Mayor McCraw called the City Council Regular Meeting to order at 6:00 PM on Monday, August 4, 2025.

PLEDGE

The Pledge of Allegiance was recited with all remaining standing for the invocation given by Chaplain Paul Norman.

ANNOUNCEMENTS

Mayor McCraw noted the announcements listed on the agenda and thanked everyone for attending, including those watching online.

Mayor McCraw also made mention of:

- Purple Heart Day, August 7, 2025.
- 9th Annual King Pow Wow, August 9-10, 2025, at the King American Legion, Post 290.
- World Senior Citizens' Day, August 21, 2025.

He asked if there were any changes, additions, or corrections to the announcements. There were none, so the announcements were accepted as presented.

PUBLIC COMMENT

Mayor McCraw opened the public comment section at 6:04 PM. He explained the rules for public comment, including the 3-minute time limit per speaker.

1. Randy Griffin, 310 Highland Cir., King, addressed the Council regarding the city's tax rate. He shared that his small 900-square-foot house on Lake Street had doubled in appraised value, resulting in a \$1,500 annual tax bill. He expressed concern about citizens' ability to afford such taxes, especially those without pensions or retirement income. Griffin suggested that the Council consider reducing the tax rate, particularly since new houses on White Road would generate additional tax revenue. He also mentioned that Timmy's Lane was for sale and recommended that the Council consider purchasing it for right-of-way purposes.

2. Tommi Tuttle, 1246 Keiger Farm Rd., Tobaccoville, spoke on behalf of a local mission, operated out of

Place of Prayer Church (formerly the Country Corral), that serves homeless individuals in the area. She reported that they had assisted over 60 homeless individuals in the past year, ranging in age from 18 to 76 years old. The mission provides shower facilities, laundry services, mail service, and counseling resources. They also operate a winter warming station when temperatures drop below 32 degrees, accommodating an average of about seven people per night. Tuttle emphasized the importance of these services in reducing unnecessary calls to law enforcement, paramedics, and the 911 system.

3. Gaynelle Martin, 750 Meadowbrook Dr., King, the Outreach Pastor for the Place of Prayer/Matthew 25 Outreach Mission, shared specific stories of homeless individuals they have helped, including two women aged 75 and 76 who have been living in their cars at the King Food Lion for nearly a year. She expressed particular concern about the increasing number of seniors experiencing homelessness, noting that in her 20 years of working with homeless populations, she had never seen so many elderly people living in their cars.

4. Cheryl Penn provided an update on the Moving Wall project scheduled for April 30-May 4, 2026, at American Legion Post 290. The Vietnam Veterans Memorial replica will be open to the public free of charge, 24 hours a day, throughout its stay. Penn invited everyone to attend the opening ceremony on April 30 at 7:00 PM and mentioned that anyone wishing to lay a wreath would be welcome to do so. The next fundraiser meal for the project will be held on October 3, serving Sloppy Joes from 4:00 to 6:00 PM. Penn also requested that the city put up flags along Main Street during the Moving Wall's visit.

5. Kevin Kendall signed up on behalf of Troop 450, which was attending and had no public comment.

6. Dane Heath from Downtown King Partnership provided an update on the organization's recent activities. In June, they held a community meeting with approximately 30 attendees, including Council members. Led by Lizzie Morrison, the group conducted a SWOT analysis and worked on developing a vision statement for downtown King. Three common themes emerged from the exercise: Downtown King offers crafted southern culinary experiences, has opportunities for specialty shops, and provides convenient access to outdoor adventures. Heath shared their draft economic positioning statement and indicated that the group will next work on developing specific goals and projects for each strategy, with plans to return to Council with ideas and potential grant funding opportunities.

There being no one else to give written or verbal requests wishing to speak. Mayor McCraw closed the meeting's public comment portion at 6:19 p.m. ****SEE DOCUMENT #1****

1. ADJUSTMENTS TO AGENDA

Mayor McCraw proposed moving Item 5A to Action Items.

MOTION: Councilwoman Fowler motioned to approve moving to **ACTION ITEMS**, agenda item 5A. **PUBLIC HEARING:** Set a New Date for Public Hearing to Amend Chapter 32, Article IV, Sec. 32-196 and Sec. 32-198; Chapter 32, Article V, Add Sec. 32-248.1. Councilman Lane seconded the motion, which was carried by a unanimous vote of 4-0.

No other adjustments were made.

2. CONSENT AGENDA

Mayor McCraw explained that the consent agenda items were believed to be non-controversial and administrative in nature. He asked if any council members wanted to remove items from the consent agenda for separate discussion. The following consent items were approved:

A. Approval of Minutes

- a. July 7, 2025, City Council Regular Meeting Minutes

B. Resolution to Adopt the Northern Piedmont Regional Hazard Mitigation Plan

MOTION: Mayor Pro Tem Cole motioned to approve the consent agenda as presented. Councilwoman Fowler seconded the motion, which was carried by a unanimous vote of 4-0. ****SEE DOCUMENT #2****

3. NEW EMPLOYEES

A. Introduction to New Employee:

- a. Joseph Marion – Police Officer

4. ITEMS FOR PRESENTATION

A. Eagle Scout Project Update- William Maser

William Maser reported that his scout troop had completed the Eagle Scout project, which involved installing five plaques honoring city workers who passed away while serving the community. Maser thanked his troop, Jamie Wilkes, and Ben Marion for their assistance with the project. He also presented the Council with a framed collage of the installations.

Maser noted that his project came in under budget by 64 cents, and according to Eagle Scout rules, he needed to return the unused funds to the beneficiary or have them directed to charity. The Council directed him to return the funds to his scout troop.

Mayor Pro Tem Cole and Mayor McCraw both commended Maser and his troop for their outstanding work on the project, with the Mayor noting that the benches at the park look fantastic.

5. PUBLIC HEARING

A. Set a New Date for Continued Public Hearing Proposing Text Amendments to Chapter 32, Article III, Section 32-163 and Section 32-164, Proposing Text Addition to Chapter 32, Article V, Division 1, Section 32-261

***This item was moved to **ACTION ITEMS - 7E** at the beginning of the meeting during the adjustment of the agenda.*

B. Public Hearing on Financing Agreement of PD and FD Radios - Resolution 2025-06

Finance Director O'Brien explained that the Police Department has an agreement for 30 new Motorola radios, and the Fire Department has an agreement for seven radios. Previously, these were structured as lease agreements, but staff determined that a loan would save approximately \$4,000. Additionally, a police vehicle that was approved the previous week would be included in the financing, bringing the total loan amount to \$336,165.90 for 37 radios and one replacement police vehicle. The loan payments would be in arrears, with the first payment due in the next budget year.

Mayor Pro Tem Cole asked why this item had not been included in the budget process. Assistant Police Chief Tedder explained that this was due to an unfunded mandate from the FCC related to changes in radio requirements, which came as a surprise after the budget was finalized.

Councilman Bowles inquired about the expected service life of the new radios. Assistant Police Chief Tedder noted that while their current Motorola radios are still functioning, they can no longer be programmed to meet FCC requirements.

Mayor Pro Tem Cole asked if the funds could be taken from the fund balance rather than financing. Finance Director O'Brien clarified that since the first payment wouldn't be due until the next budget year, the Council would have the option to pay it off at that time if sufficient funding was available.

MOTION: Councilwoman Fowler motioned to approve First Horizon Bank to finance the radios for the Police Department and the Fire Department, as well as the replacement of the Police Department car, and approve Resolution 2025-06. Councilman Lane seconded the motion, which was carried by a unanimous vote of 4-0. ****SEE DOCUMENT #3****

6. DISCUSSION ITEMS

A. Appointments to the Planning Board

Interim Planning & Zoning Officer Todd Cox requested permission to advertise for Planning Board vacancies, noting that there was one regular seat and two alternate positions to fill.

Mayor Pro Tem Cole questioned why Council approval was needed for advertising positions, noting that in her experience, the Clerk typically handles this administrative function. Cox explained that historically, they had come to the Council for permission to advertise for board positions. Clerk Branshaw confirmed that she currently had one application on file but hadn't advertised it in the newspaper.

After discussing advertising methods and costs, the Council agreed that advertising through the city website, social media, the electronic signboard, and contacting Stokes News for a potential free news item would be the most cost-effective approach. Mayor McCraw mentioned that he had spoken with a possible applicant who was in attendance and would be picking up an application that evening.

MOTION: Mayor Pro Tem Cole made a motion to approve instructing the Clerk to contact Stokes News about a possible article regarding the vacancies and to advertise the positions on all social media outlets, the city website, and the electronic signboard. Councilman Bowles seconded the motion, which was carried by a unanimous vote of 4-0.

7. ACTION ITEMS

A. Surplus Property Resolution for PD – Resolution 2025-07

Assistant Police Chief Tedder presented a resolution for the disposition of surplus property, including an old SRTB box truck, a Dodge Charger that had recently been taken out of service, and the radios that would be replaced. He explained that the resolution aligns with the city's disposition of personal property policy, which permits the City Manager to approve the sale of items valued at less than \$30,000 through GovDeals or another bidding process.

Mayor Pro Tem Cole requested that surplus property lists be made available to the public to increase awareness and potentially attract more bidders. Mayor McCraw commended the Police Department for their recent work in apprehending a suspect, noting that some seized items might eventually be available as surplus property.

MOTION: Councilwoman Fowler motioned to approve the Surplus Property Resolution for the PD 2025-07. Mayor Pro Tem Cole seconded the motion, which was carried by a unanimous vote of 4-0.

****SEE DOCUMENT #4****

B. A Resolution 2025-08 To Request Our Local Legislators to Add the City of King to the List of Municipalities Found in NCGS 160A-58.1 (b)(5), Giving Us Exemption Status from the 10% Satellite Area Rule.

Interim Planning & Zoning Officer Todd Cox explained that state law currently limits the city to having no more than 10% of its total acreage in satellite annexations (areas not contiguous to the main city limits). The city is currently at 8.5% with approximately 59 acres remaining before reaching the limit. Barrow noted that a single development, such as the 45-acre tract across from Kings Crossing, would consume most of the remaining capacity. He emphasized that many developments want city services, particularly sewer, and being unable to annex them would either prevent development or force them to pay higher outside rates.

Cox recommended that Council approve a resolution requesting that local legislators add King to the list of municipalities exempt from the 10% rule. He noted that approximately 40 other cities across the state have already received this exemption.

Councilman Bowles requested clarification on what qualifies as a satellite annexation, and Cox explained that it refers to areas not physically adjacent to the main city limits. Mayor Pro Tem Cole mentioned the recently approved over-55 apartments on Goth Road as an example of a development that would likely request annexation to receive city sewer service.

Councilman Lane asked if the exemption would be permanent, and Cox confirmed it would be unless the legislature changed the general statutes. Mayor Pro Tem Cole emphasized that all annexations must be voluntary, as the city cannot mandate annexation.

MOTION: Councilwoman Fowler motioned to approve Resolution 2025-08 to request our local legislators to add the City of King to the list of municipalities found in NCGS 160A-58.1(b)(5), giving us exemption status from the 10% satellite area rule. Councilman Lane seconded the motion, which was carried by a unanimous vote of 4-0. ****SEE DOCUMENT #5****

C. Special Events Permit

City Engineer Ben Marion presented a revised special events permit for applicants hosting events within the city. The updated permit includes language and guidelines from the Fire Marshal's office, a better flow for department sign-offs, and updates to insurance certificate requirements.

Mayor Pro Tem Cole expressed her support for the permit, noting that it would bring revenue to the city.

MOTION: Councilwoman Fowler motioned to approve the Special Events Permit. Councilman Lane seconded the motion, which was carried by a unanimous vote of 4-0.

D. Change to City Ordinance to allow Alcohol at Central Park

Ben Marion reported that the Parks and Recreation Advisory Board had requested changes to City Ordinance Chapter 20-10 to permit alcohol in Central Park, specifically in the amphitheater area, to encourage outside organizations to utilize the facility.

Per the request of the Parks and Recreation Advisory Board's recommendation at the April 11th, 2025 meeting, the board would like to change the City of King's Park and Recreation Ordinance, Chapter 20-10, subsection 11 to allow alcohol at Central Park only with a special events permit as well as supporting documentation required by the special events permit to include meeting ABC boards guidelines to sell and consume alcohol at public events. A revision to the city's special events permit will be brought before the council in August 2025. Following the recommendation by the Parks and Recreation Advisory Board, city staff have made changes to the ordinance throughout Chapter 20, specifically Section 6, to clarify the contact information for the Parks and Recreation Department within the ordinance.

With liquor by the drink and mixed beverages now permitted inside the City of King, the Parks and Recreation Advisory Board believes that revising this ordinance, along with the special events permit, will encourage outside organizations to utilize Central Park, particularly the Amphitheater location, for more events on a more frequent schedule. This item's Public Hearing was done at the June 2nd, 2025, meeting to allow input on changes to the city's code of ordinances.

Mayor Pro Tem Cole asked whether the ordinance would specify beer and wine only, with a two-ticket limit, similar to what the Downtown King Partnership had implemented for their events. There was discussion about whether this limitation should be included in the ordinance or left to individual event organizers to implement.

City Attorney Brad Friesen suggested adding language before subsection 12 that would limit alcohol service

to beer and wine only, excluding liquor. Mayor McCraw expressed support for this limitation, noting that the park is a family area with children present.

City Engineer Marion clarified that state ABC permits would require event organizers to designate and control specific areas where alcohol would be served, and they would not be permitted to serve alcohol throughout the entire park.

Councilman Bowles confirmed that the roped-off areas were a requirement of the state ABC permit process, not a city requirement.

Mayor McCraw emphasized that this change was recommended by the Parks and Recreation Advisory Board, not initiated by the City Council.

MOTION: Mayor Pro Tem Cole motioned to approve the changes to the city's code of ordinance related to allowing alcohol, beer, and wine in Central Park with the addition of the sentence suggested by the City Attorney. Councilman Bowles seconded the motion, which was carried by a vote of 3-1. (Cole - Yea, Bowles - Yea, Fowler - Yea, Lane - Nay) ****SEE DOCUMENT #6****

E. Set a New Date for Continued Public Hearing Proposing Text Amendments to Chapter 32, Article III, Section 32-163 and Section 32-164, Proposing Text Addition to Chapter 32, Article V, Division 1, Section 32-261

Interim Planning & Zoning Officer Todd Cox explained that the Planning Board had reviewed a requested text amendment to add a mixed-use district to the zoning ordinance. While some aspects of the proposal could be beneficial, the Planning Board identified several concerning elements and voted unanimously to table the item. The applicant agreed to participate in a workshop to address these concerns. Cox requested that the Council continue the public hearing to the September 2, 2025, meeting, allowing time for the Planning Board to review any revised proposals at their August meeting.

Mayor Pro Tem Cole expressed surprise that an applicant (potential purchaser) rather than a property owner had initiated the text amendment. Cox confirmed that this practice was common, particularly in larger jurisdictions. Councilman Lane noted that while he was interested in updating the ordinance, he was growing increasingly impatient with the applicant's repeated delays.

MOTION: Mayor Pro Tem Cole motioned to approve setting a new date for September 2, 2025, for continuing the public hearing on the text amendment. Councilman Bowles seconded the motion, which was carried by a unanimous vote of 4-0.

8. DEPARTMENTAL REPORTS

Council reviewed the departmental reports included in the agenda packet. Mayor Pro Tem Cole inquired about the general fund as shown on page 46 of the budget vs. actual report, to which Finance Director O'Brien responded.

Council members reviewed the departmental reports.

MOTION: Motion to acknowledge receipt of the departmental reports: Moved by Councilwoman Fowler, Mayor Pro Tem Cole seconded. Motion carried unanimously 4-0.

ITEMS OF GENERAL CONCERN

Councilwoman Fowler expressed appreciation for all the information provided in the departmental reports, noting that they give Council a clear picture of city operations.

Councilman Lane addressed public comments about tax rates, emphasizing that the Council had not raised the tax rate during their tenure. He explained that the increased tax bills resulted from county property revaluations based on market values, not city actions. Lane noted that the city provides numerous services, such as yard waste and leaf pickup, that justify the tax rate, and that the budget contains no excess spending.

Councilman Bowles reinforced Lane's comments, adding that Council members are also residents who pay the same taxes and are affected by the same decisions they make. He praised city staff for running a lean operation and maintaining a tight budget.

Mayor Pro Tem Cole highlighted the importance of public safety in the city, expressing appreciation for the police and Fire Departments' reliability and responsiveness. She thanked city employees and fellow Council members for their work in ensuring residents feel safe.

Mayor McCraw thanked City Manager Barrow and Finance Director O'Brien for their careful management of city finances. He commended Clerk Branshaw for the improved format of the departmental reports and Paula Hall for the Senior Center's active calendar of events. The Mayor also praised the Police Department for their foresight in acquiring new equipment to enhance public safety, noting that the recently purchased vehicle was manufactured in North Carolina. He emphasized that while tax dollars must be spent judiciously, the safety of residents and first responders is of paramount importance.

ADJOURNMENT

MOTION: Councilwoman Fowler motioned to adjourn the meeting at 7:05 pm. Councilman Lane seconded the motion, which was carried by a unanimous vote of 4-0.

Resolution of Consideration No. 2025-08

A Resolution of Consideration requesting the City of King's local House and Senate representatives amend 160A-58.1 (b)(5) to include the City in the exempt list.

Whereas, NC General Statutes 160A-58.1 (b)(5) states that no municipality may satellite annex more than 10% of its primary corporate limits; and

Whereas, the City of King is close to this 10% rule and would like to be able to continue to be able to accommodate those who wish, by petition, to be annexed into the city by satellite annexation; and

Whereas, the NC General Statutes have made a way to be exempt from this rule found in 160A-58.1 subsection (b)(5) by having their jurisdiction added to the list of other exempt municipalities.

Now, Therefore, Be It Resolved, by the City Council of the City of King:

The City of King is requesting that one or both of its local House and Senate representatives add the city to this exempt list found in 160A-58.1 subsection (b)(5).

Dear Senator Dana Jones and Representative Kyle Hall,

We are writing to you today, representing the City Council and the citizens of King, North Carolina, regarding a critical matter concerning the City's ability to manage its growth and development through annexation. The City of King has formally adopted a Resolution of Consideration requesting your assistance in amending North Carolina General Statute 160A-58.1 (b)(5). Currently, this statute limits satellite annexations by municipalities to a maximum of 10% of their primary corporate limits.

The City of King is approaching this 10% threshold, and we are concerned that this limitation will hinder our ability to respond to future requests from residents who wish to be annexed into the city via satellite annexation. Allowing for this continued growth is essential for the prosperity and planned development of our community. Recognizing that the General Assembly has previously provided exemptions from this 10% rule for other municipalities in North Carolina, we believe that the City of King should also be considered for inclusion on this exempt list.

The City Council respectfully requests that you, our local House and/or Senate representatives, introduce and advocate for an amendment to G.S. 160A-58.1 subsection (b)(5) that would include the City of King among the exempted municipalities. We believe this amendment is vital to ensure the continued orderly growth and expansion of the City of King in alignment with the wishes of its citizens. We are available to provide further information or discuss this matter in more detail at your convenience.

On behalf of the Mayor and City Council, thank you for considering this urgent request.

Respectfully,

Nicole Branshaw
City Clerk, NCCMC
