

The Future of Recreation

Proposed Levy for Blaine County Recreation District

1976

- Population of Blaine County: 8,800
- Average Income: \$5,689
- Sun Valley Lift Ticket: \$13
- **BCRD** is established

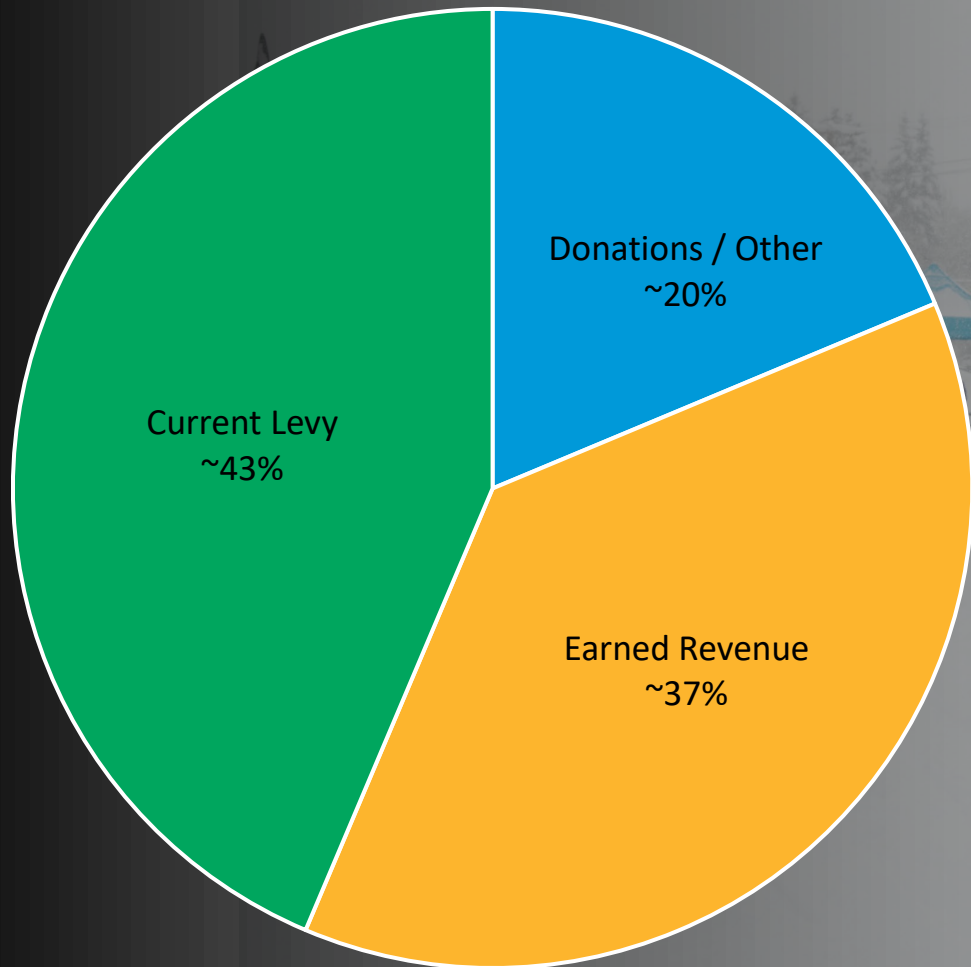

2025

- Population of Blaine County: 25,323
- Average Income: \$59,385
- Sun Valley Lift Ticket: \$209
- **BCRD** funding model has not changed

A woman in a black sleeveless top and blue leggings is in the foreground, holding a white pickleball paddle and a red ball. She is looking towards the camera with a slight smile. In the background, another person is playing pickleball, and a third person is standing further back. The setting is an indoor sports court with a yellow wall and white lines on the floor.

Responsible Use of Funds

BCRD Revenue Distribution

A young girl with long brown hair in a ponytail, wearing a blue basketball jersey over a yellow and white patterned shirt, is holding a basketball with both hands. She is looking upwards with a focused expression. The background is a blurred indoor basketball court with other people visible.

The Challenge

With rising demand and increasing operational costs BCRD's funding model no longer keep pace.

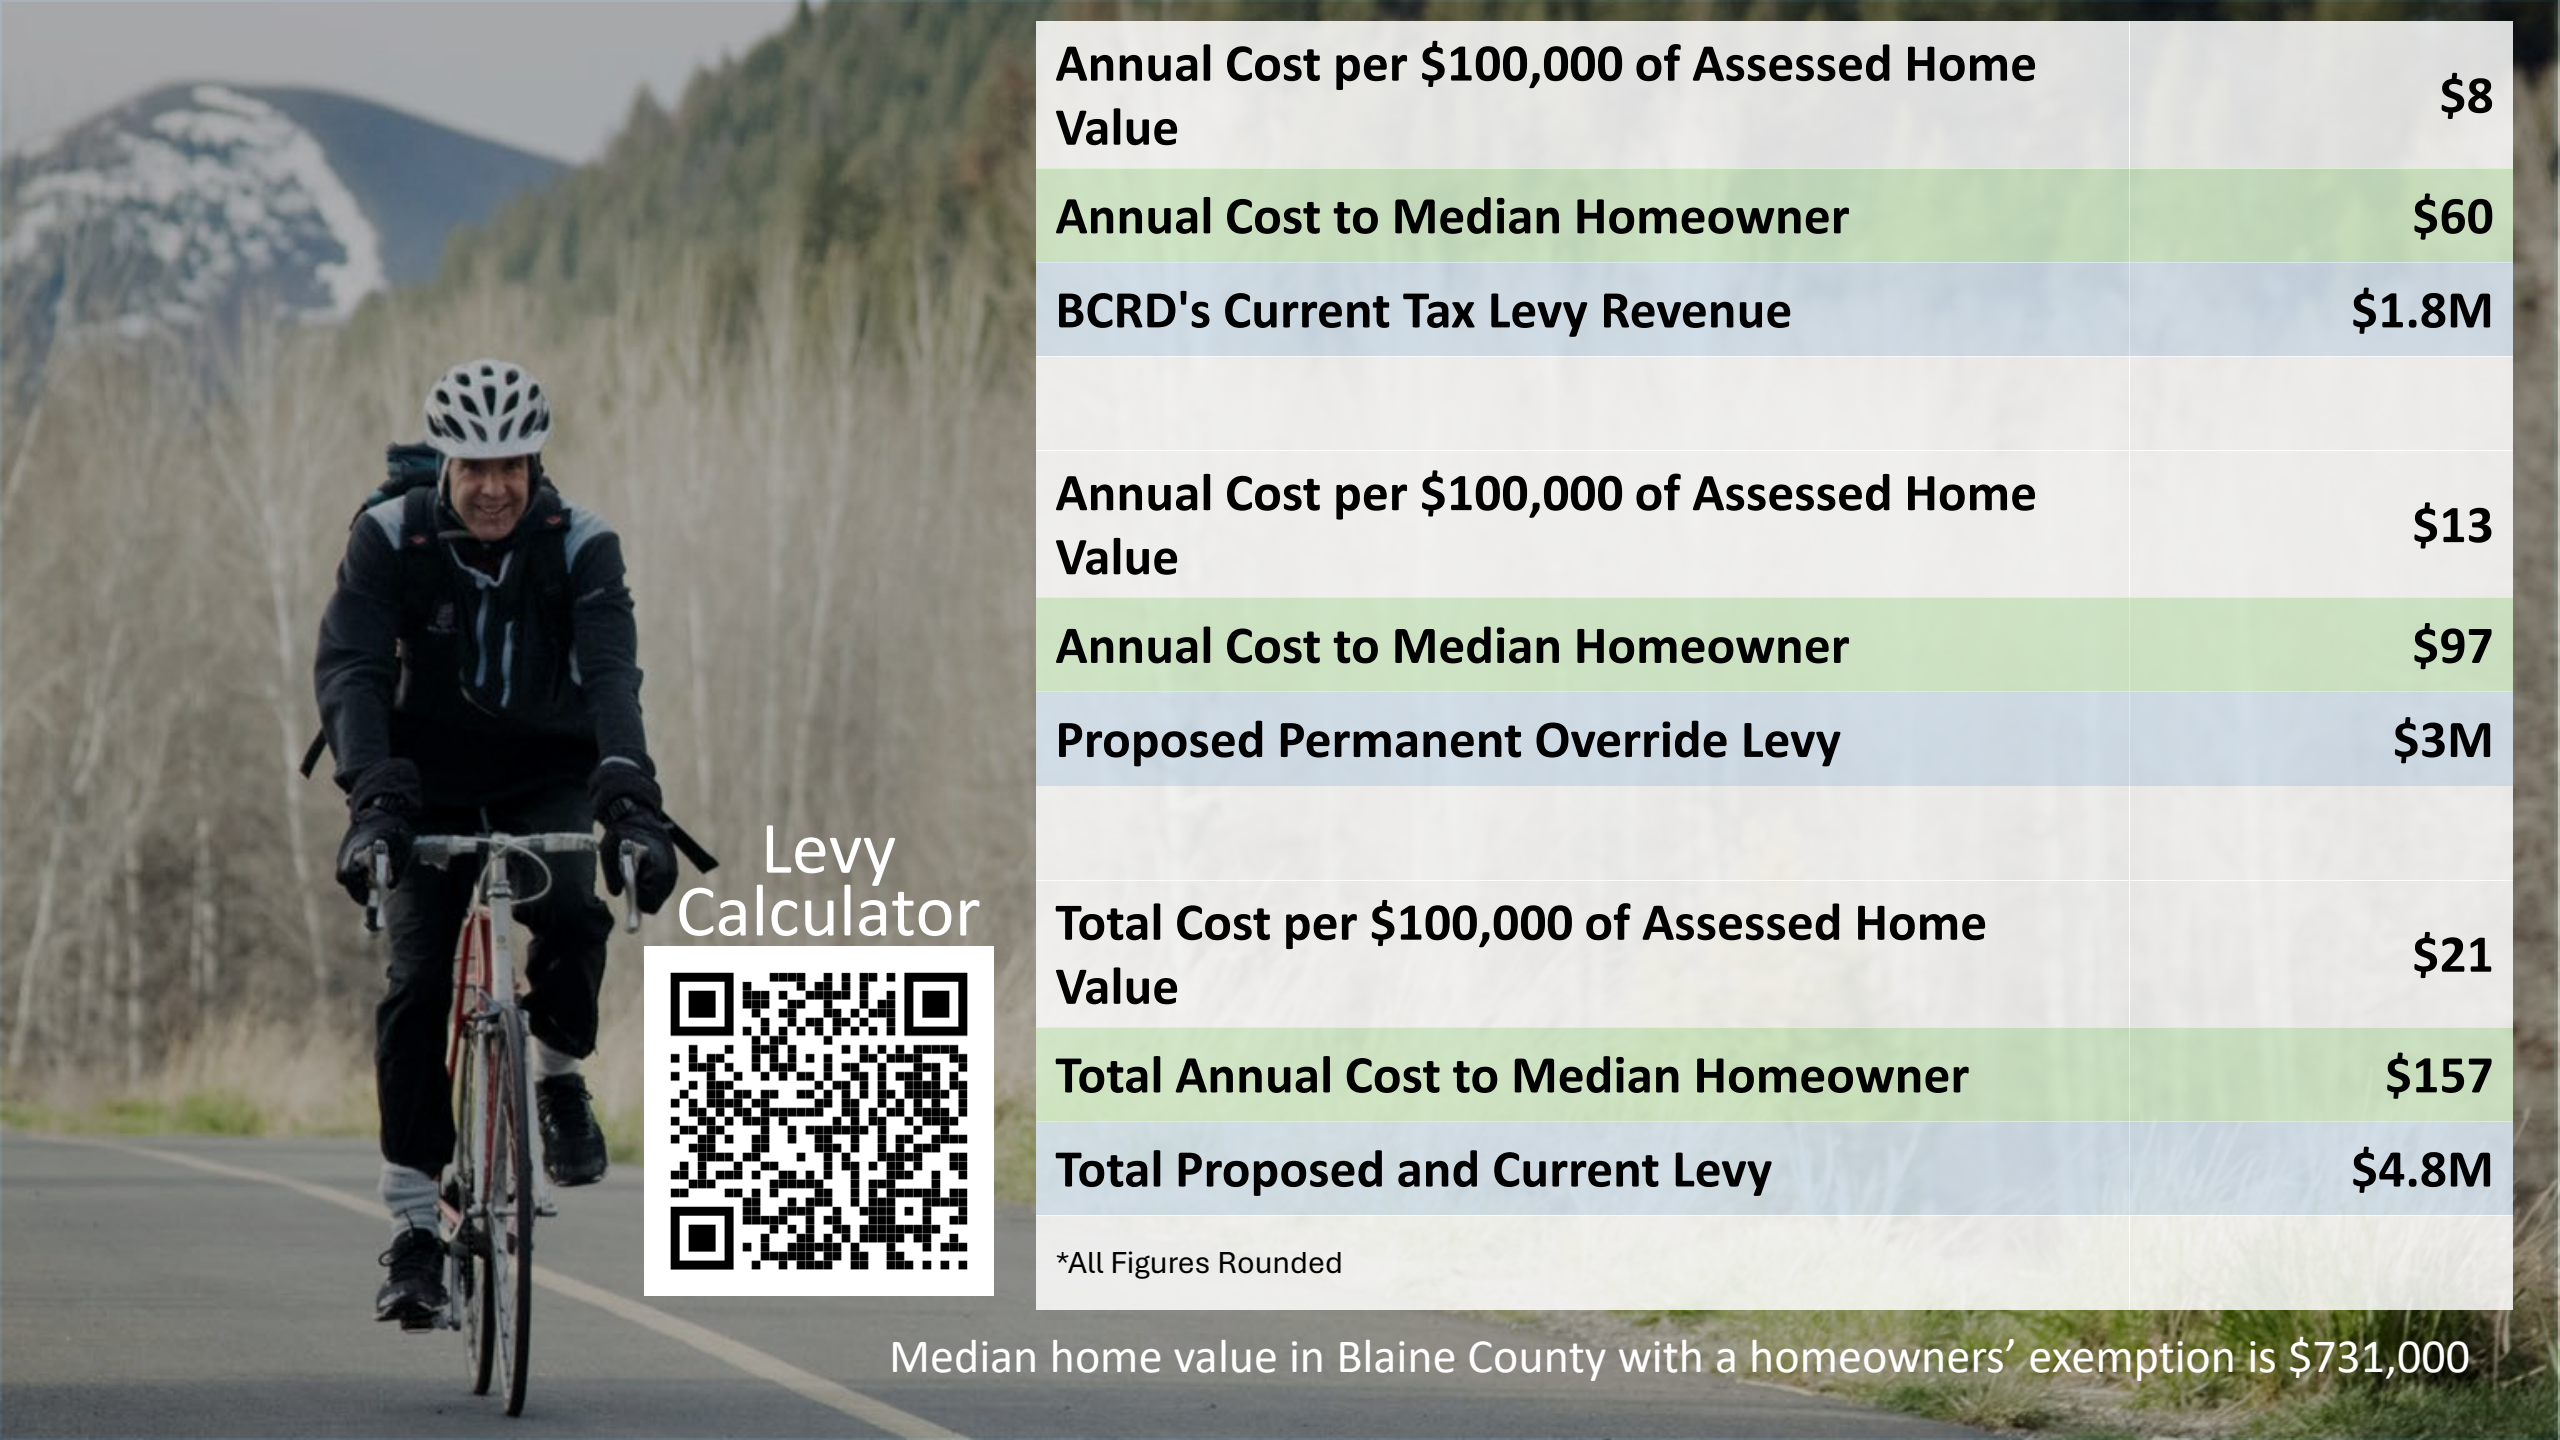

Proposed Solution

BCRD's proposed **override levy** will provide **sustainable funding**, ensuring Blaine County residents continue to benefit from high-quality recreation for years to come.

Override Levy

Levy
Calculator

Annual Cost per \$100,000 of Assessed Home Value	\$8
Annual Cost to Median Homeowner	\$60
BCRD's Current Tax Levy Revenue	\$1.8M
Annual Cost per \$100,000 of Assessed Home Value	\$13
Annual Cost to Median Homeowner	\$97
Proposed Permanent Override Levy	\$3M
Total Cost per \$100,000 of Assessed Home Value	\$21
Total Annual Cost to Median Homeowner	\$157
Total Proposed and Current Levy	\$4.8M
*All Figures Rounded	

Median home value in Blaine County with a homeowners' exemption is \$731,000
