FY 2025 Proposed Budget Highlights

Overall Highlights:

- Focuses on the delivery of essential city services.
- FY 2025 Proposed expenses within the General Fund are 0.2%, or 41,678, less than the FY 2024 Adopted budget.
- Financial commitment to Housing and the execution of the Housing Action Plan
- Investing in the City's Infrastructure while continuing to identify a base funding resource.
- Enterprise Funds (Water & Wastewater) focus on the delivery of services to users with the goal of keeping rates as low as possible, while executing robust capital improvement plans.

FY 2025 Budget Workshop Direction

There were various items discussed however the primary two immediate action items were as follows:

1. Capital Fund long-term funding

The capital fund needs to establish a reliable long-term base funding source in order to avoid infrastructure backlogs.

2. Housing Commitment

The Council had extensive discussion regarding additional funding to execute the Housing Action Plan. At this time, up to \$500k of end of year funds will be utilize towards Housing initiatives, along with an additional \$500k allocated from the Housing In-Lieu Fund.

Open Public Hearing

1 Action:
