Recommended Action:

Reasons for Recommendation:

- Staff now have a clearer understanding of operating expenses.
- Staff also now have a better understanding of specific challenges tenants face and how to position operations and the mission for success.
- Rent and revenue remains – and will likely always be – volatile. Staff believe that this volatility can be somewhat reduced by having each tenant in a shared room accountable solely for their portion of rent, and by adjusting rents for full households based on income.
- Accounting for multiple payments per tenant, and multiple payments per room, has been challenging. Separating out accountability by bed in shared rooms and transitioning accounting services will make tracking tenant payments easier.

Policy Analysis and Background (non-consent items only):

BCHA has managed Silvercreek Living for almost eight months. During that time, staff have come to better understand the revenues and expenses of the facilities. Based on actual income, using current policies and accounting practices, the projected subsidy needed over the five-year master lease totals about \$670,000 (average of \$157,000 per year after year 1). If the proposed adjustments below were effective and tenants came into full compliance (accounting for current vacancies) that total subsidy could drop to \$375,000 for the five-year lease term (average of \$99,000 per year after year 1). Staff believe the following adjustments are worth trying to reduce the funding gap, have clearer requirements for tenants, and easy-to-follow processes for BCHA.

Adjusted lease terms

Staff believe that, by adjusting lease terms and requirements around rental payments, the gap needed to operate Silvercreek can be reduced. Currently, in units where individuals have chosen their roommates, if one roommate leaves and the others cannot cover the rest of the rent, they sometimes all elect to leave without first discussing with the Program Administrator. There are currently three vacant units and four vacant beds.

Requiring full payment earlier in the month, only one payment per month, and only one per adult or head of household will make payment tracking easier.

If individuals in shared rooms became responsible solely for their own portion of the lease payment, staff believe that vacancies would decrease. Here are the new lease terms proposed:

Roommate or household

- Choice in roommate
- \$1,600 equally divided between roommates or adults
- BCHA must be given at least 3 days' notice of termination
- They can elect to find a new roommate that is approved by BCHA within 15 days otherwise the room converts to a shared room and BCHA will place a roommate

Shared "bunk bed" rooms

- No choice in roommate
- Rooms separated by sex, regardless of age
- \$400 per month per bed
- If one roommate intimidates or disrespects the other roommates or potential roommates so they don't want to live there, or doesn't clean, then the roommate who is doing the intimidating will be given a 30 day notice to vacate
- BCHA provides single beds

Common Lease Terms, regardless of roommate arrangement

- 1 lease per adult (over 18) or household
- Everyone pays by the 5th
- BCHA must be given at least 3 days' notice of termination
- Children 10 and under can share a bed and be accounted for on their parent/guardian's lease, otherwise are counted as a roommate and their parent/guardian is responsible for paying their portion of the rent
- No more than 1 payment per month per individual or adult (over 10 years old)
- Waivers will be required when living with non-blood relatives

Changes to Rent Amounts

Given the transitional nature of Silvercreek, staff find it challenging to constantly be tracking incomes unless there's a single household per room. Legal counsel has advised against adjusting rents based on income by household, since in effect it would treat families differently than individuals. (Families are a protected class under the Fair Housing Act.) Given that, staff propose the above, where the shared "bunk bed" rooms are \$400 per month (as they have been) and all other rooms remain \$1,600 per month but with different accountability for adults.

A clear process for requesting assistance would be provided to tenants, with step 1 being to work with Blaine County Charitable Fund and step 2 being to request an exception to BCHA. BCHA can then review a tenant's specific situation and determine whether payment from the Hunger Coalition grant is warranted.

New accounting system & compliance

Staff also believe that implementing a new accounting system – where both the Program Administrator and Accounting separately account for payments – would increase compliance with lease terms. Staff have been seeking a demonstration with the company Yardi, which Bellevue's Liaison recommended. The Program Administrator will also receive legal training on providing tenants with notices of non-compliance and, especially with a new Operations Manager, will better systematize, track non-payments of rent, and receive rent in arrears.

BOARD MEETING AGENDA MEMO

Meeting Date: Staff Member:

Reasons for Recommendation:

- Staff now have a clearer understanding of operating expenses.
- Staff also now have a better understanding of specific challenges tenants face and how to position operations and the mission for success.
- Rent and revenue remains – and will likely always be – volatile. Staff believe that this volatility can be somewhat reduced by having a tiered rent structure, whereby lower income tenants pay less rent and/or receive rental assistance.

Policy Analysis and Background:

Goal 3 of BCHA's Strategic Plan: Expand, Coordinate + Improve Services to Create Housing Stability Action 2. Address the immediate needs of unhoused and people at risk of displacement

In November 2023, BCHA entered into a Masterlease for all of Silvercreek Living effective as of January 15, 2024. BCHA is responsible for all expenses associated with the building except for the physical structure and roof. Simultaneously, the City of Ketchum issued a letter of credit – which means that if BCHA is unable to make a payment to the owners of Silvercreek Living, then the City of Ketchum would pay it up to \$500,000 (or one-year's rent) to the Silvercreek owners. It is a guarantee of BCHA's payment and, as such, funds are not allocated nor incorporated into BCHA's nor the City of Ketchum's annual budget.

In November, staff committed to work with tenants over the first six months to submit and review applications to BCHA. This helps determine the general income distribution within Silvercreek and how BCHA might approach adjusting the rent structure to account for varied incomes, while still covering most – if not all – of Silvercreek's expenses.

One important note is that since January, BCHA has undergone major overhauls in accounting and bookkeeping. BCHA is now contracted with its third accountant/bookkeeper in this timeframe and now has

substantial support from the City of Ketchum's new Treasurer. Both have exceptional experience in running governmental and quasi-governmental entities (resumes attached). Previous accounting and financial support was limited.

REVENUE REPORT

As a byproduct of these changes and the flexibility that BCHA allows in rental payments, accounting for Silvercreek's revenues is challenging. Unlike a typical apartment building where rent is due at the beginning of the month, the policy at Silvercreek is to allow rental payments to come in by mid-month to accommodate a second pay period of the month, after which rent is determined late. The policy is also to allow rental payments in more than one check, at various times, and from more than one source. Early on, staff recognized that maintaining a spreadsheet for tracking such payments is inadequate, so took the time and energy to transition to a property management system (Buildium) with the expectation that it would better track rental payments.

However, staff are finding that Buildium is also woefully inadequate and does not run reports or systematize review of rental payments as promised. When creating the Accounting Manual and determining appropriate roles and responsibilities, it became clear that removing some accounting responsibilities from the Program Administrator and Administrative Assistant, and potentially consolidating tracking in QuickBooks (which BCHA already uses) would be the most effective. At a minimum, this should help with miscoding, mis- or inadequate-labeling, and general tracking.

Staff are now working closely with the contract Accountant/Bookkeeper to explore that transition. This requires both redistributing historic deposits in QuickBooks by tenant (vendor) and creating new tenant/vendors as new tenants move in. This is extremely time-consuming work, which involves reviewing and separating PDFs that group rental payments for all of Silvercreek and which do not cleanly align with each month's rent due.

Unit count: In November, staff and BCHA's Treasurer anticipated converting the two office spaces and the two, closed-door community rooms to livable units. This would equate to 34 studios and 2 shared spaces. In practice, staff have maintained an office for the Program Administrator and now converted the other office space and one of the community rooms, which means that as of June the unit count went from 32 to 34. Staff explored the Advocates subleasing one or both community rooms to use as shelter space, given that their shelter is regularly at capacity, but there were reasonable concerns regarding privacy of domestic violence victims. Staff will continue to see if and how to make use of these rooms.

The initial projection, at full occupancy and with each tenant paying the full amount of their rent due, was that total revenue from tenant rent would be \$696,000 annually. The proforma provided by the previous property manager anticipated annual revenue from rent to be \$614,000. However, if revenue continues as is, BCHA can expect about \$490,000 for year 1.

Vacancy & rental payments: Previous property management also anticipated 100% occupancy. However, as of January 15, 2024 occupancy was at 88% and remained 88% for February. Within the first couple of weeks of BCHA's Masterlease, five rooms vacated because work was too slow (snow removal, construction), roommates had moved out so remaining tenants couldn't maintain the lease, and two families refused to acknowledge the transition in management. In February, two households lost their rental assistance and so were unable to pay rent.

Blaine County Charitable Fund (BCCF), a close partner of BCHA that serves many of the same households coming out of homelessness, similarly found that there were extreme seasonal fluctuations in work. They also agreed that there are now more housing opportunities and that, with BCCF and BCHA's assistance many households have been able to access permanent housing.

In March, occupancy went up to 89% despite two move-outs due to domestic violence and needing to care for an ailing father out of county. The two households that lost their rental assistance continued to be unable to pay, and two additional households were then unable to pay due to severe, life-threatening illnesses. In April, occupancy increased to 93%. The two tenants experiencing severe illness continued to be unable to pay, and a third whose work as a chef had slowed substantially and was also unable to pay. Starting in June, occupancy has been at 96% despite one move out and two bed (in the shared rooms) vacating due to work and cheaper rent in Twin Falls or Utah.

There may be other factors that contribute to current revenue. When transitioning to QuickBooks, the Housing Director will continue to work the Program Administrator and Accountant/bookkeeper to ensure accurate tracking and continue to issue letters of non-compliance and payment agreements (through mediators, if needed) for non-payment of rent.

EXPENSE REPORT

Expenses are substantially more straight forward than revenue. In November 2023, staff anticipated monthly expenses (aside from the set Masterlease payments) to be about \$152,546 per month. Now based on 6.5 months of expense data under BCHA's management, monthly expenses average \$153,292 or a 0.5% difference.

PROJECTING NEEDED RENT AND OPERATING SUBSIDIES

Projections: Economic, environmental, and other social factors tend to impact vulnerable populations in much larger, life-altering and life-threatening ways than the general population. Prioritizing households coming out of homelessness for Silvercreek Living inherently means higher risk in projecting revenue. The quantitative and qualitative data available since January 15th confirms this. This is why there is such a need for BCHA, as a mission-driven entity, to meet a need where the private market doesn't.

Staff believe that vacancy, payment, and overall revenue projections would be more accurate if rent were adjusted based on income level. While this is a theory, the reasons provided by tenants that vacate their unit often cite the rental amount, which is still set at \$1,600 monthly across the board for each full unit (\$400 per bed in shared units) despite a household's income level. There are comparable offerings at \$1,600, even if it means sharing a house with other families. Staff believe that if rent were adjusted based on income and coupled systematically with rental assistance – say for households experiencing job loss, health challenges, or other anticipated emergency scenarios, and/or all Category 1 households – vacancy would be lower and payment rates would be higher.

Income levels: The distribution of income levels is subject to change and such changes would have a major impact on revenue if rents are adjusted to account for income. Staff have found the distribution over the last few months to be approximately as follows:

Category 1	less than 50% AMI	26%
Category 2	50-60%AMI	18%
Category 3	60-80%AMI	38%
Category 4	80-100%AMI	15%

Rental assistance: In April, The Hunger Coalition granted BCHA \$60,000 to provide rental assistance in Silvercreek and Lift Tower Lodge. Staff are clarifying a process and clear recordkeeping for such assistance.

The HOME-ARP grant that BCHA received, and is now in the second cycle of, included rental assistance. Because BCCF receives such funds and staff did not feel prepared to add an additional accounting requirement to an already complex system with new staff, BCHA did not apply for that use. Instead, BCHA received \$50,000 for case management. However, BCCF finds that the best and most efficient use of a large portion of these funds is for Silvercreek tenants. BCHA and BCCF are now clarifying processes and procedures with Idaho Housing and Finance Association, the grantor of the HOME-ARP funds, to ensure that both entities remain in compliance with grant requirements.

If this can be achieved beyond the assistance BCCF already provides directly to tenants, eligible Silvercreek tenants could access up to \$90,000 in rental assistance through BCCF and the \$60,000 from BCHA. Based on about \$30,000 assistance BCCF provided to Silvercreek tenants since January, BCCF anticipates about six households per month would be eligible. However, IHFA announced that this will be the last year of this type of HOME-ARP assistance, which will have an impact on year 2.

Basic Operating Pro Forma: Based on the information that staff has available as of August 12 and without accounting for additional rental assistance, here is the projected required subsidy for Silvercreek Living at current rents.

	Year 1	Year 2	Year 3	Year 4	Year 5	Total
Master Lease Rent	\$ (495,000)	\$ (507,375)	\$(520,059)	\$ (533,061)	\$ (546,387)	\$ (2,601,883)
Operations	\$ (153,292)	\$ (157,890)	\$(162,627)	\$ (167,506)	\$ (172,531)	\$ (177,707)
Year One Rent Abatement	\$ 123,750					\$ 123,750
BCHA Revenue	\$ 489,582	\$ 506,717	\$ 524,452	\$ 542,808	\$ 561,807	\$ 2,625,367
Required Subsidy	\$ (34,960)	\$ (158,548)	\$ (158,234)	\$ (157,758)	\$ (157,112)	\$ (666,612)
Average Annual Subsidy Over 5 years	\$ (133,322)					

*All rents grow at 2.5% to keep pace with affordability

BCHA’s FY25 budget anticipates a \$154,000 shortfall in rental income and expenses, which aligns well with the \$158,548 projected for next year. Interestingly, if rents were adjusted based on income to between \$1,200 and \$1,600 with 91% occupancy, or between \$1,000 and \$1,600 with 97% occupancy, the required annual subsidy would be about the same as shown above. If occupancy increased to 97% in response to tiered rent at \$1,200 to \$1,600, the required annual subsidy reduces to about \$105,000 instead of \$158,000. Here is what that rent structure could look like:

Category 1	less than 50% AMI	\$1,200
Category 2	50-60%AMI	\$1,330
Category 3	60-80%AMI	\$1,470
Category 4	80-100%AMI	\$1,600

If rent were fully adjusted to incomes, using the Maximum Housing Costs applied to income-restricted units and based on current income levels of tenants, the subsidy needed would average \$340,000 annually. Staff do not recommend this adjustment because BCHA does not have the needed revenue to accommodate such a funding gap and anticipating one is unsustainable.

Here are a couple of scenarios of combining rental assistance and tiered rent:

1. *Category 1 and emergency scenarios receive assistance:* Many housing programs allow for rents to be higher if the household is receiving rental assistance. One consideration is, since Category 1 households are most likely eligible for BCCF’s HOME-ARP rental assistance, keeping their rents at \$1,600. In this scenario, most rental assistance would be from BCCF’s HOME-ARP funds.

	Income Category	Tenant's Rent	Silvercreek income
Category 1	less than 50% AMI	\$ 485	\$ 1,600
Category 2	50-60%AMI	\$ 1,200	\$ 1,200
Category 3	60-80%AMI	\$ 1,400	\$ 1,400
Category 4	80-100%AMI	\$ 1,600	\$ 1,600

2. *Evenly tiered rent with varied rental assistance:* Monthly rent due to BCHA would be \$300 above BCHA’s Maximum Housing Costs for studio units, and Category 1 households receive HOME-ARP assistance (~\$60,000) and the rent receive assistance from the Hunger Coalition (~30,000). This would leave about \$50,000 in rental assistance for emergency scenarios.

	Income Category	Tenant's Rent	Assistance	Silvercreek income
Category 1	less than 50% AMI	\$ 785	\$ 815	\$ 1,600
Category 2	50-60%AMI	\$ 1,108	\$ 92	\$ 1,200
Category 3	60-80%AMI	\$ 1,269	\$ 131	\$ 1,400
Category 4	80-100%AMI	\$ 1,592	\$ 8	\$ 1,600

In both scenarios, rental assistance would be for about \$80,000 to \$90,000 – barring emergency situations – and Silvercreek would still be operating at a loss of \$105,000 to \$158,000, depending on vacancy.

	Year 1	Year 2	Year 3	Year 4	Year 5	Total
Master Lease		\$				
Rent	\$ (495,000)	(507,375)	\$ (520,059)	\$(533,061)	\$ (546,387)	\$ (2,601,883)
Operations		\$				
Year One Rent	\$ (153,292)	(157,890)	\$ (162,627)	\$(167,506)	\$ (172,531)	\$ (895,230)
Abatement	\$ 123,750					\$ 123,750
BCHA Revenue	\$ 536,280	\$ 555,050	\$ 574,477	\$ 594,583	\$ 615,394	\$ 2,875,783
Required Operation Subsidy	\$ 11,738	(110,216)	\$ (108,210)	\$(105,983)	\$ (103,525)	\$ (497,580)
Required Rent Assistance	\$ (80,000)	\$ (80,000)	\$ (80,000)	\$ (80,000)	\$ (80,000)	\$ (350,000)

Average Annual Subsidy Over 5 years	\$ (99,516)
--	--------------------

*All rents grow at 2.5% to keep
pace with affordability

As you can see, there are endless permutations of tiered rent and rental assistance. The more complicated it is, the more difficult it is to explain to tenants and higher likelihood of administrative error.

STAFF RECOMMENDATION

Since comprehensive accounting will likely remain unavailable by the board meeting on August 14th, staff will request delay on a decision to adjust rents until the following board meeting. This delay will also provide more time to establish an adequate bookkeeping system and process for an increasingly complex rent and assistance structure. Staff do not recommend making an adjustment now and then readjusting in the near future. However, staff do want to acknowledge that any rental adjustment is not permanent and that it would be prudent to reassess at regular intervals and as needed.

BLAINE COUNTY HOUSING AUTHORITY

BOARD MEETING AGENDA MEMO

Meeting Date: Staff Member:

Agenda Item:

Recommended Motion:

"I move to approve executing the Master Lease for Silvercreek Living"

Reasons for Recommendation:

- Board Subcommittee, Housing Director, and new Public Works Program Manager with construction management background recommend executing the master lease.
- Staff have completed due diligence, including reviewing existing leases, detailed expenses, and an inspection report.

Policy Analysis and Background:

Goal 3 of BCHA's Strategic Plan: Expand, Coordinate + Improve Services to Create Housing Stability
Action 2. Address the immediate needs of unhoused and people at risk of displacement

Best situated for transitional housing: Silvercreek Living has been available for purchase for over a year, and in the meantime BCHA's service partners placed high-risk and formerly homeless individuals there. With the pending sale, there is risk of mass displacement. Silvercreek Living is also ideally suited for transitional housing – given two communal kitchens, laundry rooms, and common space. There are also shared computer rooms equipped with computers and printers, high-speed internet throughout, outdoor recreation and play areas, and office space. The project is adjacent to a bus stop and across the main street from Albertsons for grocery and pharmacy items.

The Master Lease states that the rooms cannot be used for permanent supportive housing or for rehabilitation. This is because the buyers and investors are not comfortable with high need individuals/households on site. Since most households experiencing homelessness in Blaine County do not need additional on-site supports and regular case management, staff recommend approving the Master Lease with this qualification.

Part of a healthy housing ecosystem: A primary benefit of master leasing Silvercreek is having direct access to tenants – ensuring that they're on BCHA's waitlist for permanent housing and for BCHA to provide

referrals to other housing opportunities. BCHA would also directly place priority households from its emergency housing waitlist. BCHA has the flexibility of keeping current rents or, ideally, switching to rent based on 30% of a household’s income. If BCHA can adequately work with Idaho Housing Finance Association, that could mean setting a floor of \$800 per month of rent for the lowest income households that are eligible for rental assistance.

Master lease or buy: The potential buyer is keen to work with BCHA on this, given our mission and the suitability of the site for transitional housing. During master lease review, a few options were agreed upon:

1. *Right of first offer:* If the potential buyer decides to offer Silvercreek Living for sale, BCHA will be notified and have 90 days to negotiate purchase terms and an additional 20 days to execute a purchase and sale agreement.
2. *Unsolicited offers:* If the potential buyer receives an unsolicited offer to purchase the property, BCHA will have five business days to notify buyer of intent to match such offer and if so, 90 days to raise sufficient funding and close the transaction.
3. *Exclusive Purchase Period negotiation:* BCHA has the right, at any time during the Master Lease period, to commence exclusive negotiation with the potential buyer for 90 days and an additional 20 days to execute the purchase and sale agreement.

In addition to these options, BCHA can enter into an extension of the lease with a 30-day negotiation period. Initiating this negotiation period must occur no later than three years into this five-year master lease. That three-year period gives BCHA adequate time to determine if operations are successful and serves the community well. Regardless and in the meantime, the master lease approach provides BCHA with a low cost/low risk and flexible approach to immediately provide meaningful transition housing.

Costs to BCHA: Upon review of detailed actual expenses and taking a more conservative approach, the estimated costs still point to reducing overall rents for tenants. We anticipate turning two office spaces into bedrooms, and two closed-door community rooms into larger rooms. The larger rooms could also be partitioned into one- or two-bedroom units, for about \$10,000 each. There is adequate parking available on site for this conversion. The subcommittee also added in a ~15% contingency and are not projecting full laundry income – which could be up to \$36,000 per year – knowing that stoves, laundry machines, and other equipment will likely need replacement.

Given further understanding of operations at Silvercreek and through discussions with the maintenance lead and property manager, staff anticipate an average of 20 hours a week for maintenance and the property manager to stay on for the first one or two months.

The following shows a rough profit/cost analysis based on rental rates per room, and accounts for the first six months of half rent.

RENT SENSITIVITY SUMMARY	YEAR 1	AVERAGE	5-YEAR TOTAL
AVERAGE RENTS AT \$1,600	\$ 179,835	\$ 80,080	\$ 400,402
AVERAGE RENTS AT \$1,400	\$ 93,435	\$ (10,749)	\$ (53,745)
AVERAGE RENTS AT \$1,300	\$ 50,235	\$ (56,164)	\$ (280,818)
AVERAGE RENTS AT \$1,200	\$ 7,035	\$ (101,578)	\$ (507,892)

The subcommittee recommends re-reviewing costs and operations after six months of property control. This will also give staff time to work with existing tenants on applying to BCHA, reviewing those applications, and determining what average rent and rent floor is feasible.

With about \$200,000 set aside for transitional housing this year and a budget review in June, staff anticipate being able to determine the amount of funds set aside to reduce rents. Staff would recommend to the Board a resolution that earmarks those funds for Silvercreek Living for the duration of the master lease.

In lieu of a security deposit, the City of Ketchum has approved a letter of credit that is the equivalent of one-year of the master leased rent. This will only be withdrawn from Ketchum if the need arises and BCHA doesn't have the funds.

Transition period: If the BCHA Board approves the master lease and the sale is successful, then BCHA will take control of Silvercreek Living on January 15th, 2024. This gives staff a month and a half to prepare. The buyer has agreed to allow BCHA to begin placing tenants as of December 15th. This will allow us to move applicants off our waitlist and out of High Country Motel.

Given increased workload, Ketchum will contract with a part-time Program Assistant, whose primary responsibilities will be assisting the Program Administrator with application review and cleaning up existing BCHA files. Staff plan on the Program Assistant's first day to be December 1, 2023.

Staff will work with the outgoing property manager on the following items:

- Transfer billing accounts to BCHA
- Transfer all keys
- Review documents with Frances and Carissa
- Setup rent box
- Setup post office box for individual rooms

Staff will hold community meetings to review expectations and use of stoves, sinks, washer/dryers, etc. This should alleviate some wear and tear on equipment.

Staff were informed that several tenants do not currently have leases. Staff will work get those tenants on leases to clarify expectations for both parties, at their current rental rate.

Over the first six months, staff will work with tenants to submit and review applications to BCHA. This will help determine each household's rent after six months and also give staff a sense of what rent floor and average is feasible.

Ongoing maintenance: Ben Whipple is City of Ketchum's new Project Manager for Public Works and has a background in construction management. He toured the site and dialogued with the existing maintenance lead. He recommends keeping the maintenance team on since he finds them extremely capable. The lead maintenance person is a certified electrician and plumber and is intimately familiar with the building. Their pay rate is also very reasonable.

The maintenance lead provided staff with their checklist. Ben is reviewing the list to determine which items would make sense for volunteers to conduct. For other technical items that volunteers are willing to donate their time on, Ben is available to review their credentials and ensure that they are bonded or have insurance. The faith community is generating a list of these technical volunteers. Initial volunteers could conduct the following:

- Annual roof inspection
- Assistance in finishings and cabinetry installation
- General maintenance assistance

Reviewing these tasks with Ben and the maintenance lead will identify areas of increased efficiency. For example, if the maintenance team has a snowblower, that would provide savings in the long-run rather than outsourcing the work.

2. PREMISES.

2.1 Lease of Premises. Lessor does hereby lease to Lessee, and Lessee does hereby lease from Lessor, upon the terms and conditions set forth in this Lease, the Premises in Section 1(c) hereof. Lessee represents and warrants that it agrees with the Agreed Floor Area of the Buildings as specified in Section 1(d).

2.2 Acceptance of Premises. As of the Commencement Date, Lessee acknowledges that it has examined the Premises and accepts the Premises in their present condition, "as-is, where-is." Neither Lessor nor its agents have made any representations or warranties with respect to the Premises, except as expressly set forth herein, and Lessee expressly acknowledges that it has not entered into this Lease in reliance upon any representation, warranty, agreement or understanding, either oral or written, which is not specifically set forth herein.

2.3 Lessor's Work. Lessee acknowledges that Lessor has not agreed to and is not obligated to make any improvements or alterations to the Premises except as specifically set forth herein.

2.4 Existing Furniture, Fixtures, and Equipment. The parties acknowledge that as of the Effective Date the Premises consists of numerous items of furniture, fixtures, and equipment (collectively "Existing FF&E"). Lessee and any tenants subject to a Rental Agreement (defined below) may have use of the Existing FF&E during the Lease Term. Maintenance, repair, and replacement of the Existing FF&E shall be controlled by Section 9.2 herein.

2.5 Existing Tenants. The parties acknowledge and agree that as of the Commencement Date the Premises are occupied by tenants under existing tenant lease agreements ("Existing Tenant Agreements"). Following Closing the Existing Tenant Agreements will be assigned to Lessee pursuant to an assignment and assumption agreement dated as of the Commencement Date, the form of which is attached hereto as **Exhibit D**.

3. TERM; EXCLUSIVE TERM EXTENSION NEGOTIATION PERIOD.

3.1 Term. The Lease Term shall be for the period stated in Section 1(f) hereof, and shall commence on the Commencement Date specified in Section 1(f). Neither Lessor nor any agent or employee of Lessor shall be liable for any damage or loss due to Lessor's inability or failure to deliver possession of the Premises to Lessee as provided herein.

3.2 Exclusive Term Extension Negotiation Period. It is Lessor's desire to have Lessee as a long term tenant for the Premises. Accordingly, Lessee may provide notice (the "Extension Notice") of its desire to extend the Lease Term, such Extension Notice to be delivered to Lessor no later than thirty-six (36) full months following the Commencement Date (the "Extension Notice Deadline"). Following delivery of the Extension Notice Lessor agrees to negotiate exclusively with Lessee in good faith for thirty (30) days with respect to the rental amount, extension term, and any other material business or legal terms or condition for such requested extension. In the event that the parties agree on the foregoing extension terms during such thirty (30) day period, the parties will execute an amendment to this Lease memorializing such agreement.

4. RENT.

4.1 Monthly Rent. Lessee shall pay Lessor the Monthly Rent stated in Section 1(g) hereof and all other Rent due hereunder without demand, deduction or offset, payable in lawful money of the United States in advance on or before the day specified in Section 1(g) to Lessor at the offices of Lessor specified in Section 1(k), or to such other party or at such other place as Lessor may hereafter from time to time designate in writing. The obligations of Lessee to pay Rent to Lessor and the obligations of Lessor under this Lease are independent obligations. The term "Rent" shall mean the Monthly Rent and all other amounts owing by Lessee to Lessor under this Lease.

4.2 Interest; Late Charges. Any Rent payable by Lessee to Lessor which shall not be paid upon the due date thereof shall bear interest at a rate equal to twelve percent (12%) per annum calculated

from the date of delinquency to the date of payment. If any such installment or other payment of Rent is not received within five (5) days from the due date, Lessee shall pay to Lessor a late charge equal to five percent (5%) of the amount so delinquent, which late charges shall be liquidated damages (and not a penalty) to compensate Lessor for the costs of handling such delinquency, the parties agreeing that actual damages would be inconvenient, uncertain, and difficult to ascertain. Such interest and late charges shall be deemed additional rent due upon demand, and Lessor shall have rights with respect to such non-payment as it has with respect to any other non-payment of Rent hereunder. Lessor shall provide an alternative way to receive Rent payments (such as direct deposit into Lessor's bank account) in case of Lessor's inability to certify (offer a signed receipt) timely payments.

4.3. Discounted Rent. For valuable consideration, which both parties acknowledge, during the first six (6) months of the Lease Term following the Commencement Date, and provided no Event of Default exists by Lessee, Monthly Rent will be reduced by fifty percent (50%).

5. LETTER OF CREDIT.

Concurrent with the execution of this Lease, as security for the performance by Lessee of Lessee's obligations hereunder, Lessee shall cause to be delivered to Lessor an irrevocable standby letter of credit (the "Letter of Credit") in the amount set forth in the Basic Terms (the "Letter of Credit Amount"), naming Lessor as beneficiary. The Letter of Credit was approved by Ketchum's City Council at the November 13th, 2023 meeting. Due to joint exercise of powers and shared interest and authority to pursue the public purposes of this Agreement, the Letter of Credit shall initially be issued by the City of Ketchum, a municipal corporation of the State of Idaho (the "City"), and have an expiration date not earlier than one (1) year and be automatically renewable for additional one (1) year periods unless notice of non-renewal or non-appropriation is given by the City to Lessor and Lessee not later than sixty (60) days prior to the expiration thereof (a "Termination Notice"). The Letter of Credit shall provide that in the event of a Lessee default the Lessor may make partial and multiple draws thereunder, up to the Letter of Credit Amount. In addition, the Letter of Credit shall provide that, in the event of Lessor's assignment or other transfer of its interest in this Lease, the Letter of Credit shall be freely transferable by Lessor to such transferee, without charge and without recourse, to the assignee or transferee of such interest with confirmation of the same to Lessor and such assignee or transferee. The Letter of Credit shall provide for payment to Lessor upon the issuer's receipt of a written request from Lessor together with Lessor's certificate certifying that Lessor is entitled to draw upon the Letter of Credit, and shall be substantially in the form attached hereto as **Exhibit E**. In the event of a Lessee default, Lessor, or its then authorized representatives, shall have the right to draw down an amount up to the face amount of the Letter of Credit and hold the funds drawn in cash without obligation for interest thereon as the security for the performance of Lessee's obligations under this Lease. Lessor and Lessee acknowledge and agree that in no event or circumstance shall the Letter of Credit, any renewal or substitute therefor or any proceeds thereof be deemed to be or treated as a "security deposit" under any law applicable to security deposits in the commercial or residential lease context.

In the event of a Termination Notice as contemplated above, it is agreed and understood that Lessee shall be solely responsible for providing a replacement Letter of Credit ("Replacement Letter of Credit") with a qualified entity, as reasonably determined by Lessee and with reasonable consent by Lessor, on or before the date that is five (5) business days prior to the termination effective date set forth in the Termination Notice (the "Outside Replacement Letter of Credit Date"). It is agreed and understood that a failure of Lessee to provide a Replacement Letter of Credit by the Outside Replacement Letter of Credit Date shall constitute an incurable Lessee default under the Lease.

6. USES.

The Premises are to be used only for the Permitted Uses specified in Section 1(i) hereof and for no other business or purpose.

6.1 Generally. Lessee shall not use, occupy, or permit the use or occupancy of the Premises for any purpose which is illegal, patently dangerous or permit anything to be done which is prohibited by or which shall in any way conflict with any law, statute, ordinance, or governmental rule, regulation or covenants, conditions and restrictions affecting the Premises now or hereinafter in force. Lessee shall not commit or allow to be committed any waste upon the Premises, or any public or private nuisance or other act or thing which disturbs the quiet enjoyment of any others, including any tenants in the Buildings. Lessee shall comply with all laws relating to the Premises, and shall not permit any activities to occur on at the Premises that would unreasonably effect the safety, use, and cleanliness of the Premises and the preservation of good order therein. With respect to any tenant subleases executed by Lessee as sublandlord, Lessee will follow its standard screening requirements, and Lessee agrees it will follow its qualification process as laid out in the Housing Guidelines, as may be updated by Lessee. As stated in Section 1(i), Lessee is specifically prohibited from using any portion of the Premises as permanent supportive housing or drug/alcohol rehabilitation facility without the prior written consent of Landlord, although residents coming out of homelessness who otherwise qualify for housing under the Housing Guidelines may be residents in the Premises. Lessee acknowledges that neither Lessor nor any agent of Lessor has made any representation or warranty with respect to the Premises or the zoning of the same, or with respect to the suitability of the Premises for the conduct of Lessee's business, nor has Lessor agreed to undertake any modification, alteration or improvement to the Premises except as specifically set forth herein. Lessee, as its sole cost and expense, shall promptly comply with all laws, statutes, ordinances, and governmental rules, regulations, or requirements now in force or which may hereafter become in force, of federal, state, county, and municipal authorities or other similar body now or hereafter constituted, and with any occupancy certificate issued pursuant to any law by any public officer or officers, which impose any duty upon Lessor or Lessee insofar as any thereof relate to or affect the condition, use, alteration, or occupancy of the Premises associated with Lessee's use. Lessee shall further be responsible for the cost of any alterations or modifications to the Premises that are required due to Lessee's use of the Premises, subject to approval by Lessor as contemplated herein. Lessee is solely responsible for ensuring that the Premises comply with any and all governmental regulations applicable to Lessee's conduct of business on the Premises, and for any alterations or improvements that may be required by such regulations, now existing or hereafter adopted.

6.2 No Obstructions. Lessee shall not obstruct areas outside of, on the sidewalks adjacent to the Premises with any item, and/or boxes, trash or other debris. If Lessee fails to comply with the preceding sentence, Lessor may at its option, remove and store or dispose of any such property or material without liability for loss thereof or damage thereto, such storage or disposal to be for the account of Lessee and at the expense of Lessee, which amounts shall be deemed additional rent hereunder.

6.3 Garbage. Lessee will not place or maintain any garbage, trash, rubbish, or any other refuse in any area on the exterior of the Premises, except in secured bins and in designated areas.

6.4 Smoking. Lessee acknowledges that smoking is not permitted within twenty-five (25) feet of any Building entrances, exits, windows or ventilation intakes. In addition, Lessee agrees to comply with any applicable laws, rules, or regulations related to smoking, which may be more restrictive than the preceding sentence, and also agrees to ensure that all residents occupying the Premises comply with all rules and regulations set forth in this Section 6.4.

6.5 Lessor's Rules and Regulations. Lessee agrees to comply with any reasonable rules or regulations created by Lessor with respect to the Premises ("Rules"); provided that prior to implementing such Rules, Lessor shall send a draft of the proposed Rules to Lessee for Lessee's review and comment and the parties shall work together in good faith for a period not to exceed ten (10) business days to finalize such Rules. Notwithstanding the foregoing, Lessor shall be the final decision

maker on any Rules; provided that no Rules may unreasonably frustrate the purposes of the Lease or conflict with any express provision of this Lease, including, without limitation, the Permitted Uses.

7. OPERATING COSTS.

Lessee acknowledges that in addition to Monthly Rent, Lessee is responsible for directly payment of all costs and expenses relating to the Premises ("Operating Costs"). Operating Costs includes, without limitation: insurance, utilities, taxes, and all other impositions, taxes, liens, charges or expenses of any nature whatsoever in connection with the operation and management of the Premises by Lessee. Lessee acknowledges that it will be solely responsible for the payment of Operating Costs as follows:

7.1 Lessee's Personal Property Taxes. Lessee shall pay prior to delinquency all personal property taxes with respect to all personal property of Lessee and shall provide promptly upon request of Lessor written proof of such payment.

7.2 Property Taxes. During the Lease Term, as may be extended, to the extent property or other Ad Valorem taxes are assessed and owing against the Landlord and Buildings, Lessee shall pay such taxes when due (or reimburse Lessor). The parties specifically acknowledge that Lessee is only responsible for property or other Ad Valorem taxes (if any) which are assessed during the Lease Term, as may be extended.

7.3 Insurance. Lessee shall pay, procure, and/or reimburse Lessor for the insurance policies required under Section 14.2.

7.4 Property Management. Lessee shall be responsible for the payment and management of any property manager hired or retained by Lessee to manage all or any portion of the Premises.

7.5 Vendor Agreements. Lessee is solely responsible for the hiring and management of all vendors or other contractors regarding performance of all services required to be performed at the Premises associated with Lessee's use including, without limitation, janitorial services, HVAC service, security services, pest control, snow and ice removal, roof and gutter maintenance, etc.

7.6 Records. Lessee shall keep accurate records showing in reasonable detail all Operating Expenses incurred and paid by Lessee. These records shall, upon at least thirty (30) days' request, be made available for inspection by Lessor.

8. SERVICES AND UTILITIES.

Lessee shall be responsible for the costs of all services performed or rendered at the Premises as well as the cost of all utilities used in the Premises, including but not limited to electricity, gas, water, sewer, internet, and telephone. Lessor shall not be liable to Lessee for any loss, injury or damage to property caused by or resulting from any variation, interruption or failure of such services due to r Lessee's failure to make any repairs or perform any maintenance required of Lessee. No temporary interruption or failure of such service incident to the making of repairs, alterations or improvements, or due to accident or strike, or condition or events beyond Lessor's reasonable control shall be deemed an eviction of Lessee or relieve Lessee from any of Lessee's obligations hereunder.

9. REPAIRS AND MAINTENANCE.

9.1 Lessor's Obligations. Except for damage caused by the negligence or intentional act or omission of Lessee or Lessee Parties, Lessor shall, at Lessor's expense, provide capital repairs to the roof, roof structure, foundations and exterior walls of the Buildings. Lessor shall also be responsible, at Lessor's expense, for replacement of the rooftop mounted heating and air conditioning equipment servicing the Premises. Lessee shall promptly notify Lessor of any damage to the Premises requiring capital repairs or replacement, which Lessor agrees will be repaired or replaced in a commercially reasonable period following such notice; provided that it is agreed and understood that Lessee will be required to reimburse Lessor as additional rent for any capital repairs or replacements that are caused by the negligence or willful misconduct of Lessee or any Lessee Parties. For the avoidance of doubt, the obligations set forth in this Section 9.1 are intended by the parties to be the sole obligations of Lessor with respect to its maintenance, repair, and replacement obligations for the Premises. Capital repairs shall be defined per generally acceptable accounting principles..

9.2 Lessee's Obligations. Subject to Lessor's obligations as described above, Lessee, at Lessee's expense, shall keep in good order, condition and repair the Premises. Lessee's responsibilities shall include, without limitation (i) the maintenance and/or repair of any heating and air conditioning equipment servicing the Premises; (ii) maintenance of roof and gutters, including periodic cleaning of same; (iii) the maintenance of the plumbing, mechanical, life safety, security systems, and electrical utilities servicing the Premises; (iv) the necessary repairs and replacements to the entry doors, window frames, hardware, glass, and interior walls of the Premises; (v) the janitorial services to the Premises, (vi) maintenance, repair, and replacement (at the same quality or better) of the Existing FF&E; (viii) the replacement of light bulbs, tubes and washroom and toilet supplies for the Premises; and (ix) all landscaping and snow removal services required to be performed at the Premises. Lessee is responsible for the maintenance, repair and/or replacement of the individual heating and air conditioning units known as "packaged terminal air conditioners" (PTAC) found in the individual residential units within the Premises. All damage or injury done to the Premises or any appurtenances thereto either by Lessee, or any Lessee Parties, or by any other persons who may be in the Premises with the consent of Lessee, including the cracking or breaking of glass of any windows and doors from inside the Premises, shall be paid for by Lessee. If Lessee fails to perform Lessee's obligations hereunder relating to the repair, maintenance or upkeep of the Premises as required herein, Lessor may, following reasonable notice to Lessee, at its option (but shall not be required to), enter upon the Premises upon reasonable prior written notice to Lessee and put the same in good order, condition, and repair or otherwise cure the default, and the cost of such action shall become due and payable as additional rent to Lessor at the time Lessee's next installment of Monthly Rent that becomes due. All of Lessee's obligations under this Section 9.2 shall be performed to a professional standard and, as applicable, by licensed and bonded contractors and/or professionals; provided that Lessee may engage the services of nonprofit entities and/or volunteers for work performed under this Section 9.2 if the work being performed meets the following requirements: (i) does not require a permit, (ii) is non-structural in nature, and (iii) does not require that the individual performing the work possess a specialized license or certification for such work. For the avoidance of doubt, except for the obligations of Lessor set forth in Section 9.1 above, Lessee is solely responsible for all maintenance, repairs, and replacement costs related to the Premises.

10. ALTERATIONS.

10.1 Improvements by Lessee. Lessee shall not make any alterations, additions or improvements (collectively, "Alterations") in or to the Premises without first obtaining the written consent of Lessor, not to be unreasonably withheld. Notwithstanding the foregoing, Lessor's consent shall not be required for any Alterations that (i) do not affect the structure, slab, or roof of the Buildings,

(ii) do not require a building permit, and (iii) the cost of which does not exceed \$10,000.00 ("Minor Alterations").

(a) Plans and Specifications. Lessee shall deliver to Lessor full and complete plans and specifications for any Alterations, including but not limited to the conversion or addition of residential rooms in the Premises or on the Property. Lessor does not and will not make any covenant or warranty, express or implied, that any such plans or specifications submitted by Lessee are accurate, complete or in any way suited for their intended purpose.

(b) Compliance with Laws; Liens. All Alterations shall be completed by Lessee at Lessee's sole cost and expense and shall be performed in accordance with all laws, ordinances, rules and regulations of any federal, state, county, municipal or other public authority. Lessee expressly covenants and agrees that Lessee will not allow any liens of mechanics, material men, laborers, architects, engineers, artisans, contractors, subcontractors, or any other lien of any kind whatsoever to be created against or imposed upon the Premises, and that in the event any such claims or liens of any kind whatsoever shall be asserted or filed by any persons, firms or corporations, Lessee shall pay off or make diligent effort to cause the same to be discharged of record within five (5) days of notification thereof. Even if Lessor consents to the making of any Alterations, such consent shall not constitute the granting of any authority to Lessee to allow any liens of mechanics, material men, laborers, architects, engineers, artisans, contractors, subcontractors, or any other person or entity whatsoever to be created against or imposed upon the Premises.

(c) Ownership of Improvements. Prior to the commencement of any Alteration requiring approval by Lessor, Lessor will advise Lessee whether such Alteration is required to be removed at the termination of the Lease.

(d) Contractor's Insurance. Lessee acknowledges and agrees that a material condition to the granting of approval of Lessor to any Alteration required under this Lease or desired by Lessee is that the contractors who perform such work shall maintain a commercial general liability insurance policy covering both bodily injury and property damage in the amount of Two Million Dollars (\$2,000,000.00). Lessor may require proof of such insurance coverage from each contractor at the time of submission of Lessee's request for Lessor's consent to commence work.

11. DAMAGE OR DESTRUCTION.

If the Premises are damaged, destroyed, either wholly or in part, by fire or other casualty, Lessor shall forthwith repair the same, or cause the same to be repaired, materially to the extent the Premises were originally delivered to Lessee unless this Lease is terminated as permitted herein. Within thirty (30) days from the date of such damage, Lessor shall notify Lessee if the Premises is damaged in excess of fifteen percent (15%) of the Premises' pre-casualty value, as reasonably determined by Lessor (damage in excess of such amount being referred to as "Major Damage" and damage equal to or less than such amount being referred to as "Minor Damage"). If Major Damage occurs, Lessor may elect to terminate the Lease in whole or just with respect to the damaged portion of the Premises with a corresponding equitable adjustment in Monthly Rent. If Minor Damage occurs then Lessor shall repair such damage and rebuild that portion of the Premises damaged. In the event of Major Damage, if Lessor gives its written notice to Lessee electing to rebuild, or to cause the same to be rebuilt, or in the event of Minor Damage, this Lease shall remain in full force and effect provided Lessor completes the repairs within six (6) months, subject to extension for Force Majeure, except the Monthly Rent shall be abated during the period of repair in which Lessee's use of the Premises is interrupted. If the damage is due, in whole or in part, directly or indirectly to the fault or neglect of Lessee or any Lessee Parties, there shall be no or proportional abatement of Monthly Rent and Lessee shall be wholly or

proportionally responsible for all deductibles and increased insurance costs or premiums due to such damage, which obligation shall survive the Lease Term. If in the event of Major Damage Lessor elects by written notice to Lessee not to repair or rebuild, then this Lease shall automatically terminate as of the effective date of such notice. Notwithstanding any of the foregoing, Lessor's obligation to restore the Premises shall be limited to the extent of the insurance proceeds available to Lessor for such restoration (less any amounts claimed by the holder of any first mortgage or the beneficiary of any first deed of trust on the Premises), and Lessor shall have no obligation to restore the Premises if such damage or destruction occurs during the last year of the Lease Term.

12. CONDEMNATION.

If all of the Premises, or such portions as may be required for the reasonable use of the Premises, are taken by eminent domain, or sold by Lessor under the threat of the exercise of said power (all of which is referred to in this Lease as "condemnation"), this Lease shall automatically terminate as of the date Lessee is required to vacate the Premises and all rentals shall be paid to that date. In case of a taking of a part of the Premises, or a portion not required for Lessee's reasonable use of the Premises, then this Lease shall continue in full force and effect and the rental shall be equitably reduced based on the proportion by which the Agreed Floor Area of the Premises is reduced, such rent reduction to be effective as of the date possession of such portion is delivered to the condemning authority. Lessor reserves all rights to damage to the Premises for any taking by condemnation, and Lessee hereby assigns to Lessor any right Lessee may have to such damages or award, and Lessee shall make no claim against Lessor for damages for termination of the leasehold interest or interference with Lessee's business. Lessee shall have the right, however, to claim and recover from the condemning authority compensation for any loss to which Lessee may be put for Lessee's moving expenses and loss of business, provided that such damages may be claimed only if they are awarded separately in the condemnation proceedings and not as part of the damages recoverable by Lessor.

13. HAZARDOUS WASTE.

Lessee represents and warrants that no Hazardous Materials (as defined below) will be stored on or under the Premises except for reasonable amounts of materials as is generated by Lessee from its use of the Premises as defined in Section 1(i), and then only to the extent such storage is in compliance at all times and in all respects with Environmental Laws. Lessee further represents and warrants that Lessee's Alterations and equipment on the Premises shall not incorporate lead, asbestos, or PCBs. The terms, covenants, representations and warranties contained herein shall survive the termination or expiration of this Lease.

The term "Hazardous Materials" means hazardous or toxic substance, materials or wastes, including but not limited to any substance, material or waste which is (i) petroleum; (ii) asbestos; (iii) polychlorinated biphenyls (PCBs); (iv) designated as a "Hazardous Waste" pursuant to the Resource Conservation and Recovery Act, 42 U.S.C. §6901, *et seq.*; (v) designated as a "Hazardous Substance" under the Clean Water Act, 33 U.S.C. § 1321, or listed pursuant to 33 U.S.C. § 1317; (vi) listed by the U.S. Department of Transportation at 49 C.F.R. 172.101 or by the U.S. Environmental Protection Agency under 40 C.F.R. Part 302; and (vii) any other substance, waste or material which is regulated as hazardous or dangerous by any federal, state, or local agency. The term "Environmental Laws" shall mean any and all of the foregoing laws referenced in (iv) through (viii) in this paragraph.

14. LESSEE RESPONSIBILITY.

14.1

Lessor, including its affiliates, contractors, partners, and employees (collectively “Lessor Parties”) shall be liable for any loss or damage to person or property sustained by Lessee or any Lessee Parties, or other persons, which may be caused by the Premises, or any appurtenance thereto, being out of repair, or the bursting or leakage of any water, gas, sewer or steam pipe, or by theft, or by any act or neglect of any Lessee or occupant of the Premises, or of any other person, or by any other cause of whatsoever nature, unless directly caused by Lessor Parties. Lessee agrees to use and occupy the Premises at its own risk and hereby releases the Lessor Parties, including its agents and employees from all claims for any damage or injury to the fullest extent permitted by law. As used herein, “Lessee Parties” means Lessee, its officers, contractors, licensees, agents, servants, employees, guests, invitees, tenants or subtenants occupying the Premises.

14.2 Insurance.

(a) Lessee Insurance. Lessee shall, throughout the terms of this Lease and any Extension Term, at its own expense, keep and maintain in full force and effect a policy of commercial general liability insurance, as Lessee currently maintains through ICRMP. All policies shall be payable on an "occurrence" rather than a "claims made" basis; and

(b) Lessor Insurance. Lessor will keep and maintain commercially reasonable property insurance policies covering the FF&E and the Buildings, the cost of which will be reimbursed by Lessee on an annual basis. The phrase “commercially reasonable” as used in this Section 14.2(b) shall mean insurance policies (including, without limitation, type, scope, and deductible amounts) that are normally obtained by owners of similar type buildings in Blaine County, Idaho.

15. ASSIGNMENT.

Lessee shall not assign, transfer, mortgage or encumber this Lease in whole or in part, nor sublet the whole or any part of the Premises without first obtaining Lessor's written consent, which Lessor may withhold in its sole discretion. Lessor’s consent to any transfer shall not be deemed consent to any subsequent transfers. Notwithstanding the foregoing Lessee may, without the prior consent of Lessor, enter into limited term rental (not to exceed one (1) year) agreements substantially in the form of Lessee’s standard residential lease template (“Rental Agreement”), as part of its normal course of business; provided, however, during the last twelve (12) months of the Lease Term Lessee will not enter into any new tenant leases that extend beyond the term of this Lease. For purposes of clarification, it shall not be considered unreasonable for Lessor to reject any Rental Agreement in which the term of the lease extends (or may be extended by the tenant) beyond the Expiration Date or earlier termination of the Lease.

If Lessee is an entity, then any dissolution, liquidation, merger, or consolidation of Lessee, or any change in ownership of a majority of the ownership interests of Lessee, whether directly or indirectly (including without limitation any change in control of a majority of the ownership interests in any of the entities controlling Lessee), shall constitute an assignment for purposes of this Section 15.

16. EVENTS OF DEFAULT AND REMEDIES.

16.1 Events of Default. Time is of the essence hereof. The occurrence of any one or more of the following events shall constitute an "Event of Default" by Lessee:

- (a) The vacating or abandonment of the Premises by Lessee;
- (b) Intentionally Omitted;

(c) The failure by Lessee to make any payment of Rent or any other payment required to be made by Lessee hereunder as and when due, and such failure shall continue for a period of five (5) days after written notice thereof by Lessor to Lessee; provided, however, that Lessor shall provide such notice no more than two (2) times during any calendar year, and any subsequent failure by Lessee to make any payment or Rent due hereunder as and when due shall constitute an automatic default;

(d) The failure by Lessee to observe or perform any of the covenants, agreements, terms or conditions of this Lease, other than described in subsections (a) through (c) above, where such failure shall continue or shall not be remedied within thirty (30) days after notice in writing thereof is given by Lessor to Lessee, specifying the matter claimed to be in default; provided, however, that if the nature of Lessee's default is such that more than thirty (30) days are reasonably required for its cure, then Lessee shall not be deemed to be in default if Lessee commences such cure within said thirty (30) day period and thereafter diligently prosecutes such cure to completion; provided, further, however, that such period of time shall not be so extended if it results in reasonably imminent jeopardy to the interest of Lessor in the Premises or so as to subject Lessor to any liability, civil or criminal; and

(e) The failure of Lessee to comply with the provisions of Section 14 or 15 herein.

16.2 Remedies. Upon the occurrence of an Event of Default by Lessee, Lessor may, at any time thereafter, in its sole discretion, upon notice or demand and without limiting Lessor in the exercise of any other right or remedy which Lessor may have by reason of such Event of Default:

(a) Terminate Lessee's right to possession of the Premises by any lawful means, in which case this Lease shall terminate and Lessee shall thereafter have no further rights hereunder or in the Premises; provided, however, that upon such termination Lessor shall be entitled to recover from Lessee all damages incurred by Lessor by reason of Lessee's default, including but not limited to the cost of recovering possession of the Premises; expenses of reletting, including necessary renovation and alteration of the Premises; reasonable attorneys' fees; all accrued and unpaid rent (including, without limitation, all Monthly Rent and additional rent due from Lessee through the remainder of the Term), and other amounts due from Lessee with interest thereon at the rate set forth in Section 4.2 above; the worth at the time of the award by the court having jurisdiction thereof of the amount by which the unpaid rent and other charges called for herein for the balance of the term after the time of such award exceeds the amount of such loss for the same period that Lessee proves could be reasonably avoided; and that portion of any leasing commission paid by Lessor and applicable to the unexpired term of this Lease; or

(b) Maintain Lessee's right to possession, in which case the Lease shall continue in effect whether or not Lessee shall have abandoned the Premises, and Lessor shall be entitled to enforce all of Lessor's rights and remedies under this Lease, including, without limitation, the right to recover the Monthly Rent and any other charges due or to become due hereunder with interest at the rate provided for herein; or

(c) Pursue any other remedy or remedies now or hereafter available to Lessor under the laws or judicial decisions of the state in which the Premises are located; or

(d) Perform, on behalf of Lessee, any obligation of Lessee under this Lease that Lessee has failed to perform and of which Lessor has given Lessee notice as set forth above, the commercially reasonable cost of which performance shall be immediately paid by Lessee to Lessor as additional rent hereunder. All rights, options and remedies of Lessor contained in this Lease shall be construed and held to be cumulative, and no one of them shall be exclusive of the other, and Lessor shall have the right to

pursue any one or all of such remedies or any other remedy or relief which may be provided by law, whether or not stated in this Lease.

17. ACCESS.

Upon 48 hours' notice to Lessee (except in the case of an emergency, in which case only reasonable notice shall be required), Lessee shall permit Lessor and its agents to enter into and upon the Premises at all reasonable times for the purpose of inspecting the same or for the purpose of repairing, altering or improving the Premises as contemplated in this Lease. Nothing contained in this Section 17 shall be deemed to impose any obligation upon Lessor not expressly stated elsewhere in this Lease. Lessor shall have the right to enter the Premises for the purpose of showing the Premises to prospective lessees within one hundred eighty (180) days prior to the expiration or sooner termination of the Lease Term.

18. SIGNAGE.

All signage shall be at Lessee's sole cost and expense and shall be approved in writing in advance by Lessor, which may require previous signage removed by Lessee to be re-installed at Lessee's expense. All signage shall comply with any applicable rules, regulations, law or ordinances of any governmental authority having jurisdiction over the Premises. Any such consent by Lessor shall be upon the understanding and condition that Lessee will remove the same at the expiration or sooner termination of this Lease and Lessee shall repair any damage to the Premises caused thereby.

19. LIENS AND INSOLVENCY.

Lessee shall keep the Premises free from any liens arising out of any work performed, materials ordered or obligations incurred by Lessee. If Lessee becomes insolvent, voluntarily or involuntarily bankrupt, or if a receiver, assignee or other liquidating officer is appointed for the business of Lessee, then Lessor may terminate Lessee's right of possession under this Lease at Lessor's option and in no event shall the Lease or any rights or privileges hereunder be an asset of Lessee under any bankruptcy, insolvency or reorganization proceedings.

20. REMOVAL OF PROPERTY.

20.1 Surrender of Premises; Assignment of Tenant Leases. Upon expiration or sooner termination of this Lease, whether by lapse of time or otherwise, Lessee shall promptly and peacefully surrender the Premises to Lessor in as good condition as when received by Lessee from Lessor or as thereafter improved, reasonable use and wear excepted. Subject to Section 10 above, all other property in the Premises and any Alterations performed at the Premises shall become the property of Lessor and shall remain upon and be surrendered with the Premises, Lessee hereby waiving all rights to any payment or compensation therefor. Unless Lessor approves so in writing, Lessee will, upon termination of this Lease, remove any Alterations and property placed or installed by Lessee or any Lessee Parties in the Premises as requested by Lessor, and will immediately repair any damage caused by or resulting from such removal to the condition of the Premises as of the Commencement Date, reasonable wear and tear excepted. Upon request by Lessor, Lessee shall provide a list of all active tenants, including the leases associated with each tenant and a detailed rent roll. On or prior to expiration or sooner termination of this Lease, Lessee shall assign each of the foregoing leases to Lessor.

20.2 Failure to Remove Property. If Lessee fails to remove any of its property of any nature whatsoever from the Premises at the termination of this Lease or when Lessor has the right of reentry, Lessor may at its option, remove and store such property, such storage to be for the account and at the expense of Lessee. If Lessee shall not pay the cost of storing any such property after it has been stored

for a period of thirty (30) days or more, Lessor may, at its option, sell, or permit to be sold, any or all of such property at public or private sale (and Lessor may become a purchaser at such sale), in such manner and at such times and place as Lessor in its sole discretion may deem proper without notice to Lessee, and shall apply the proceeds of such sale: first, to the cost and expense of such sale, including reasonable attorneys' fees actually incurred; second, to the payment of the costs or charges for storing any such property; third, to the payment of any other sums of money which may then be or thereafter become due to Lessor from Lessee under any of the terms hereof, and fourth, the balance, if any, to Lessee.

21. NON-WAIVER.

Waiver by either party of any breach of any term, covenant, or condition herein contained shall not be deemed to be a waiver of such term, covenant or condition, or of any subsequent breach of the same or any other term, covenant or condition herein contained. The subsequent acceptance of any monetary payment by Lessee hereunder by Lessor shall not be deemed to be a waiver of any preceding breach by Lessee of any term, covenant, or condition of this Lease, other than the failure of Lessee to pay the particular monetary payment so accepted, regardless of Lessor's knowledge of such preceding breach at the time of acceptance of such monetary payment.

22. HOLDOVER.

If Lessee, with Lessor's written consent, remains in possession of the Premises after expiration or termination of the term, such possession by Lessee shall be deemed to be a month-to-month tenancy terminable as provided under law (or such lesser time as may be agreed upon by Lessor and Lessee in any amendment to this Lease), by either party. All provisions of this Lease, except those pertaining to Term and Rent, shall apply to the month-to-month tenancy. If Lessee fails to surrender possession of the Premises upon termination or expiration of this Lease and if Lessee does not obtain Lessor's written consent to Lessee's continued occupancy Lessee shall be considered a lessee at sufferance and (i) Monthly Rent during any holdover period will be in an amount equal to one hundred fifty percent (150%) of the Monthly Rent for the last full calendar month during the Term, and (ii) Lessee shall be liable to Lessor for all direct damages sustained by Lessor as a result thereof.

23. NOTICES.

All notices under this Lease shall be sent by electronic mail to the electronic mail addresses set forth in Section 1 hereof (or such other electronic mail address as may from time to time be designated by such party in writing), and to the holder of any first mortgage or deed of trust at such place as such holder shall specify to Lessee in writing. Notices sent by electronic mail shall be deemed delivered at 1:00 p.m. (Mountain Time) on the next business day following transmission.

24. COSTS AND ATTORNEYS' FEES.

In the event of any action or proceeding arising out of or in connection with this Lease, the substantially prevailing party shall be entitled to all costs, expenses and reasonable attorneys' fees, with or without suit and on appeal.

25. LESSOR'S LIABILITY.

Anything in this Lease to the contrary notwithstanding, covenants, undertakings and agreements herein made on the part of Lessor are made and intended not as personal covenants, undertakings and agreements or for the purpose of binding Lessor personally or the assets of Lessor

except Lessor's interest in the Premises, but are made and intended for the purpose of binding only Lessor's interest in the Premises. No personal liability or personal responsibility is assumed by, nor shall at any time be asserted or enforceable against Lessor or its partners and their respective heirs, legal representatives, successors and assigns on account of this Lease or on account of any covenant, undertaking or agreement of Lessor contained in this Lease. In consideration of the benefits accruing hereunder, Lessee agrees that, in the event of any actual or alleged failure, breach or default of this Lease by Lessor, Lessor's liability under this Lease shall be limited to, and Lessee shall look only to Lessor's interest in the Premises and the rents and proceeds thereof.

26. SUBORDINATION; ESTOPPEL CERTIFICATE.

26.1 Subordination. Upon demand by Lessor or the holder of any mortgage or deed of trust now existing or that may hereafter be placed upon the Premises, Lessee will execute an agreement of subordination, nondisturbance and attornment in such reasonable form as is acceptable to Lessor and to such mortgage holder. In the absence of such agreement, Lessee agrees that this Lease shall be subordinate to any mortgage or deed of trust now existing or hereafter placed upon the Premises and to any and all advances to be made thereunder, and to interest thereon, and all renewals, replacements or extensions thereof. Lessee's failure to execute and return such agreement within thirty (30) calendar days after Lessor's delivery of such document to Lessee shall constitute an automatic Event of Default by Lessee under this Lease.

26.2 Estoppel. Lessee shall, from time to time upon written request of Lessor, execute, acknowledge and deliver to Lessor or its designee a written statement in such form as Lessor may request, stating the date this Lease was executed and the date it expires; the date Lessee entered into occupancy of the Premises, the amount of minimum monthly rental and the date to which such rental has been paid, and certifying that this Lease is in full force and effect and has not been assigned, modified, supplemented or amended in any way (or specifying the date of any agreement so affecting this Lease); that this Lease represents the entire agreement between the parties as to this leasing; that all conditions under this Lease to be performed by Lessor have been satisfied; that all required contributions by Lessor to Lessee on account of Lessee's improvements have been received; that on that date there are no existing defenses or offsets which Lessee has against the enforcement of this Lease by Lessor; that no rental has been paid in advance; that no security has been deposited with Lessor (or, if so, the amount thereof); and such other matters about the Lease as Lessor may reasonably request. It is intended that any such statement delivered pursuant to this Section 26.2 may be relied upon by a prospective purchaser of Lessor's interest or a mortgagee of Lessor's interest or assignee of any mortgage upon Lessor's interest in the Premises. If Lessee fails to respond within thirty (30) calendar days of receipt by Lessee of a written request by Lessor as herein provided, Lessee shall be deemed to have given such certificate as above provided without modification and shall be deemed to have admitted the accuracy of any information supplied by Lessor to a prospective purchaser or mortgagee, including, without limitation that the Lease is in full force and effect, there are no uncured defaults by Lessor, that any security deposit is as stated in the Lease, and that not more than one (1) months Monthly Rent has been paid in advance.

27. TRANSFER OF LESSOR'S INTEREST.

This Lease shall be assignable by Lessor without the consent of Lessee in the event of any transfer or transfers of Lessor's interest in the Premises, and except in the case of a transfer for security purposes only the transferor shall be automatically relieved of any and all obligations and liabilities on the part of Lessor accruing from and after the date of such transfer and Lessee agrees to attorn to the transferee.

28. RIGHT OF FIRST OFFER; EXCLUSIVE PURCHASE NEGOTIATION PERIOD.

28.1 Right of First Offer. If, during the Lease Term, Lessor determines to offer all or any portion of the Property to the market for sale, then Lessor will notify Lessee before taking the Property to the market. Lessee will have ninety (90) days after receipt of the foregoing notice to negotiate the purchase terms with Lessor (the “ROFO”). If Lessor and Lessee agree on the purchase terms during such ninety (90) day period the parties will execute a commercially standard purchase and sale agreement memorializing such terms within twenty (20) days thereafter. If the parties are unable to negotiate the purchase terms within ninety (90) days, or to execute a purchase and sale agreement within twenty (20) days following agreement on the purchase terms, then Lessee’s ROFO may be deemed null and void and Lessor may thereafter enter into negotiations with any third party to sell the Property.

28.2 Unsolicited Offers. If, during the Lease Term, Lessor receives an unsolicited offer to purchase all or any portion of the Property on terms acceptable to Lessor, then Lessor will notify Lessee before responding to such offer. Lessee shall have five (5) business days to notify Lessor if it would like to match such offer and, if so, Lessee shall have no more than ninety (90) calendar days to raise sufficient funding and close a transaction for all or any portion of the Property.

28.3 Exclusive Purchase Negotiation Period. Except as otherwise set forth herein, Lessee is hereby granted a one (1) time right, which may be exercised at any point during the Lease Term, to notify Lessor of its interest in purchasing the Property (the “Purchase Notice”). In the event Lessee provides a Purchase Notice Lessor agrees to the commencement of an exclusive negotiation period of ninety (90) days to reach agreement on the purchase terms, including, without limitation the purchase price. If Lessor and Lessee agree on purchase terms during such ninety (90) day period the parties will execute a commercially standard purchase and sale agreement memorializing such terms within twenty (20) days thereafter; provided that the purchase and sale agreement will include a period of not less than ninety (90) days from execution to closing to allow Lessee sufficient time to secure funding and required legislative approvals to purchase the Property. If the parties are unable to negotiate the purchase terms within ninety (90) days, or to execute a purchase and sale agreement within twenty (20) days following agreement on the purchase terms, then the exclusive negotiating period shall expire.

29. PARKING.

Lessee (including any tenants who are parties to Rental Agreement) may park passenger vehicles in the areas depicted on **Exhibit C** at no additional cost or expense. Lessee agrees to assume responsibility for compliance by Lessee Parties with the parking provisions contained herein, and shall cooperate with Lessor in enforcement thereof. Lessor shall have no obligation to provide security or any other services to the parking areas and shall have no liability with respect to any vehicles parked in the parking areas.

30. GENERAL PROVISIONS.

- (a) This Lease shall be construed and governed by the laws of the State of Idaho.
- (b) The title of sections of this Lease are not a part of this Lease and shall have no effect upon the construction or interpretation of any part hereof. Where the context permits, references to the singular shall include the plural and vice versa, and references to a neutral gender shall include the feminine and masculine.
- (c) All of the covenants, agreements, terms and conditions contained in this Lease shall apply to and be binding upon Lessor and Lessee and their respective heirs, executors, administrators, successors and assigns.

(d) Lessee represents and warrants to Lessor that it has not engaged any broker, finder or other person who would be entitled to any commission or fee in respect to the negotiation, execution or delivery of this Lease except for that broker identified in Section 1(j) hereof.

(e) This Lease contains all covenants and agreements between Lessor and Lessee relating in any manner to the rental, use and occupancy of the Premises and other matters set forth in this Lease. No prior agreements or understanding pertaining to the same shall be valid or of any force or effect and the covenants and agreements of this Lease shall not be altered, modified, or added to except in writing signed by Lessor and Lessee. Any provision of this Lease which shall prove to be invalid, void or illegal shall in no way affect, impair or invalidate any other provision hereof and the remaining provisions hereof shall nevertheless remain in full force and effect.

(f) If any term or provision of this Lease or the application thereof to any person or circumstance shall to any extent be invalid or unenforceable, the remainder of this Lease, and/or the application of such term or provision to person or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each term and provision of this Lease shall be valid and be enforced as written to the fullest extent permitted by law.

(g) This Lease has been submitted to the scrutiny of all parties hereto and their counsel if desired, and shall be given a fair and reasonable interpretation in accordance with the words hereof, without consideration or weight be given to its having been drafted by any party hereto or its counsel.

(h) If more than one person or entity constitutes Lessor or Lessee, the obligations imposed upon each such person or entity shall be joint and several.

(i) This Lease shall not be recorded or otherwise placed of record by Lessee. Upon request by Lessee, Lessee may record a memorandum of lease, in recordable form, prepared by Lessor, and evidencing the commencement date, rights of first offer to purchase, extension rights, and expiration of this Lease. Upon request by Lessor, at the expiration or sooner termination of this Lease, Lessee shall execute in recordable form and deliver to Lessor a termination of lease agreement covering the Premises.

SECTION 2 OF BCHA COMMUNITY HOUSING GUIDELINES

Section 2. Qualifying to Rent or Purchase Community Housing

A. Basic Qualifications for the Rental or Purchase of Community Housing with an Income Category Deed Covenant

To qualify to rent or purchase an Income-restricted Community Home, the Applicant/Applicant Household must meet the criteria as stated below:

1. At least one non-dependent member of the Applicant Household must meet one of the following criteria:
 - (a) Be a Full-Time Employee working in Blaine County; or
 - (b) Be a Retired Person who was a Full-Time Employee in Blaine County immediately prior to his/her retirement and who currently lives in Blaine County as his/her Primary Residence and is 62 years of age or older; or
 - (c) Be a Disabled Person residing in Blaine County who was a Full-Time Employee in Blaine County immediately prior to his/her disability and who currently lives in Blaine County as his/her Primary Residence, and
 - (d) The Applicant/Applicant Household states his/her intent to occupy the Community Home as his/her Primary Residence.
2. No member of the Household may own developed residential real estate or a mobile home.
3. The total Gross Income of all members of the Household must not exceed the maximum Household Income specified, which is calculated using the chart in Section 1. The actual dollar amount changes annually and is listed as Income Limits published by BCHA on its website for the Income Category and Household Size; and
4. The Household Net Worth (the total net worth of all members of the Household) must not exceed the Allowable Net Worth specified for the Income Category.

1. General Application

- (a) All persons wishing to rent or purchase a Community Home must submit a completed General Application for Community Housing Form to BCHA (the current application can be found on BCHA's website). The application to rent is a single step process (General Application form only); the application to purchase is a two-step process (General Application and Purchase Requirements). A General Application may be certified by BCHA as complete only when the necessary steps have been completed.
- (b) The General Application Form is provided by BCHA.
- (c) Upon receipt of the completed General Application, BCHA may provide the Applicant with a Letter of Eligibility specifying the Income Category. The Letter of Eligibility is based only on information supplied by the Applicant and, as such, is unverified; verification is explained further in Section 2(C), below.

C. Verifying Application Information

1. BCHA may request additional documentation such as proof of residency, income, assets, and employment. All information and documentation submitted must be held confidential by BCHA and must not be subject to Open Records Requests by the public. Such documentation is used to determine that an Applicant meets the criteria set forth in Section 2.A and/or to verify the information provided in the application under 2(B). All or some of the following may be requested:
 - (a) Federal income tax returns for the most recent year.
 - (b) A current income statement and a current financial statement, in a form acceptable to BCHA, verified by Applicant to be true and correct; or other financial documentation acceptable to BCHA. When current income is twenty percent (20%) more or less than income reported on tax returns, the Applicant's income may be averaged based upon current income and the previous year's tax returns to establish an Income Category for the purpose of purchasing a Community Home.
 - (c) Verification of employment in Blaine County.
 - (d) Copy of valid Driver's License or State Identification Card.
 - (e) If the Applicant receives court-ordered alimony, spousal support, and/or child support, a certified copy of the court order must be provided, including all exhibits, supplements, and modifications to the decree.
 - (f) Any other documentation that BCHA deems necessary to determine eligibility.
2. Upon receipt of the completed General Application and requested verification forms,

the Applicant's name and all information for individuals, households, and/or local employers may be retained in the Applicant Database. On an annual basis, as part of the annual purge process, the applicant must confirm or update the information to remain in the Applicant Database. All information may be re-verified at the time an applicant is selected to rent or purchase a Community Home. If information is not updated upon request, the applicant will be removed from the Applicant Database.

D. Process for Matching Applicants to Available Community Housing

In general, the matching process occurs as follows:

1. When a Community Home becomes available, the home size, type, Income Category, and location of that Home are checked against the Applicant Database. All Applicants matching the qualifications for a given Community Home are then grouped into the "Applicant Pool" for that Home.
2. Households are prioritized by date and time of application on the list for the Income Category for which they qualify.
3. While household size may not be a determining factor in prioritization for ownership or rental of housing, it should be noted that the purchase price or rental amount may be determined on basis of an assumed household size in accordance with the Area Median Income (AMI).
4. If an Applicant has previously qualified and the Applicant's Household composition subsequently changes (due to marriage, divorce, separation, an increase, or reduction in the number of dependents, etc.), the Applicant may still be eligible for purchase or rental of Community Housing, provided that the Household continues to qualify under the Income Category and other considerations. It is the Applicant's responsibility to continuously update Household information with BCHA prior to being placed into an Applicant Pool.
5. When an Applicant purchases a Community Home, the Applicant's application is extinguished and may not be used to qualify for another Community Home. If an owner of a Community Home wishes to purchase another Community Home, he or she must file a new application and begin the process again.
6. When an Applicant rents a Community Home, the Applicant's application is retained and is used as a basis for subsequent recertification and may be used to qualify for future purchase of a Community Home.
