FY23 EMERGENCY MEDICAL SERVICES AGREEMENT 22813 – CITY OF KETCHUM

THIS AGREEMENT 22813 made and entered this ____ day of _____, 2022, by and between the BLAINE COUNTY AMBULANCE DISTRICT, a legal taxing district of the State of Idaho (hereinafter “Ambulance District”), and the CITY OF KETCHUM, a municipal corporation of the State of Idaho.

WITNESSETH:

WHEREAS, Blaine County has established an ambulance service district, in accordance with the provisions of Section 31-3901, et seq., of the Idaho Code, authorized to provide ambulance and emergency medical service (collectively referred to as “EMS Service”) to serve the area within Blaine County and to determine the manner in which that service shall be operated and, if deemed appropriate, to enter into agreements to provide such EMS Service for Blaine County; and,

WHEREAS, Blaine County has been divided into two (2) ambulance service districts – northern and southern. The northern district comprising all of the area of Blaine County north of the intersection of State Highway 75 and the Big Wood River, directly south of Greenhorn Gulch to the Custer County Line and the southern district comprising all of Blaine County south of the aforementioned intersection; and,

WHEREAS, in 2000 it was determined in a comprehensive emergency medical services plan (the “EMS Plan”) the need for the Ambulance District to develop a model EMS delivery system to address the continued expansion of the service needs that would fund and sustain a higher level of EMS Service for the residents and guests of Blaine County. The EMS Plan included an operational plan for the City of Ketchum Fire Department in the northern district and Wood River Fire Protection District in the southern district to move forward in providing a higher level of EMS Service as their resources allow; and,

WHEREAS, it was advantageous to both the Ambulance District, and for the City of Ketchum from both a financial and service standpoint for the Ambulance District to enter into an Agreement with the City of Ketchum to provide EMS Service to the northern district; and,

NOW, THEREFORE, IT IS HEREBY MUTUALLY AGREED between the parties as follows:

1. Level of Service: During the term of this Agreement, the City of Ketchum agrees to provide and maintain paramedic level EMS Service licensed by the State of Idaho Department of Health and Welfare EMS Bureau as advanced life support level two (“ALS Level 2”) for the treatment and transport of patients from the northern district of Blaine County twenty-four (24) hours per day, seven (7) days per week.
2. Services Provided: Paramedic level EMS Service shall be provided under the terms and conditions contained herein:
 - 2.1 In providing paramedic level EMS Service to the northern district of Blaine County twenty-four (24) hours per day, seven (7) days a week, the City of Ketchum shall respond to emergency medical service (“EMS”) incidents with one (1) fully equipped ALS Level 2

licensed ambulance with a minimum of one (1) certified paramedic/firefighter and one (1) certified emergency vehicle operator/firefighter for the entire duration of the first EMS incident. In the event that additional emergency or non-emergency calls for EMS Service in the northern district are requested at any time during the duration of the first EMS incident, the City of Ketchum agrees to make every effort to provide EMS Service to all other emergency medical calls with a licensed back-up ambulance and appropriately certified EMS personnel providing a minimum of basic life support (“BLS”) treatment and transport, when appropriately certified personnel are available and resources allow.

- 2.2 EMS Services provided are subject to the operational needs of the northern portion of the Ambulance District and the needs of the City of Ketchum. In this regard and when available and resources allow, the City of Ketchum will provide EMS Service to the southern district of the Ambulance District and other areas in the same manner in responding to emergency and non-emergency events and the needs of existing Mutual Aid Agreements.
- 2.3 City of Ketchum personnel (and ambulance) responding to emergency and non-emergency medical calls under this agreement shall operate as a unit of the City of Ketchum and act under the control of the most qualified medical personnel on scene and operate under the Ketchum Fire Department (KFD) standard operating guidelines. Notwithstanding, City of Ketchum personnel shall be subject to the provisions of the State of Idaho EMS Bureau, applicable National Fire Protection Association standards and other safety standards.
- 2.4 As provided by law, the Chief or Officer of the City of Ketchum Fire Department in charge at the scene of an emergency involving the protection for life or limb, shall have the authority to direct such operation as may be necessary to perform appropriate rescue operations consistent with the National Incident Management System (NIMS), Wood River Mutual Assistance Agreement and the Blaine County Emergency Operations Plan.
- 2.5 The City of Ketchum shall provide emergency medical transport from EMS incidents in the northern district of Blaine County to St. Luke’s Wood River Medical Center located in the northern district of Blaine County.
- 2.6 The City of Ketchum may provide the transfer of patients from St. Luke’s Wood River Medical Center to the patient’s home, or other destinations, when appropriately certified volunteer or off-duty personnel are available and as resources allow, on a rotating basis with the southern district, recognizing that minimum staffing for local EMS response shall be a priority. St. Luke’s may call upon the City of Ketchum or Wood River Fire and Rescue when Air St. Luke’s Ketchum and St. Luke’s Magic Valley responders are otherwise unavailable because of other patient emergencies. City of Ketchum agrees to provide a minimum staffing of one (1) certified emergency vehicle operator/firefighter and one (1) certified EMS provider for the appropriate level of patient care up to ALS-2 for routine transfers. No more than one (1) patient transfer by ambulance to destinations outside of Blaine County shall be approved at the same time recognizing the need for available ambulances and staffing in Blaine County. As it pertains to extreme weather conditions and other difficult circumstances, the safety of the crew members and the patient being transferred shall be the number one priority at all times with the final decision approving the transfer determined by the City of Ketchum Fire Chief or the City of Ketchum Fire Department shift officer in the Fire Chief’s absence.

- 2.8 The City of Ketchum shall supply equipment and provide backcountry rescue and winter rescue services that are normally performed in the scope of search and rescue operations. When requested, the City of Ketchum shall provide medical support and stand-by to Blaine County Search and Rescue when the condition of a lost person is unknown.

The City of Ketchum shall also maintain and operate State of Idaho EMS channels F1 and F2 in its radio communications equipment.
5. Medical Supervision: The City of Ketchum shall utilize the Physician Medical Director under contract with the Ambulance District agreed upon by the City of Ketchum and in compliance with the State of Idaho. City of Ketchum personnel shall follow the EMS protocols established by the controlling medical director or their designee. The City of Ketchum further agrees to adhere to, as a minimum standard, the State of Idaho EMS Bureau Paramedic Protocols, as amended, with respect to medical acts not governed by the protocols developed by the Blaine County Ambulance District Physician Medical Director.
6. Training: The City of Ketchum shall provide sufficient EMS training of personnel and continuing education (CE) of personnel at the current levels in compliance with State of Idaho EMS Bureau standards.
