Mayor Bradshaw and City Councilors:

Recommendation To Adopt Resolution 20-016 Establishing Face Covering Measures

Recommendation and Summary

I move to adopt Resolution 20-016.

The reasons for the recommendation are as follows:

- There is a desire to establish measures for wearing face coverings
- A resolution is proposed due to the challenges of enforcing mandatory regulations

Introduction and History

The city of Ketchum has taken a number of actions to slow the spread of COVID-19 in the community. The proposed resolution, similar to that adopted by Blaine County, is proposed for Council action. Also included as an attachment is a Health Order should the Council decide to mandate face coverings. The health order is similar to the order adopted by the City of Hailey.

As proposed, the Resolution would be in effect until December 31, 2020. The health order, similar to what was adopted by the City of Hailey, has no expiration date. The health order provides for a \$100 penalty for violations.

Financial Impact

CITY OF KETCHUM RESOLUTION 20-016

RESOLUTION OF THE KETCHUM CITY COUNCIL ESTABLISHING STANDARDS FOR FACE COVERINGS FOR INDIVIDUALS WHEN THEY ARE IN PUBLIC PLACES

WHEREAS, COVID-19 is a respiratory disease that can result in serious illness or death, is caused by the SARS-CoV-2 virus, which is a new strain of coronavirus that had not been previously identified in humans and can easily spread from person to person. The virus is spread between individuals who are in close contact with each other through respiratory droplets; and

WHEREAS, on January 30, 2020, the International Health Regulations Emergency Committee of the World Health Organization declared the outbreak of COVID-19 a public health emergency of international concern; and

WHEREAS, the CDC reports that people are most contagious when they are most symptomatic (the sickest) however some spread might be possible before people show symptoms although that is not the main way the virus spreads; and

WHEREAS, on March 13, 2020, Idaho Governor Brad Little signed a declaration of emergency for the State of Idaho in response to concerns that cases of COVID-19 are imminent in Idaho; and

WHEREAS, as of June 29, 2020, Idaho was reporting 5752 total cases of COVID-19; and

WHEREAS, the risk of community spread throughout the city of Ketchum impacts the life and health of the public, and imperils public health by the person-to-person spread of COVID- 19, it is, therefore, necessary to reduce opportunities for the person-to-person transmission of COVID-19 to combat the spread of the disease; and

WHEREAS, infection rates in Idaho have significantly increased in urban areas in recent weeks, and have begun to increase in Blaine County partially due to a swell of summer visitors; and

WHEREAS, the increase in infections is likely to result in an increase in hospitalizations and usage of ICU beds and ventilators; and

WHEREAS, there are no ICU beds or ventilators in Blaine County and there is concern among health care providers in Blaine County that a spike in COVID-19 cases in Blaine County will result in a need to divert critically ill patients, which need will not be met due to a lack of available ICU beds and ventilators statewide; and

WHEREAS, wearing face coverings is an effective, inexpensive, and simple method of lessening community spread of the COVID-19 virus; and

WHEREAS, there is a continuing and urgent need to protect all residents, employees and visitors in the city of Ketchum from the risks relating to the COVID-19 pandemic through the protection provided by wearing facial coverings;

- b. Persons with medical conditions that prevent them from wearing a face covering.
- c. Persons who are hearing impaired, or communicating with a person who is hearing impaired, where the ability to see the mouth is essential for communication.
- d. Persons, including on-duty law-enforcement officers, for whom wearing a face covering would create a risk to the person related to their work, as determined by local, state, or federal regulators or workplace safety guidelines.
- e. Persons who are obtaining a service involving the nose, face, or head for which temporary removal of the face covering is necessary to perform the service.
