

FLEET MAINTENANCE DEPARTMENT

City of Kingsport

To: Nikisha Eichmann, Assistant Procurement Manager
From: Steve Leonard, Fleet Manager
Date: March 20, 2024
Re: Fleet Replacement units 2258 & 2259 Purchase Recommendation

It is the recommendation of this office to purchase the Fleet Replacement for units 2258 & 2259 for the total purchase price of \$158,690.00 (\$79,345.00 each). These units meet the expectations of the Water/Sewer Department and will fulfill the requirements of their operational needs. These units will be purchased through the TN State Contract # 80359. A copy of the TN State Contract is attached. The estimated delivery is 7-8 months.

Item	Quantity	Description	Award to Vendor	Fuel Economy
1	2	RAM 5500 CREW CAB 2WD WITH UTILITY BODY	CDJR of COLUMBIA	N/A City/N/A Hwy

These unit will be a Fleet Replacements

The units listed below will be replaced and disposed of utilizing the current approved City process.

The TN State offerings were reviewed by Adam Williams and he is in agreement with this recommendation.

Fuel Economy Improvement

N/A

TN State Contract # 80359

Replacements

2258	2016 FORD F450 EXT CAB	Mileage	100,621
2259	2016 FORD F450 EXT CAB	Mileage	107,847

Should you have any questions on this recommendation, please do not hesitate to contact me.

Thank you.
