Recommendation:

Hold public hearing and receive comment concerning the 6 month plan of services update for the Browder Road Annexation.

Executive Summary:

Tennessee Code Annotated 6-51-108 states in part "...upon expiration of six (6) months from the date any annexed territory for which a Plan of Service has been adopted becomes a part of the annexing of the municipality, and annually thereafter until such services have been extended according to such plan, there shall be prepared and published in the newspaper of general circulation in the municipality a report of the progress made in the preceding year... the governing body by municipality shall publish notice of the public hearing on such progress reports and changes, and hold such hearings thereon..." As a result of this statute, and the subsequent need to conduct the 6 month update for the Browder Road Annexation Plan of Services Update, it is required that the Board of Mayor and Aldermen conduct a public hearing to receive comment. All City services accounted for in the Browder Road Plan of Services Resolution have been provided to the annexation area. The notice of public hearing was published on May 1, 2023.
