City of Ketchum

Ketchum City Council Meeting January 3, 2023  
GENERAL PUBLIC COMMENT

***Emergency Request: Shutdown the Vaccine Killing Fields/***

**PUT THAT NEEDLE DOWN!**

Dear Mayor and Councilors:

**EMERGENCY REQUEST IS HEREBY MADE TO YOU, in the protection of public health and safety, to work with all local and state government bodies and officials in Idaho to achieve an immediate “cease-fire”/suspension of all vaccination activities inside the City of Ketchum and throughout all of Idaho, by reason of the exploding numbers of illnesses and deaths of the covid vaccinated to whom we must dedicate our best resources and immediately come to the aid. Especially of concern for immediate protection is our children who had no legal capacity to consent to any of the covid-19 measures yet who were especially targeted for State Injections.**

To be clear, this is not an accusation, rather, a call also for action and investigation consistent with the rule of law in Idaho, with healthy suspicion of what many consider the most grievous criminal activity unprecedented in the history of the state of Idaho with devastating casualties, involving cooperation and collusion on the part of certain members of local and state government officials, the press, and the medical pharma industry, in what is now increasingly being recognized as nothing other than Scam fraud and racketeering. [See, for example, *Idaho covidScam – Law, Ethics, Sanity and Survival* (2021).]

**I attach, and incorporate herein by reference, my letter to the Governor dated October 31, 2022, a copy of which was also submitted that date to this Council on the record, calling for the suspension of all covid-19 “vaccination” activities; coming to the aid of those many Idahoans being sickened, crippled, and killed; and launching investigations into wrongdoing on the part of vaccine perpetrators and collaborators - and to which your reply, and that of Governor Little, has been Dead Silence.**

**I also urge that this Council immediately table all non-emergency city council agenda items until this dire situation is understood and brought under control.**

I will remind you that more than three years ago, on October 22, 2019, well before covid raised its filthy head, I warned this Council of the critical threat facing us, of a government that would seek to inject the citizenry with dangerous vaccines, to which your reply then also was Dead Silence, which now must be challenged as collusion on your part in what has followed and culminating in this covid Vaccine terror. By now you must know that Idaho is done with All Things covid, which as it turns out as insisted by many from the start, is the grandest of deceptions existing only in the minds of history’s greatest psychopaths and their trusting and now terrorized prey.

I insist that regardless of positions taken by you in the past, collectively as Council or individually, and regardless of past civil and/or criminal liability connected therewith, your legal and ethical responsibility at this point must be to initiate a public campaign with outcry and Mandate throughout Ketchum and across all of

Idaho, the same as what I urged in October 2019 and what so many others in is community also have requested:

**Put That Needle Down!**

Against immense opposition, beginning in March 2020 and continuing for over two years, this Council claimed emergency powers to justify horrific Measures of isolation, distancing and even masking, effectively choking out and poisoning every breath of the citizen victim class, ignoring the fact that the Measures inflicted savage blows to our health and safety and constituted immense deprivations of Inalienable Rights and civil liberties that are Constitutionally protected, without any due process of law provided to any of the victims. You are now being asked to exercise the same emergency powers, but in a way that protects not attacks such treasured rights.

I and many others in Ketchum and throughout this great state anxiously stand ready to give our best efforts assisting this imperative.

Thank you.

Sincerely,

James Hungelmann

Mr. Brad Little  
Governor  
State of Idaho

Re: *Emergency Request: Shutdown the Vaccine Killing Fields*

Dear Governor Little:

As a senior member of the Idaho Bar and longtime resident of the state, I urge you to immediately suspend all covid-19 “vaccination”; to come to the aid of those many Idahoans being sickened, crippled, and killed; and to launch investigations into wrongdoing on the part of vaccine perpetrators and collaborators.

1

By now it is clear that the casualties of covid vaccines in Idaho and across America are exploding and are being hidden by active collusion between the makers, “the authorities” including yourself as Idaho’s chief executive, and a cowardly complicit Idaho press.

The victim class is immense. People of all ages, body types, races and gender are going down hard, often exceptionally painfully, with heart attacks, massive blood clots, myocarditis and inflamed vascular systems, seizures, cancers, multiple organ failures, collapsed immune systems, mysterious diagnoses and new, rare disorders. How about Adult Sudden Death Syndrome – including for young, healthy athletes?

For each, the media reporting is the same – “Such a kind and wonderful person, will be hugely missed, we will never forget her.” And, “Cause of Death Unknown” – with no mention of the fact that “She was fully vaccinated.”

America doesn’t want to face the fearful possibility that what we have on our hands is a mass experimentation crime against humanity with lethal consequences, whereby a trusting public is wrongfully induced and coerced to submit to deadly injections by false representations of safety and efficacy and false authority of law; and perpetrated by government with full collaboration and complicity of the press who together are doing the bidding of a powerful pharma-medical cartel of racketeers whose every motivation is to keep America tricked, sick and subjugated.

2

You, sir, and the other many vaxScam perpetrators and collaborators in government and the press share one thing in common: You personally knew nothing of vaccines and have no idea what the short- and long-term health impacts of mass vaccination would be. And yet you have proceeded blindly down the road pushing toward universal injections, threatening the entire

Governor Brad Little  
October 31, 2022

population with what many consider to be deadly force, while choking out and even threatening the many voices of reason who from the start of covid “vaccination” have warned of its dire consequences that are now erupting. The fear, sir, is that your “vaccine” will spell endgame, not for “the virus”, but of sanity, of health and even life and of any future for Idahoans free of deviant racketeers.

Whom did you and your fellow colluders trust? Those who have been represented to be experts have turned out also to be no-nothings, abject fraudsters, or both. In assessing credibility, one must look at the track record of the covid vaccine drug companies who prior to the “covid era” were found civilly and criminally responsible for deceptive practices connected with the sale of some of their leading drugs causing serious illness, crippling and many deaths. The pattern of illicit conduct has included hiding casualties, falsification of safety and efficacy, and bribing government officials. We certainly have had no reason now to trust our health and lives to such sketchy organizations.

As many forensic experts have maintained from the start, every component of the “covid narrative” is a great lie, completely lacking evidentiary support. All covid testing is flawed and reported incidence rates are completely phony. Further, all covid “health measures” especially masking and vaccination are the exact opposite of what a sane people should do, providing absolutely no protection but instead ruining health and gravely endangering life.

Many maintain that what is emerging today, in plain public view, is the shocking reality of covid-19 as the greatest criminal enterprise in the history of the United States, involving fraud, racketeering and mass human casualties, and effectuated in Idaho through wildly illegal and unconstitutional “emergency” orders from you as Governor and from your collaborating minions in the press and state and local government including the attorney general, mayors, city councilors, county commissioners, and school boards. [See for example, *Idaho covidScam – Law, Ethics, Sanity and Survival.*]

3

The predator-perpetrator class is many in number, and now stripped down for all to see . . . Warp Speed Trump, Biden, Fauci and Gates certainly head the list, together with their WHO and CDC lackeys, in bed with Big Pharma vaccine producers who are proving themselves once again to be dangerous drug merchants feasting on deceit, illness and death.

In recent months, you have sought to distance yourself from vaccine responsibility, blaming Biden for this and that, but it was you, sir, who let covidScam into Idaho in the first place, it was you who stood with sick grin and dripping needle enticing even the youngest of children, and even today you continue to hawk the filthy wares. It is clear now that your assigned role in vaxScam was to inject as many Idahoans with as many shots as possible before we might awake to the crimes and casualties, knowing full well that those most likely to fall victim to taking the jab would be those without the resources to suspect or detect deception or to appreciate the gravity of the threat to health and life. Just as was the case with mandated masking, the impact

Governor Brad Little  
October 31, 2022

has been especially devastating on all children and the working class with its disproportionate racial minority makeup.

It was you, Governor, whom Idahoans trusted. No one will forget your infamous assurance to all Idahoans: “By rolling out the vaccine we will bring an end to covid-19 in Idaho”. Your contentions that the covid vaccine is safe and effective, that good health was “just a shot away”, and that universal vaccination is needed to protect lives and return life to normal, are great falsities. As is becoming increasingly clear from all pronouncements from the WHO and CDC who have no accountability or jurisdictional authority in Idaho and yet whose dictates you have imposed without hesitation on all Idahoans, there will be strain after new strain of covid and mutated variants, requiring new experimental vaccines after booster vaccines, each with partial coverage, not quite sufficient (so the story will go) to repair the disintegrating human organism muzzled/choked-out by masking and buckling under every jab.

Far from bringing the Idaho covid crisis to an end as you assured, upon which so many relied in surrendering their bodies to jab after jab, the “vaccine” appears but the next aggravation in state infringement on individual freedoms with calamitous health consequences, causing serious illness and early death for many. And yet the truth, Governor, is that you are still using every tool at your disposal, at great taxpayer expense, to force vaccination on all adults and children of all ages in Idaho, while ignoring and indifferent to the mounting misery in the vaccine Killing Fields across the state.

4

American constitutional law scholars hotly dispute the contention made by your administration, including Attorney General Wasden, that the US Supreme Court has ruled universal vaccination laws to be constitutional.

The public tends to view the United States Supreme Court as an institution of integrity, wisdom and truth, a rudder for society that serves as a check against constitutional infringements; such that a Supreme Court ruling validating compulsory vaccines must mean that submitting to injection is the right and safe thing to do and that there is no need for personal scrutiny before deciding to vaccinate oneself and one’s family. What a mistake.

In the 1905 case of *Jacobsen v. Massachusetts* claimed as your authority, the Supreme Court upheld the constitutionality of a local law requiring smallpox vaccination for all adults, where the only penalty for refusal to submit was a modest “deprivation of property” in the form of a monetary fine of \$5, equivalent to almost \$170 today. Importantly, the law in question did not require that anyone be forcibly vaccinated. Jacobsen was not threatened nor was he “deprived” in any way of life or liberty or any inalienable right. He never submitted to vaccination nor was he further asked to do so. He was not jailed, he was not denied gainful employment, the right to travel freely, nor access to public establishments.

Governor Brad Little  
October 31, 2022

By contrast, any law imposing significant “deprivations” of “life or liberty” or of “inalienable rights”, such as the right to be free from government forced injections and from obstructions and poisoning of free breathing, requires the strictest of Due Process scrutiny and protections which were not required in *Jacobsen* because the deprivation there was constitutionally insignificant.

How many Idahoans succumbed to covid vaccination in reliance on asserted US Supreme Court “authority” that does not exist? And what kind of leadership would assert such false authority, knowing and intending that it would cause many Idahoans to believe in the falsity and make perhaps the biggest mistake of a lifetime?

5

In terms of coming to the aid, we must believe that it is not too late for vaccinated Idahoans, and we must dedicate our best resources to understand the nature of the illnesses being inflicted and to help the vaccine impaired recover good health.

A critically important lesson learned from covidScam is always to scrutinize closely and never again to rely exclusively on medical-pharma solutions to any health problem. The fundamentals of sound nutrition, sleep, movement, and breathing must always be of primary importance. Idahoans understand that our health, hope and future are tied to the great outdoors, the wrap of mother nature around us, the fresh air, the open spaces, the friendly people, the sports and recreation, and free dialogue, discourse and debate. In the assessment of illness and remedies in this era of covidScam, the natural approach to health has shamefully been completely ignored. Never again.

6

Benjamin Franklin insisted that “the first responsibility of every citizen is to question authority.” Now more than ever, at this most important time in our lives and the history of the Nation, his words must be heeded.

How is it possible that very few children in Idaho know anything about US constitutional protections of civil liberties that would cause them to question any mandates and messaging of masking and alleged “vaccinations”? What we must be insisting as the most Essential learning for all children is never to blindly accept and adapt to any narrative coming from any governmental entity or person. Students must be taught that nowhere in the USA does any governmental entity at any level have the right to call the shots and loosen and tighten restrictions on Inalienable Rights as it sees fit, like the right to breathe, gather and speak freely, or the right not to be coerced to inject suspiciously deadly drugs.

All students must understand that Due Process of Law is the most treasured inheritance from Mother England, of Magna Carta magnificence, the distinguishing cornerstone of individual liberties and democracy of the United States of America, and the one mechanism that protects us from dictatorship. They also must understand that due process is also the protection of sanity: It

Governor Brad Little  
October 31, 2022

is the vehicle by which an entire people assures that they are never going to be captivated by or subjugated to a false narrative that involves them losing their liberties or life without any justification having been shown. In the USA, surely there is no more important learning for children – yet absent in Idaho education. Is it any wonder that so many Idahoans are insisting, Shut down all public schools now?

7

Lastly, Governor, there is nowhere to run, nowhere to hide. Idaho is on to you, as we are on to the weaselly press and all sycophant mayors, city councilors, county commissioners, and school board trustees, the whole rotten lot of you who could have stood up and protected the public but instead chose to oversee the tyranny of covidScam and the human rights butchery of its Measures, from choking out and poisoning every breath throughout two years of masking to injecting and injecting with noxious needle.

History warns us that when losses of loved ones mount, and the fraud and tyrannical ruination of lives and the rule of law are exposed, public rage can explode into reckless retaliation and breakdown of sanity and law and order. We must never allow this to happen, anywhere in America.

From your illegal *ad infinitum* extension of emergency powers for an entire two years past May 2020 to unconscionably coercing all Idahoans of all ages to Just Say Yes to repeated poisoned penetrations, you have shredded the rule of law like no Idahoan ever before you. To save yourself, and all of us, it is now your time to reverse course, to own up to the error of your ways, and to return to the Rule of Law in Idaho. In the view of many, this must include shutting down all vaccine activities in Idaho, freezing all assets of racketeering for judicial disposition, and again, coming to the aid of your vaccine damaged victims and their devastated families.

Idaho is done with All Things covid, which as it turns out, is the grandest of deceptions existing only in the minds of history's greatest of psychopaths and their desperate prey.

And so, Governor, we must insist: Put That Needle Down!

Breathe Free, Idaho, forever!

I hope you understand.

Sincerely,

James Hungelmann
