

KING POLICE DEPARTMENT

ANNUAL REPORT
FY 2024-2025

Message from the Chief

As Chief of Police, I want to express my sincere gratitude for your continued support and trust in our department. The dedication of our officers and professional staff remains unmatched—they collectively log more than 2,500 activities every month, reflecting the strength of our commitment to public safety, community engagement, and service excellence.

In recent months, we have taken significant steps forward by integrating new technologies and equipment that enhance both the effectiveness and transparency of our operations. Our drone program is now active, providing critical support during emergencies, missing person searches, and large public events. Additionally, we've invested in advanced equipment and digital tools that improve efficiency, streamline incident documentation, and bolster officer safety.

We're also excited to share that our new police department facility has been completed, all personnel are under one roof. This modern, purpose-built space is designed to support 21st-century policing, offering improved training areas, secure evidence management systems, officer safety and a more welcoming environment for community interactions. It represents a major step forward in our city's continued investment in safety, innovation, and service infrastructure.

This progress has only been accomplished and made possible by the combined efforts of the department and support from City Council, and with the trust and partnership of the people we serve. We are thankful for your trust and commitment in jointly working together to make the City of King Police one of the best departments in the country. We are proud of the strides we're making, and we remain deeply committed to earning your confidence every single day.

Thank you for standing with us.

J. J. Boyette
Chief of Police

CRIMINAL INVESTIGATIONS & SPECIAL OPERATIONS

Forsyth County Drug Tash Force (DTF)

The King Police Department is an active participant in the Forsyth County Drug Task Force. A King PD Detective is assigned to DTF to work alongside other detectives from the Winston-Salem Police Department, Forsyth County Sheriff's Office, Kernersville Police Department, North Carolina State Bureau of Investigation (SBI), Homeland Security Investigations (HIS), Federal Bureau of Investigation (FBI) and the Drug Enforcement Agency (DEA). Since July of 2024, DTF investigators have seized various narcotics with an estimated street value of over 10 million dollars and over \$330,000 in U.S. Currency. This equates to over \$250,000 in forfeiture tax funds.

Internet Crimes Against Children (ICAC)

The King Police Department is a partnering agency in the ICAC program. The ICAC Task Force was developed in response to the increasing number of children and teenagers using the Internet, the proliferation of Child Sexual Abuse Material, and the heightened online activity by predators searching for unsupervised contact with underage victims. Since July 1, 2024, the Criminal Investigation Division has investigated four complaints, which have resulted in two arrests of suspected child predators. The other cases remain under investigation at this time.

National Integrated Ballistic Information Network (NIBIN)

King Police Officers often encounter subjects with weapons, to include firearms. In the past year, the police department has moved forward with being a participating agency of the National Integrated Ballistic Information Network, which encompasses ballistic testing to identify possible firearms used in other crimes. Since the program's inception, the Police Department tested 30 firearms that met the testing criteria. Out of the 30 firearms 6 guns were identified as being used in 13 different crimes in other jurisdictions – Murder, Attempted Murder, Armed Robbery, and Drive-by Shootings.

Gang Validations

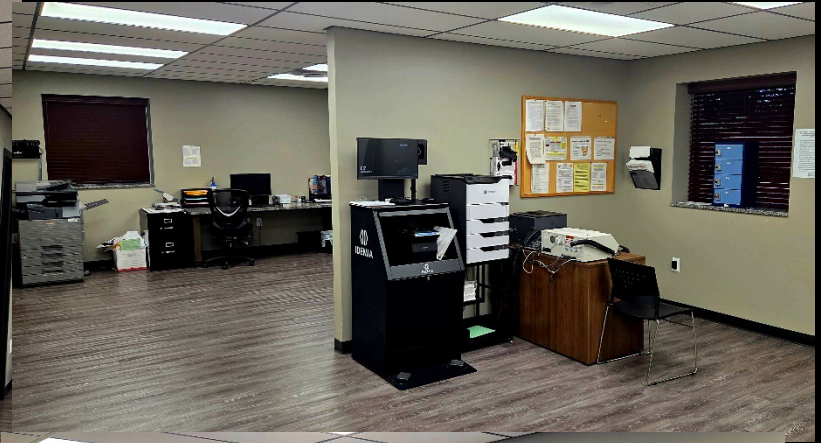

In the past year, the King Police Department has experienced an increase in gang activity and incidents within the City of King. Investigators have been able to validate 10 gang members that live within the city limits or within the surrounding area. There have been 61 arrestees identified as having an affiliation with gangs. Detectives continue to work with surrounding agencies to identify subjects involved in criminal gang activity.
