Executive Summary

This resolution authorizes the Mayor to Execute an agreement with Goodwill Industries to place a container on city property for the collection of donated textile items/materials.

Goodwill Industries has approached Public Works about placement of their own containers on City property at the convenience centers located on Industry Drive and at the Civic Auditorium. These containers will provide City residents greater convenience for the donation of acceptable textile items/materials to Goodwill. Items include but are not necessarily limited to clothing, towels, and bed linens. Goodwill Industries is responsible for emptying the containers as well as maintaining the areas around the bins as noted in the memorandum of understanding.

Staff recommends entering into a one-year agreement for Goodwill to place these containers as we anticipate them honoring and following the requirement set forth in the memorandum of understanding.
