### Policy Analysis and Background (non-consent items only):

These agreements are for encroachment of existing fencing, decking, and placement of a storage shed within the right-of-way of an unimprovement alley.
--------------------------------------------------------------------------------------------------------------------------------------------------------

Pursuant to Ketchum Municipal Code §12.12.040.C, a Right-of-Way Encroachment Permit is required for any permanent fixture or structure encroaching into the public right-of-way. The accompanying Right-of-Way Encroachment Agreement is designed to protect the City in the event that the proposed encroachment requires repair, relocation, or removal. The standards for issuing a Right-of-Way Encroachment Permit, as outlined in Ketchum Municipal Code §12.12.060, are met by the proposed encroachments for the 140 W. River St #1 and #2 project.
