Recommendation:
Approve the resolution.

Executive Summary:
Bids were opened on November 29, 2023 for the Sewer Vactor Truck Dewatering Pad project. There were two interested bidders who attended the pre-bid conference, and there were two bids submitted for the project. The project is being partially funded with American Rescue Plan (ARP) funds, which requires Tennessee Department of Environment and Conservation (TDEC) approval. Unfortunately, TDEC rejected the bids because of a new rule that requires project bid advertisements on the GoDBE website. Therefore, it is recommended and necessary that bids from Glass Machinery & Excavation Co. and GRC Civil Services, Inc. be rejected, with a project bid re-advertisement at a later date.
