt and expenditure of such money be accounted separately from other city functions. Federal law also limits the expenditure of such funds to specific uses, such as drug enforcement, education activities, and capital equipment or improvements.

General Obligation and Debt Service Fund

The General Obligation and Debt Service Fund provides for debt service on the City's Series 2020 General Obligation Bonds that are funding construction of the new station for the Fire and Rescue Department.

The 2020 G.O. Bonds were authorized by the requisite two-thirds of the voters at the election held on November 5, 2019, in the amount of \$11,500,000. Ordinance 1201 provides for the repayment of the bonds over a 25-year term. The final payment is scheduled for September 2044. Interest rates on the bonds vary from 2.00% to 5.00% with a true interest cost of 1.92% over the life of the bonds.

Community Housing In-Lieu Fund

The purpose of the Community Housing In-Lieu Fund is to provide budget authority to administer the City's community housing in-lieu program. In-lieu funds are restricted for uses that advance community housing efforts.

Wagon Days Fund

The Wagon Days Fund provides budget authority to support the annual Wagon Days Celebration that takes place during the Labor Day weekend. The Wagon Days Celebration is funded through a mix donations, ticket and souvenir sales coupled with the Local Option Tax Fund.

Ketchum Patrol Team Budget Overview

Office / Department: Blaine County Sheriff's Office
Budget Contact Persons: Sheriff Steve Harkins
Chief Deputy Will Fruehling
Lieutenant Jamie Shaw

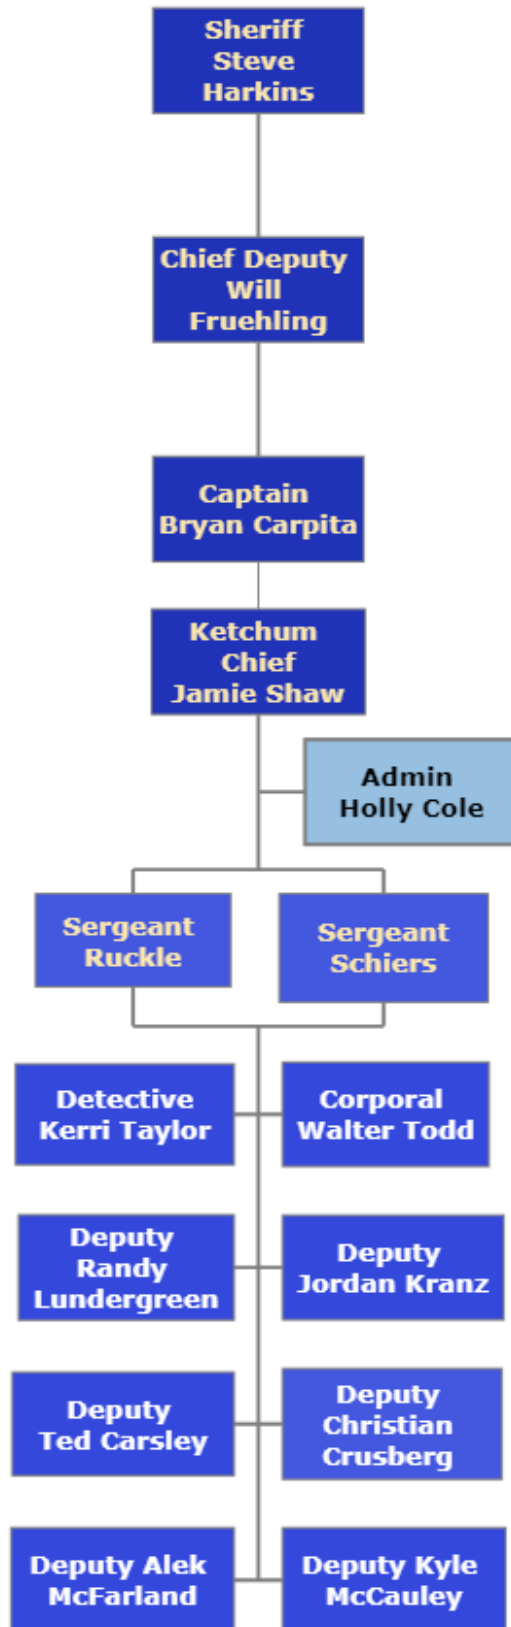

Mission Statement

The men and women of the Ketchum Patrol Team of the Blaine County Sheriff's Office are committed to being a professional organization dedicated to the concepts of personal excellence, continuous improvement, teamwork, and service to our community. We take pride in our organization, our accomplishments, and our abilities to make the City of Ketchum a safe place to live, work, and play.

Teamwork * Integrity * Excellence

Ketchum Patrol Team Organizational Structure:

FY23 Highlights

School Liaison Deputies:

This year we added two school liaison deputies to provide both Hemingway Elementary and the Carey School with a primary point of contact to assist with school-related matters. Neither school has an assigned School Resource Officer. The purpose of this position is to build and maintain mutually beneficial relationships, facilitate communications, and coordinate activities between our department and the schools.

Rapid Response Training:

Recent events across the country have taught us that not only must our deputies be trained and prepared for threats in schools, public places, and gatherings, but that these events can happen anywhere. This year we had five deputies attend the Active Attack Integrated Response Courses and become instructors in various subjects. This program addresses the principles and technical aspects of responding to and implementing an integrated first responder deployment to an active attack event. This response protocol is the standard for American law enforcement, fire departments, and emergency medical personnel and is proven to save lives.

Patrol Training:

As of June 1, 2023, our two patrol teams have completed a total of 1,226 hours of training on topics such as drug investigations, firearms, arrest and control techniques (ARCON), leadership, active shooter, domestic violence, and interview techniques. 751 of these hours were completed in-house and 475 hours were held outside our agency.

Computer Network Consolidation:

With the assistance of the IT Team, the Ketchum Patrol Team is now on the Blaine County computer network. Deputies can now access all computers without multiple logins. This is a big step in improving our efficiency. The final step will be to upgrade Ketchum's WatchGuard server which should be completed by the end of FY23.

Breaching Tools:

We have purchased breaching tools for all our patrol vehicles to enhance our readiness for major events such as active shooters.

Ketchum Field Days:

The Ketchum Patrol Team continued our long tradition of community involvement with our 12th annual Field Day at Hemingway Elementary School. We also brought our community and law enforcement together during our annual Bike Rodeo and Wagon Days events. Maintaining a close relationship with the public and our local schools has always been a priority. When schools, our community, and law enforcement work together, we can achieve positive outcomes.

Proposed Ketchum Operating Budget	\$ 1,309,764	\$ 1,311,172	\$ 1,409,075	\$ 97,903

County Clerk Estimates

Benefits Estimate	\$ 431,973	\$ 431,973	\$ 488,443	\$ 56,470
Total Estimated Ketchum Budget	\$ 1,741,737	\$ 1,743,145	\$ 1,897,518	\$ 154,373

Unincluded Capital Outlay Considerations

Capital Outlay	\$ -	\$ -	\$ 65,428	\$ 65,428
----------------	------	------	-----------	-----------

Account Number	Account Name & Change Amount	Ketchum Patrol Budget Justifications
17-401-01	Salary Chief \$7,936	Note: This increase of \$7,936 represents a 6% market increase in wages as projected by the Blaine County Clerk for a total of \$120,343.
17-401-02	Salaries Deputies \$67,239	Note: This increase of \$67,239 represents a 6% market increase in staff wages as projected by the Blaine County Clerk, \$18,333 in scheduled pro-rated step increases, an estimate for the promotion of one sergeant, and \$15,172 for shift differentials. The total line item is \$897,500.
17-402-01	Salary Office \$3,834	Note: This increase of 3,834 represents a 6% market increase in wages as projected by the Blaine County Clerk for a total of \$67,731.
17-409-09	Overtime \$4,287	Note: This increase of \$4,287 represents a 6% adjustment to our overtime to maintain this line item in alignment with our wages after projected market increases. The total amount of the Ketchum Police Team's Overtime budget is \$75,731.
17-450-00	ICRMP Liability Insurance \$531	Note: We are requesting an increase of \$531 for a total of \$18,243 based on a projected 3% increase in the cost of our ICRMP Liability Insurance. This is a cost of doing business.
17-489-00	Professional Services \$2,000	Note: This line item is being increased by \$2,000 to cover the costs for Syringa Network Connectivity to County Servers. This is a cost of doing business.
17-495-01	700 MHz Master Maintenance \$570	Note: We are requesting a \$570 increase to fund Ketchum Patrol's FY2024 700 MHz radio maintenance fee. Our 23 portable and mobile 700 MHz radios cost \$240 each for a total cost of \$5,520. This is a cost of doing business.
17-528-00	Dues / Memberships \$675	Note: We are requesting an increase of \$675 for a total of \$5600 to reflect increases in our dues and membership costs. This line item includes \$3,369 for Lexipol, \$540 for Air St. Luke's, \$1,000 for the Hurtig Shooting Center, \$450 for the Chief of Police Association, \$50 for the Rocky Mountain Information Network, and \$60 for the Idaho Police Mountain Biking Association.
17-556-04	RMS Contribution \$4,831	Note: We are requesting an increase of \$4,831 for a total of \$34,714 to fund the FY24 Ketchum Patrol portion of the RMS Central Square Contribution. This is a cost of doing business.

Account Number	Account Name & Change Amount	Ketchum Patrol Budget Justifications
17-600-00	Management/Admin Fee \$6,000	Justification: Based on the recommendation of the previous County Clerk’s Office administration, we are requesting a \$6,000 increase in the Management Line Item for a total of \$60,000. When the City of Ketchum began contracting with Blaine County for law enforcement services in 2009, this line item was set at \$54,000 to cover management and administrative costs. The line item has never been adjusted for the increases in salaries or contracts and is now underfunded based on projected market increases and contract costs.
	Benefits Estimate \$56,470	Note: Based upon the Blaine County Budget Officer’s current projection of benefit increases, we are estimating an increase of \$56,470 for a total of \$488,443 for benefit costs for FY 2024. This calculation includes scheduled wages, step increases, and overtime.

Request Amount	Unincluded Capital Outlay Considerations
Capital Equipment Tasers \$30,509	Justification: We are requesting a capital expenditure from the City of Ketchum to fund a replacement plan for our Tasers. Our current Tasers are no longer supported and are beginning to fail. Tasers are a critical tool for officer safety. This expenditure would fund the purchase, set-up, warranties, licenses, cartridges, holsters, batteries, and docking bay for 11 tasers to outfit our Ketchum deputies.
Capital Equipment Mobile Radios \$18,154	Justification: We are requesting a capital expenditure of \$ 18,154 from the City of Ketchum as a one-time cost of our radio replacement plan which we began in FY2022. Radio communication is a critical tool for all public safety agencies. We rely on it to perform our essential duties to protect the citizens of Ketchum and to protect our employees.
Capital Equipment Body Cameras \$16,765	Justification: We are requesting a capital expenditure from the City of Ketchum of \$16,765 to replace 11 body cameras that are failing and are no longer supported by the manufacturer. Replacing these important officer safety tools is a cost of doing business and an effective risk management investment.

Project Name: Educational Outreach and Light Pollution Monitoring
Contact Person: Carol Cole
Address: PO Box 4903, Ketchum, ID 83340
Email: idahodarksky@gmail.com
Phone Number: Carol, 208-721-2303

Please provide the information requested below and return via email to aswindley@ketchumidaho.org by end of day, **Friday, April 21, 2023.**

- City Council’s Budget Strategic Session will be on Monday, June 26, 2023 from 9-1pm (to be confirmed/agenda to follow)
- The public hearing will be on July 17, with the readings as follows:
 - 1st – August 7 | 2nd – August 21 | 3rd – September 5

Feel free to expand the text fields. Supporting documents or any additional information for consideration are welcome as attachments.

If any of the below items do not apply to your request, please indicate with N/A.

1. Amount requested for fiscal year 2024: **\$2500.00**
2. What percentage of your overall budget does the requested amount represent? **15%**
Please submit a budget sheet for FY2022 and FY2023 that shows detailed revenue and expenditures.

Funding Source	2024 Percent of Planned Budget	2023 Percent of Total Budget	2022 Percent of Total Budget
Cities of Ketchum, Sun Valley, and Stanley	40% (requested)	44%	50%
Blaine County	18% (requested)	22%	25%
Stanley Chamber of Commerce	18% (requested)	17%	15%
IDSA & Private Donations	24% (confirmed)	17%	10%
TOTAL FUNDING	\$17,000	\$16,000	\$12,200

3. How would your program or project be impacted if it did not receive funding from the City or if funding were reduced? (Expand the box as needed or submit separately.)

Reduced funding would make it more difficult to maintain IDSA's education and outreach efforts that help residents and visitors to enjoy the stunning night sky and understand the importance of preserving the naturally dark nighttime environment within the Reserve.

Leveraging additional funds from the other cities and counties within the Reserve would be more challenging without the leadership and continued support from Ketchum as a related Dark Sky Community.

4. If you received funds from the City in fiscal year 2023, please provide specific examples of how those funds were used to benefit the community. (Expand the box as needed or submit separately.)

- Additional Dark Sky signs were installed within the Reserve north of Ketchum and south of Stanley.
- The CISDR Astronomer in Residence provided two public programs in Ketchum at the Community Library in 2022.
- IDSA volunteers provided dark sky information at Solstice events in Ketchum in June and December and at other events and festivals in the area.
- Responded to email and website questions from local residents regarding dark sky efforts and light pollution concerns.
- Skyglow from the Boise area is visible from some locations within the Reserve. IDSA board members provided two outreach events in the Boise area and spoke with the Boise Mayor about the impacts of light pollution in the Treasure Valley. The goal is to create awareness about light pollution and to mitigate the impacts for residents who live in the Treasure Valley and within the Reserve.

5. If you receive funds from the City in fiscal year 2024, please provide specific goals set by your organization. (Expand the box as needed or submit separately.)

- IDSA will host two WRV-based Astronomers in Residence in 2023 who will provide programs in Ketchum and throughout the Reserve from mid-June to mid-August.
- Offer dark sky programs at the Community Library and other area libraries for area residents and visitors which will be presented by the Astronomers in Residence, BSU AstroTAC students, and local dark sky advocates.
- Work with the International Dark Sky Association (IDA) and UCLA's Institute of the Environment and Sustainability to improve the sky quality monitoring program. Protecting the quality of our night sky is critical in our efforts to reduce light pollution and to maintain designation requirements for both the Reserve and for Ketchum as a Dark Sky Community.
- Coordinate with Ketchum city staff to develop consistent protocols for both sky quality monitoring and lighting inventories as required by IDA.
- Continue outreach efforts in the Treasure Valley to encourage better lighting that will help protect the night sky there and within the Reserve.

Overall benefits of the Central Idaho Dark Sky Reserve to the City of Ketchum and city residents

The Idaho Dark Sky Alliance works with a number of organizations throughout the reserve to educate residents about the importance of maintaining dark skies. The group also serves as a resource for Ketchum and other communities as they develop and implement dark sky policies.

The pristine dark skies we enjoy in the Reserve are a treasured resource for both local residents and visitors. A main goal for the CIDSR is to preserve our dark skies. Reducing artificial light at night benefits human health and wildlife populations, and reduces energy consumption. Dark Sky designation can also provide economic benefits to local businesses through increased tourism and specific benefits to businesses that provide dark sky related items.

The City of Ketchum has been involved with the Dark Sky planning discussions since the 1990s when the city passed a Dark Sky Lighting Ordinance. City staff were instrumental in the early planning effort to get CIDSR recognized as the first Dark Sky Reserve in the US.

Agency Name: Friends of the Sawtooth National Forest Avalanche Center (FSAC)
Project Name: Daily Forecast Sponsor
Contact Person: Dawn Bird, FSAC Executive Director

Please provide the information requested below and return via email to aswindley@ketchumidaho.org by end of day, **Friday, April 21, 2023**.

- City Council’s Budget Strategic Session will be on Monday, June 26, 2023 from 9-1pm (to be confirmed/agenda to follow)
- The public hearing will be on July 17, with the readings as follows:
 - 1st – August 7 | 2nd – August 21 | 3rd – September 5

Feel free to expand the text fields. Supporting documents or any additional information for consideration are welcome as attachments.

If any of the below items do not apply to your request, please indicate with N/A.

-
1. Amount requested for fiscal year 2024: \$ 5,000
 2. What percentage of your overall budget does the requested amount represent? 2 %
Please submit a budget sheet for FY2022 and FY2023 that shows detailed revenue and expenditures.
 3. How would your program or project be impacted if it did not receive funding from the City or if funding were reduced? (Expand the box as needed or submit separately.)

The Friends of the Sawtooth Avalanche Center (FSAC) and Sawtooth Avalanche Center (SAC) hold a shared mission to save lives by reducing avalanche risk to people recreating, working and traveling on and around the Sawtooth National Forest. Avalanches are responsible for more deaths than any other natural hazard on federally owned lands (USFS, BLM), and as was witnessed this past winter of ‘22-23, the city itself falls prey to the destruction of avalanches. SAC’s daily avalanche forecasts are a critical tool for sharing avalanche and weather information with the local and tourist winter recreation community and with our professional and business community, including Blaine County Search & Rescue, law enforcement and fire departments, snow removal and landscape services, backcountry guiding groups, and backcountry gear retailers.

Our local avalanche center truly is a community effort and our most important resource to help our mountain community remain safe during the winter months. A reduction in funding could severely impact our ability to meet our mission.

4. If you received funds from the City in fiscal year 2023, please provide specific examples of how those funds were used to benefit the community. (Expand the box as needed or submit separately.)

Yes, FSAC was a grateful recipient of funds from the City of Ketchum in the FY 2023. These funds helped sponsor the SAC daily avalanche forecast. This has been a wonderful relationship between the City and FSAC for many, many years.

As a small expression of gratitude, we showcase The City of Ketchum as a dedicated sponsor on the FSAC website. <https://friends.sawtoothavalanche.com/sponsors/>

5. If you receive funds from the City in fiscal year 2024, please provide specific goals set by your organization. (Expand the box as needed or submit separately.)

FSAC's primary goal and responsibility is to provide funding for SAC so it may continue to provide reliable, accurate, and actionable avalanche and weather information to the public. The Daily Avalanche Forecast is our most important resource for sharing critical information with the public in order to save lives. Funds collected from the City will be used to ensure this goal is met through supporting the daily costs of producing the avalanche forecast, which can include: website maintenance, weather station upkeep, forecaster safety and training tools, and social media outreach to reach more community members with this life-saving information.

Please provide the information requested below and return via email to aswindley@ketchumidaho.org by end of day, **Friday, April 21, 2023**.

- City Council’s Budget Strategic Session will be on Monday, June 26, 2023 from 9-1pm (to be confirmed/agenda to follow)
- The public hearing will be on July 17, with the readings as follows:
 - 1st – August 7 | 2nd – August 21 | 3rd – September 5

Feel free to expand the text fields. Supporting documents or any additional information for consideration are welcome as attachments.

If any of the below items do not apply to your request, please indicate with N/A.

-
1. Amount requested for fiscal year 2024: **\$ 4,078.00**
 2. What percentage of your overall budget does the requested amount represent? _____ %
Please submit a budget sheet for FY2022 and FY2023 that shows detailed revenue and expenditures.
 3. How would your program or project be impacted if it did not receive funding from the City or if funding were reduced? (Expand the box as needed or submit separately.)

See Attachment

4. If you received funds from the City in fiscal year 2023, please provide specific examples of how those funds were used to benefit the community. (Expand the box as needed or submit separately.)

The \$4,500 received in FY 2023 were used to provide comprehensive animal impound services, as described in question 3.

5. If you receive funds from the City in fiscal year 2024, please provide specific goals set by your organization. (Expand the box as needed or submit separately.)

As stated in question 3, the requested funds would provide animal impound services for the City of Ketchum, in line with local ordinances and statutes. In addition, Mountain Humane is prioritizing its animal microchip program, which will effectively reduce the number of impounded animals at Mountain Humane and expedite the reunification process between people and their animals. Further, this methodology, as outlined in our contract renewal letter, will reduce the time our public safety officers spend transporting impounded animals to our facility in Hailey. In support of this goal, Mountain Humane is offering free microchipping for any Ketchum resident. Residents may call and schedule an appointment for this service. The organization also anticipates having several vaccine clinics in CYs 2023 and 2024.

Question #3

Mountain Humane remains committed to providing the City of Ketchum with high quality and cost effective animal impound and licensing services. The funds received from the City are used to offset the cost of providing the following services:

- A dedicated staff member for answering intake inquiries
- Scanning and follow up related to pet/owner identification
- Processing paperwork and data entry
- A 24-hour security entrance to dedicated impound areas
- Providing dedicated housing to keep these pets separated from the shelter population
- Performing a medical evaluation to ensure the pet doesn't require any further medical attention
- Ensuring the pet is up to date on its rabies and other vaccinations
- Walking the pet multiple times per day and feeding/general care of the pet
- Marketing efforts to return the pet to its owner via our lost and found outlets

This amount does not include costs related to services provided to animals that are not reclaimed by their owner, as well as services provided for animals who are reclaimed after more than 24 hours. In addition to impound services, the contract includes providing services associated with the implementation, management, distribution, and data tracking for the Blaine County dog license program.

The funding proposal for FY 2024 represents a **9.4 percent DECREASE** from FY 2023. This is due to implementing documented best practices in CY 2023, which will include:

- Focusing on microchipping community animals so that our public safety personnel may reunite animals with their owners more quickly. This methodology has been proven to be best practice in communities across the country and will improve community relations and decrease the number of animals impounded each year, and
- Requesting a 3-day holding period to replace the current 7-day holding period for stray impounds. This is a result of historical data reflecting that animals are returned to owners (RTO) typically within the first 24 hours. Those not reclaimed within 24 hours are typically never reclaimed.

If funding were reduced or eliminated, Mountain Humane would struggle to provide these comprehensive services to the City and its residents.

Mountain Humane

Please provide the information requested below and return via email to aswindley@ketchumidaho.org by end of day, **Friday, April 21, 2023.**

- City Council’s Budget Strategic Session will be on Monday, June 26, 2023 from 9:00a – 1:00p
- The public hearing will be on July 17, with the readings as follows:
 - 1st – August 7 | 2nd – August 21 | 3rd – September 5

Feel free to expand the text fields. Supporting documents or any additional information for consideration are welcome as attachments. If any of the below items do not apply to your request, please indicate with N/A.

1. Amount requested for fiscal year 2024: \$ 796,000
2. What percentage of your overall budget does the requested amount represent? 6.8 %
Please submit a budget sheet for FY2022 and FY2023 – *Attachment A* – that shows detailed revenue and expenditures.
3. How would your program or project be impacted if it did not receive funding from the City or if funding were reduced? (Expand the box as needed or submit separately.)

To qualify for FTA funding, which underwrites the lion's share of our budget, Mountain Rides must receive local match funds. There is a direct relationship – intensified by the leverage from the Federal match – between funding from our Joint Powers, including Ketchum, and the quality and quantity of public transportation services we deliver. In Operations, with ~\$2.75 of FTA funding per \$1.00 of local funding, each \$100,000 of local funding results in ~\$375,000 of total funding, which translates to ~3,600 hours of bus service. On the Capital side, the match is ~\$4.00 of Federal funding per \$1.00 of local funding.

Mountain Rides deploys resources efficiently to deliver quality services critical to the community. Reduced funding from Ketchum would likely trigger service cuts on our Blue & Valley Routes – serving ~500,000 riders per year (~75% of MRTA ridership) – which, in turn, would exacerbate challenges – traffic congestion; parking shortages; accelerated wear-and-tear on highways/streets; safety and environmental issues due to increased SOV trips – that Mountain Rides, historically, has helped to mitigate.

For FY24, Mountain Rides is requesting \$796,000 (+3.5% over FY23) from Ketchum: i) for Operations/Service -- \$631,000 -- which is slightly higher than the FY23 funding for Operations and reflects marginal increases in service in FY24 plus inflationary impacts on Mountain Rides’ expenses; and ii) for Capital -- \$165,000 -- which is explicitly allocated as part of the local match for Federal awards earmarked for Capital Improvements, including buses (LD BEBs) (2), vanpool vans (4), Paratransit/NEMT vans (2), and equipment (lifts, hoists, charging infrastructure).

Mountain Rides Transportation Authority

4. If you received funds from the City in fiscal year 2023, please provide specific examples of how those funds were used to benefit the community. (Expand the box as needed or submit separately.)

In FY23, Mountain Rides is using City funds to: i) operate and support our Valley & Blue Routes, including enhanced, more frequent, seven-day service on the Valley Route and continuing late-night service – daily until 12:30am year-round – on the Blue Route; ii) underwrite a portion of the expense for operating ~36,000 hours of service system-wide; iii) manage and operate an ADA Paratransit/NEMT Service; iv) augment grant funding to support, manage, and operate a Safe Routes to School Program; v) engage in regional transportation planning and coordination; and vi) operate and support our regional commuter van pool services bringing workers into the Wood River Valley from points south. Benefits to the community include:

- Workers accessing affordable, reliable, safe transportation getting them to/from jobs.
- Senior citizens and others accessing zero-fare, reliable, safe transportation – ADA Paratransit & NEMT services – getting them to/from health care services, shopping, and activities.
- Cyclists and pedestrians, including children, moving along safe, secure, and scenic routes.
- Visitors – the lifeblood of our economy – connecting from their local lodgings to recreational, cultural, and entertainment venues and activities.
- Less traffic; more balanced transportation options; mitigated parking shortages; higher quality of life.

5. If you receive funds from the City in fiscal year 2024, please provide specific goals set by your organization. (Expand the box as needed or submit separately.)

Mountain Rides goals, set by our Board of Directors, remain consistent and relevant:

- Provide/advocate for well-funded public transportation that meets communities' needs.
- Promote knowledge and awareness of the social, financial, environmental, and community benefits of public transportation.
- Promote regional cooperation on transportation issues.

Specifically, in FY 2024, look for Mountain Rides to:

- Operate 33,000+ hours of annual service on routes serving the City.
- Provide quality transportation services and infrastructure that underpin and promote economic growth, vitality, and livability.
- Provide critical transportation services to transit-dependent essential workers who buttress our local economy.
- Positively impact the local economy, with ~45 employees earning – and spending – ~\$2.6MM in annual wages and benefits.
- Bring two (2) light-duty electric buses (LD BEBs) and related charging infrastructure into our operations (total investment, ~\$800K), which will bring our total BEBs to thirteen (13) in a fleet of twenty-four (24) buses.
- Build, occupy, and put in-service a ~5,400SF state-of-the-art battery electric bus depot and maintenance facility, including charging infrastructure, on Mountain Rides' Bellevue campus.

For a comprehensive look at Mountain Rides' goals, please see Attachment B, "Mountain Rides Transportation Authority Strategic Framework: Pentad of Focus."

Please submit a budget sheet for FY2022 and FY2023 – Attachment A – that shows detailed revenue and expenditures.
3. How would your program or project be impacted if it did not receive funding from the City or if funding were reduced? (Expand the box as needed or submit separately.)

To qualify for FTA funding, which underwrites the lion's share (80%) of the budget for the capital project – construction of a new Battery Electric Bus (BEB) Depot & Maintenance Facility – Mountain Rides must receive local match funds. There is a direct relationship – intensified by the leverage from the Federal match – between funding from our Joint Powers, including Ketchum, and the viability of building the project as specified, and endorsed and underwritten (to 80%) by the FTA. The match is ~\$4.00 of Federal funding per \$1.00 of local funding.

Mountain Rides deploys resources efficiently to deliver quality projects and services critical to the community. Reduced funding from Ketchum for this project would likely cause, in the best case, a delay in commencing the project until alternative local match funding to make up the shortfall from Ketchum could be secured, or, in the worst case, if alternative local match funding could not be secured, abandonment of the project and its accompanying \$4.8M of Federal grant award funding to be invested in the community, in the process leaving Mountain Rides and the community critically underinvested in the infrastructure needed to carry out its strategic transition to a 100% battery electric, zero emissions fleet.

For FY24, Mountain Rides is requesting \$600,000 from Ketchum, which will be combined with \$609,250 from our other Joint Powers Partners. The total Joint Powers’ funding of \$1,209,250 will be used as the local match for the Federal award of \$4,837,000 for underwriting the project – total project: \$6,046,250.

4. If you received funds from the City in fiscal year 2023, please provide specific examples of how those funds were used to benefit the community. (Expand the box as needed or submit separately.)

In FY23, Mountain Rides is using City funds to: i) operate and support our Valley & Blue Routes, including enhanced, more frequent, seven-day service on the Valley Route and continuing late-night service – daily until 12:30am year-round – on the Blue Route; ii) underwrite a portion of the overall expense for operating ~36,000 hours of service system-wide; iii) manage and operate an ADA Paratransit Service; iv) augment grant funding to support, manage, and operate a Safe Routes to School Program; v) engage in regional transportation planning and coordination; and vi) operate and support our regional van pool services bringing workers into the Wood River Valley from points south. Benefits to the community include:

- Workers accessing affordable, reliable, safe transportation getting them to/from jobs.
- Senior citizens and others accessing affordable, reliable, safe transportation – ADA Paratransit / NEMT service – getting them to/from health care services, shopping, and activities.
- Cyclists and pedestrians, including children, moving along safe, secure, and scenic routes.
- Visitors – the lifeblood of our economy – connecting from their local lodgings to recreational, cultural, and entertainment venues and activities.
- Less traffic; more balanced transportation options; mitigated parking shortages; higher quality of life.

5. If you receive funds from the City in fiscal year 2024, please provide specific goals set by your organization. (Expand the box as needed or submit separately.)

Mountain Rides goals, set by our Board of Directors, remain consistent and relevant:

- Provide/advocate for well-funded public transportation that meets communities' needs.
- Promote knowledge and awareness of the social, financial, environmental, and community benefits of public transportation.
- Promote regional cooperation on transportation issues.

For a comprehensive look at Mountain Rides' goals, please see Attachment B, "Mountain Rides' Strategic Framework: Pentad of Focus."

With respect to the funds requested herein, in FY 2024, Mountain Rides will combine those funds with other Local and Federal funds and use the total funding to underwrite the construction and equipping of an approximately 5,400SF building (depot; maintenance; electric bus storage & charging; supplemental/back-up electricity generation) on real estate owned by Mountain Rides that is contiguous with Mountain Rides' existing facility in Bellevue, Idaho. The new facility will be put in service as part of and supporting Mountain Rides' 5311 Rural Operations in the Wood River Valley.

For a comprehensive, detailed description of and context for the project, please see Attachment C, "Mountain Rides Transportation Authority - FFY 2024 5339 Rural One-Time Capital Application," excerpted from Mountain Rides' Federal Grant Application, submitted through ITD, for the project.

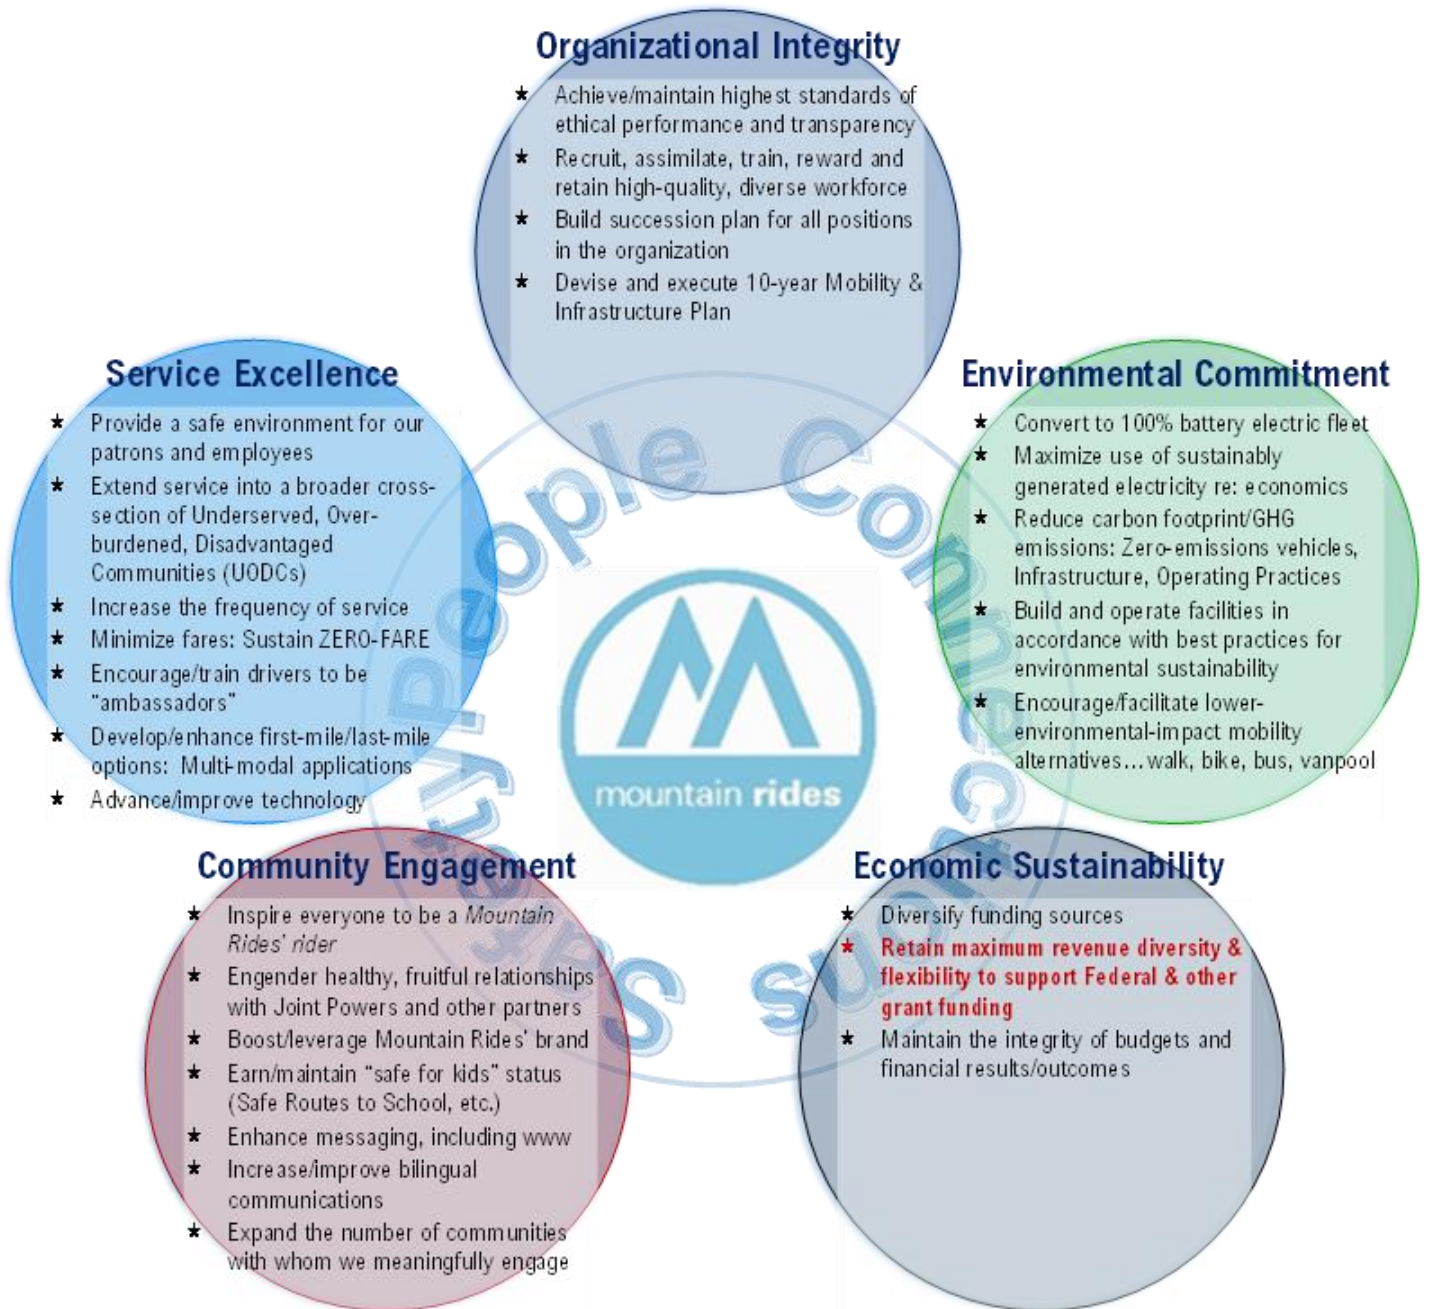

Attachment A

BUDGET SHEET: MOUNTAIN RIDES		
REVENUE	FY 2022	FY 2023
Operations Fund	\$ 3,636,400	\$ 4,188,300

Re: FFY 2024 5339 Rural One-Time Capital Application for Funding of \$3,497,000

Enclosed please find Mountain Rides Transportation Authority’s (“Mountain Rides” or “MRTA”) Application for FY 2024 5339 Rural One-Time Capital Funding. The enclosed package includes: i) a response to the questions laid out in each section of the application; ii) completed Attachments A (Budget), B (Milestones), C (NEPA), and D (Demonstration of Need); and iii) five appendices containing support materials recommended as part of the application.

For the two-year grant cycle – October 1, 2023, to September 30, 2025 – Mountain Rides is seeking \$3,497,000 of 5339 One-Time funding, which will be matched by \$874,250 of local funding.

The total funding - \$4,371,250 – will be combined with the total funding of \$1,675,000 (\$1,340,000 Federal; \$335,000 Local Match) committed via ITD Funding Agreement #C2379MT and, collectively, the funding will underwrite Mountain Rides’ construction and equipping of an expanded and upgraded facility – depot, maintenance, electric bus storage and charging, supplemental/back-up electricity generation – that serves as critical infrastructure underpinning our transition to and assimilation of a 100% electric fleet, and supporting our operation of 5311 Service in rural Blaine County, Idaho, and surrounding communities.

The funding sought by this 5339 Rural One-Time Capital Application will be used to underwrite enhancements to and an expansion of the already funded Project, summarized above, including:

- ♦ **Optimizing the new facility's footprint on the Bellevue parcel (by extending the expansion to ~5,400SF), thereby affording indoor storage, maintenance, and charging for a greater number of electric buses;**
- ♦ **Adding advanced door-lock and security systems to the facility;**
- ♦ **Adding state-of-the-art electric bus charging technology, charge management systems, and infrastructure as features of the project;**
- ♦ **Adding advanced bus washing infrastructure to the expanded facility; and**
- ♦ **Absorbing overall construction cost increases resulting from inflationary pressures and local market dynamics subsequent to our Q4-2021 submission of the grant application that garnered the \$1.34M per ITD Funding Agreement #C2379MT mentioned above.**

If you have any comments or questions, please feel free to reach out.

Thank you for your consideration and for looking favorably on our application.

1. Project Description: Mountain Rides Bellevue Facilities Expansion

Project Priorities and Program Eligibility

Mountain Rides Transportation Authority (“Mountain Rides” or “MRTA”), a 5311 operator, affirms the ITD-PT’s Program Priority – capital for existing 5311 operators – and hereby requests capital funds to augment funds previously granted (via ITD Funding Agreement #2379MT (the “Agreement”)) and underwrite MRTA’s construction and equipping of a new, ~5,400SF facility to expand and complement facilities on MRTA’s site in Bellevue, Idaho. MRTA will use the new building – a depot with maintenance, electric bus storage & charging, and supplemental/back-up electricity generation functionality – to support its continuing 5311 rural operations serving Blaine County, Idaho, and its surrounds, where people trust Mountain Rides and rely on public transit to reach their destinations.

Scope of Work

Construction and Equipping of Facility

MRTA will select, via an RFP process, and hire a construction contractor who, along with subcontractors, will construct and equip an approximately 5,400SF building (depot; maintenance; electric bus storage & charging; supplemental/back-up electricity generation) on real estate owned by Mountain Rides that is contiguous with MRTA’s existing facility in Bellevue, Idaho. The new facility will be put in service as part of and supporting Mountain Rides’ 5311 Rural Operations. (For the *Scope of Work* associated with *MRTA’s 5311 Rural Operations*, please see *Appendix E, MRTA’s FTA Section 5311 Formula Grant Application*).

Scope of Work, Services, and Objectives

Mountain Rides provides a range of transportation options for Blaine County, its communities, and nearby jurisdictions, that are safe, user-focused, environmentally friendly, sustainable, and supportive of a strong local economy. The funding requested herein (Federal share: \$3,497,000) will be matched with \$874,250 of Local Funding and that total will be combined with the Agreement’s funding for this Project (Federal share: \$ 1,340,00; Local Match: \$335,000) to underwrite a ~5,400SF construction, expansion, and upgrading of MRTA’s Bellevue, Idaho, facilities. For a concise exposition of the Scope of the Project, please see *Appendix D, Architect’s Narrative and Plans*.

The facilities deriving from the Project will be vital in MRTA’s continuing provision of transportation services that support its objectives:

- Providing and advocating for a sustainable public transportation system that reduces single occupancy vehicle trips and meets the needs of our communities and their citizens.
- Conveying information and knowledge, thereby increasing awareness of the social, financial, environmental, and community benefits of public transportation.
- Facilitating regional cooperation regarding transportation issues.
- Providing convenient, accessible, sustainable mobility for all, thereby meeting vital needs – commuting to jobs, shuttling to medical services, and traveling to supermarkets, pharmacies, and other stores.
- Prioritizing service for the transit-dependent, including essential workers and communities-of-color, who have limited options for mobility.
- Reducing traffic congestion and greenhouse gas emissions, thereby enhancing the quality of life in the Mountain Rides’ service area.
- Converting to a 100% battery electric, zero-emissions fleet by 2027.

2. Demonstration of Need: Mountain Rides Bellevue Facilities Expansion

Mountain Rides needs to expand its Bellevue, Idaho, facilities – developing additional indoor, climate-controlled space for electric bus storage, charging, and maintenance – to facilitate and accommodate Mountain Rides’ ongoing conversion to a 100% battery electric fleet and the concomitant provision of 5311 rural services on routes throughout and beyond the Wood River Valley/Blaine County, Idaho.

Mountain Rides initially expressed this need to ITD-PT and FTA-District X in 2018, as part of our case for acquiring, using grant funding, the parcel immediately adjacent to Mountain Rides’ Bellevue, Idaho, depot facility. We acquired this parcel in 2020. Now we will take the next step in meeting our need, by developing the facility contemplated herein on this parcel.

Mountain Rides is the comprehensive provider of rural public transportation services in Blaine County, Idaho, and surrounding communities. Mountain Rides is seeking grant funding to underwrite the development of a comprehensive facility (depot; maintenance; electric bus storage & charging; supplemental/back-up electricity generation) on its Bellevue, Idaho, site. This new, expanded facility is critical to Mountain Rides:

- It is essential as a place for indoor storage and charging of our expanding fleet of battery electric buses (BEBs); our goal is for complete fleet electrification by 2027.
- It will be vital infrastructure, especially with respect to fleet electrification, that will enable Mountain Rides to support and sustain – and opportunistically expand – our 5311 Services.

MRTA’s strong and growing ridership is a primary and substantial demonstration of need for the new bus facility contemplated herein. MRTA is the largest, in terms of fixed-route ridership and level of service, provider of public transportation in rural Idaho. Against a backdrop of flat or declining ridership in the industry, MRTA is growing. Over the five (5) years preceding the COVID-19 pandemic, MRTA’s ridership grew steadily. For each of the four (4) years prior to the pandemic, ridership topped 500,000, with the most recent pre-pandemic year yielding 583,000 riders – seventeen percent higher (+17%) than five (5) years prior. In 2022, MRTA’s ridership began a rebound from pandemic lows, once again topping the half-million mark, at 590,000, for the year, and portending years of upward trending ridership numbers into the foreseeable future.

MRTA’s strategic plan comprises continued underwriting of high-frequency, productive, and efficient fixed-route service that yields increasing returns (growing ridership). MRTA’s executing the strategic plan – including the development of key bus facilities and infrastructure, such as that described herein, as well as the 100% electrification of our fleet – assures our meeting the community’s demand for enhanced, zero-emissions bus service, as well as our targets for ridership, which we expect to approach 750,000 annually by 2027.

Implicit in MRTA’s strategic plan is the continuing expansion and upgrading of bus facilities to support and sustain MRTA’s 5311 Services. The grant funding contemplated herein will be applied to expand and upgrade MRTA’s bus facilities, particularly to provide the capacity needed to support Mountain Rides’ conversion to a 100% clean, green, battery electric fleet.

For additional *Demonstration of Need*, specifically that associated with *MRTA’s 5311 Rural Operations*, please see *Appendix E, MRTA’s FTA Section 5311 Formula Grant Application*.

For an overall summary of *Mountain Rides’ Demonstration of Need*, please see *Attachment D*.

3. Project Planning: Mountain Rides' Bellevue Facilities Expansion

Integration with ITD-PT Statewide Plan

Mountain Rides' anticipated expansion/enhancement of facilities to be underwritten by 5339 one-time capital, will further Mountain Rides' and the ITD-PT's cause towards achieving the goals for Idaho's public transportation network. Specifically, with respect to goals set forth in the Idaho Public Transportation Plan, April 2018:

- **Goal: Ensure the Safety and Security of Public Transportation Users.**

The expanded/enhanced facility contemplated herein will include a high-quality maintenance facility, which, in turn, will help ensure consistent, timely, quality maintenance of Mountain Rides' fleet of buses, thereby contributing to greater and supremely reliable safety and security of Mountain Rides' ridership. The inclusion of an expanded park-and-ride facility at the Bellevue site should stimulate greater use of multi-modal transportation alternatives, thereby contributing to reducing the number of single-occupancy vehicles on the roads within Mountain Rides' service area, which makes the overall transportation system safer and more secure for all users.

- **Goal: Encourage Public Transportation as an Important Element of an Effective Multi-Modal Transportation System.**

The inclusion of an expanded park-and-ride facility at the Bellevue site speaks directly to promoting and supporting a multi-modal transportation system – SOVs, transit buses, bikeshare – with Mountain Rides' services at the core of that system.

- **Goal: Preserve the Existing Public Transportation Network.**

The expanded/enhanced facility contemplated herein will not only help preserve and sustain public transportation in Blaine County, Idaho, but will serve as an important foundation for growing and expanding public transportation services and the reach of public transportation services into the community. The expanded/enhanced facility may prove valuable as a key link – a hub – for integrating any forthcoming rural intercity bus service with Mountain Rides' Blaine County services, and thereby contributing to preserving/sustaining an important component of the public transportation network in the state.

- **Goal: Provide a Transportation System that Drives Economic Opportunity.**

Mountain Rides already contributes to driving economic opportunity within its service area by: i) providing critical zero-fare public transportation services for a resort community workforce, many of whom, due to a prohibitively high cost of living, especially for housing, within the “resort proper” (Ketchum and Sun Valley), are relegated to living in and commuting from more affordable locations throughout the area and ii) supporting an environmental ethic – “One Less Car” – that is vital to making and sustaining Blaine County and its cities as a “livable community” and a region that attracts the in-migration of individuals, families, and businesses, all of which contribute to a healthy, growing economy.

The expanded/enhanced facility contemplated herein – and all of the benefits it will provide Mountain Rides – is a prudent investment by Mountain Rides, cementing its commitment to delivering impetus and support for continuing economic development, opportunity, and prosperity in Blaine County, Idaho.

Project Planning Activities

In 2019, at the time of grant funding to acquire the parcel to be developed (the “Parcel”), Mountain Rides undertook the following planning activities:

- ◆ Developed draft plans for the proposed facility.
- ◆ Completed a NEPA – Categorical Exclusion – for the facility.
- ◆ Sought and received from FTA an Administrative Settlement Concurrence for purchase of the Parcel.
- ◆ Sought and received from a qualified public works contractor an estimate/non-binding quote for the cost to construct the contemplated facility.

Over the past year-plus, subsequent to acquiring the Parcel, MRTA has continued planning the contemplated facility, including:

- ◆ Contracted an architect to draft a facility design to facilitate enumerating a preliminary development budget.
- ◆ Generated a preliminary development budget (total = ~\$1.675M).
- ◆ Hired an engineering firm to complete a preliminary engineering needs/requirements assessment.
- ◆ Engaged with the Bellevue City Planning to i) understand zoning allowances/restrictions; ii) initiate interaction with the City’s Planning & Zoning Commission and processes; and iii) get an informal, preliminary approval of the concept for development.
- ◆ Reviewed CC&Rs of the Parcel’s subdivision to understand constraints, if any, imposed therein.
- ◆ Received concurrence from Mountain Rides Board of Directors for the development of the Parcel, the financing of the development, and the specifics of the development’s design and features.
- ◆ Received a 5339 award of \$1,340,000 and a local match commitment of \$335,000 to underwrite the Project per the preliminary development budget.
- ◆ Engaged with the architect to render the final design and cost projections for the Project.
 - This process yielded substantive changes to the design and budget for the Project, including:
 - Extension of the new facility’s footprint by ~1,800SF, to ~5,400SF total;
 - Addition of advanced building security systems in the design;
 - Inclusion of state-of-the-art battery electric bus charging technologies, management systems, and infrastructure in the design of the facility; and
 - Adjustment upward of the overall projected cost of the Project resulting from inflationary pressures and local market dynamics subsequent to our Q4-2021 submission of the grant application that garnered the \$1.34M per ITD Funding Agreement #C2379MT.
- ◆ Completed additional reviews to supplement our NEPA CE, including an *Archaeological and Historical Survey* and a *Hazardous Materials Review*, and forwarded them to ITD-PT and FTA District X for review, approval, and acceptance. Currently awaiting response from FTA. For the ***NEPA-CE and additional documentation***, please see ***Attachment C***.

MRTA has a strong track record of managing grants and delivering projects underwritten by those grants. MRTA is a government agency, formed by the terms of a Joint Powers Agreement (JPA) between the cities of Ketchum, Sun Valley, Hailey, and Bellevue, and Blaine County, Idaho. The JPA renews every four (4) years; the most recent renewal occurred in 2019. An eight-member Board, appointed by signatories to the JPA, oversees and serves as fiduciary for Mountain Rides, setting strategic direction and objectives, approving budgets, ratifying policies, and managing the Executive Director. Under the Board’s direction, the Executive Director and staff implement annual and longer-term plans. The MRTA organization:

MRTA’s discipline includes soliciting bids from and doing business with Disadvantaged Business Enterprises (DBEs), whenever possible.

MRTA has no labor unions.

Public Support

For *Letters of Support* from, and *Funding Request presentations* to, our Joint Powers and other community partners, please see **Appendix A**.

Project Milestones and Timeline

For *Project Milestones* and *Timeline*, please see *Attachment B*.

4. Project Benefits/Evaluation: Mountain Rides' Bellevue Facilities Expansion

Benefits

As a source of public transportation services for the region, MRTA is valued and valuable, providing clear benefits to the community:

Mountain Rides Teamwork...Integrity...Commitment to Excellence

...because it's the journey that matters

...as guided by our Strategic Framework:

Mountain Rides Transportation Authority Strategic Framework: Pentad of Focus 2020 – 2024

...it's the journey that matters

Benefits: Mountain Rides' Bellevue Facility Expansion Project

Direct Benefits

The outcomes of the Project will provide Direct Benefits to Mountain Rides, our stakeholders, our riders, our employees, and the community-at-large, including its historically underserved populations, comprising:

- ♦ Building out the infrastructure that enables Mountain Rides to efficiently, effectively, and timely transition to a 100% zero-emissions, battery electric bus fleet – with a ***total cost of ownership*** likely to be less than the total cost of ownership of a similarly equipped fleet of diesel buses – by 2027.
- ♦ Providing infrastructure as the foundation for a sustainable zero-emissions, battery electric bus fleet that supplants a diesel bus fleet and thereby ***mitigates Mountain Rides' deleterious impacts on the environment*** by eliminating ~2,000 metric tons of CO₂ emissions annually from the Wood River Valley.
- ♦ Providing critical infrastructure that enables Mountain Rides to expand and optimize its battery electric bus fleet, which, in turn, enables Mountain Rides to extend its battery electric bus service – and all of its benefits – into historically underserved communities, thereby ***validating Mountain Rides' commitment to and actions in support of social justice and equity***.
- ♦ Building out infrastructure that expands and enhances Mountain Rides' current infrastructure, thereby activating USA/FTA objectives implicit in the ***2022 Infrastructure Investment and Jobs Act***.

Indirect Benefits

In addition to the Direct Benefits associated with the outcomes of the Project, the execution of the Project, resulting in the establishment of Mountain Rides' foundational infrastructure, will deliver and enhance Indirect Benefits to Mountain Rides, our stakeholders, our riders, our employees, and the community-at-large, including its historically underserved populations, comprising:

- ♦ Investing in ***workforce development*** efforts that provide: i) new 21st-century jobs; ii) opportunities for workforce skills enhancement driven by fleet and infrastructure electrification; and iii) sustainable demand for a workforce with 21st-century skills and training.
- ♦ Instilling a ***Build Back Better ethos in all efforts to modernize and enhance Mountain Rides' operations, infrastructure, and services***.
- ♦ Supporting and contributing to Mountain Rides' ***delivery of, measurement of, and accountability for benefits deriving from its 5311 Operations***, as detailed in the following paragraphs.

For additional benefits deriving from this Project and manifest as benefits of Mountain Rides' 5311 Service, please see the ***Project Benefits/Evaluation*** section of ***MRTA's FTA Section 5311 Formula Grant Application*** in ***Appendix E***.

Evaluation

Mountain Rides' Bellevue Facility Expansion Project

Measurement

MRTA, via its 5311 services, provides valued and valuable transportation services to the communities it serves. MRTA will measure its success in fulfilling this commitment, as manifest in the ***Bellevue Facility Expansion Project***, across three parameters: i) completing the Project on time; ii) completing the Project within budget; and iii) building a Project that supports and advances the value of Mountain Rides' transportation services to the stakeholders and communities it serves.

Accountability

MRTA will be held accountable for its performance on the Project by, among others, its Joint Powers partners. Accountability will manifest in a regular array of reports and presentations, in public session, by MRTA to the Joint Powers partners, specifically to city councils and the county board of commissioners. These interactions will include: i) periodic presentations updating the councils/commission/public on the Project's management, financial, grant administration performance; ii) annual presentations to councils/commission supporting MRTA's annual funding request, including a request for capital funds providing the local match to the Federal grant for the Project; and iii) ad hoc presentations, upon request from the councils/commission or at the suggestion of MRTA, from time-to-time, on a variety of issues vis-à-vis the Project that are at the intersection of the Joint Powers, the public, riders, and MRTA. The checks-and-balances to assure prudent and proper management, execution, and engagement with the community by MRTA are solidly in place. As attestation of MRTA's accountability, evident as *Letters of Support from our Joint Powers*, please see *Appendix A*.

During the duration of the Project, MRTA will also be accountable, via quarterly *Milestone Reporting*, to the ITD-PT and the FTA. For the initial *Milestone Reporting*, please see *Attachment B*.

For additional evaluation metrics deriving from this Project and manifest as evaluation of Mountain Rides' 5311 Service, please see the *Project Benefits/Evaluation* section of *MRTA's FTA Section 5311 Formula Grant Application* in *Appendix E*.

ITD Metrics and Accountability

As a subrecipient of federal grant funding, MRTA is accountable to the Idaho Transportation Department (ITD) Public Transportation Office (PT). This accountability manifests through quarterly and ad hoc reporting by MRTA to the ITD-PT. One of the upshots of that reporting is the ITD-PT's compilation and dissemination of its *Annual Public Transportation Performance Report*, a state-of-the-state report regarding public transportation that details, for all to see, the performance, on a variety of metrics, of individual agencies and across the state at-large. Accountability!

Execution

MRTA has the capacity and wherewithal to carry out the Project – expansion and enhancement of our Bellevue facilities. MRTA has been successfully carrying out projects like this one, underwritten by a combination of federal grant funding and local match dollars, for well over a decade.

MRTA has the organization, financial strength, and local match commitment in place to support and execute this project. To verify this claim, please see *Appendix B* for *MRTA's Organizational Chart; Audited Financial Statements; Agreements for Service and Funding* with our joint powers partners and a local business partner; *MRTA's Joint Powers Agreement*, extended and executed through September 2023; and *MRTA's November 2022 Statements for MRTA's LGIP Funds* (LGIP Funds will be the source for the Local Match).

5. Project Budget: Mountain Rides' Bellevue Facilities Expansion

Narrative

MRTA's management and staff have a strong track record of managing grant programs and budgets and delivering projects underwritten by those grant programs within budget.

MRTA is a government agency, governed according to the terms of a Joint Powers Agreement (JPA). The signatories to the JPA are Mountain Rides' primary providers of local match funds. That funding, which appears to be stable into the foreseeable future, needs to be \$335,000 for this project, underwriting twenty percent (20%) of the project. The Joint Powers appropriate MRTA funding annually via their respective budgeting processes.

MRTA counts on the 5339 One-time Grant funding contemplated herein – \$3,497,000 – to underwrite a meaningful portion – eighty percent (80%) – of the project (development and construction of facilities).

MRTA generates supplemental revenue from: i) advertising sales revenue; ii) fare revenue (vanpool) and iii) partnership revenue. While these revenue streams are subject to variability, they have generally remained consistent and growing for Mountain Rides over the past several years. We expect the same going forward.

MRTA develops expense budgets and cost projections ("costs/estimates"), including those referenced herein, using a zero-based technique that considers the project to be funded, prevailing wage rates, contractors' estimates/quotes, projected costs, prior experience with similar projects, inflationary adjustments, and costs of all goods and services to be purchased to support and complete the project.

Project Budget

As summarized in *Attachment A* and detailed in *Appendix C*, the Project Budget for Mountain Rides’ Bellevue Facility Expansion is:

	Original re: 5339	Additional re: 5339	
Planning, Design, Permitting, Environmental Phase	Spring 2022	One-time	Total Project
NEPA - Cultural Assesment/Other Specialized	\$ 15,000	\$ -	\$ 15,000
Architect	37,000	-	37,000
Structural Engineer	10,000	-	10,000
Civil Engineer	10,000	-	10,000
Mechanical/Bldg Elec Engineer	10,000	-	10,000
Bus Infrastructure Mechanical Engineer	35,000	-	35,000
Contingency	11,700	6,300	18,000
s.t.	\$ 128,700	\$ 6,300	\$ 135,000
Construction Phase

Re: FFY 2024 5339 Rural One-time Capital Grants

Dear Ms. Miller:

I am writing in support of Mountain Rides' application for funding under the ITD's FFY 2024 5339 Rural One-time Capital Grants program. Mountain Rides intends to use the grant funding to expand and upgrade its Bellevue, Idaho, facility including enlarging and outfitting it with charging infrastructure for Mountain Rides' burgeoning fleet of battery electric buses. The City of Sun Valley supports Mountain Rides' application for funding and encourages you to view this application favorably.

The City of Sun Valley makes significant investments in Mountain Rides through annual appropriations of local funding, as public transportation is a key strategy in improving our local economy and quality of life in and around the City. Mountain Rides serves residents, commuters, and visitors, and is supported through regional cooperation.

Expanding, upgrading, and outfitting Mountain Rides' Bellevue facility will benefit the health, vitality, and environment of our community. Sustainability and energy efficiency – core values in our community – will be bolstered by further incorporating battery electric buses and their related facilities, technologies, and infrastructure into our local public transportation system.

Thank you for looking favorably on Mountain Rides' application. This funding opportunity is central to success for Mountain Rides Transportation Authority, and to our community.

Sincerely,

Peter M. Hendricks
Mayor

City of Ketchum

Re: FFY 2024 5339 Rural One-time Capital Grants

Dear Ms. Miller:

On behalf of the Blaine County Regional Transportation Committee (BCRTC), I would like to express our enthusiastic support of Mountain Rides Transportation Authority's application for funding, under the ITD's FFY 2024 5339 Rural One-time Capital Grants program, to expand and upgrade its Bellevue, Idaho, facility. The project will include enlarging the facility and outfitting it with charging infrastructure for Mountain Rides' fleet of battery electric buses. The BCRTC encourages you to view this application favorably.

The Blaine County Regional Transportation Committee comprises Blaine County, the Blaine County Sheriff, the cities of Blaine County, the Blaine County School District, the Blaine County Recreation District, and the United States Forest Service. The BCRTC recognizes the importance of Mountain Rides in providing transportation solutions that significantly enhance mobility and the quality of life for our community, commuters, and visitors. BCRTC sees the economic and environmental benefits to our community brought by Mountain Rides.

Thank you for looking favorably upon Mountain Rides' application. This funding opportunity is central to success for Mountain Rides and our community.

Re: FFY 2024 5339 Rural One-time Capital Grants

Dear Ms. Miller:

On behalf of Sun Valley Economic Development (SVED), I would like to express our enthusiastic support of Mountain Rides Transportation Authority's application for funding, under the ITD's FFY 2024 5339 Rural One-time Capital Grants program, to expand and upgrade its Bellevue, Idaho, facility. The project will include enlarging and outfitting the facility with charging infrastructure to accommodate Mountain Rides' fleet of battery electric buses. SVED encourages you to view this application favorably.

With a full-time executive director and volunteer Board, SVED, a 501(c)(6) not-for-profit public-private partnership, focuses on county-wide issues, and works directly with the Idaho Department of Commerce and other Idaho state agencies. Our vision is for sustainable economic growth throughout the Sun Valley region. We back that up with a mission to preserve and advance the region's economic vitality and diversity while recognizing the values of its citizens.

SVED acknowledges Mountain Rides' import in supporting our mission as it delivers transportation solutions that significantly enhance mobility, quality of life, and economic vitality in our community. SVED recognizes the economic, lifestyle, and environmental benefits Mountain Rides brings to our community.

Thank you for looking favorably on Mountain Rides' application. This funding opportunity is central to success for Mountain Rides and our community.

Sincerely,

Harry Giffith
Executive Director

Add Alternate #1 Construct Covered Car Port for the 11 Parking Spaces 24' x 104' = 2,496 sf x \$100/sf = \$249,600.00

Open Covered Car Port; Wd. Structure, Asphalt Shingles Roof, and a few Lights. Includes 2' soffit overhang both ends,

Add Alternate #2 SNOW MELT the entire Parking Lot 10,770 sf x \$18.70/sf = \$201,399.00 + \$25K (Boiler) = \$226,399.00

Add Alternate #2A SNOW MELT the entire Parking Lot Less the Covered Parking 8,274 sf x \$18.70/sf = \$154,723.00 + \$25K (Boiler) = \$179,723.00

10 October, 2021

Mountain Rides
Ketchum, Idaho 83340

Board Members/ Facilities Planning Committee,

I have met with Ben Varner of Mountain Rides to discuss your Bellevue vacant parcel and the desire to expand bus storage facilities. I have produced a cost estimate for four variations of building types in terms of exterior wall and or structural systems. Those different types are: 1, Steel Building Kit, 2. Wood Frame Construction for walls and wood /steel roof trusses, 3. ICF walls and wood/steel roof trusses, and 4. Masonry wall construction with wood/steel roof trusses. I have budgeted for a freestanding building, associated infrastructure, necessary site improvements for grading, drainage, parking, and landscaping. Due to the public nature of the business and the use of public funds, the budgeting is based on construction to be performed by Public Works Licensed Contractors/ Subcontractors. I have included a contingency budget and also presented a range of cost(s). I have included these other aspects to account for cost variations due to the current high construction costs within the Idaho and Wood River Valley construction industry.

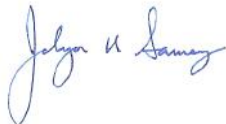

The cost variations are based on current experience with commercial projects and contractors in the Wood River Valley as well as in the Boise area. I cannot however guarantee the prices presented are accurate but are at this time my best professional estimate. Additionally, I can only estimate relative to costs for the construction season of 2021 but believe 2022 will be similar. Beyond the year 2022 is too far into the future to estimate for accuracy.

Ben and I also explored other programmatic desires that may apply to this project and your budgeting; but have not been addressed these ideas in this cost estimating exercise. The options for consideration maybe:

1. Maximizing for Park and Ride spaces
2. Incorporate Employee Housing
3. Combine lots to maximize land development by reducing set back requirements
4. Combine lots to allow for a new bus storage facility addition to the existing building, this generates more available land area for other uses.

These are some thoughts that may have beneficial outcomes and could/ should be at least studied in a preliminary fashion for viability, benefit etc. If you have any questions and or also would like me to attend any planning sessions pertaining to this package, I can be available after October 14th.

Sincerely,

Jolyon H. Sawrey, Architect/Land Planner

MEMORANDUM

DATE: October 8, 2021

TO: Ben Varner

c: Jeff VanSickel

FROM: Jason Marena
Project Manager

SUBJECT: 165594 Mountain Rides Generator Estimate

MESSAGE

Hi Ben,

POWER Engineers has prepared the following Rough Order of Magnitude (ROM) estimate for a backup generation installation at the proposed Bellevue, ID facility on Clover Rd. This estimate is based on the assumption that the building will be approximately 4500 sq. ft. and use gas heating. The facility will also house up to four 150kW electric bus chargers.

Based on these assumptions, our estimate for the project is shown below:

- Engineering: \$25,000
- Installation: \$25,000
- 750kW Diesel Generator with weatherproof enclosure: \$185,000
- Automatic Transfer Switch: \$15,000
- Generator Concrete Pad: \$20,000
- **Total: \$270,000**

Please let us know if you have any questions or comments.

A handwritten signature in black ink that reads "J. Marena".

Jason Marena
Project Manager

Appendix D

- **Architect's Narrative and Plans**

06 January, 2023

To Whom it May Interest/ Grant Evaluation Committee,

I am the project architect for the expansion project for the Mountain Rides Bus Facility in Bellevue, Idaho. This narrative is to bring further understanding of why the new addition is designed the way it is and some of the aspects that you may be valuable for your consideration relative to the providing of grant funding.

SITE PLANNING

As one can see on the site plan that the north alley is the inward approach for the buses. The angled building accommodates the turning radius of the incoming bus and the staggering of the bays allows for multiple tandem parking/ drive throughs for the buses. Mountain Rides owns two adjacent parcels- one with the existing bus facility and an adjacent vacant lot. We first evaluated a detached bus parking building, but due to setback requirements, goal of more than (4) bays, accommodating parking requirements etc. the decision was made to combine the parcels into one lot. This allows for the connection/ addition of the new building to be directly attached to the existing building- no in-between setbacks to deal with. This then preserves area for surface parking as well as making one facility for staff to circulate within instead of going outside to get to the next building. As the project is in "snow country" snow storage is mandatory unless other measures address snow management. Thus, the inclusion of carport style covered parking makes the snow storage on the roof of the carport as compared to maintenance costs for snow removal or high operating cost of heating paved surfaces to melt- snow.

BUILDING PLANNING

As an 'environmental' architect I am always planning for the long-term life expectancy/ performance/ durability, operating costs/ energy efficiency etc. for my projects. This project is proposing ICF super insulated, thermal mass, air tight walls, exterior masonry and metal siding for low maintenance. Also proposed is energy efficient, quiet, low maintenance hydronically heated slab on grade floors. Above code air sealing and insulation systems and higher performance glazing will also be included. The EPDM membrane roof will be ballasted for 75% solar reflectance as well as also offering UV and service worker protection of roof membrane. The wall assemblies will have a (4) hour fire rating and the building will be fire sprinkled which will help with lower insurance costs and providing further building/ occupant safety. All of these aspects make long-term operating costs lower than conventionally constructed light industrial buildings, a more comfortable work environment, long-term low maintenance and reduced operating costs.

Sincerely,

Jolyon H. Sawrey, Architect/Land Planner

City of Ketchum

Agency Name: Sun Valley Economic Development
Project Name: FY24 Funding Request
Contact Person: Harry Griffith
Address: POB 3893 Ketchum, ID 83340
Email: harry@sunvalleyeconomy.org
Phone Number: 208-721-7847

Please provide the information requested below and return via email to aswindley@ketchumidaho.org by end of day, **Friday, April 21, 2023**.

- City Council's Budget Strategic Session will be on Monday, June 26, 2023 from 9-1 pm (to be confirmed/agenda to follow)
- The public hearing will be on July 17th, with the readings as follows:
 - 1st – August 7st | 2nd – August 21 | 3rd – September 5th

Feel free to expand the text fields. Supporting documents or any additional information for consideration are welcome as attachments.

If any of the below items do not apply to your request, please indicate with N/A.

-
1. Amount requested for fiscal year 2024: \$ 15,000_____
 2. What percentage of your overall budget does the requested amount represent? 7___ %
Please submit a budget sheet for FY2022 and FY2023 that shows overall revenue and expenditures.
 3. How would your program or project be impacted if it did not receive funding from the City or if funding were reduced? (Expand the box as needed or submit separately.)

Access to grant dollars from the Idaho Dept. of Commerce Rural ED Grant program would not be possible, and projected funding from the five other Blaine Co municipalities would be very difficult unless the City demonstrated leadership through this budget request. With the largest business community and employer base, Ketchum's continued support is critical. In order to leverage more than the projected \$55k in Blaine Co. non-Ketchum public sector and \$60k in private sector funding, the City contribution plays a pivotal "key contributor" role.

4. If you received funds from the City in fiscal year 2023, please provide specific examples of how those funds were used to benefit the community. (Expand the box as needed or submit separately.)

1. Growth/expansion of the Sun Valley Culinary Institute programs & staff
2. \$25k grant recipient for Talent Pipeline Management needs and implementation assessment
3. Participation in Wood River Early Learning Collaborative
4. Delivery of economic data and analyses to inform public & private decision-making
5. Guidance to businesses on accessing external capital, succession planning and business plans.

An updated ROI calculation based on methodology used by other leading Idaho ED organization is attached.

5. If you receive funds from the City in fiscal year 2024, please provide specific goals set by your organization. (Expand the box as needed or submit separately.)

SVED delivers projects and programs that create economic value for Ketchum through:

1. More Jobs: Retain existing and attract new businesses
2. Improved Sales: Increase business traffic & reduce seasonality
3. Better Decision Making: Provide timely data & analysis on the local economy
4. Removing Obstacles: Improve the local business environment
5. Delivering Significant ROI: real and positive community-wide impact from sponsored projects & programs

A strategic plan and performance metrics for SVED's current fiscal year is attached.

**SUN VALLEY
ECONOMIC
DEVELOPMENT**
