**PART B**

**Introduction and Background:**

**Discussion and Analysis:**

The amendment adds \$3,421 to Public Buildings for ice storm damage repairs and \$930 to the Fire Department for thermal camera damage repair; both of these are offset by insurance.

The budget amendment also adds \$23,153 to the PD to account for a refund from Motorola of \$7,873 and a request to use prior year unspent funds (out of fund balance) allocated for some generator work of \$15,280. These will be used to pay for generator prep/wiring of \$15,894, that has already been completed and for additional generator work/rewiring the generator itself of \$23,153. The difference will be offset by moving \$12,970 from vehicle fuel, anticipated not to be spent in 25-26, to this generator project.

Please see the attached detail sheet for further explanations.

**Budgetary Impact:**

See amendment.

**Recommendation:**

Approval of Budget Amendment 2025-06.05
