PART B

Introduction and Background: May is Older Americans Month, a month to recognize and celebrate the contributions of older adults and the impact they have on our communities. King Senior Center seeks to publicly recognize the service of Mrs. Carolyn Byerly who served on King City Council to help the King Senior Center open its doors in 2007. Mrs. Byerly went on to serve on its Advisory Board for 14 years, retiring last December. We would also like to honor the service of Mrs. Susie Grabs who served in many capacities on the Advisory Board for 18 years, including serving as Chair. These ladies recognized a need in our community and through their volunteerism, have contributed to the success of the King Senior Center that we celebrate today.

Discussion and Analysis:

Budgetary Impact:

Recommendation: To publicly recognize and thank Mrs. Carolyn Byerly and Mrs. Susie Grabs for concluding their many years of service to the King Senior Services Advisory Board.
