The public hearing for this Condominium Subdivision Preliminary Plat Application was continued from the Planning and Zoning Commission Meeting of October 10, 2023.

EXECUTIVE SUMMARY

The City of Ketchum Planning & Building Department received Condominium Subdivision Preliminary Plat Application File No. P23-053 for the Walnut & Fourth Mixed-Use Development on June 8, 2023. The application was processed and deemed complete on June 8, 2023. Following receipt of the complete application, Planning staff routed the application materials to all city departments for review. City department comments were provided to the applicant on July 21, 2023 and September 14, 2023.

All comments have been addressed satisfactorily through the applicant's revisions to the project plans or conditions of approval.

The condominium subdivision preliminary plat application will subdivide the mixed-use building into eight commercial condominium units on the first and second floors, two residential condominium units on the second floor, two community housing units, basement storage units, limited common area, and common area.

PROJECT HISTORY AND BACKGROUND

The applicant is nearing completion on the construction of a new 21,383 gross-square-foot, two-story building located at the southwest corner of Walnut Avenue and 4th Street. The mixed-use building contains 2,489 square feet of food service, 3,288 square feet of retail, and a 3,252-square-foot cultural facility, on the ground floor. The second floor includes 4,999 square feet of office space and two residential units. Two community housing units, 1,104 square feet and 914 square feet in net-livable area, each with detached storage areas of approximately 50 square feet are provided within the basement. In addition, the basement contains storage units for commercial and residential uses on the first and second floors of the mixed-use building.

The Commission reviewed and approved Design Review Application File No. P20-046 for the Walnut & Fourth Mixed-Use Building on September 15, 2020. The project was issued a building permit (Application File No. B21-009) on June 22, 2021. The Commission reviewed and approved Design Review Amendment Application File No. P20-046A, which proposed modifications to the mixture of uses and their configurations within the mixed-use building, on September 27, 2022. The project is nearing completion and all required life safety, building code, and utility infrastructure requirements have been met. The Planning & Building Department has issued Temporary Certificates of Occupancy for ground-floor commercial units, two of the office units on the second floor, and the two community housing units.

ANALYSIS

Parking

The mixture of uses generates a total parking demand of five spaces—two parking spaces are required for the two residential units on the second floor and three parking spaces are required for the cultural facility. The applicant has provided 11 total parking spaces. Six of these parking spaces, including one ADA space, are provided on site. The project is eligible for five on-street parking credits pursuant to Ketchum Municipal Code §17.125.050.C. The six on-site parking spaces and five on-street credit spaces satisfy the project parking demand for the proposed mixture of uses. Two of the on-site parking spaces must be designated for the two residential units (Unit R-250 and Unit R-260) on the upper floors of the building. The three parking spaces required for the cultural facility may be satisfied either through the remaining four on-site parking spaces or the five on-street credit parking spaces. Sheet 3 of the preliminary plat (See Attachment B) shows the on-site parking spaces. Two of the parking spaces have been designated as limited common area assigned to the two residential units on the second floor of the mixed-use building. The remaining parking spaces are designated as common area.

Storage

The basement floor plan on sheet 2 of the Walnut & Fourth Condominiums preliminary plat contains five condominium units. These units were constructed for storage occupancy and do not currently meet the life safety, building code, or fire code requirements for commercial or residential occupancy.

Storage is only permitted as an accessory use to the upper-level commercial and residential uses within the mixed-use development. The basement condominium units may not be marketed or sold for storage as self-storage facilities are prohibited in the Community Core pursuant to Ketchum Municipal Code §17.12.020. Instead of designating basement Units B6 and B8 as common area or limited common area assigned to specific commercial or residential unit, the applicant has proposed the following plat note as shown on sheet 1 of the preliminary plat (Attachment B):

6. *Units B6 and B8 are designated as accessory storage assigned to any other Unit or Common Area within this plat.*

Basement units B1, B9, and B10 are not included in this plat note because the applicant would like to maintain flexibility to change the use classification and occupancy of these three basement condominium units in the future. Staff recommends the following condition of approval to address basement units B1, B9, and B10:

Prior to forwarding the condominium subdivision preliminary plat to City Council for final review and approval, the applicant shall add the following plat note to sheet 1:

Units B1, B9, and B10 are designated as accessory storage assigned to any other Unit or Common Area within this plat until such time as a building permit is issued for a change of occupancy of the Unit.

The intent of this plat note is to memorialize that until such time as a building permit is issued for a change of occupancy of the Unit, Units B1, B9, and B10 must be designated as accessory storage assigned to a unit or common area within the mixed-use development as self-storage facilities are prohibited in the Community Core.

CONFORMANCE WITH SUBDIVISION STANDARDS

During city department review, staff reviewed the condominium subdivision preliminary plat application for conformance with the procedures for subdivision approval (Ketchum Municipal Code §16.04.030), subdivision development and design standards (Ketchum Municipal Code §16.04.040), and condominium requirements (Ketchum Municipal Code §16.04.070). Certain standards are not applicable for one of the following reasons:

- The standard applies to the establishment of new subdivisions creating multiple new lots that will form blocks around new streets, and not the subject property, which is comprised of three existing platted lots within the original Ketchum townsite.
- The standard applies to an action that will be taken at the final plat stage of the process.
- The City Engineer has determined that the standard does not apply.

The proposed condominium preliminary plat application complies with all applicable subdivision requirements and standards. Please see Attachment C for a staff's comprehensive analysis of all subdivision requirements and standards.

STAFF RECOMMENDATION

Staff recommends approval of the Walnut & Fourth Condominiums Subdivision Preliminary Plat Application P23-053 subject to the following conditions:

1. This preliminary plat application is subject to all conditions of approval for Design Review P20-046, Design Review Amendment P20-46A, and Building Permit B21-009.

2. Prior to forwarding the condominium subdivision preliminary plat to City Council for final review and approval, the applicant shall add the following plat note to sheet 1: Units B1, B9, and B10 are designated as accessory storage assigned to any other Unit or Common Area within this plat until such time as a building permit is issued for a change of occupancy of the Unit.
3. Failure to record a Final Plat within two (2) years of Council's approval of a Preliminary Plat shall cause the Preliminary Plat to be null and void.

RECOMMENDED MOTION

"I move to recommend approval of the Walnut & Fourth Condominiums Subdivision Preliminary Plat application and adopt the Findings of Fact, Conclusions of Law, and Decision as the application conforms to all applicable subdivision regulations for a preliminary plat and condominium project."

GUARANTEE CONDITIONS AND STIPULATIONS

- 1. Definition of Terms** - The following terms when used in the Guarantee mean:
 - (a) "the Assured": the party or parties named as the Assured in this Guarantee, or on a supplemental writing executed by the Company.
 - (b) "land": the land described or referred to in Schedule (A)(C) or in Part 2, and improvements affixed thereto which by law constitute real property. The term "land" does not include any property beyond the lines of the area described or referred to in Schedule (A)(C) or in Part 2, nor any right, title, interest, estate or easement in abutting streets, roads, avenues, alleys, lanes, ways or waterways.
 - (c) "mortgage": mortgage, deed of trust, trust deed, or other security instrument.
 - (d) "public records": records established under state statutes at Date of Guarantee for the purpose of imparting constructive notice of matters relating to real property to purchasers for value and without knowledge.
 - (e) "date": the effective date.
- 2. Exclusions from Coverage of this Guarantee** - The Company assumes no liability for loss or damage by reason of the following:
 - (a) Taxes or assessments which are not shown as existing liens by the records of any taxing authority that levies taxes or assessments on real property or by the public records.
 - (b) (1) Unpatented mining claims; (2) reservations or exceptions in patents or in Acts authorizing the issuance thereof; (3) water rights, claims or title to water; whether or not the matters excluded by (1), (2) or (3) are shown by the public records.
 - (c) Assurances to title to any property beyond the lines of the land expressly described in the description set forth in Schedule (A)(C) or in Part 2 of this Guarantee, or title to streets, roads, avenues, lanes, ways or waterways on which such land abuts, or the right to maintain therein vaults, tunnels, ramps or any other structure or improvement; or any rights or easements therein unless such property, rights or easements are expressly and specifically set forth in said description.
 - (d) (1) Defects, liens, encumbrances or adverse claims against the title, if assurances are provided as to such title, and as limited by such assurances.
(2) Defects, liens, encumbrances, adverse claims or other matters (a) whether or not shown by the public records, and which are created, suffered, assumed or agreed to by one or more of the Assureds; (b) which result in no loss to the Assured; or (c) which do not result in the invalidity or potential invalidity of any judicial or non-judicial proceeding which is within the scope and purpose of assurances provided.
- 3. Notice of Claim to be Given by Assured Claimant** - An Assured shall notify the Company promptly in writing in case knowledge shall come to an Assured hereunder of any claim of title or interest which is adverse to the title to the estate or interest, as stated herein, and which might cause loss or damage for which the Company may be liable by virtue of this Guarantee. If prompt notice shall not be given to the Company, then all liability of the Company shall terminate with regard to the matter or matters for which prompt notice is required; provided, however, that failure to notify the Company shall in no case prejudice the rights of any Assured under this Guarantee unless the Company shall be prejudiced by the failure and then only to the extent of the prejudice.
- 4. No Duty to Defend or Prosecute** - The Company shall have no duty to defend or prosecute any action or proceeding to which the Assured is a party, notwithstanding the nature of any allegation in such action or proceeding.
- 5. Company's Option to Defend or Prosecute Actions; Duty of Assured Claimant to Cooperate** - Even though the Company has no duty to defend or prosecute as set forth in Paragraph 4 above:
 - (a) The Company shall have the right, at its sole option and cost, to institute and prosecute any action or proceeding, interpose a defense, as limited in (b), or to do any other act which in its opinion may be necessary or desirable to establish the title to the estate or interest as stated herein, or to establish the lien rights of the Assured, or to prevent or reduce loss or damage to the Assured. The Company may take any appropriate action under the terms of this Guarantee, whether or not it shall be liable hereunder, and shall not thereby concede liability or waive any provision of this Guarantee. If the Company shall exercise its rights under this paragraph, it shall do so diligently.
 - (b) If the Company elects to exercise its options as stated in Paragraph 5(a) the Company shall have the right to select counsel of its choice (subject to the right of such Assured to object for reasonable cause) to represent the Assured and shall not be liable for and will not pay the fees of any other counsel, nor will the Company pay any fees, costs or expenses incurred by an Assured in the defense of those causes of action which allege matters not covered by this Guarantee.
 - (c) Whenever the Company shall have brought an action or interposed a defense as permitted by the provisions of this Guarantee, the Company may pursue any litigation to final determination by a court of competent jurisdiction and expressly reserves the right, in its sole discretion, to appeal from an adverse judgment or order.
 - (d) In all cases where this Guarantee permits the Company to prosecute or provide for the defense of any action or proceeding, an Assured shall secure to the Company the right to so prosecute or provide for the defense of any action or proceeding, and all appeals therein, and permit the Company to use, at its option, the name of such Assured for this purpose. Whenever requested by the Company, an Assured, at the Company's expense, shall give the Company all reasonable aid in any action or proceeding, securing evidence, obtaining witnesses, prosecuting or defending the action or lawful act which in the opinion of the Company may be necessary or desirable to establish the title to the estate or interest as stated herein, or to establish the lien rights of the Assured. If the Company is prejudiced by the failure of the Assured to furnish the required cooperation, the Company's obligations to the Assured under the Guarantee shall terminate.
- 6. Proof of Loss or Damage** - In addition to and after the notices required under Section 3 of these Conditions and Stipulations have been provided to the Company, a proof of loss or damage signed and sworn to by the Assured shall be furnished to the Company within ninety (90) days after the Assured shall ascertain the facts giving rise to the loss or damage. The proof of loss or damage shall describe the matters covered by this Guarantee which constitute the basis of loss or damage and shall state, to the extent possible, the basis of calculating the amount of the loss or damage. If the Company is prejudiced by the failure of the Assured to provide the required proof of loss or damage, the Company's obligation to such Assured under the Guarantee shall terminate. In addition, the Assured may reasonably be required to submit to examination under oath by an authorized representative of the Company and shall produce for examination, inspection and copying, at such reasonable times and places as may be designated by any authorized representative of the Company, all records, books, ledgers, checks, correspondence and memoranda, whether bearing a date before or after Date of Guarantee, which reasonably pertain to the loss or damage. Further, if requested by any authorized representative of the Company, the Assured shall grant its permission, in writing, for any authorized representative of the Company to examine, inspect and copy all records, books, ledgers, checks, correspondence and memoranda in the custody or control of a third party, which reasonably pertain to the loss or damage. All information designated as confidential by the Assured provided to the Company pursuant to this Section shall not be disclosed to others unless, in the reasonable judgment of the Company, it is necessary in the administration of the claim. Failure of the Assured to submit for examination under oath, produce other reasonably requested information or grant permission to secure reasonably necessary information from third parties as required in the above paragraph, unless prohibited by law or governmental regulation, shall terminate any liability of the Company under this Guarantee to the Assured for that claim.
- 7. Options to Pay or Otherwise Settle Claims: Termination of Liability** - In case of a claim under this Guarantee, the Company shall have the following additional options:
 - (a) To Pay or Tender Payment of the Amount of Liability or to Purchase the Indebtedness.

GUARANTEE CONDITIONS AND STIPULATIONS

The Company shall have the option to pay or settle or compromise for or in the name of the Assured any claim which could result in loss to the Assured within the coverage of this Guarantee, or to pay the full amount of this Guarantee or, if this Guarantee is issued for the benefit of a holder of a mortgage or a lienholder, the Company shall have the option to purchase the indebtedness secured by said mortgage or said lien for the amount owing thereon, together with any costs, reasonable attorneys' fees and expenses incurred by the Assured claimant which were authorized by the Company up to the time of purchase.

Such purchase, payment or tender of payment of the full amount of the Guarantee shall terminate all liability of the Company hereunder. In the event after notice of claim has been given to the Company by the Assured the Company offers to purchase said indebtedness, the owner of such indebtedness shall transfer and assign said indebtedness, together with any collateral security, to the Company upon payment of the purchase price. Upon the exercise by the Company of the option provided for in Paragraph (a) the Company's obligation to the Assured under this Guarantee for the claimed loss or damage, other than to make the payment required in that paragraph, shall terminate, including any obligation to continue the defense or prosecution of any litigation for which the Company has exercised its options under Paragraph 5, and the Guarantee shall be surrendered to the Company of cancellation.

- (b) **To Pay or Otherwise Settle With Parties Other Than the Assured or With the Assured Claimant.**

To pay or otherwise settle with other parties for or in the name of an Assured claimant any claim assured against under this Guarantee, together with any costs, attorneys' fees and expenses incurred by the Assured claimant which were authorized by the Company up to the time of payment and which the Company is obligated to pay.

Upon the exercise by the Company of the option provided for in Paragraph (b) the Company's obligation to the Assured under this Guarantee for the claimed loss or damage, other than to make the payment required in that paragraph, shall terminate, including any obligation to continue the defense or prosecution of any litigation for which the Company has exercised its options under Paragraph 5.

- 8. Determination and Extent of Liability** - This Guarantee is a contract of Indemnity against actual monetary loss or damage sustained or incurred by the Assured claimant who has suffered loss or damage by reason of reliance upon the assurances set forth in this Guarantee and only to the extent herein described, and subject to the exclusions stated in Paragraph 2.

The liability of the Company under this Guarantee to the Assured shall not exceed the least of:

- the amount of liability stated in Schedule A;
- the amount of the unpaid principal indebtedness secured by the mortgage of an Assured mortgagee, as limited or provided under Section 7 of these Conditions and Stipulations or as reduced under Section 10 of these Conditions and Stipulations, at the time the loss or damage assured against by this Guarantee occurs, together with interest thereon; or
- the difference between the value of the estate or interest covered hereby as stated herein and the value of the estate or interest subject to any defect, lien or encumbrance assured against by this Guarantee.

9. Limitation of Liability

(a) If the Company establishes the title, or removes the alleged defect, lien or encumbrance, or cures any other matter assured against by this Guarantee in a reasonably diligent manner by any method, including litigation and the completion of any appeals therefrom, it shall have fully performed its obligations with respect to that matter and shall not be liable for any loss or damage caused thereby.

(b) In the event of any litigation by the Company or with the Company's consent, the Company shall have no liability for loss or damage until there has been a final determination by a court of competent jurisdiction, and disposition of all appeals therefrom, adverse to the title, as stated herein.

(c) The Company shall not be liable for loss or damage to any Assured for liability voluntarily assumed by the Assured in settling any claim or suit without the prior written consent of the Company.

- 10. Reduction of Liability or Termination of Liability** - All payments under this Guarantee, except payments made for costs, attorneys' fees and expenses pursuant to Paragraph 5 shall reduce the amount of liability pro tanto.

11. Payment Loss

(a) No payment shall be made without producing this Guarantee for endorsement of the payment unless the Guarantee has been lost or destroyed, in which case proof of loss or destruction shall be furnished to the satisfaction of the Company.

(b) When liability and the extent of loss or damage has been definitely fixed in accordance with these Conditions and Stipulations, the loss or damage shall be payable within thirty (30) days thereafter.

- 12. Subrogation Upon Payment or Settlement** - Whenever the Company shall have settled and paid a claim under this Guarantee, all right of subrogation shall vest in the Company unaffected by any act of the Assured claimant.

The Company shall be subrogated to and be entitled to all rights and remedies which the Assured would have had against any person or property in respect to the claim had this Guarantee not been issued. If requested by the Company, the Assured shall transfer to the Company all rights and remedies against any person or property necessary in order to perfect this right of subrogation. The Assured shall permit the Company to sue, compromise or settle in the name of the Assured and to use the name of the Assured in any transaction or litigation involving these rights or remedies.

If a payment on account of a claim does not fully cover the loss of the Assured the Company shall be subrogated to all rights and remedies of the Assured after the Assured shall have recovered its principal, interest, and costs of collection.

- 13. Arbitration** - Unless prohibited by applicable law, either the Company or the Assured may demand arbitration pursuant to the Title Insurance Arbitration Rules of the American Arbitration Association. Arbitrable matters may include, but are not limited to, any controversy or claim between the Company and the Assured arising out of or relating to this Guarantee, any service of the Company in connection with its issuance or the breach of a Guarantee provision or other obligation. All arbitrable matters when the Amount of Liability is \$1,000,000 or less shall be arbitrated at the option of either the Company or the Assured. All arbitrable matters when the amount of liability is in excess of \$1,000,000 shall be arbitrated only when agreed to by both the Company and the Assured. The Rules in effect at Date of Guarantee shall be binding upon the parties. The award may include attorneys' fees only if the laws of the state in which the land is located permits a court to award attorneys' fees to a prevailing party. Judgment upon the award rendered by the Arbitrator(s) may be entered in any court having jurisdiction thereof.

The law of the situs of the land shall apply to an arbitration under the Title Insurance Arbitration Rules. A copy of the Rules may be obtained from the Company upon request.

(c) No amendment or endorsement to this Guarantee can be made except by a writing endorsed hereon or attached hereto signed by either the President, a Vice President, the Secretary, an Assistant Secretary, or validating officer or authorized signatory of the Company.

- 15. Notices, Where Sent** - All notices required to be given the Company and any statement in writing required to be furnished the Company shall include the number of this Guarantee and shall be addressed to the Company at P. O. Box 2029, Houston, TX 77252-2029.

The Common Elements shall be owned in common by all of the Unit Owners and shall remain physically undivided, and no Unit Owner shall bring any action for partition or division of the Common Elements. By acceptance of a deed or other instrument of conveyance or assignment to a Unit, each Unit Owner shall be deemed to have specifically waived such Unit Owner's right to institute or maintain a partition action or any other cause of action designed to cause a division of the Common Elements, and this Section may be pleaded as a bar to the maintenance of such an action. Any Unit Owner who shall institute or maintain any such action shall be liable to the Association and hereby agrees to reimburse the Association for the Costs of Enforcement in defending any such action.

Section 3.5 Alterations of Units; Relocation of Boundaries Between Adjoining Units. Subject to receipt of prior written approval of the Declarant during the Period of Declarant Control and, thereafter, the Association, Unit Owner(s) shall have the right to alter their Units, and relocate boundaries between their Unit and an adjoining Unit, combine adjoining Units and alter and improve Limited Common Elements and reallocate Limited Common Elements between or among Units, subject to the provisions and requirements of this Declaration and of the Act and an appropriate reallocation of the share of Common Area Ownership and Common Expense Liability as set forth on Exhibit B. Any costs associated with replatting required to accomplish the foregoing shall be the responsibility of the Owner.

ARTICLE 4 - ALLOCATED INTERESTS

Section 4.1 Allocation of Interests. The Allocated Interests assigned to each Unit are set forth on Exhibit B. These interests have been allocated in accordance with the formulas set out in Section 4.2 below. These formulas are to be used in reallocating interests if Units are added to the Project or if Units are converted to Common Elements or Limited Common Elements.

Section 4.2 Formulas for the Allocation of Interests. The interests allocated to each Unit that are set forth on Exhibit B have been calculated by the Declarant using the following formulas:

(a) Undivided Interest in the Common Elements. The percentage of the undivided interest in the Common Elements allocated to each Unit is based on the square footage of the interior floor area of each Unit in relation to the square footage of

the interior of all Units in the Project as a whole as determined by Declarant or, after the period of Declarant Control, the Association. Such percentage is to be used for tax assessments pursuant to Section 55-1514 of the Act as well as liability pursuant to Section 55-1515 of the Act.

(b) Common Expense Liability. The percentage of Common Expense Liability allocated to each Unit is based on the relative undivided interests in the Common Elements allocated to each Unit, calculated as set forth in Section 4.2(a), above.

(c) Votes. Each Unit shall be allocated one (1) vote for a total of seventeen (10) votes.

Section 4.3 Rounding Convention. Allocated Interests, stated as a fraction or as a percentage, shall be rounded to the nearest tenth of a percent (.1%) and shall, in total, be deemed to equal one hundred percent (100%) for the purpose of this Declaration.

ARTICLE 5 - PLAT

The Plat shall be filed in the Records. The Plat shall be filed following substantial completion of the Improvement(s) depicted on the Plat and prior to the conveyance of any Unit depicted on the Plat to a purchaser. The Plat shall show the following:

- (a) the name and a general schematic map of the entire Project;
- (b) the location and dimensions of all existing improvements within that Real Estate;
- (c) the extent of any existing encroachments across any Project boundary;
- (d) to the extent feasible, a legally sufficient description of all easements serving or burdening any portion of the Project;
- (e) the location of each Unit and that Unit's identifying number;
- (f) horizontal Unit boundaries, with reference to all established data and that Unit's identifying number;

(g) any Units in which the Declarant has reserved the right to create additional Units or Common Elements, identified appropriately; and

(f) the approximate location and dimensions of all Limited Common Elements.

The Plat shall contain a certificate of a registered and licensed surveyor certifying that it was prepared subsequent to the substantial completion of the improvements and contains all information required by this Declaration and the Act. Each supplement shall set forth a like certificate when appropriate. In interpreting the Plat, the existing physical boundaries of each separate Unit as constructed shall be conclusively presumed to be its boundaries.

ARTICLE 6 - LEGAL DESCRIPTION AND TAXATION OF UNITS

Section 6.1 Contracts to Convey and Conveyances. Subsequent to the recording of the Declaration and Plat, contracts to convey, instruments of conveyance of Units, and every other instrument affecting title to a Unit shall be in substantially the following form with such omissions, insertions, recitals of fact, or other provisions as may be required by the circumstances or appropriate to conform to the requirements of any governmental authority, practice or usage or requirement of law with respect thereto:

Unit _____, according to the Condominium Declaration for Walnut & Fourth Condominiums, recorded _____, as Instrument No. _____ and the Plat recorded _____, as Instrument No. _____, in the office of the Recorder of Blaine County, Idaho.

Section 6.2 Conveyance Deemed to Describe an Undivided Interest in Common Elements. Every instrument of conveyance, Security Interest, or other instrument affecting the title to a Unit which legally describes the Unit substantially in the manner set forth above shall be construed to describe the Unit, together with the undivided interest in the Common Elements appurtenant to it, and together with all fixtures and improvements contained in it, and to incorporate all the rights incident to ownership to a Unit and all the limitations of ownership as described in the covenants, conditions, restrictions, easements, reservations, rights-of-way, and other provisions

contained in this Declaration, including the easement of enjoyment to use the Common Elements.

Section 6.3 Separate Tax Assessments. Upon the filing for record of this Declaration and the Plat in the Records, Declarant shall deliver a copy of this Declaration to the assessor of Blaine County as provided by law. The lien for taxes assessed shall be confined to the Unit(s). No forfeiture or sale of any Unit for delinquent taxes, assessments, or other governmental charge shall divest or in any way affect the title to any other Unit.

ARTICLE 7 - UNIT OWNERS' PROPERTY RIGHTS IN COMMON ELEMENTS

Section 7.1 Common Elements. Every Unit Owner shall have a perpetual right and easement of access over, across, and upon the Common Elements for the purpose of access to and from the Unit from public ways for both pedestrian and vehicular travel, which right and easement shall be appurtenant to and pass with the transfer of title to such Unit; provided, however, that such right and easement shall be subject to the following:

- (a) the covenants, conditions, restrictions, easements, reservations, rights-of-way, and other provisions contained in this Declaration, and the Plat;
- (b) the right, without the obligation, of the Association from time to time to assign on an equitable basis portions of the Common Elements such as parking spaces or storage spaces for the exclusive use of the Unit Owner of a particular Unit by an appropriate instrument in writing;
- (c) the right, without the obligation, of the Association to adopt, from time to time, any and all rules and regulations concerning vehicular traffic and travel upon, in, under, and across the Project; and
- (d) the right, without the obligation, of the Association to adopt, from time to time, any and all rules and regulations concerning the Project as the Association may determine is necessary or prudent for the management, preservation, safety, control, and orderly operation of the Project for the benefit of all Unit Owners, and for facilitating the greatest and most convenient availability and use of the Units and Common Elements by Unit Owners.

Section 7.2 Limited Common Elements. Subject to the provisions of this Declaration, every Unit Owner shall have the right to use and enjoy the Limited Common Elements appurtenant to his Unit.

ARTICLE 8 - MEMBERSHIP AND VOTING RIGHTS IN ASSOCIATION

Section 8.1 Association Membership. The Association's Articles of Incorporation shall be filed no later than the date the first interest in a Unit in the Project is conveyed to a purchaser. Every Unit Owner shall be a member of the Association and shall remain a member for the period of the Unit Owner's ownership of a Unit. No Unit Owner, whether one or more persons or entity, shall have more than one membership per Unit owned, but all of the persons or entities owning a Unit shall be entitled to rights of membership and of use and enjoyment appurtenant to ownership of a Unit. Membership in the Association shall be appurtenant to, and may not be separated from, ownership of a Unit. If title to a Unit is held by more than one individual, by a firm, corporation, partnership, association or other legal entity or any combination thereof, such individuals, entity or entities shall appoint and authorize one person or alternate persons to represent the Unit Owners of the Unit. Such representative shall be a natural person who is a Unit Owner, or a designated board member or officer of a corporate Unit Owner, or a general partner of a partnership Unit Owner, or a comparable representative of any other entity, and such representative shall have the power to cast votes on behalf of the Unit Owner as a member of the Association, and serve on the Board of Directors if elected, subject to the provisions of and in accordance with the procedures more fully described in the Bylaws of the Association. Notwithstanding the foregoing, if only one of the multiple Unit Owners of a Unit is present at a meeting of the Association, such Unit Owner is entitled to cast the vote(s) allocated to that Unit. If more than one of the multiple Unit Owners are present and there is no written designation of an authorized representative, the vote allocated to that Unit may be cast only in accordance with the agreement of a majority in interest of the Unit Owners, which majority agreement may be assumed for all purposes if any one of the multiple Unit Owners casts the vote allocated to that Unit without protest being made promptly to the person presiding over the meeting by any of the other Unit Owners of the Unit.

Section 8.2 Voting Rights and Meetings. Each Unit in the Project shall have the votes allocated in Section 4.2(c). A meeting of the Association shall be held at least once each year. Special meetings of the Association may be called by the President, by a majority of the Board of Directors, or by Unit Owners having twenty-five percent (25%), or any lower percentage specified in the Bylaws, of the votes in the Association. Not less than ten (10) and no more than fifty (50) days in advance of any meeting, the

Secretary or other officer specified in the Bylaws shall cause notice to be hand delivered, sent prepaid by United States Mail to the mailing address of each Unit Owner or sent via e-mail with the Unit Owner's consent to receive notice by such means. The notice of any meeting must state the time and place of the meeting and the items on the agenda including the general nature of any proposed amendment to this Declaration or Bylaws, any budget changes, and any proposal to remove an officer or member of the Board of Directors. Unless the Bylaws provide for a lower percentage, a quorum is deemed present throughout any meeting of the Association if persons entitled to cast twenty percent (20%) of the votes, in person or by proxy, at the beginning of the meeting. Notwithstanding anything to the contrary contained herein, for a period of ten (10) years from the date of this Declaration, Declarant shall receive notice of and have the right to attend all meetings of the Association and/or its Board.

Section 8.3 Meeting to Approve Annual Budget. At the annual meeting of the Association or at a special meeting of the Association called for such purpose, the Unit Owners shall be afforded the opportunity to ratify a budget of the projected revenues, expenditures (both ordinary and capital) and reserves for the Association's next fiscal year as proposed by the Board of Directors. A summary of the budget proposed by the Board of Directors shall be mailed or sent via e-mail with the Unit Owner's consent to receive notice by such means, to the Unit Owners within thirty (30) days after its adoption by the Board of Directors, along with a notice of a meeting of the Association to be held not less than ten (10) nor more than fifty (50) days after mailing of the summary to the Unit Owners. Unless, at such meeting, a Majority of Owners, rather than a majority of those present and voting in person or by proxy, reject the proposed budget, the budget is ratified, regardless of whether a quorum is present at the meeting. In the event the proposed budget is rejected, the budget last ratified by the Unit Owners continues until such time as the Unit Owners ratify a subsequent budget proposed by the Board of Directors as provided above.

Section 8.4 Unit Owners' and Association's Addresses for Notices. All Unit Owners of each Unit shall have one and the same registered mailing address to be used by the Association or other Unit Owners for notices, demands, and all other communications regarding Association matters. The Unit Owner or the representative of the Unit Owners of a Unit shall furnish such registered address to the secretary of the Association or its' designated agent within ten days after transfer of title to the Unit to such Unit Owner or Unit Owners. Such registration shall be in written form and signed by all of the Unit Owners of the Unit or by such persons as are authorized to represent the interests of all Unit Owners of the Unit. If no address is registered or if all of the Unit Owners cannot agree, then the address of the Unit shall be deemed their registered address until another registered address is furnished as required under this

Section 8.4. If the address of the Unit is the registered address of the Unit Owner(s), then any notice shall be deemed duly given if delivered to any person occupying the Unit or, if the Unit is unoccupied, if the notice is held and available for the Unit Owners at the principal office of the Association. All notices and demands intended to be served upon the Board of Directors shall be sent to the Project or such other address as the Board of Directors may designate from time to time by notice to the Unit Owner(s). For the purposes of meeting Notices, any Unit Owner may consent to receive notice by email by providing the Association a current email address. Such email address shall be deemed valid unless and until a new email address is provided to the Association or consent to receive notice by email is withdrawn by the Unit Owner.

Section 8.5 Transfer Information. All Persons who acquire Unit(s) other than from Declarant shall provide to the Association written notice of the Person's name, address, Unit owned, date of transfer, and name of the former Unit Owner within ten (10) days of the date of transfer. The Person shall also provide a true and correct copy of the recorded instrument conveying or transferring the Unit or such other evidence of the conveyance or transfer as is reasonably acceptable to the Association. In addition, the Association may request such other information as the Association determines is necessary or desirable in connection with obtaining and maintaining information regarding conveyances and transfers of Units. The Association or Managing Agent shall have the right to charge the Person a reasonable administrative fee for processing the transfer in the records of the Association.

Section 8.6 Declarant Control of the Association. In order to ensure an orderly commencement of the occupation and operation of the Project, there shall be a Period of Declarant Control of the Association, during which a Declarant, or persons designated by the Declarant, may appoint and remove the officers and members of the Board of Directors, notwithstanding any voting requirements or other procedural requirements set forth herein or in the Bylaws. The Period of Declarant Control shall commence upon the recording of this Declaration and shall terminate two (2) years thereafter.

Declarant may voluntarily surrender the right to appoint and remove officers and members of the Board of Directors before termination of that period, but in that event the Declarant may require, for the duration of the Period of Declarant Control, that specified actions of the Association or Board of Directors, as described in a recorded instrument executed by the Declarant, be approved by the Declarant before they become effective.

Section 8.7 Required Election of Residential Unit Owners. The Board of Directors shall consist of three (3) members, all of whom shall initially be appointed by the Declarant. Terms shall be for a period of two (2) years, except that the terms of one of the initial Board members shall be one (1) year. Not later than sixty (60) days after conveyance of the second Residential Unit to Unit Owners other than Declarant, one (1) member of the Board of Directors shall be elected by Residential Unit Owners. Following the period of Declarant Control, in order to insure representation of Residential Unit Owners and the Commercial Unit Owner in the affairs of the Association and to protect the valid interests of the Residential Units and the Commercial Unit in the operation of the Project, the Owners of the Residential Units, voting as a class, shall be entitled to elect one (1) member of the Board of Directors, and the Owner of the Commercial Unit shall be entitled to appoint one (1) member of the Board of Directors and the third director shall be elected by a majority of the votes. The Board of Directors shall elect the officers. The members of the Board of Directors and officers shall take office upon election.

Section 8.8 Removal of Members of the Board of Directors. Subject to Section 8.6 hereof, following notice and an opportunity to be heard as required by this Declaration and the Act, the Unit Owners, by ninety percent (90%) vote of all votes cast at a meeting of the Unit Owners at which a quorum is present, may remove a member of the Board of Directors with or without cause, other than a member appointed by the Declarant.

Section 8.9 Requirements for Turnover of Declarant Control. Within sixty (60) days the termination of the Period of Declarant Control, the Declarant shall deliver to the Association all property of the Unit Owners and of the Association held by or controlled by the Declarant, including without limitation the following items:

- (a) the original or a certified copy of the recorded Declaration as amended, the Association's articles of incorporation, Bylaws, minute books, other books and records, and any Rules and Regulations which may have been promulgated;
- (b) an accounting for Association funds and financial statements, from the date the Association received funds and ending on the date the Period of Declarant Control ends;
- (c) the Association funds or control thereof;

(d) all of the Declarant's tangible personal property that has been represented by the Declarant to be the property of the Association or all of the Declarant's tangible personal property that is necessary for, and has been used exclusively in, the operation and enjoyment of the Common Elements, and inventories of these properties;

(e) a copy, for the non-exclusive use of the Association, of any plans and specifications used in the construction or renovation of the Improvements;

(f) all insurance policies then in force, in which the Unit Owners, the Association or its members of the Board of Directors and officers are named as insured persons;

(g) copies of any certificates of occupancy that may have been issued with respect to the Improvements;

(h) any other permits issued by governmental bodies applicable to the Project and which are currently in force or which were issued within one year prior to the date on which Unit Owners other than the Declarant took control of the Association;

(i) written warranties of the contractor, subcontractors, suppliers, and manufacturers that are still effective;

(j) a roster of Unit Owners and First Mortgagees and their addresses and telephone numbers, if known, as shown on the Declarant's records;

(k) employment contracts in which the Association is a contracting party;

(l) any service contract in which the Association is a contracting party or in which the Association or the Unit Owners have any obligation to pay a fee to the persons performing the services;

(m) operation and maintenance documentation of any and all equipment owned by the Association; and

(n) maintenance recommendations for Common Elements including but not limited to furnishings, equipment, elevators and corridor surfaces, spas furniture and garbage receptacles.

Section 8.10 Agent for Service of Process. The Association's initial agent for service of process as contemplated by the Act shall be the person identified as such in the Articles of Incorporation.

ARTICLE 9 - ASSOCIATION POWERS AND DUTIES

Section 9.1 Association Management Duties. Subject to the rights and obligations of Declarant and other Unit Owners as set forth in this Declaration, the Association shall be responsible for the administration and operation of the Project and for the exclusive management, control, maintenance, repair, replacement, and improvement of the Common Elements and the Limited Common Elements, and shall keep the same in good, clean, attractive, and sanitary condition, order, and repair. The expenses, costs, and fees of such management, operation, maintenance, and repair by the Association shall be part of the Assessments, and prior approval of the Unit Owners shall not be required in order for the Association to pay any such expenses, costs, and fees. The Association shall establish and maintain, out of the installments of the annual Assessments, an adequate reserve account for maintenance, repair, or replacement of those Common Elements that must be replaced on a periodic basis. The Association shall adopt and amend budgets for revenues, expenditures, and reserves which will be the basis for collection of Assessments for Common Expenses from Unit Owners. The Association shall keep financial records sufficiently detailed to enable the Association to comply with the requirement that it provide statements of status of Assessments. All financial and other records of the Association shall be made reasonably available for examination by any Unit Owner and such Unit Owner's authorized agents.

Section 9.2 Association Powers. The Association shall have, subject to the limitations contained in this Declaration and the Act, the powers necessary for the administration of the affairs of the Association and the upkeep of the Project which shall include, but not be limited to, the power to:

- (i) regulate the use, maintenance, repair, replacement and modification of the Common Elements;
- (j) cause additional improvements to be made as part of the Common Elements;

- (m) impose and receive a payment, fee, or charge for the use, rental or operation of the Common Elements, other than Limited Common Elements, and for services provided to Unit Owners;
- (n) impose a reasonable charge for late payment of Assessments, recover Costs of Enforcement for collection of Assessment and other actions to enforce the powers of the Association, regardless of whether or not suit was initiated and, after notice and hearing, levy reasonable fines for violations of this Declaration, Bylaws and Rules and Regulations of the Association;
- (o) impose a reasonable charge for the preparation and recordation of amendments to this Declaration or for preparation of statements of unpaid Assessments;

(p) provide for the indemnification of the Association's officers and Board of Directors and maintain Board of Directors' and officers' liability insurance;

(q) assign the Association's right to future income, including the right to receive Assessments;

(r) by resolution, establish committees of the Board of Directors and/or Unit Owners, permanent and standing, to perform any of the above functions under specifically delegated administrative standards, as designated in the resolution establishing the committee;

(s) exercise any other powers conferred by this Declaration or the Bylaws;

(v) exercise any other power necessary and proper for the governance and operation of the Association.

Section 9.3 Actions by Board of Directors. Except as specifically otherwise provided in this Declaration, the Bylaws or the Act, the Board of Directors may act in all instances on behalf of the Association.

Section 9.4 Board of Directors Meetings. All meetings of the Board of Directors, at which action is to be taken by vote, will be open to the Unit Owners and at the request of any member, agendas for meetings of the Board of Directors shall be made reasonably available for examination by the member of the Association or their representatives, except that meetings of the Board of Directors may be held in executive session(s), without giving notice and without the requirement that they be open to Unit Owners, in the following situations:

(a) budget consideration;

(b) matters pertaining to employees of the Association or involving the employment, promotion, discipline or dismissal of an officer, agent, or employee of the Association;

(c) consultation with legal counsel concerning disputes that are the subject of pending or imminent court proceedings or matters that are privileged or confidential between attorney and client;

(d) investigative proceedings concerning possible or actual criminal misconduct;

(e) matters subject to specific constitutional, statutory, or judicially imposed requirements protecting particular proceedings or matters from public disclosure;

(f) any matter the disclosure of which would constitute an unwarranted invasion of individual privacy, including but not limited to violations and collections proceedings.

ARTICLE 10 – ASSESSMENTS

Section 10.1 Commencement of Annual Assessments. Until the Association makes an Assessment for Common Expenses, the Declarant shall pay all Common Expenses. After any Assessment has been made by the Association, Assessments shall be made no less frequently than annually and shall be based on a budget adopted no less frequently than annually by the Association.

Section 10.2 Annual Assessments. The Association shall levy annual Assessments to pay for the Common Expense Liability allocated to each Unit pursuant to this Declaration, and pay in accordance with Section 10.5. The total annual Assessments shall be based upon a budget of the Association's cash requirements for upkeep of the Project including maintenance, repair and replacement of the Common Elements as required by the Act and the Project Documents, and the funding of reserve funds created pursuant to Section 10.14 of this Declaration. Any surplus funds of the Association remaining after payment of or provision for Common Expenses and any prepayment of or provision for reserves shall be applied to (i) the following year's Annual Assessment, (2) a capital reserve fund, or (3) a refund or Owners or credit against future assessments as determined by the Board of Directors.

Section 10.3 Apportionment of Annual Assessments. The total annual Assessment for any fiscal year of the Association shall be assessed to the Units in proportion to their Percentage of Common Expenses Liability set forth on Exhibit B, subject to: (a) Common Expenses which are separately metered or assessed to the Units by third parties; (b) Common Expenses associated with the maintenance, repair or replacement of Limited Common Elements which shall be assigned equally or on such other equitable basis as the Board of Directors shall determine to the Units to which the specific Limited Common Elements are appurtenant; (c) Common Expenses or portions thereof benefiting fewer than all of the Units which shall be assessed exclusively against the Units benefited; (d) any increased cost of insurance based upon risk which shall be assessed to Units in proportion to the risk; (e) any Common Expense caused by the misconduct of any Unit Owner(s), which may be assessed exclusively or on such other equitable basis as the Board of Directors shall determine against such Unit Owner(s); and (f) any expenses which are charged equally to the Units. All such allocations of Common Expenses Liability to the Units on a basis other than the Units' Percentage of Common Expenses Liability shall be made by the Board of Directors. In making the allocations, the Board of Directors shall use as a guide the assignment of various Common Expenses to the following categories: utilities (unless separately metered or disproportionately benefiting fewer than all Units), insurance, exterior building maintenance and repairs, and reserves. All Common Expenses associated with maintenance, repair or replacement of areas that serve exclusively Residential Units or the Commercial Unit shall be allocated to only such Units.

Section 10.4 Special Assessments. In addition to the annual Assessments authorized above, the Board of Directors may at any time and from time to time determine, levy, and assess in any fiscal year a special Assessment applicable to that particular fiscal year (and for any such longer period as the Board of Directors may determine) for the purpose of defraying, in whole or in part, the unbudgeted costs, fees, and expenses of any construction, reconstruction, repair, demolishing, replacement, renovation or maintenance of the Project, specifically including any fixtures and personal property related to it. Any amounts determined, levied, and assessed pursuant to this Declaration shall be assessed to the Units pursuant to the provisions in Section 10.3 entitled "Apportionment of Annual Assessments" set forth above.

Section 10.5 Due Dates for Assessment Payments. Unless otherwise determined by the Board of Directors, the Assessments are to be paid in quarterly installments in advance and shall be due and payable to the Association at its office or as the Board of Directors may otherwise direct in any Management Agreement, without notice (except for the initial notice of any special Assessment), on the first day of each quarter. If any such installment shall not be paid within thirty (30) days after it shall

have become due and payable, then the Board of Directors may assess a late charge, default interest charge (not to exceed the rate from time to time allowed by law), fee, or such other charge as the Board of Directors may fix by rule from time to time to cover the extra expenses involved in handling such delinquent Assessment installment. A Unit Owner's Assessment shall be prorated if the ownership of a Unit commences or terminates on a day other than the first day or last day, respectively, of a month or other applicable payment period. However, if the Common Expenses Liability is re-allocated, any installment(s) of an assessment not yet due shall be recalculated in accordance with the re-allocated Common Expenses Liability.

Section 10.6 Default Assessments. All Costs of Enforcement assessed against a Unit Owner pursuant to the Project Documents, or any expense of the Association which is the obligation of a Unit Owner pursuant to the Project Documents shall become a default Assessment assessed against the Unit Owner's Unit. Notice of the amount and demand for payment of such default Assessment shall be sent to the Unit Owner ten (10) days prior to enforcing any remedies for non-payment hereunder.

Section 10.7 Covenant of Personal Obligation for Assessments. Declarant, by creating the Units pursuant to this Declaration, and all other Unit Owners, by acceptance of the deed or other instrument of transfer of his Unit (whether or not it shall be so expressed in such deed or other instrument of transfer), are deemed to personally covenant and agree, jointly and severally, with all other Unit Owners and with the Association, and hereby do so covenant and agree to pay to the Association the (a) annual Assessments, (b) special Assessments, and (c) default Assessments applicable to the Unit Owner's Unit. No Unit Owner may waive or otherwise escape personal liability for the payment of the Assessments provided for in this Declaration by not using the Common Elements or the facilities contained in the Common Elements or by abandoning or leasing his Unit.

Section 10.8 Lien for Assessments; Assignment of Rents. The annual, special, and default Assessments (including installments of the Assessments) arising under the provisions of the Project Documents shall be burdens running with the specific Unit to which such Assessments apply. The Association may impose a lien upon a specific Unit, by preparing a written lien notice setting forth the description of the Unit, the amount of Assessments on the Unit unpaid as of the date of such lien notice, the rate of default interest as set by the Rules and Regulations, the name of the Unit Owner or Unit Owners of the Unit, and any and all other information that the Association may deem proper. The lien notice shall be signed by a member of the Board of Directors, an officer of the Association, or the Managing Agent and shall be recorded in the Records. Upon any default in the payment of annual, special, or default Assessments, the Association

shall also have the right to appoint a receiver to collect all rents, profits, or other income from the Unit payable to the Unit Owner and to apply all such rents, profits, and income to the payment of delinquent Assessments. Each Unit Owner, by ownership of a Unit, agrees to the assignment of such rents, profits and income to the Association effective immediately upon any default in the payment of annual, special, or default Assessments.

Section 10.9 Remedies for Nonpayment of Assessments. If any annual, special, or default Assessment (or any installment of the Assessment) is not fully paid within thirty (30) days after the same becomes due and payable, then as often as the same may happen, (a) interest shall accrue at the default rate set by the Rules and Regulations on any amount of the Assessment in default, accruing from the due date until date of payment, (b) the Association may declare due and payable all unpaid installments of the annual Assessment or any special Assessment otherwise due during the fiscal year during which such default occurred, (c) the Association may thereafter bring an action at law or in equity, or both, against any Unit Owner personally obligated to pay the same, (d) the Association may proceed to foreclose its lien against the particular Unit pursuant to the power of sale granted to the Association by this Declaration or in the manner and form provided by Idaho law for foreclosure of real estate mortgages and (e) the Association may suspend the Owner's right to vote in Association matters until the Assessment is paid. An action at law or in equity by the Association (or counterclaims or cross-claims for such relief in any action) against a Unit Owner to recover a money judgment for unpaid Assessments (or any installment thereof) may be commenced and pursued by the Association without foreclosing or in any way waiving the Association's lien for the Assessments. Foreclosure or attempted foreclosure by the Association of its lien shall not be deemed to stop or otherwise preclude the Association from again foreclosing or attempting to foreclose its lien for any subsequent Assessments (or installments thereof) which are not fully paid when due or for any subsequent default Assessments. The Association shall have the power and right to bid in or purchase any Unit at foreclosure or other legal sale and to acquire and hold, lease, mortgage, and to convey, or otherwise deal with the Unit acquired in such proceedings.

Section 10.10 Purchaser's Liability for Assessments. Notwithstanding the personal obligation of each Unit Owner to pay all Assessments on the Unit, all purchasers shall be jointly and severally liable with the prior Unit Owner(s) for any and all unpaid Assessments against such Unit, without prejudice to any such purchaser's right to recover from any prior Unit Owner any amounts paid thereon by such purchaser. A purchaser's obligation to pay Assessments shall commence upon the date the purchaser becomes the Unit Owner of a Unit. For Assessment purposes, the date a

purchaser becomes the Unit Owner shall be determined as follows: (a) in the event of a conveyance or transfer by foreclosure, the date a purchaser becomes the Unit Owner shall be deemed to be upon the expiration of all applicable redemption periods; (b) in the event of a conveyance or transfer by deed in lieu of foreclosure a purchaser shall be deemed to become the Unit Owner of a Unit upon the execution and delivery of the deed or other instruments conveying or transferring title to the Unit, irrespective of the date the deed is recorded; and (c) in the event of conveyance or transfer by deed, a purchaser shall be deemed to become the Unit Owner upon the execution and delivery of the deed or other instruments conveying or transferring title of the Unit, irrespective of the date the deed is recorded. However, such purchaser shall be entitled to rely upon the existence and status of unpaid Assessments as shown upon any certificate issued by or on behalf of the Association to such named purchaser pursuant to the provisions of this Declaration.

Section 10.11 Waiver of Homestead Exemption; Subordination of Association's Lien for Assessments. By acceptance of the deed or other instrument of transfer of a Unit, each Unit Owner irrevocably waives the homestead exemption provided by Idaho Code § 55-1001 et seq., as amended. The Association's lien on a Unit for Assessments shall be superior to all other liens and encumbrances except the following:

- (a) real property ad valorem taxes and special assessment liens duly imposed by an Idaho governmental or political subdivision or special taxing district, or any other liens made superior by statute; and
- (b) the lien of any First Mortgagee except to the extent Idaho law grants priority for Assessments to the Association.

Any First Mortgagee who acquires title to a Unit by virtue of foreclosing a First Mortgage or by virtue of a deed or assignment in lieu of such a foreclosure, or any purchaser at a foreclosure sale of a First Mortgage, will take the Unit free of any claims for unpaid Assessments and Costs of Enforcement against the Unit which accrue prior to the time such party acquires title to the Unit, except to the extent the amount of the extinguished lien may be reallocated and assessed to all Units as a Common Expense and except to the extent the Act grants lien priority for Assessments to the Association. All other persons not holding liens described in this Section and obtaining a lien or encumbrance on any Unit after the recording of this Declaration shall be deemed to consent that any such lien or encumbrance shall be subordinate and inferior to the Association's lien for Assessments and Costs of Enforcement as provided in this Article, whether or not such consent is specifically set forth in the instrument creating any such lien or encumbrance.

Sale or other transfer of any Unit, (a) except as provided above with respect to First Mortgagees, (b) except in the case of foreclosure of any lien enumerated in this Section, and (c) except as provided in the next Section, shall not affect the Association's lien on such Unit for Assessments due and owing prior to the time such purchaser acquired title and shall not affect the personal liability of each Unit Owner who shall have been responsible for the payment thereof. Further, no such sale or transfer shall relieve the purchaser of a Unit from liability for, or the Unit from the lien of, any Assessments made after the sale or transfer.

Section 10.12 Statement of Status of Assessments. On or before fourteen (14) calendar days after receipt of written notice to the Managing Agent or, in the absence of a Managing Agent, to the Board of Directors and payment of a reasonable fee set from time to time by the Board of Directors, any Unit Owner, holder of a Security Interest, prospective purchaser of a Unit or their designees shall be furnished a statement of the Unit Owner's account setting forth:

- (a) the amount of any unpaid Assessments then existing against a particular Unit;
- (b) the amount of the current installments of the annual Assessment and the date that the next installment is due and payable;
- (c) the date(s) for payment of any installments of any special Assessments outstanding against the Unit; and
- (d) any other information, deemed proper by the Association, including the amount of any delinquent Assessments created or imposed under the terms of this Declaration.

Upon the issuance of such a certificate signed by a member of the Board of Directors, by an officer of the Association, or by a Managing Agent, the information contained therein shall be conclusive upon the Association as to the person or persons to whom such certificate is addressed and who rely on the certificate in good faith.

Section 10.13 Liens. Except for Assessment liens as provided in this Declaration, mechanics' liens (except as prohibited by this Declaration), tax liens, judgment liens and other liens validly arising by operation of law and liens arising under Security Interests, there shall be no other liens obtainable against the Common Elements or against the

interest of any Unit Owner in the Common Elements except a Security Interest in the Common Elements granted by the Association pursuant to the requirements of the Act.

Section 10.14 Reserve Funds. The Association shall maintain (i) a capital reserve fund for the repair, restoration and replacement of the Common Elements; and (ii) a general operating reserve fund. The Association may increase the reserve funds or replace funds withdrawn from any reserve funds with funds collected through Assessments. The amounts held in such reserve funds shall be set at the discretion of the Board of Directors. All reserve funds shall be maintained in FDIC insured, interest bearing accounts.

ARTICLE 11 - MAINTENANCE RESPONSIBILITY

Section 11.1 Unit Owner's Rights and Duties with Respect to Interiors. Except as may be provided in the purchase and sale agreement or other conveyancing documents executed by Declarant in connection with sales to initial purchasers of the Units, each Owner of a Unit shall have the exclusive right and duty to paint, tile, paper, or otherwise decorate or redecorate and to maintain and repair the interior surfaces of the walls, floors, ceilings, windows and doors forming the boundaries of such Unit Owner's Unit and all walls, floors, ceilings, and doors within such boundaries. Notwithstanding the foregoing, no Residential Unit Owner shall be permitted to install any hardwood floor or other hard surface improvements in his Unit that might affect adjoining Units by increasing noise or vibrations, without the prior written approval of the Association, which approval may be denied, or conditioned, in the Association's sole discretion. Owners of the Units shall install and maintain window coverings at their own expense that are consistent with the standards adopted by the Association.

Any decoration, maintenance or repair to the Unit must be performed in such a manner, so that it shall be in compliance with industry standard codes and construction practices.

Section 11.2 Responsibility of the Unit Owner. The Unit Owner of any Unit shall, at the Unit Owner's expense, maintain and keep in repair all fixtures, equipment, and utilities installed and included in a Unit commencing at a point where the fixtures, equipment, and utilities enter the Unit. A Unit Owner shall not allow any action or work that will impair the structural soundness of the improvements, impair the proper functioning of the utilities, heating, ventilation, or plumbing systems or integrity of the Improvement(s), or impair any easement or hereditament. Subject to the Association's overall responsibility for maintenance of the Limited Common Elements, each Unit

Owner shall be responsible for routine maintenance and care of the walls, floors, ceilings, windows and doors, and any heating and/or cooling equipment for the exclusive use of the Unit and any Limited Common Elements appurtenant to the Unit Owner's Unit, and for keeping the same in a good, clean, sanitary, and attractive condition. The Commercial Unit Owner shall be responsible for the maintenance, repair and replacement of all windows and doors in the Commercial Unit. Notwithstanding the foregoing, Unit Owners shall not be responsible for damage to exterior doors and windows except if as a result of a negligent or willful act of said Owner. The Association shall not be responsible for repairs occasioned by casualty due to the act or negligence of the Unit Owner or Occupant of the Unit except as provided in Article 16.

The Association shall not be responsible for damage that occurs due to the Unit Owner's failure to abide by the operation recommendations included in Operation, Maintenance and/or Warranty Manuals for the Unit or for Common Elements.

Section 11.3 Unit Owner's Negligence. In the event that the need for maintenance, repair, or replacement of all or any portion of the Common Elements is caused through or by the negligent or willful act or omission of a Unit Owner or Occupant, then the expenses incurred by the Association for such maintenance, repair, or replacement shall be a personal obligation of such Unit Owner; and, if the Unit Owner fails to repay the expenses incurred by the Association within seven days after notice to the Unit Owner of the amount owed, then the failure to so repay shall be a default by the Unit Owner, and such expenses shall automatically become a default Assessment determined and levied against such Unit, enforceable by the Association in accordance with this Declaration.

Section 11.4 Responsibility of the Association. The Association, without the requirement of approval of the Unit Owners, shall maintain and keep in good repair, replace, and improve, as a Common Expense, all of the Project not required in this Declaration to be maintained and kept in good repair by a Unit Owner or by Declarant.

Section 11.5 Utilities and Services. The Association shall be responsible for obtaining utilities for Common Areas and to a Common Area demark to service all Units including, but not limited to, heating, cooling, water, sewer, electric, trash, recycling, and cable/internet. Such Utilities and Services shall be separately metered to each Unit to the extent reasonably feasible, and otherwise allocated by the Association based on a reasonable assessment of each Unit's relative usage.

ARTICLE 12 - MECHANICS' LIENS

Section 12.1 Mechanics' Liens. Subsequent to recording of this Declaration and the filing of the Plat in the Records, no labor performed or materials furnished for use and incorporated in any Unit with the consent of or at the request of the Unit Owner or the Unit Owner's agent, contractor or subcontractor, shall be the basis for the filing of a lien against a Unit of any other Unit Owner not expressly consenting to or requesting the same, or against any interest in the Common Elements except as to the undivided interest therein appurtenant to the Unit of the Unit Owner for whom such labor shall have been performed or such materials shall have been furnished. Each Unit Owner shall indemnify and hold harmless each of the other Unit Owners and the Association from and against any liability or loss arising from the claim of any mechanics' lien or for labor performed or for materials furnished in work on such Unit Owner's Unit, against the Unit of another Unit Owner or against the Common Elements, or any part thereof.

Section 12.2 Enforcement by the Association. At its own initiative or upon the written request of any Unit Owner (if the Association determines that further action by the Association is proper), the Association shall enforce the indemnity provided by the provisions of this Article 12 by collecting from the Unit Owner of the Unit on which the labor was performed or materials furnished the amount necessary to discharge by bond or otherwise any such mechanics' lien, to pay all costs and reasonable attorneys' fees incidental to the lien, and to obtain a release of such lien. If the Unit Owner of the Unit on which the labor was performed or materials furnished refuses or fails to indemnify within five (5) days after the Association shall have given notice to such Unit Owner of the total amount of the claim, then the failure to so indemnify shall be a default by such Unit Owner under the provisions of this Section 12.2, and such amount to be indemnified shall automatically become a default Assessment determined and levied against such Unit, and enforceable by the Association pursuant to this Declaration.

ARTICLE 13 - USE RESTRICTIONS

Section 13.1 Use of Units. Except for uses reserved to Declarant in Article 15 entitled "Special Declarant Rights and Additional Reserved Rights", all Residential Units shall be used for single family dwelling and lodging purposes only. Unit Owners of the Residential Units may rent or lease such Units to others for these purposes, however Short Term Rentals, (ie rentals for a period of less than thirty (30) days) shall not be allowed. The residential/housing portions of the Of the Commercial Unit shall likewise preclude Short Term Rentals.

Section 13.2 Use of Common Elements. There shall be no obstruction of the Common Elements, nor shall anything be kept or stored on any part of the Common Elements by any Residential Unit Owner without the prior written approval of the Association. Nothing shall be altered on, constructed in, or removed from the Common Elements by any Unit Owner without the prior written approval of the Association. There shall be no rubbish or debris of any kind placed or permitted to accumulate and no odors shall be permitted to arise from the property so as to render any portion of the Project unsanitary, unsightly, offensive or detrimental to any property or person. Trash, garbage or other waste shall be kept only in sanitary containers. No Unit Owner shall permit or cause any trash or refuse to be kept on any portion of the Project other than in receptacles customarily used for it, which shall be located in places specifically designed for such purpose. No smoking shall be permitted in Common Areas, including Limited Common Areas. Any exterior fire pit or grill located on Limited Common Area shall be fueled by natural gas; no wood or charcoal fires shall be allowed.

Section 13.3 Prohibition of Increases in Insurable Risks and Certain Activities. Nothing shall be done or kept in any Unit or in or on the Common Elements, or any part thereof, which would result in the cancellation of the insurance on all or any part of the Project or in an increase in the rate of the insurance on all or any part of the Project over what the Association, but for such activity, would pay, without the prior written approval of the Association. Nothing shall be done or kept in any Unit or in or on the Common Elements which would be in violation of any statute, rule, ordinance, regulation, permit, or other imposed requirement of any governmental body having jurisdiction over the Project. No damage to or waste of the Common Elements shall be committed by any Unit Owner or Occupant, and each Unit Owner shall indemnify and hold the Association and the other Unit Owners harmless against all loss resulting from any such damage or waste caused by him or an Occupant of his Unit. Failure to so indemnify shall be a default by such Unit Owner under this Section. At its own initiative or upon the written request of any Unit Owner (and if the Association determines that further action by the Association is proper), the Association shall enforce the foregoing indemnity as a default Assessment levied against such Unit.

Section 13.4 Structural Alterations and Exterior Appearance. No structural alterations to any Unit, including the construction of any additional skylight, window, door or other alteration visible from the exterior of the Unit or to any Common Element nor any modification of water distribution lines shall be made or caused to be made by any Unit Owner without the prior written approval of the Declarant during the Period of Declarant Control and, thereafter, the Association. No clothes lines, satellite dishes, television antennas, wiring or installation of air conditioning equipment, window coverings or other improvements, alterations or decorations visible from outside a Unit

shall be added by a Unit Owner without the prior written approval of the Declarant during the Period of Declarant Control and, thereafter, the Association. Except for interior decorations not visible from outside a Unit and alteration or relocation of walls constituting Limited Common Elements, no alteration or subdivision of Units or relocation of boundaries between adjoining Units shall be made by the Unit Owners without the prior written approval of the Declarant during the Period of Declarant Control and, thereafter, by the Association. The Association shall promulgate Rules and Regulations establishing procedures for the approvals required by this Section 13.4. Such Rules and Regulations shall include, but shall not be limited to, requirements that the applicant submit (a) plans and specifications showing the nature, kind, shape, height, color, materials, and location of the proposed alterations in sufficient detail for the Association and Declarant to review them; and (b) processing and/or review fees, which may include any professional fees the Association or Declarant might incur in retaining architects or engineers to review the plans and specifications. The Rules and Regulations shall specifically consider the impact of the alteration on the harmony of external design and location in relation to surrounding structures and topography.

Section 13.5 Use Restrictions. No animal pens, sheds, fences or other structures of any kind shall be erected by any Unit Owner. No activity shall be allowed which interferes unduly with the peaceful possession and proper use of the Project by the Unit Owners, nor shall any fire hazard or unsightly accumulation of refuse be allowed. No lights shall be emitted which are unreasonably bright or cause unreasonable glare and all lighting must comply with the City of Ketchum's Dark Sky Ordinance. No sound shall be emitted which is unreasonably loud or annoying; and no odor shall be emitted which is nauseous or offensive to others. No livestock, animals, poultry or fowl shall be kept in any Unit other than domestic dogs and cats, which are not allowed below the ground floor, and provided that no such dog or cat which is or becomes an annoyance or nuisance to other Occupants of the Project shall thereafter be kept in any Unit. No pet shall be left at any time in the Common Area except when under the direct control of its owner. In the event Rules and Regulations relating to the Use Restrictions are adopted by the Association related to pets, the more stringent restriction on such use shall control.

Section 13.6 Limit on Timesharing. No Unit Owner, excluding Declarant, shall offer or sell any interest in such Unit under a "timesharing" or "interval ownership" plan, or any similar plan without the specific prior written approval of the Declarant during the Period of Declarant Control, and thereafter the Association.

Section 13.7 Restriction on Signs. No signs, billboards, posterboards, or advertising structure of any kind shall be displayed, erected, or maintained for any

purpose whatsoever except such signs as have been approved by the Declarant during the Period of Declarant Control and, thereafter, the Association. Any signs which are permitted under the foregoing restrictions shall be erected or maintained on the Project only with the prior written approval of the Declarant during the Period of Declarant Control, and thereafter the Association, which approval shall be given only if such signs are of attractive design and as small a size as reasonably possible and shall be placed or located as directed or approved by the Association.

Section 13.9 Restrictions on Use of Parking and Storage Areas. No parking shall be permitted at any location on the Property unless specifically designated for parking by the Association. All parking spaces shall be used for parking operable vehicles only. No boat, trailer, recreational vehicle, camper or commercial vehicle shall be parked or left within the Project. No storage is permitted outside of Units except in specifically designated storage areas. No Owner may use any parking or storage space assigned to another. No Owner may use any parking space for storage or use any parking or storage space in any manner that obstructs or interferes with any other Owner's parking or storage rights or that constitutes a safety hazard. Without limiting the generality of the powers of the Association with respect to parking or storage, the Association is specifically authorized, but not obligated, to remove any vehicle parked in any area not designated for parking, or any vehicle parked in any space that is assigned to another person or reserved for a specific use, or any vehicle parked in an obstructing or hazardous manner, or any improperly stored or hazardous materials, in all cases at the expense of the Owner or Occupant that owns such vehicle or materials. Expenses incurred by the Association in connection with such removal (and storage, if necessary) shall be a personal obligation of such Owner and, if the Owner fails to pay such amount within seven (7) days after notice to the Owner of the amount owed, then the failure to pay shall be a default by the Owner and such expenses shall automatically become a default Assessment determined and levied against such Unit enforceable by the Association as provided in this Declaration.

ARTICLE 14 - EASEMENTS

Section 14.1 Easement of Enjoyment. Every Unit Owner shall have a non-exclusive easement for the use and enjoyment of the Common Elements, which shall be appurtenant to and shall pass with the title to every Unit, subject to the easements set forth in this Article 14 and the easements and restrictions set forth in Article 7 entitled "Unit Owners' Property Rights in Common Elements".

Section 14.2 Delegation of Use. Any Unit Owner may delegate, in accordance with the Project Documents, the Unit Owner's right of enjoyment in the Common Elements to an Occupant of the Unit Owner's Unit.

Section 14.3 Recorded Easements. The Property shall be subject to any easements shown on any recorded plat affecting the Property, shown on the recorded Plat or reserved or granted under this Declaration.

Section 14.4 Easements for Encroachments. The Project, and all portions of it, is subject to easements hereby created for encroachments between Units and the Common Elements as follows:

- (a) in favor of all Unit Owners, so that they shall have no legal liability when any part of the Common Elements encroaches upon a Unit;
- (b) in favor of each Unit Owner, so that the Unit Owner shall have no legal liability when any part of his Unit encroaches upon the Common Elements or upon another Unit; and
- (c) in favor of all Unit Owners, the Association, and the Unit Owner of any encroaching Unit for the maintenance and repair of such encroachments.

Encroachments referred to in this Section 14.4 include, but are not limited to, encroachments caused by error or variance from the original plans in the construction of the Improvements or any Unit constructed on the Property, by error in the Plat, by settling, rising, or shifting of the earth, or by changes in position caused by repair or reconstruction of any part of the Project. Such encroachments shall not be considered to be encumbrances upon any part of the Project; provided, however, that encroachments created by the intentional act of a Unit Owner shall not be deemed to create an easement on the Property and shall be considered an encroachment upon the Project. Such encroachment shall be removed at Unit Owner's expense immediately upon notice from the Association. In the event such encroachment is not timely removed, the Association may effect removal of the encroachment and the expense thereof shall be a default Assessment to the Unit Owner.

Section 14.6 Utility Easements. There is hereby created a general easement upon, across, over, in, and under all of the Property for ingress and egress and for installation, replacement, repair, and maintenance of all utilities, including but not limited to water, sewer, gas, telephone, electricity, and a cable communication system. By virtue of this easement, it shall be expressly permissible and proper for the

companies providing such utilities to erect and maintain the necessary equipment on the Property and to affix and maintain electrical, communications, and telephone wires, circuits, and conduits under the Property. Any utility company using this general easement shall use its best efforts to install and maintain the utilities provided without disturbing the uses of other utilities, the Unit Owners, the Association, and Declarant; shall complete its installation and maintenance activities as promptly as reasonably possible; and shall restore the surface to its original condition as soon as possible after completion of its work. Should any utility company furnishing a service covered by this general easement request a specific easement by separate recordable document, Declarant during the Period of Declarant Control and, thereafter, the Association, shall have the right and authority to grant such easement upon, across, over, or under any part or all of the Property without conflicting with the terms hereof. The easements provided for in this Section 14.6 shall in no way affect, avoid, extinguish, or modify any other recorded easement on the Property.

Section 14.7 Emergency Access Easement. A general easement is hereby granted to all police, sheriff, fire protection, ambulance, and all other similar emergency agencies or persons to enter upon all streets and upon the Property in the proper performance of their duties.

Section 14.8 Maintenance Easement. An easement is hereby granted to the Association and any Managing Agent and their respective officers, agents, employees and assigns upon, across, over, in, and under the Common Elements and a right to make such use of the Common Elements as may be necessary or appropriate to perform the duties and functions which they are obligated or permitted to perform pursuant to this Declaration.

Section 14.9 Easements of Access for Repair, Maintenance, and Emergencies. Some of the Common Elements are or may be located within the Units or may be conveniently accessible only through the Units. The Unit Owners and the Association shall have the irrevocable right, to be exercised by the Association as the Unit Owners' agent, to have access to each Unit and to all Common Elements from time to time during such reasonable hours as may be necessary for the maintenance, repair, removal, or replacement of any of the Common Elements therein or accessible therefrom or for making emergency repairs therein necessary to prevent damage to the Common Elements or to any Unit. Unless caused by the negligent or willful act or omission of a Unit Owner or Occupant, damage to the interior of any part of a Unit resulting from the maintenance, repair, emergency repair, removal, or replacement of any of the Common Elements or as a result of emergency repair within another Unit at the instance of the Association or of the Unit Owners shall be a Common Expense.

Section 14.10 Easements Deemed Created. All conveyances of Units hereafter made, whether by Declarant or otherwise, shall be construed to grant and reserve the easements contained in this Article 14, even though no specific reference to such easements or to this Article 14 appears in the instrument for such conveyance.

ARTICLE 15 – SPECIAL DECLARANT RIGHTS AND ADDITIONAL RESERVED RIGHTS

Section 15.1 Special Declarant Rights. Declarant hereby reserves the right, from time to time, to perform the acts and exercise the rights hereinafter specified (the “Special Declarant Rights”). Declarant’s Special Declarant Rights include the following:

(a) Completion of Improvements. The right to complete improvements indicated on the Plat filed with this Declaration and/or the right to complete construction of the Project as Declarant determines in its sole discretion.

(b) Sales Management and Marketing. The right to locate, relocate and maintain sales offices, management offices, signs advertising the Project, and models within any Unit or Units owned by Declarant and in the Common Elements. Declarant shall have the right to show Units and the Common Elements to prospective purchasers.

(c) Construction Easements. The right to create and use easements through the Common Elements for the purpose of making improvements within the Project. Declarant expressly reserves the right to perform warranty work, and repairs and construction work and to store materials in secure areas, in Units and in Common Elements, and the future right to control such work and repairs, and the right of access thereto, until its completion. Declarant may perform all work without the consent or approval of any Unit Owner or First Mortgagee or holder of a Security Interest. Declarant has such an easement through the Common Elements as may be reasonably necessary for the purpose of discharging Declarant’s obligations and exercising Declarant’s reserved rights in this Declaration. Such easement includes the right to construct underground utility lines, pipes, wires, ducts, conduits, and other facilities across the Property for the purpose of furnishing utility and other services to buildings and improvements to be constructed on any of the Property. Declarant’s reserved construction easement includes the right to grant easements to public utility

companies and to convey improvements within those easements anywhere in the Common Elements not occupied by an Improvement containing Units.

(d) Control of Association and Board of Directors. Subject to Section 8.6, the right to appoint or remove any officer of the Association or any member of the Board of Directors.

(e) Amendment of Declaration. The right to amend this Declaration in connection with the exercise of any Development Rights.

(g) Signs. The right to maintain signs on the Common Elements advertising the Project.

(h) Post-Sales. The right to use the Common Elements to maintain customer relations and provide post-sale services to Unit Owners.

(i) Parking/Storage. The right to use and to allow others to use all parking and storage areas, except Limited Common Elements appurtenant to sold Units, in connection with its marketing efforts.

(j) Disputes With Association. The right to require that all disputes with the Association, including but not limited to those arising out of or relating to the purchase and sale of the Units, the construction or management of the Units or Common Elements, or the interpretation of this Declaration, be mediated by the American Arbitration Association under its Commercial Mediation Rules. Thereafter, Declarant shall have the right to require that any unresolved dispute or controversy or claim, including but not limited to the aforementioned, be settled by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules, and judgment upon the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof.

(k) Payment of Common Expenses. The right, but not the obligation, to pay all or part of budgeted Common Expenses in lieu of the Association levying Assessments for the same for any period of time.

Section 15.2 Additional Reserved Rights. In addition to the Special Declarant Rights set forth in Section 15.1 above, Declarant also reserves the following additional rights (the “Additional Reserved Rights”):

(a) Dedications. The right to establish, from time to time, by dedication or otherwise, utility and other easements for purposes including but not limited to streets, paths, walkways, drainage, recreation areas, parking areas, driveways, ducts, shafts, flues, conduit installation areas, and to create other reservations, exceptions and exclusions for the benefit of and to serve the Unit Owners within the Project.

(b) Use Agreements. The right to enter into, establish, execute, amend, and otherwise deal with contracts and agreements for the use, lease, repair, maintenance or regulation of parking and/or recreational facilities, which may or may not be a part of the Project for the benefit of the Unit Owners and/or the Association.

(c) Easement Rights. The rights to an easement through the Common Elements as may be reasonably necessary for the purpose of discharging Declarant’s obligations arising under this Declaration or the Act.

Section 15.3 Limitations on Special Declarant Rights and Additional Reserved Rights. Unless sooner terminated by an amendment to this Declaration executed by the Declarant, any Special Declarant Right or Additional Reserved Rights may be exercised by the Declarant for the Period of Declarant Control.

Section 15.4 Interference with Special Declarant Rights. Neither the Association nor any Unit Owners may take any action or adopt any rule and/or regulation that will interfere with or diminish any Special Declarant Rights or Additional Reserved Rights without the prior written consent of the Declarant.

Section 15.5 Rights Transferable. Any Special Declarant Rights or Additional Reserved Right created or reserved under this Article 15 for the benefit of Declarant may be transferred to any person by an instrument describing the rights transferred and recorded in the Records. Such instrument shall be executed by the transferor Declarant and the transferee.

Section 15.6 Owner Waivers, Releases and Assumption of Risk Rights Transferable. Each Owner by accepting a deed to a Unit thereby does agree to assume all responsibility for and all inherent risk of damage or injury that may occur while

owning or occupying a Unit or the Common Area, including but not limited to the following:

(a) Damage to land and other real property that is not part of a Unit, or that was not included in the purchase price for the Unit;

(b) Damage to spas and other recreational equipment or facilities driveways, boundary and retaining walls not necessary to the structural integrity of the Unit, fences, landscaping, sprinkler systems, patios, decks, stoops, steps and porches, or any other appurtenant structure or attachment to a Unit not part of the Unit;

ARTICLE 16 - INSURANCE

Section 16.1 Coverage. Commencing not later than the first conveyance of a Unit to a purchaser and to the extent reasonably available, the Association shall obtain and maintain insurance coverage as set forth in this Article. If such insurance is not reasonably available, and the Board of Directors determines that any insurance

described herein will not be maintained, the Board of Directors shall promptly cause notice of that fact to be hand delivered or sent prepaid by United States mail to all Unit Owners and Eligible First Mortgagees at their respective last known addresses.

(a) Property Insurance. The Association shall maintain property insurance on the Project for broad form covered causes of loss in amount of insurance not less than the full insurable replacement cost of the insured property less applicable deductibles at the time insurance is purchased and at each renewal date, exclusive of land, excavations, foundations, and other items normally excluded from property insurance policies.

(b) Liability Insurance. The Association shall maintain commercial general liability insurance against claims and liabilities arising in connection with the ownership, existence, use, or management of the Project, insuring the Association. The Board of Directors, the Managing Agent, and their respective employees and agents. The minimum limits of insurance will be \$2,000,000 per occurrence, subject to an annual policy aggregate of \$2,000,000 unless otherwise determined by the Board. The Declarant shall be included as an additional insured in such Declarant's capacity as a Unit Owner. Unit Owners and Eligible First Mortgagees shall be included as additional insureds but only for claims and liabilities arising in connection with the ownership, existence, use, of the Common Elements or membership in the Association.

(c) Fidelity Bond. The Association shall maintain a fidelity bond on all persons who control or disburse funds of the Association. Coverage shall not be less in the aggregate than two months' current Assessments plus reserves, as calculated from the current budget of the Association. Any person employed as an independent contractor by the Association, including the Property Management Company must obtain and maintain fidelity bond in like amount for the benefit of the Association unless the Association names such person as an insured employee in the bond specified above.

(d) Other Insurance. The Board of Directors may also procure insurance against such additional risks of a type normally carried with respect to properties of comparable character and use that the Board of Directors deems reasonable and necessary in order to protect the Project, the Association and the Unit Owners, including but not limited to Community Association Professional (aka Directors and Officers Liability), Company Reimbursement (or Company Indemnification) and Fiduciary Liability policies.

(e) Unit Owners' Policies. Each Unit Owner shall obtain additional insurance at his own cost for his own benefit, including contents and personal liability of not less than \$2,000,000. All policies shall name the Association as an additional insured and shall provide that the liability of the carriers issuing insurance to the Association hereunder shall not be affected or diminished by reason of any such insurance carried by any Unit Owner.

Section 16.2 Required Provisions. All insurance policies carried pursuant to the requirements of this Article 16 must provide that:

(a) each Unit Owner and each Eligible First Mortgagee is an insured person under the policy with respect to liability arising out of such Unit Owner's interest in the Common Elements or membership in the Association;

(b) no act or omission by any Unit Owner or Eligible First Mortgagee, unless acting within the scope of such Unit Owner's authority on behalf of the Association, will void the policy or be a condition to recovery under the policy;

(c) if, at the time of a loss under the Association policy, there is other insurance in the name of a Unit Owner covering the risks covered by the policy, the Association's policy provides primary insurance until the limits are exhausted, the Unit Owner coverage will then be excess;

(d) any loss covered by the policies must be adjusted by the Insurance Carrier with the Association;

(e) the insurance proceeds for any loss shall be payable to an insurance trustee designated for that purpose, or otherwise to the Association and not to any holder of a Security Interest;

(f) the insurer, or authorized representative, shall issue certificates of insurance to the Association and, upon request, to any Unit Owner or holder of a Security Interest; and

(g) the insurer issuing the policy may not cancel or refuse to renew it until forty-five (45) days after notice of the proposed cancellation or non-renewal has been mailed to the Association and any Unit Owner(s) and holder(s) of Security Interests to whom a certificate of insurance has been issued at their respective last known addresses.

Section 16.3 Adjustment of Claims. The Association may adopt and establish written nondiscriminatory policies and procedures relating to the submission of claims, responsibility for deductibles, and any other matters of claims adjustment that are required by the insurer. To the extent the Association settles a property insurance claim, it shall have the authority to assess negligent Unit Owners causing such loss or benefiting from such repair or restoration all deductibles paid by the Association. In the event more than one Unit is damaged by a loss, the Association in its reasonable discretion may assess each Unit Owner a pro rata share of any deductible paid by the Association.

Section 16.4 Copies of Policies. A copy of each insurance policy obtained by the Association shall be made available for inspection by any Unit Owner or Eligible First Mortgagee at reasonable times.

ARTICLE 17 - RESTORATION UPON DAMAGE OR DESTRUCTION

Section 17.1 Duty to Restore. Any portion of the Project, for which insurance is required under the Act or for which insurance carried by the Association is in effect, that is damaged or destroyed must be repaired or replaced promptly by the Association unless:

- (a) the Project is terminated;
- (b) repair or replacement would be illegal under a state statute or municipal ordinance governing health or safety;
- (c) sixty-seven percent (67%) of the Unit Owners, including every Owner of a Unit or assigned Limited Common Element that will not be rebuilt, vote not to rebuild; or
- (d) prior to the conveyance of any Unit to a purchaser, the holder of a Security Interest on the damaged portion of the Project rightfully demands all or a substantial part of the insurance proceeds.

In the event the Project is not repaired or replaced as allowed by Subparagraphs (a), (b) and (c) above, then the Real Estate in the Project shall be sold and the proceeds distributed pursuant to the procedures provided for in the Act for termination of condominium projects.

Section 17.2 Cost. The cost of repair or replacement in excess of insurance proceeds and reserves is a Common Expense.

Section 17.3 Plans. The Property must be repaired and restored in accordance with either the original plans and specifications or other plans and specifications which have been approved by the Board of Directors and a Majority of Owners.

Section 17.4 Replacement of Less Than Entire Property. If the entire Project is not repaired or replaced, the insurance proceeds attributable to the damaged Common Elements shall be used to restore the damaged area to a condition compatible with the remainder of the Project and, except to the extent that other persons will be distributees:

(a) the insurance proceeds attributable to a Unit and Limited Common Elements that are not rebuilt must be distributed to the Unit Owner of the Unit and the Unit Owner of the Unit to which the Limited Common Elements were allocated, or to holders of Security Interests, as their interests may appear;

(b) the remainder of the proceeds must be distributed to each Unit Owner or holders of Security Interests, as their interests may appear, in proportion to the Allocated Interests in the Common Elements of all the Units; and

(c) if the Unit Owners vote not to rebuild a Unit, the Allocated Interests of the Unit are reallocated upon the vote as if the Unit had been condemned, and the Association promptly shall prepare, execute and record an amendment to this Declaration reflecting the reallocations.

Section 17.5 Insurance Proceeds. The insurance trustee, or if there is no insurance trustee, then the Board of Directors, acting by the President, shall hold any insurance proceeds in trust for the Association, Unit Owners and holders of Security Interests as their interest may appear. Subject to the provisions of the Sections above, the proceeds shall be disbursed first for the repair or restoration of the damaged Property, and the Association, Unit Owners and holders of Security Interests are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the Property has been completely repaired or restored, or the Project is terminated, in which event the surplus proceeds will be distributed as provided in this Declaration.

Section 17.6 Certificates by the Board of Directors. The insurance trustee, if any, may rely on the following certifications in writing made by the Board of Directors:

(a) whether or not damaged or destroyed Property is to be repaired or restored; and

(b) the amount or amounts to be paid for repairs or restoration and the names and addresses of the parties to whom such amounts are to be paid.

Section 17.7 Certificates by Attorneys or Title Insurance Companies. If payments are to be made to Unit Owners or holders of Security Interests, the Board of Directors, and the insurance trustee, if any, shall obtain and may rely on a title insurance company or attorney's certificate of title or a title insurance policy based on a search of the Records from the date of recording of this Declaration stating the names of the Unit Owners and the holders of Security Interest.

ARTICLE 18 - CONDEMNATION

Section 18.1 Sale by Unanimous Consent. If an action for condemnation of all or a portion of the Project is proposed or threatened by any governmental agency having the right of eminent domain, then, on unanimous written consent of all of the Unit Owners and after written notice to all mortgagees, the development, or a portion of it, may be sold by the Board of Directors acting as irrevocable attorney-in-fact of all of the Unit Owners for a price deemed fair and equitable by the Board of Directors, but in no event less than the aggregate unpaid balance of all mortgages encumbering all Units in the development.

Section 18.2 Distribution of Proceeds of Sale. On a sale occurring under Section 18.1, the proceeds shall be distributed to the Unit Owner and the mortgagees of each Unit in proportion to each Units relative interest in the Project as determined by an appraisal commissioned by the Board of Directors.

Section 18.3 Distribution of Condemnation Award. If the Project, or a portion of it, is not sold but is instead taken, the judgment of condemnation shall by its terms apportion the award among the Unit Owners and their respective mortgagees.

ARTICLE 19 - MORTGAGEE PROTECTIONS

Section 19.1 Introduction. This Article 19 establishes certain standards and covenants which are for the benefit of First Mortgagees. This Article 19 is supplemental

to, and not in substitution for, any other provisions of this Declaration, but in the case of any conflict, this Article shall control.

Section 19.2 Percentage of First Mortgagees. Unless specifically provided otherwise, wherever in this Declaration the approval or consent of a specified percentage of Eligible First Mortgagees is required, it shall mean the approval or consent of sixty-seven percent (67%) of Eligible First Mortgagees. Each Eligible First Mortgagee shall be entitled to one vote for each Security Interest held by such Eligible First Mortgagee.

Section 19.3 Notice of Actions. If requested in writing to do so, the Association shall give prompt written notice of the following to each Eligible First Mortgagee making such request:

(a) any condemnation loss or any casualty loss which affects a material portion of the Common Elements or any Unit in which an interest is held by the Eligible First Mortgagee;

(b) any delinquency in the payment of Assessments which remains uncured for sixty (60) days by a Unit Owner whose Unit is encumbered by a Security Interest held by such Eligible First Mortgagee;

(c) any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Association;

(d) any proposed action which would require the consent of Eligible First Mortgagees as set forth in this Article;

(e) any judgment rendered against the Association; and

(f) a copy of any financial statement of the Association.

Section 19.4 Consent Required. The Association may not take any of the following actions, except as such rights have been specifically reserved by Declarant under the provisions of this Declaration, without the consent of sixty-seven percent (67%) of the Eligible First Mortgagees:

(a) sale, conveyance or encumbrance of the Common Elements, separate from any Unit (provided, however, that the granting of easements for

public utilities, or for other purposes provided for in this Declaration will not be deemed a transfer within the meaning of this clause);

(b) restoration or repair of the Project (after hazard damage or partial condemnation) in a manner other than that specified in this Declaration;

(c) termination of this Declaration for reasons other than substantial destruction or condemnation, subject to the approval percentages required for such termination;

(d) any action not to repair or to replace the Common Elements except as permitted in this Declaration.

Section 19.5 Notice of Objection. Unless an Eligible First Mortgagee provides the Secretary of the Association with written notice of its objection, if any, to any proposed amendment or action requiring the approval of Eligible First Mortgagees within thirty (30) days following the receipt of notice of such proposed amendment or action, the Eligible First Mortgagee will be deemed conclusively to have consented to or approved the proposed amendment or action.

Section 19.6 First Mortgagees' Rights.

(a) Advances. First Mortgagees, jointly or singly, may pay taxes or other charges which are in default and which may or have become a charge against any of the Common Elements or improvements thereon, and may pay overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy, for the Common Elements. First Mortgagees making such payments shall be owed immediate reimbursement from the Association.

(b) Cure Rights. First Mortgagees shall be entitled to cure any delinquency of the Unit Owner encumbered by a First Mortgage in the payment of Assessments. In that event, the First Mortgagee shall be entitled to obtain a release from the lien imposed or perfected by reason of such delinquency.

Section 19.7 Limitations on First Mortgagee's Rights. No requirement for approval or consent by a First Mortgagee provided in this Article 19 shall operate to:

(a) deny or delegate control over the general administrative affairs of the Association by the Unit Owners or the Board of Directors;

(b) prevent the Association or Board of Directors from commencing, intervening and/or settling any legal proceeding; or

(c) prevent any insurance trustee or the Association from receiving and distributing any insurance proceeds in accordance with the requirements of Article 18 entitled "Restoration Upon Damage or Destruction".

Section 19.8 Special Declarant Rights. No provision or requirement of this Article 19 entitled "Mortgagee Protections" shall apply to any Special Declarant Rights reserved to Declarant in this Declaration.

ARTICLE 20 - DURATION OF COVENANTS; AMENDMENT AND TERMINATION

Section 20.1 Term. This Declaration and any amendments or supplements to it shall remain in effect from the date of recordation for a period of fifty (50) years. Thereafter, this Declaration shall be automatically extended for successive periods of ten (10) years each, unless otherwise terminated or modified as provided in this Article.

Section 20.2 Amendment of Declaration. Except to the extent that this Declaration and the Act expressly permit or require amendments that may be executed by the Declarant or by the Association, this Declaration (including the Plat) may be amended only by a vote or agreement of Unit Owners to which more than sixty seven percent (67%) of the votes in the Association are allocated. Notwithstanding the foregoing, no amendment may create or increase Special Declarant Rights, increase the number of Units or change the boundaries of any Unit or the Allocated Interests of a Unit in the absence of a vote or agreement of the Unit Owners to which at least sixty seven percent (67%) of the votes of the Association, including sixty seven percent (67%) of the votes allocated to Units not owned by Declarant, are allocated, except to the extent otherwise permitted or required by this Declaration or the Act. Notwithstanding the foregoing, no amendment may change the uses to which any Unit is restricted in the absence of a vote or agreement of Unit Owners to which at least sixty seven percent (67%) of the votes of the Association are allocated, except to the extent otherwise permitted or required by this Declaration or the Act.

Section 20.3 Execution of Amendments; Expenses. Any amendment shall be prepared, executed and recorded either by the Declarant or by an officer of the Association designated for that purpose or, in the absence of a designation, by the President of the Association. All expenses associated with preparing and recording an amendment to this Declaration shall be the sole responsibility of: (a) any Unit Owners

desiring an amendment as provided for in this Declaration or the Act; (b) the Declarant, to the extent the right to amend this Declaration is reserved to the Declarant and exercised by the Declarant; or (c) in all other cases by the Association as a Common Expense.

Section 20.4 When Modifications Permitted. Notwithstanding the provisions of Section 20.2 above, no amendment or termination of this Declaration shall be effective in any event during the Period of Declarant Control, unless the written approval of Declarant is first obtained.

Section 20.5 Recording of Amendments. Any amendment to this Declaration made in accordance with this Article 20 shall be immediately effective upon the recording of the executed amendment in the Records together with a duly authenticated certificate of the Declarant or the Secretary of the Association stating that the required vote of Unit Owners, if any, and required consents of First Mortgagees (and/or Eligible First Mortgagee, as applicable) were obtained and are on file in the office of the Association. The amendment must be indexed in the grantee's index in the name of the Project and the Association and in the grantor's index in the name of each person or entity executing the Amendment.

Section 20.6 Rights of Eligible First Mortgagees. To the extent allowed by the Act, Eligible First Mortgagees shall have the rights to approve specified action of the Unit Owners or the Association as a condition to the effectiveness of those actions as provided in Article 19 entitled "Mortgagee Protections".

Section 20.7 Termination of the Project. The Project may only be terminated as provided in the Act.

ARTICLE 21 – ALLEGED DEFECTS

Section 21.1 Intention. It is Declarant's intent that all Improvements of every type and kind which may be installed by Declarant as part of the Project, including the fixtures in the Units and Common Elements within the Project (collectively, the "Declarant Improvements") be of a quality that is consistent with construction and development practices for a condominium of this type. Nevertheless, due to the complex nature of construction and the subjectivity involved in evaluating such quality, disputes may arise as to whether a defect exists and Declarant's responsibility therefor. It is Declarant's intent to resolve all disputes and claims regarding "Alleged Defects" (as defined below) amicably, and without the necessity of time consuming and costly

litigation. Accordingly, all Owners and the Association, as well as the Board shall be bound by the claim resolution procedure set forth in this Article 19.

Section 21.2 Declarant's Right to Cure. If the Association, the Board, or any Owner or Owners (collectively, "Claimant") claim, contend, or allege that any portion of a Unit and/or any Declarant Improvements are defective or incomplete, or that Declarant or its agents, consultants, contractors or subcontractors were negligent in the planning, design, engineering, grading, construction or other development thereof (collectively, an "Alleged Defect"), Declarant hereby reserves the right to inspect, cure, repair and/or replace such Alleged Defect as set forth herein.

Section 21.3 Notice to Declarant. If a Claimant discovers an Alleged Defect, Claimant shall, within a reasonable time after discovery, notify Declarant, in writing, at: Walnut & Fourth, LLC , 313 North Water Street, Idaho Falls, ID 83402, or such other address at which Declarant maintains its principal place of business, of the specific nature of such Alleged Defect ("Notice of Alleged Defect").

Section 21.4 Right to Enter, Inspect, Cure and/or Replace. Immediately after the receipt by Declarant of a Notice of Alleged Defect or the independent discovery of an Alleged Defect by Declarant or any governmental agency, and for a reasonable time thereafter, as part of Declarant's reservation of rights, Declarant shall have the right, upon reasonable notice to Claimant and during normal business hours, to enter onto or into, as applicable, any Unit or the Common Elements, and/or any Declarant Improvements for the purposes of inspecting and, if deemed necessary by Declarant, curing, repairing and/or replacing the Alleged Defect. In conducting such inspection, cure, repairs and/or replacement, Declarant shall be entitled to take any actions as it shall deem reasonable and necessary under the circumstances.

Section 21.5 Claims. All Claims arising out of this Article 21 shall be submitted to binding Arbitration as provided in Section 21.8, below. No Claimant shall initiate any arbitration against Declarant alleging damages (a) for the costs of curing, repairing, or replacing any Alleged Defect, (b) for the diminution in value of any real or personal property resulting from such Alleged Defect or (c) for any consequential damages resulting from such Alleged Defect, unless and until Claimant has (i) delivered to Declarant a Notice of Alleged Defect and (ii) Declarant has, within 120 days after its receipt of the Notice of Alleged Defect, either (1) failed to cure, repair or replace the Alleged Defect or (2) if the Alleged Defect cannot reasonably be cured, repaired or replaced within such 120 day period, failed to commence such cure, repair or replacement of the Alleged Defect and, thereafter, failed to pursue diligently such cure, repair or replacement to completion. During any such period while Declarant is diligently pursuing to completion the cure, repair or replacement of the Alleged Defect,

Claimant shall not stop, restrict, hinder, interrupt or otherwise interfere with any reasonable action or activity taken by Declarant, its employees, agents, or independent contractors, to inspect, cure, repair or replace the Alleged Defect, whether or not such action or activity is taken, or is proposed to be taken, on property owned by Claimant.

Section 21.6 No Additional Obligations; Irrevocability and Waiver of Rights. Nothing set forth in this Article 21 shall be construed to impose any obligation on Declarant to inspect, cure, repair or replace any item or Alleged Defect for which Declarant is not otherwise obligated to do under applicable law or any limited warranty provided by Declarant in connection with the sale of the Units and/or the Declarant Improvements constructed thereon, nor shall anything set forth in this Article 21 constitute an express or implied representation, warranty or guarantee by Declarant concerning any Declarant Improvements or the Project. The right of Declarant to enter, inspect, cure, repair and/or replace reserved hereby shall be irrevocable and may not be waived and/or terminated except by a writing, in recordable form, executed and recorded by Declarant in the Records.

Section 21.7 Statutory Remedies. The terms, conditions and procedures set forth in this Article 21 are in addition to the terms, conditions and procedures set forth in Idaho Code §§ 6-2501, et seq., and shall, to the maximum extent permitted by law, be exercised by any Claimant prior to instituting a claim and/or commencing an action under Idaho Code §§ 6-2501, et seq. for “constructional defects”; provided, however, the procedures set forth in this Article 21 shall not abrogate any of the requirements of Claimant under Idaho Code §§ 6-2501, et seq. Further, to the extent any provisions of this Article 21 are inconsistent with the provision of Idaho Code §§ 6-2501, et seq., the provisions of this Section 21 shall apply to the maximum extent permitted by law and shall extend all the time periods set forth in Idaho Code §§ 6-2501, et seq. until expiration of the 120 day period set forth in this Article 21. It is the express intent of Declarant to provide, by this Article 21, an initial 120 day period for Declarant to investigate and cure any constructional defects alleged by Claimant before the provisions of Idaho Code §§ 6-2501, et seq. are implemented and initiated by Claimant including, without limitation, the notice of claim, inspection, offer of settlement, and repair provisions of Idaho Code §§ 6-2501, et seq. Each Owner, by acceptance of a deed or otherwise acquiring title to any Unit agrees to be bound by all of the provisions of this Article 21.

Section 21.8 Arbitration. Unless otherwise agreed, the exclusive method of binding dispute resolution for claims made by a Claimant arising out of this Article 21 shall be arbitration administered by the American Arbitration Association in accordance with the Construction Industry Arbitration Rules in effect as of the date of this

Declaration. A demand for arbitration shall be made by such Claimant in writing, delivered to Declarant and filed with the entity administering the arbitration. No demand for arbitration shall be made until after the procedures set forth in Sections 21.3 through 21.6 have been fully complied with and the timeframes set forth therein have expired. In no event shall a claim for arbitration be made after the date when the initiation of legal or equitable proceedings based on the claim are barred by the applicable statute of limitations or statute of repose. For purposes of statutes of limitation and statutes of repose, receipt of the written demand for arbitration by the entity administering the arbitration shall constitute the initiation of legal action or equitable proceedings based on the claim. This agreement to arbitrate shall be specifically enforceable in accordance with applicable law in any court of competent jurisdiction, and any award rendered by the arbitrator(s) shall be final, and judgment may be entered upon it in accordance with applicable law in any court having jurisdiction thereof. In any such arbitration, the prevailing party shall, in addition to any other relief received, be entitled to an award of its reasonable attorneys' fees and costs arising from such claim.

Section 21.9 Additional Disclosures; Disclaimers and Releases

WITHOUT LIMITING ANY OTHER PROVISION IN THIS DECLARATION, THE ASSOCIATION AND, BY ACCEPTANCE OF A DEED OR ACQUIRING TITLE TO A UNIT, OR BY POSSESSION OR OCCUPANCY OF A UNIT, EACH OWNER FOR ITSELF AND FOR THE OWNER'S TENANTS, EMPLOYEES, FAMILY MEMBERS, GUESTS AND OTHER INVITEES, SHALL CONCLUSIVELY BE DEEMED TO UNDERSTAND, AND TO HAVE ACKNOWLEDGED AND AGREED TO, ALL OF THE FOLLOWING:

(a) Living in a multi-story building with commercial and residential components entails living in very close proximity to other persons and businesses, with attendant limitations on solitude and privacy. Walls, floors and ceilings have been designed to meet applicable building codes. However, Owners will hear noise from adjacent Units within the Project, including, but not limited to, noise from showers, bathtubs, sinks, toilets or other sources of running water and/or plumbing fixtures. Owners may also experience light entering the Units from commercial lighting in the vicinity and from street lights located in close proximity to the windows and doors of the Units.

(b) The Association has no control over the transmission of noise, light or odors within the Project and/or from the adjacent residential, retail and commercial developments, and the potential effect of such noise, light or odors on Units within the Project.

(c) Each Owner acknowledges that (i) there are no protected views in the Project, and no Unit is assured the existence or unobstructed continuation of any particular view, and (ii) any construction, landscaping or other installation of Improvements by the Declarant, other Owners or owners of other property in the vicinity of the Project may impair the view from any Unit, and each Owner consents to such view impairment.

(d) Certain portions of land (the "Neighboring Developments") outside, abutting and/or near the Project have not yet been developed or may be subject to redevelopment, and in the future may or will be developed by Declarant, or third parties over whom Declarant has no control. The Association has no jurisdiction over the future Neighboring Developments, and accordingly, there is no representation as to the nature, use or architecture of any future development or improvements on Neighboring Developments; and such use, development and/or construction on Neighboring Developments may result in noise, dust, or other "nuisance" to the Project or Owners.

(e) Residential and commercial construction is an industry inherently subject to variations and imperfections, and items which do not materially affect safety or structural integrity shall be deemed "expected minor flaws" (including, but not limited to: reasonable wear, tear or deterioration; shrinkage, swelling, expansion or settlement; squeaking, peeling, chipping, cracking or fading; touch-up painting; minor flaws or corrective work; and like items) and not constructional defects. Subsequent to the initial Conveyance of each Unit, each Owner hereby releases the Declarant from any and all claims arising from or relating to such expected minor flaws.

(f) The finished construction of each Unit, Common Elements and any Association Property, while within the standards of the industry in the City of Ketchum, Blaine County, Idaho, and while in substantial compliance with the plans and specifications, will be subject to variations and imperfections and expected minor flaws; and each Owner hereby releases the Declarant from any and all claims arising from or relating to such variations, imperfections and flaws.

(g) Indoor air quality of the Units may be affected in a manner and to a degree found in new construction within industry standards, including, without limitation, by particulates or volatiles emanating or evaporating from new carpeting or other building materials, fresh paint or other sealants or finishes, and similar products.

(h) Installation and maintenance of any security or traffic access device, operation, or method, shall not create any presumption or duty whatsoever of the Declarant or the Association (or their respective officers, directors,

managers, employees, agents, and/or contractors) with regard to security or protection of persons or property within or adjacent to the Project; and each Owner, by acceptance of a deed to a Unit, whether or not so stated in the deed, shall be deemed to have agreed to take any and all protective and security measures and precautions which such Owner would have taken if the Project had been located within public areas.

(i) The Units and other portions of the Project from time to time may, but need not necessarily, experience problems with bees, ants, spiders, termites, birds, and/or other insect, rodent or pest problems (collectively, "pests"); and Declarant hereby specifically disclaims any and all representations or warranties, express and implied, with regard to or pertaining to any pest, and each Owner must make its own independent determination regarding the existence or non-existence of any pest(s) which may be associated with the Unit or other portions of the Project.

(j) Even with a "slip sheet" underneath, certain hard surface flooring may still be subject to hairline cracks, and grout may crack and/or deteriorate, and furthermore, cracks in the walls may result from normal settlement and shifting around doors, windows, walls and ceilings; and each Owner shall be solely responsible for any such cracking or deterioration.

(k) "Cutting-out" (for example, but not limited to, for installation of speakers or "can" lights) or alteration of any portion of wall, ceiling, and/or floor by an Owner within a Unit is permitted only when such "cutting-out" is repaired, does not damage or adversely affect sound insulation or other important features of the Unit and complies with the pertinent fire codes.

(l) Other matters, limitations, and restrictions, uniquely applicable to this Project, are set forth in this Declaration, and may be supplemented from time to time by the Rules and Regulations.

(m) Declarant has complied with all Unit maintenance and operation procedures and has performed upgrades, modifications, and/or repairs consistent with or above industry standards. Declarant reserves the right to buy back Units deemed to be defective at the market rate. Should an Owner allege that a Unit is defective, an inspection shall be performed by an independent third party and shall be paid for by the Unit Owner. Should the Unit be deemed defective Declarant will reimburse Unit Owner 50% of the inspection cost.

Section 21.10 Releases. THE ASSOCIATION AND, BY ACCEPTANCE OF A DEED OR OTHERWISE ACQUIRING TITLE TO A UNIT, EACH OWNER, FOR ITSELF AND ALL PERSONS CLAIMING UNDER SUCH OWNER, SHALL CONCLUSIVELY BE DEEMED TO HAVE

ACKNOWLEDGED AND AGREED TO RELEASE THE DECLARANT AND ITS AFFILIATES, AND ALL OF THEIR RESPECTIVE OFFICERS, MANAGERS, AGENTS, EMPLOYEES, SUPPLIERS, AND CONTRACTORS, FROM ANY AND ALL CLAIMS, CAUSES OF ACTION, LOSS, DAMAGE OR LIABILITY (INCLUDING, BUT NOT LIMITED TO, ANY CLAIM FOR NUISANCE OR HEALTH HAZARD, PROPERTY DAMAGE, BODILY INJURY, AND/OR DEATH) ARISING FROM OR RELATED TO ALL AND/OR ANY ONE OR MORE OF THE CONDITIONS, ACTIVITIES, OCCURRENCES, OR OTHER MATTERS DESCRIBED IN THE FOREGOING SECTION 21.

ARTICLE 22 - MISCELLANEOUS

Section 22.1 Enforcement. Except as otherwise provided in this Declaration, enforcement of the covenants, conditions, restrictions, easements, reservations, rights-of-way, and other provisions contained in this Declaration and the other Project Documents shall be through any proceedings at law or in equity brought by any aggrieved Unit Owner, the Association, or Declarant against the Association or any Unit Owner. Such actions may seek remedy by injunction or restraint of a violation or attempted violation, or an action for damages, or any of them, without the necessity of making an election.

Section 22.2 Notices. All notices, demands, or other communications required or permitted to be given hereunder shall be in writing, and any and all such items shall be deemed to have been duly delivered upon personal delivery; upon actual receipt, in the case of notices forwarded by certified mail, return receipt requested, postage prepaid; as of 12:00 Noon on the immediately following business day after deposit with Federal Express or a similar overnight courier service; or as of the third business hour (a business hour being one of the hours from 8:00 a.m. to 5:00 p.m. on business days) after transmitting by telecopy.

Section 22.3 Nonwaiver. Failure by Declarant, the Association, or any Unit Owner or Eligible First Mortgagee to enforce any covenant, condition, restriction, easement, reservation, right-of-way, or other provision contained in the Project Documents shall in no way or event be deemed to be a waiver of the right to do so thereafter.

Section 22.4 Severability. The provisions of this Declaration shall be deemed to be independent and severable, and the invalidity of any one or more of the provisions of it by judgment or court order or decree shall in no way affect the validity or enforceability of any of the other provisions, which provisions shall remain in full force and effect. Any provision which would violate the rule against perpetuities and the rule

prohibiting unlawful restraints on alienation shall be construed in a manner as to make this Declaration valid and enforceable.

Section 22.5 Number and Gender. Unless the context provides or requires to the contrary, the use of the singular herein shall include the plural, the use of the plural shall include the singular, and the use of any gender shall include all genders.

RECORD OF PROCEEDINGS

The City of Ketchum Planning & Building Department received Condominium Subdivision Preliminary Plat Application File No. P23-053 for the Walnut & Fourth Mixed-Use Development on June 8, 2023. The application was processed and deemed complete on June 8, 2023. Following receipt of the complete application, Planning staff routed the application materials to all city departments for review. City department comments were provided to the applicant on July 21, 2023 and September 14, 2023. All comments have been addressed satisfactorily through the applicant’s revisions to the project plans or conditions of approval.

A public hearing notice for the project was mailed to all owners of property within 300 feet of the project site and all political subdivisions on September 20, 2023. The public hearing notice was

published in the Idaho Mountain Express on September 20, 2023. A notice was posted on the project site and the city's website on September 25, 2023. The public hearing for the Condominium Subdivision Preliminary Plat Application was continued from the Planning and Zoning Commission Meeting of October 10, 2023.

The Planning and Zoning Commission ("Commission") considered Walnut & Fourth Condominiums Subdivision Preliminary Plat Application File No. P23-053 during their meeting on October 10, 2023. After considering staff's analysis, the applicant's presentation, and public comment, the Commission recommended approval of Walnut & Fourth Condominiums subdivision preliminary plat application to the City Council.

FINDINGS OF FACT

Project History and Background

The applicant is nearing completion on the construction of a new 21,383 gross-square-foot, two-story building located at the southwest corner of Walnut Avenue and 4th Street. The mixed-use building contains 2,489 square feet of food service, 3,288 square feet of retail, and a 3,252-square-foot cultural facility, on the ground floor. The second floor includes 4,999 square feet of office space and two residential units. Two community housing units, 1,104 square feet and 914 square feet in net-livable area, each with detached storage areas of approximately 50 square feet are provided within the basement. In addition, the basement contains storage units for commercial and residential uses on the first and second floors of the mixed-use building.

The Commission reviewed and approved Design Review Application File No. P20-046 for the Walnut & Fourth Mixed-Use Building on September 15, 2020. The project was issued a building permit (Application File No. B21-009) on June 22, 2021. The Commission reviewed and approved Design Review Amendment Application File No. P20-046A, which proposed modifications to the mixture of uses and their configurations within the mixed-use building, on September 27, 2022. The project is nearing completion and all required life safety, building code, and utility infrastructure requirements have been met. The Planning & Building Department has issued Temporary Certificates of Occupancy for ground-floor commercial units, two of the office units on the second floor, and the two community housing units.

Conformance with Subdivision Standards

The condominium subdivision preliminary plat application will subdivide the mixed-use building into eight commercial condominium units on the first and second floors, two residential condominium units on the second floor, two community housing units, basement storage units, limited common area, and common area.

During city department review, staff reviewed the condominium subdivision preliminary plat application for conformance with the procedures for subdivision approval (Ketchum Municipal Code §16.04.030), subdivision development and design standards (Ketchum Municipal Code §16.04.040),

and condominium requirements (Ketchum Municipal Code §16.04.070). Certain standards are not applicable for one of the following reasons:

- The standard applies to the establishment of new subdivisions creating multiple new lots that will form blocks around new streets, and not the subject property, which is comprised of three existing platted lots within the original Ketchum townsite.
- The standard applies to an action that will be taken at the final plat stage of the process.
- The City Engineer has determined that the standard does not apply.

The proposed condominium preliminary plat application complies with all applicable subdivision requirements and standards.
